**LOAN AGREEMENT (CDBG-DR 17 Transaction)**

The parties to this Loan Agreement (this "Agreement") are the **CITY OF HOUSTON, TEXAS**, a home-rule city organized under the laws of the State of Texas ("City"), and **LONE STAR HOUSING AND COMMUNITY DEVELOPMENT CORPORATION**, a Texas nonprofit corporation ("Borrower") and is joined herein by **SCOTT STREET LOFTS, LP**, a Texas limited partnership ("Owner").

Unless the context otherwise requires, the initial capitalized words shall have the meanings ascribed to them in **Schedule A** attached to this Agreement if they are not otherwise defined in the main body of this Agreement.

Borrower, City and Owner hereby agree as follows:

**SECTION ONE**  
**BACKGROUND**

A. Borrower has requested and this Agreement provides for a loan to be made from the City to the Borrower in the maximum principal amount of FOURTEEN MILLION FIVE HUNDRED THOUSAND and No/100 Dollars (\$14,500,000.00) ("Loan Amount") (the "City Loan" or the "City's Loan"). The City's Loan will provide for the rehabilitation, reconstruction, acquisition and/or construction of affordable housing to replace affordable housing that was damaged or destroyed by Hurricane Harvey, and will serve a Low and Moderate Income ("LMI") benefit by providing or improving residential structures to be occupied by households qualifying for LMI ("LMI Persons" or "City's LMI Persons").

B. Funding for the City Loan is being provided to the City pursuant to 2017 Community Development Block Grant ("CDBG") Disaster Recovery program funds ("CDBG-DR17 Program") awarded by the United States Department of Housing and Urban Development ("HUD") through the Texas General Land Office ("GLO") under the Continuing Appropriations

Act, 2018 and Supplemental Appropriations for Disaster Relief Requirements Act, 2017 (Public Law 115-56) and the Further Additional Supplemental Appropriations for Disaster Relief Requirements Act, 2018 (Public Law 115-23), and the requirements published by HUD under 83 Fed. Reg. 5844 and 83 Fed. Reg. 40314, and is subject to the terms and conditions of that certain Contract Numbered 19-147-001-B489, as may be amended from time to time ("GLO Contract") between GLO and the City. Pursuant to the GLO Contract, the provisions of that certain City of Houston Local Action Plan – Hurricane Harvey Housing Recovery passed and approved by City Council of the City of Houston ("City Council") by Ordinance No. 2018-518 on June 27, 2018, as amended by that certain State of Texas Plan for Disaster Recovery: Hurricane Harvey Round 1, as amended from time to time (as so amended, the "Action Plan"), Federal regulations, as published in 24 C.F.R. Part 570 ("CDBG Regulations"), the State of Texas CDBG Housing Rules, as published in 10 TAC Chapter 60; the City's Harvey Multifamily Program Guidelines, as amended from time to time, and other related administrative rules and regulations issued by the Federal Government or State of Texas that are applicable to rental activities funded under the CDBG-DR17 Program ("Other Requirements") are hereby included or incorporated in this Agreement and sub-agreements, as applicable. Furthermore, Borrower and Owner have been notified that the information related to the development, its operations and its residents are covered under Chapter 552, Texas Government Code, the Texas Public Information Act, unless a valid exception exists, and Chapter 2306 of the Texas Government Code.

C. The term of the City Loan shall commence on the Closing Date and shall mature on the last day of the Affordability Period (as same may be extended). No payment of principal or interest shall accrue or be payable during the Approved Construction Period except as set forth in Section One, Paragraph D below. Upon the expiration of the Approved Construction Period, the

outstanding principal balance of the Note shall accrue interest at the rate of one percent (1%) per annum. From Available Cash Flow, Borrower shall pay an annual installment equal to the lesser of (i) one percent (1%) annually on the outstanding balance of the City Loan plus accrued unpaid interest, if any, or (ii) fifty percent (50%) of Net Cash Flow, as defined below. The annual interest payment or non-payment of such interest shall be accompanied by evidence acceptable to the Director documenting Net Cash Flow or lack of sufficient Net Cash Flow. Unpaid interest will accrue and will be payable from future Available Cash Flow. For purposes of this provision Available Cash Flow shall mean 50% of Net Cash Flow, defined as follows:

Net Cash Flow shall mean all income and revenues actually received by Owner from the lease of the Project Units and other improvements, and all other income and revenues actually received by Owner in connection with the Project, excluding and deducting therefrom all (1) Operating Expenses, including any debt service payments on the Senior Loan; (2) security, pet or cleaning deposits, if any; (3) payments from the Replacement Reserve or from Operating Reserves; (4) payments or reimbursements from insurers or other third parties and used or to be used for restoration, repair or remodeling of any of the Project Units or other improvements; (5) capital contributions, grants, proceeds of any permitted sale, transfer, exchange, refinancing or other disposition or encumbrance of all or a portion of the Project; (6) condemnation proceeds and awards in place of them; (7) tax reduction or abatement proceeds (8) City Loan proceeds; (9) deposits made to operating reserves and to the replacement operating reserves; (10) payments of the deferred developer fee; and (11) any tax credit adjustments, asset management fees due to the Tax Credit Investor or a limited partner and loans from the limited partner of Owner (to the extent the repayment of any such loan (a) is not secured by the Project, and (b) is made for the purposes of covering assumed tax liability, tax credit shortfalls, and operating deficits under the

approved operating budget for the applicable year and not for the purposes of facilitating distributions to the partners of Owner).

Provided that no Default then exists beyond all applicable notice and cure periods and subject to the Director's consent and the conditions of this Section, Borrower may, at its option, extend the Term of the City Loan for a maximum of three (3) successive renewal periods of five (5) years each (the "Renewal Periods") by written notice to the City of Borrower's desire to renew the City Loan (the "Renewal Notice") which Renewal Notice shall be given no earlier than ninety (90) days prior to the expiration of the then current Term and no later than thirty (30) days prior to the expiration of the then current Term (as it may have previously been extended). For each Renewal Period, Borrower will pay the City a fee equal to one percent (1.0%) of the then outstanding balance of the City Loan which is a good faith estimate of the additional legal fees, monitoring costs and other expenses to be incurred by the City as a result of such extension and which sum must be paid simultaneously with the giving of the Renewal Notice. The extension option may only be exercised as to one Renewal Period at a time. (For clarity purposes, the second extension option may be exercised no earlier than ninety (90) days prior to the expiration of the first Renewal Period and will not be available if the first extension option is not exercised and the third extension option may be exercised no earlier than ninety (90) days prior to the expiration of the second Renewal Period and will not be available if the first and second extension options are not exercised.) As a condition to each such extension, the Affordability Period must be extended to cover the applicable Renewal Period, and the parties shall execute a written extension agreement and any other documentation which may be required to extend the City Loan, the Affordability Period and the Restrictive Covenants for the Renewal Period in form and substance reasonably acceptable to the City and Owner. In addition, as a further condition to the renewal, (i) Borrower

shall provide the City with a title company endorsement to the City's loan policy of title insurance for such extension under Texas Title Insurance Procedural Rule P.9.b.3 (or the equivalent), and (ii) the Project must pass the inspection of the City to ensure compliance with the Minimum Property Standards as the same are revised from time to time and if necessary, the Borrower shall cause Owner and Owner shall additionally make all necessary repairs to bring the Project into compliance. If Borrower requests an extension, the City may also, as a condition of renewal, require that the Replacement Reserve Account(s) be collaterally assigned to the City.

D. No payment of principal shall be payable under the City Loan except (and subject to the next sentence) in the event of Borrower's or Owner's Default of its obligations or representations and warranties under (a) this Agreement, (b) the terms of the Note, the Collateral Note or any security or other Loan Documents securing or evidencing the City Loan, and/or (c) the City's Restrictive Covenants and the expiration of any applicable cure period, provided, however, the Director, in his or her sole discretion, may waive in full or in part any requirement of this sentence. Upon the Maturity Date, if no Default has occurred which remains uncured, the amount of the City's Loan which remains unpaid, if any, shall be deemed paid by Borrower. In the event of Borrower's or Owner's Default (as further described above) and the Director elects to accelerate payment of the Note and declare that all sums under the City Loan are immediately due and payable, the principal balance of the City Loan together with accrued but unpaid interest thereon shall become immediately due and payable. Notwithstanding anything to the contrary in this Agreement, the Owner shall remain obligated to repay the Owner Loan to the holder thereof according to its terms and conditions until satisfied in full.

E. Borrower's obligations to the City under this Agreement, including, but not limited to repayment of the City's Loan as evidenced by the Note, will be secured by, among other things,

the Collateral Assignment (Owner Loan) in favor of the City and the Owner Loan Documents. In furtherance of the foregoing, Borrower and Owner shall execute and deliver any instruments, documents and/or agreements necessary to create or perfect the security interests referenced hereunder.

F. Borrower shall loan the proceeds of the City Loan to Owner pursuant to the Owner Loan Agreement which has been or will be approved by the Director, for the Owner Loan from Borrower to Owner. Owner shall use the proceeds of the Owner Loan for the payment of the costs to acquire and rehabilitate, reconstruct, construct or replace rental housing to be known as Scott Street Lofts located in Houston, Harris County, Texas. The Land on which the Project is located is described in Exhibit A attached to this Agreement. The purpose of the Project is to provide housing for the City's LMI Persons in compliance with the affordability agreements set forth in this Agreement and in the Restrictive Covenants.

G. Guarantor will sign a Construction Completion Guaranty in the form set forth in the Attachments to this Agreement ("Construction Completion Guaranty") of Borrower's and Owner's requirements under this Agreement and the Construction Contract.

H. To secure the City Loan, Borrower will collaterally assign the Owner Loan and the Owner Loan Documents pursuant to the Collateral Assignment (Owner Loan) executed by Borrower in favor of the City covering the Owner Loan, the Deed of Trust Security Agreement and Financing Statement executed by Owner covering the Project and the other Owner Loan Documents. Notwithstanding anything to the contrary in this Agreement, the Owner shall remain obligated to repay the Owner Loan to the holder thereof according to its terms and conditions until satisfied in full.

I. The City is obligated to comply with certain requirements with respect to reporting to GLO about the use of the Loan Proceeds and the operations and maintenance of the Project, among other matters, and this Agreement contains provisions for the Borrower and Owner to submit information to the Director on various aspects of the Project. Borrower shall, and shall cause Owner to submit, and Owner shall submit this information to the Director on the forms from time to time provided and required by the Director to be used by the Borrower and/or Owner (“Monitoring Forms”), the initial form of which is attached as Appendix 5 hereto.

J. The City Loan is issued subject to the conditions and terms of this Agreement.

K. Borrower and Owner shall comply and shall cause their contractors to comply with the City’s Minority, Women and Small Business Enterprise (“MWSBE”) programs as set out in Chapter 15, Article V of the City’s Code of Ordinances. Borrower and Owner shall make Good Faith Efforts as described by the City’s Office of Business Opportunity (“OBO”) policy attached hereto as APPENDIX 9, to award subcontracts or supply agreements in at least 34% of the Loan Amount to MWSBEs. Borrower and Owner acknowledge that they have reviewed the requirements for Good Faith Efforts on file with the OBO and shall comply with them.

Borrower and Owner shall ensure and shall cause their contractors to ensure that all subcontracts with MWSBE subcontractors and suppliers contain the following terms:

1. “[MWSBE subcontractor] shall not delegate or subcontract more than 50% of the work under this Subcontract to any other subcontractor or supplier without the express written consent of the City of Houston’s OBO Director.

2. [MWSBE subcontractor] shall permit representatives of the City of Houston (including without limitation the Director and City Controller), at all reasonable times, to perform (a) inspections of all places where work is to be undertaken in connection with this Subcontract,

and (b) audits of the books and records of [MWSBE subcontractor]. [MWSBE subcontractor] shall keep such books and records available for such purpose for at least four (4) years after the completion of its performance under this Subcontract. Nothing in this provision shall affect the time for bringing a cause of action nor the applicable statute of limitations.

3. Within five (5) business days of execution of this Subcontract, the prime contractor and [MWSBE Subcontractor] shall designate in writing to the Director an agent for receiving any notice required or permitted to be given pursuant to Chapter 15 of the City's Code of Ordinances, together with the mailing address and telephone number of such agent.

4. Any controversy between the parties involving the construction or application of any terms, covenants, or conditions of this Subcontract may be submitted to the OBO Director. The OBO Director may prescribe procedures to provide dispute resolution by neutrals, in accordance with the requirements of Chapter 15 of the City's Code of Ordinances.

L. Borrower and Owner hereby agree to comply with the following provisions required by GLO as a condition of GLO's approval of the Project for fair housing and affirmatively further fair housing purposes:

1. Borrower shall implement all mitigation measures and conditions (collectively, "Environmental Mitigation") included in the written "release of funds" authorization from HUD, as further described in Section Five, Paragraph 5.4 or at the City's sole discretion, recommended as a result of the environmental review conducted pursuant to 24 C.F.R. Part 58 (the "Environmental Review"). Borrower shall also comply with all applicable insurance and survey requirements as set forth in Section Three, Paragraph 3.13 and Section Six, Paragraph 6.26.

2. Borrower will update its Affirmative Fair Housing Marketing Plan to reflect groups targeted for marketing/outreach and community contracts that satisfy the "least likely to

apply” definition found in the document guidance (groups underrepresented in the Census Tract when compared with the Housing Market Area).

M. Borrower and Owner agree to abide by the conflict of interest provisions at 24 C.F.R. § 570.611, 2 C.F.R. § 200.317 and 2 C.F.R. §200.318 and furnish conflict of interest disclosure forms if so required by the Director.

N. If the Loan Proceeds do not cover all of the costs of the Project, Owner shall have obtained at the time of Closing a firm commitment for the funding of the remaining acquisition costs (if applicable) and the construction costs to repair, renovate, construct and/or reconstruct the Project using debt and equity financing (collectively, together with the Senior Loan the “Other Financings”), all of which combined with the Loan Proceeds, total at least the amount required by the Approved Final Project Budget (“Final Project Budget”) in form and content approved by the Director and attached hereto in the Exhibits to this Agreement. In any case, Owner shall be responsible for funding or obtaining funding for any costs or expenses of the Work, other Project cost under the Final Project Budget or otherwise payable under this Agreement to the extent not covered by the Loan Proceeds.

O. It is the policy of the City to ensure that construction work it finances protects workers on those projects by making sure they are safe, are compensated in accordance with Applicable Law, and have access to pathways for sustainable careers in the construction industry. All contractors who work on the Project are required to implement the workforce protection measures at Appendix 15.

P. The replacement reserve (“Replacement Reserve”) shall be no less than \$300.00 per unit annually, increasing by 3% annually, pursuant to the terms of the Senior Loan Documents, to the extent that such Replacement Reserve is required pursuant to such Senior Loan Documents,

or, to the extent not so required, pursuant to Section 6.24 of this Agreement. The City shall have a subordinate security interest in the Replacement Reserve, and Borrower and Owner shall execute any instruments or other documents necessary to create or perfect such interest.

Q. Any property management fee, asset management fee or other similar fee ("Property Management Fee") is limited to no more than five percent (5.0%) in the aggregate of the Project's gross annual income.

R. Borrower and Owner have submitted to the Director a signed Certificate regarding lobbying ("Lobbying Certificate") in the form set forth in the Appendices to this Agreement (or in the form in effect at the time the Lobbying Certificate was submitted to the Director).

The Land or Project has not been subject to any special (reduced) real estate appraisal, or abatement, exemption or deferral of ad valorem taxes in the five (5) years preceding the Effective Date of this Agreement, unless Owner has an effective agreement providing that another party is liable for all liability, accruing prior to Owner's acquisition of the Land or Project, for ad valorem taxes owing as a result of an change or revocation of such special (reduced) real estate appraisal, or abatement, exemption or deferral of ad valorem taxes.

If any material negative change in either Borrower's or Owner's financial condition occurs, Borrower and Owner shall report such change to the City within five (5) business days.

2.4.2 The financial representations made to the City by Borrower and by Guarantor to Borrower or the City concerning Guarantor's financial condition are true and correct and, upon the Closing of the City's Loan and the Other Financings, Guarantor has the financial capacity to carry out its obligations under the Construction Completion Guaranty. If any material negative change in Guarantor's financial condition occurs, Borrower shall report such change to the City within five (5) business days.

2.4.3 The Borrower, Owner and Guarantor are in good standing on all outstanding loans and loan commitments with no defaults or negative collection actions on any current or previous loans that City reasonably determines would adversely impact the ability of Borrower or Guarantor to perform hereunder. Borrower and Owner have provided the City with a true and correct listing with addresses of all multifamily properties owned or managed by Borrower and/or Owner as of the Closing Date.

2.5 **Authorization.** All action on the part of Borrower and Owner necessary to authorize the transactions contemplated by this Agreement have been taken, and upon execution of this Agreement, this Agreement shall constitute the binding and enforceable obligation of Borrower and Owner.

2.6 **Liens.** As of the Closing Date, there are no existing or threatened liens against the Project (other than the lien securing the Senior Loan), and the Borrower and Owner do not know of any reason such liens may be filed or threatened against the Project. As of the Closing Date, all payables and liabilities to parties providing goods or services to Borrower and Owner have been paid and no payables or liabilities exist that are more than thirty (30) days outstanding.

2.7 **Preliminary Project Budget Contents.** The Preliminary Project Budget specifies (a) a listing of all costs necessary to (i) acquire the Land (if applicable); (ii) complete the Project;

and (iii) reach a 90% occupancy level, and (b) the sources of funding which will be used to complete the Work and reach stabilized occupancy which will be enumerated on AIA documents if required by the City and shall indicate those items to be funded with Owner's equity.

**2.8 Expertise.** Owner has engaged or will engage prior to Closing competent, and where required by applicable law, certified or licensed, persons and firms for the purpose of constructing, leasing and managing the Project.

**2.9 Legal Existence.** Borrower is a non-profit corporation, duly created and validly existing and in good standing under the laws of the State of Texas. Owner is a limited partnership, duly created and validly existing and in good standing under the laws of the State of Texas.

**2.10 Insurance Claims.** Borrower and Owner have provided the Director with true and correct copies of all insurance claims made by Borrower or Owner (if any) or which Borrower and Owner plan to make (together with all supporting documentation) with respect to any damage to the Project within the last six (6) years including, without limitation, damage to the Project resulting from Hurricane Harvey. None of the Loan Proceeds will be used to pay for damages covered by any insurance claim or any insurance policy including delayed or future payments anticipated under insurance policies. No portion of the Loan Proceeds shall be utilized to satisfy any deductible under such insurance policies.

**2.11 Access.** Access by vehicles to the Land for the full utilization of the improvements for their intended purposes either (a) exists over paved roadways that have been completed, dedicated to the public use and accepted by the appropriate Governmental Authority, or (b) the necessary rights-of-way for such roadways have been acquired by the appropriate Governmental Authority and all necessary steps have been taken by Borrower and/or Owner, and such Governmental Authority to assure the complete construction and installation of such roadways.

default is not cured within ten (10) business days, or if longer, the cure period set forth in such regulatory agreement or other document but not to exceed thirty (30) days; provided, however, that any cure of the underlying default shall also constitute acceptable cure of the Default.

**10.1.11 Liens and Other Encumbrances.** If any mechanics', materialman's or other similar lien or encumbrance is filed against the Project, or the fixtures, materials, machinery and equipment to be used in the Project or other collateral that secures the City Loan, and the same is not discharged (by payment, bonding, which may include payment bond furnished by contractor, or otherwise) within fifteen (15) business days following written notice thereof from the City to Borrower and Owner.

**10.1.12 Change of Ownership or Management.**

(a) If all or any part of Owner's interest in the Project is transferred (excluding transfers of membership or partnership interests in Owner to or by the Tax Credit Investor, which interests may be transferred without consent as described in Paragraph 10.1.16 below, or any entity permitted pursuant to Paragraph 10.1.15) or by its members or partners holding less than forty-nine percent (49%) ownership interest in Owner, unless such interests being transferred are general partner or managing interests), sold or assigned, voluntarily or involuntarily, or there is a change of management of the Project, at any time within the Affordability Period, such transfer of interest or change of management must first be approved in writing by the Director, which approval may be granted or withheld by the Director. In the case of a transfer of Owner's interest in the Project, the Director's consent, if any, shall not be effective unless or until the purchaser or transferee assumes in writing all obligations and covenants of Borrower and Owner under the Loan Documents in a form acceptable to the Director and the City Attorney; or

(b) If there is otherwise a change in control of Borrower in violation of this Agreement.

(c) There is a change in the Property Manager without Director's consent.

**10.1.13 Failure to Complete.** If Owner or Borrower fails to complete the Work in accordance with the Approved Plans, Specifications, and Drawings that are approved by the Director within the Approved Construction Period.

**10.1.14 GLO, IRS or other Audit Findings or Exceptions.** If the City Representatives, GLO, the Internal Revenue Service, or other federal or state agency makes an audit finding or exception that relates to the Project, the funds provided under this Agreement, or the Other Financing, provided, however, that if the audit finding or exception is curable, there shall be no Default unless the audit finding or exception is not cured within thirty (30) days after written notice to Borrower and Owner of such finding or exception or for such greater period as shall be necessary to cure such finding or exception so long as Borrower or Owner commences to cure such finding or exception within thirty (30) days after written notice thereof to Borrower and Owner and satisfactorily completes such cure.

**10.1.15 Removal of Owner's General Partner.** Notwithstanding anything to the contrary contained in this Agreement or the Loan Documents, the removal and/or replacement of Owner's general partner for cause in accordance with Owner's Partnership Agreement shall not require the consent of the City or Director, shall not constitute a default under this Agreement or the Loan Documents or accelerate the maturity of the City Loan. The consent of the Director shall be required for the appointment of a new general partner, but if the Tax Credit Investor exercises its right to remove the Owner's general partner in accordance with the Owner's Partnership Agreement, City will not unreasonably withhold its consent to the substitute general partner;

provided however, the consent of neither the City nor the Director shall be required if the substitute general partner is an affiliate of Tax Credit Investor. The substitute general partner shall assume all of the rights and obligations of the removed general partner of Owner hereunder.

***10.1.16 Transfer of Tax Credit Investor's Partnership Interest.***

Notwithstanding anything to the contrary contained in this Agreement or the other Loan Documents, neither the City's nor the Director's consent shall be required (and the same shall not be deemed a Default under any of the Loan Documents) in connection with (a) the pledge and encumbrance of Tax Credit Investor's interests in Borrower to or for the benefit of any financial institution that enables such Tax Credit Investor to make its capital contributions to Borrower, (b) the transfer and/or the assignment by the Tax Credit Investor of its interest in Borrower to an entity controlled or managed by an entity that is related to or under common control with the Tax Credit Investor, (c) the transfer and/or assignment by Tax Credit Investor of its interest in Borrower, to a separate legal entity controlled by Borrower's general partner or managing member, as applicable, or an affiliate in which Borrower's general partner or managing member, as applicable, holds a controlling interest at the end of the Tax Credit Compliance Period applicable to Borrower; (d) a change in the beneficial ownership of any Tax Credit Investor so long as such entity remains controlled by RBC Community Investments, LLC, an Illinois limited liability company or an affiliate thereof and (e) any transfer and/or the assignment by the Tax Credit Investor of its interest in Borrower upon the Tax Credit Investor's payment of all required capital contributions under the Partnership Agreement; provided however, that as a condition of and prior to the transfers described in (a) – (e) above, the entity acquiring such interest assume in writing all obligations and covenants of the Tax Credit Investor in connection with Borrower, and the City's collateral position must remain unimpaired. Following the transfer, if requested by the City, the entity

acquiring such interest shall execute any documentation reasonably required by the City to document such assumption or collateral position.

**10.2 Temporary Non-Compliance Not a Default.** Notwithstanding the foregoing or any other provision of this Agreement or any of the other Loan Documents to the contrary, neither Borrower nor Owner shall be in Default hereunder or thereunder if such Default occurs solely as a result of temporary noncompliance with Section Six, Paragraphs 6.8.1, 6.8.3 or 6.8.4, or comparable or similar provisions of this Agreement or any of the other Loan Documents, and such temporary noncompliance is caused by increases in incomes of existing tenants, provided that actions satisfactory to GLO and the City are being taken to ensure that all vacancies of Designated Units are filled with eligible tenants until the noncompliance is corrected. Without limiting the foregoing, existing tenants of Designated Units whose financial status during the term of the lease are found to be such as to no longer qualify such tenants as City LMI Persons, must pay as rent from the date any such tenant no longer qualifies as a City LMI Person, an amount equal to the lesser of the amount payable by the tenant under state or local law or thirty (30%) percent of the family's adjusted monthly income, as recertified annually, but in no event shall more rent be charged than is allowed under Section 42 of the Internal Revenue Code.

**10.3 Right to Cure.** Any time there is an event or a condition described in the Loan Documents which, with the passage of time might become a Default, if the Project has received Other Financing from low income housing tax credits, the Tax Credit Investor and/or the Senior Lender shall have the independent and concurrent right (but not an obligation) to cure such event or condition during the same period of time as that provided to Borrower or Owner. A cure by the Tax Credit Investor and/or the Senior Lender of any event or condition that, with the passage of time might become a Default hereunder or under any of the Loan Documents, shall have the same

effect as a cure of such event or condition by Borrower or Owner. The City shall give notice to the Tax Credit Investor and Senior Lender of any Default by Owner and/or Borrower concurrently with the issuance of a Default notice to the Owner and/or Borrower, or within a commercially reasonable time period after such issuance.

**10.4 Owner's Right to Cure.** Anytime there is an event or condition described in this Agreement which, with the passage of time might become a Default, if the Project has received other financings from low income housing tax credits, Owner shall have the independent and concurrent right to cure such event or condition during the same period of time as that provided to Borrower. A cure by Owner of any event or condition that, with the passage of time might become a Default, shall have the same effect as a cure of such event or condition by Borrower.

**10.5 City's Remedies.** Upon the declaration of a Default by the Director and the failure by Borrower or Owner or Senior Lender or Tax Credit Investor to cure same within a time period specified herein (if any), the Director may in his or her sole discretion: (i) terminate this Agreement; (ii) accelerate payment of the Note and declare that all sums under the City Loan are immediately due and payable; (iii) foreclose on the Project; (iv) cease funding any disbursements under the City Loan; (v) foreclose on the Collateral Note and/or (vi) take any other action authorized or available under this Agreement, any of the Loan Documents or under Applicable Law or in equity. In the event a Default exists beyond all applicable notice and cure periods, if the Director so chooses this remedy, the outstanding deferred principal balance shall be immediately due and payable. Upon the occurrence and continuation beyond all applicable notice and cure periods of any Default hereunder, the deferred principal shall bear interest at a rate of the lesser of ten percent (10%) per annum or the maximum rate of interest permitted to be contracted for by Applicable Law ("Highest Lawful Rate"). Failure of Borrower or Owner to adequately perform

under this Agreement may result in penalties including the possibility of disbarment from future GLO and City projects. In the event that the City elects to stop funding the City Loan upon the occurrence and continuance beyond all applicable notice and cure periods of a Default, the Borrower and Owner shall be obligated to continue and complete the Work at Borrower's expense.

**SECTION ELEVEN**  
**ALLOCATION OF COST SAVINGS AND RECOVERY**  
**OF DAMAGES FROM CONTRACTOR**

In the event that (i) cost savings are achieved in connection with the performance of the Work and not reallocated in accordance with Section Nine, Paragraph 9.4 or (ii) the Contractor or any Subcontractor selected to perform the Work on the Project makes a payment of damages to Owner for delays, defective workmanship or material, or for other items related to Work on the Project and such sums are not used by Owner to correct such defective workmanship or otherwise mitigate any damages related to Work on the Project resulting from such default by the Contractor or any Subcontractor, Borrower shall immediately cause Owner to and Owner shall pay to the City a portion of such cost savings or the sum received as payment of damages, to be applied against the principal balance of the City Loan . The amount of such savings or damages to be paid to the City and applied to the City Loan shall be equal to:

(i) (The total amount of the City Loan disbursed for Work) X (amount of cost savings realized, or damages received) (The total Work cost)

(ii) less any portion of the damages received that the Director determines are attributable to lost income from rent; and

(iii) less any portion of the cost savings realized or damages received that are used to pay Work costs approved by the Director in accordance with the Final Budget.

Provided, however, to the extent that cost savings result in reduction in eligible basis for the Project and such reduction results in the amount of equity being contributed to the Project by

the Tax Credit Investor being reduced, the City Loan shall not be reduced by any amount of reduction in the Tax Credit Investor's equity.

**SECTION SEVENTEEN**  
**RESERVED**

**SECTION EIGHTEEN**  
**MISCELLANEOUS**

**18.1 Relationship of Parties.** The relationship of the City to Borrower pursuant to this Agreement, the Note, and all other Loan Documents is that of lender to borrower. Neither this Agreement, the Note, nor any of the Loan Documents creates any partnership, joint venture, or other subrecipient or fiduciary relationship between City and Borrower and/or the City and Owner.

**18.2 Parties in Interest.** Except for the rights of the GLO specifically set forth herein, this Agreement shall not bestow any rights upon any third party, but, rather, shall bind and benefit the City, Owner and Borrower, and as applicable, benefit GLO. Neither the U.S. Government, HUD, any subcontractor or supplier, nor any other person or entity, is a party to or a third-party beneficiary of this Agreement.

**18.3 Exculpation.** The City shall not be liable to Borrower or Owner or responsible in any manner to any third-party in connection with this Agreement.

**18.4 Non-waiver.** Failure or forbearance of any party hereto to insist on the strict performance of any obligation under this Agreement or to exercise any rights or remedies accruing upon default shall not be considered a waiver of the right to insist on and to enforce, by any appropriate remedy, strict compliance with any other obligation or to exercise any right or remedy occurring as a result of any future default or failure of performance.

**18.5 Modification.** Any alterations, additions, or deletions to terms which are required by changes in federal or state laws and regulations shall be automatically incorporated into this Agreement and shall take effect on the effective date of the laws or regulations.

**18.6 Severability.** In the event that any covenant, condition or provision of this Agreement is held to be invalid by a court of competent jurisdiction, the invalidity of the invalid covenant, condition or provision shall in no way affect any other covenant, condition, or provision,

provided that the respective rights and obligations of the parties contained in the valid covenants, conditions and provisions of this Agreement are not materially prejudiced.

**18.7 Choice of Law.** This Agreement shall be performable and enforced in Harris County, Texas, and shall be construed and interpreted in accordance with the laws of the City, the State of Texas and other Applicable Law. Venue for any disputes relating in any way to this Agreement shall lie exclusively in Harris County, Texas.

**18.8 Integration.** Except as may be otherwise provided in this Agreement, this Agreement, the Appendices, Attachments, and Exhibits, or the other Loan Documents and Borrower's response to the City's request for proposal embody the entire agreement between the City, Borrower, and Owner, and there are no other effective agreements, representations or warranties between the City, Owner and Borrower in connection with this Agreement and the other Loan Documents.

**18.9 Assignability.** This Agreement shall not be assignable in whole or in part by Borrower or Owner without the prior written consent of the City which consent shall be in the form of an ordinance passed by City Council.

**18.10 Survival.** All the terms of this Agreement (including without limitation, the conditions listed in Section Three) shall survive the execution of the Note, the Deed of Trust and Restrictive Covenants. The parties hereto expressly agree and acknowledge that the terms of this Agreement and the Restrictive Covenants shall remain in full force and effect until the expiration of the Affordability Period, notwithstanding whether the Note or the Owner Note is prepaid in accordance with its terms.

**18.11 Captions.** The use of captions in this Agreement is for convenience only and such captions shall not be used to define or limit the terms of this Agreement.

**18.12 Applicable Law.** The interpretation and application of this Agreement shall be in accordance with the laws of the City, the State of Texas and other Applicable Law.

**18.13 Multiple Counterparts; Effective Date.** The parties have executed this Agreement in multiple originals, each having full force and effect, as of the Effective Date.

**18.14 Approval by the City or the Director.** All references to “reasonable” with respect to the granting or denying of the City’s or the Director’s approval shall be deemed to be “reasonable” if the Director is acting in his or her official capacity in accordance with the City’s Charter and related ordinances.

**18.15 Transfer of Property: Flood Insurance.** If applicable, during the term of this Agreement, Owner shall maintain flood insurance as required under the Flood Disaster Protection Act of 1973 and the National Flood Insurance Reform Act of 1994 (42 U.S.C. § 4001 et seq. and 42 U.S.C. § 5154a), as amended, in accordance with **APPENDIX 2** hereto or as otherwise required by HUD, City ordinance or the Director. Provided, however, that if the Property is located within a 100-year or 500-year floodplain or Special Flood Hazard Area designated by FEMA, Owner must maintain flood insurance on the Property for the life of the Property, in accordance with 42 U.S.C. § 4012a, and this requirement shall survive the expiration or earlier termination of this Agreement. Borrower and Owner understand and acknowledge that failure to maintain the required flood insurance shall result in ineligibility for any further federal disaster relief of any kind, including but not limited to CDBG disaster recovery assistance. If the Property is sold or transferred by Owner or any subsequent transferring owner, the applicable flood insurance requirements under this Section are transferred to the new Property owner. Owner or any subsequent transferring owner of the Property must notify the new owner in accordance with 42 U.S.C. § 5154a and this requirement shall survive the expiration or earlier termination of this

Agreement. Owner or any subsequent transferring owner of the Property may be subject to liability if it fails to provide the notice required by 42 U.S.C. § 5154a.

**18.16 Consents and Approvals.** Any approval or consent required of the City or the Director under the Loan Documents is for the purposes of administering the City Loan for City's benefit only and does not constitute any type of warranty or guaranty to Borrower or Owner that the plans, specifications, contracts or items of a similar nature for which approval or consent is sought is free from error, in compliance with Applicable Law or fit for the Owner's purpose. Borrower and Owner acknowledge that neither the City nor the Director is an engineer or an architect and that Owner is required to rely on its own architect, contractors and engineers in performance and monitoring of the Work hereunder. To the extent that any condition or provision of this Agreement or any other Loan Document is subject to the approval or consent of the City or the Director and such consent is not expressly required to be "reasonable", such consent or approval may be granted or denied within the sole and absolute discretion of the City or the Director, as applicable. In all cases, any approval or consent required by the City or Director shall not be effective unless such consent or approval is in writing.

**18.17 Choice of Venue.** Borrower and Owner agree that proper and exclusive venue for any dispute with respect to this Agreement shall be in the United States District Court for the Southern District of Texas or the state circuit court sitting in Harris County, Texas, and Borrower and Owner agree to waive any claim that such court does not have personal jurisdiction over it or is an inconvenient forum.

**18.18 Mediation of Contractor Disputes.** In the event that a dispute arises between Owner and any contractor or subcontractor or between any contractor and subcontractor with respect to the Work or the Project, the Director shall have the right to require the disputing parties to conduct

non-binding mediation to attempt to resolve such disputes to the extent that such mediation would not conflict with the requirements of the Payment, Performance or Maintenance Bonds. Such mediation shall occur within thirty (30) days of notice by the Director that a mediation is required. The Director may declare a default under the City Loan if any dispute referred to mediation is not resolved within sixty (60) days after submission to non-binding mediation. Each contract and subcontract for the construction of the Project shall contain mandatory non-binding mediation requirements in case of a dispute if mediation is required by the Director as well as the other requirements of **APPENDIX 3** hereto. Nothing contained in this Agreement is intended to require the City to be a party to or participate in any mediation proceedings.

**18.19 Force Majeure.** In the event that any party shall be delayed in or prevented from the performance of any act required under this Agreement by reason of an event of Force Majeure, the time for performance shall be extended by the number of days that performance was reasonably delayed by such event provided that such extension does not exceed sixty (60) days in the aggregate and shall not be permitted if such extension results in the breach of the GLO Contract ("Force Majeure Extensions")

**18.20 Anti-Boycott of Israel.** Borrower certifies that Borrower is not currently engaged in and agrees for the duration of this Agreement not to engage in the boycott of Israel as defined by Section 808.001 of the Texas Government Code.

**18.21 Zero Tolerance Policy for Human Trafficking and Related Activities.** The requirements and terms of the City's Zero Tolerance Policy for Human Trafficking and Related Activities, as set forth in Executive Order 1-56, as revised from time to time, are incorporated into this Agreement for all purposes. Borrower has reviewed Executive Order 1-56, as revised, and shall comply with its terms and conditions as they are set out at the time of this Agreement's

effective date. Borrower shall immediately notify the City's Chief Procurement Officer, City Attorney, and the Director of any information regarding possible violation by the Borrower or its subcontractors providing services or goods under this Agreement.

**SECTION NINETEEN**  
**AUTHORITY OF THE DIRECTOR AND MAYOR**

***19.1 Authority of Director to Extend Time of Performance.*** The Director may extend the time of performance for any of Borrower's or Owner's covenants or conditions set forth in this Agreement, including all exhibits and attachments, or the other Loan Documents two (2) times for up to six (6) months each by written notice to Borrower or Owner. After these two six (6) months extensions, the next extension must be obtained by formal amendment to this Agreement, approved by City Council. After the extension approved by City Council, the Director may extend this Agreement (as amended) or any applicable time period for up to two (2) additional six (6) month periods by written notice to Borrower and Owner, but any additional extensions thereafter must be approved by City Council. Director may not extend the Maturity Date of the City Loan or otherwise amend or extend any repayment obligations under the Note.

**6.6.2** Borrower agrees to promptly cause Owner and Owner shall promptly make any corrections or modifications to the Work as requested by the Director to cause the Work to comply with the terms of this Agreement, the inspection reports from the Approved Inspectors, the Approved Plans, Specifications and Drawings, the Approved Construction Schedule, and any applicable GLO requirements.

**6.6.3** After the Certificate of Completion is issued and throughout the entirety of the Affordability Period, the City and/or GLO shall have the right to inspect or have the Project inspected by Approved Inspectors to ensure compliance with Applicable Law, this Agreement, the Restrictive Covenants and the other Loan Documents.

**6.6.4** With respect to all of the City's and GLO's inspection rights (1) the City, GLO, Approved Inspectors and the City's authorized agents and independent contractors, and others acting on its behalf, shall have access to the Project at reasonable times for purpose of monthly inspections; (2) each new or renewal lease of a unit within the Project shall include a clause that permits the City's Approved Inspectors and GLO access to inspect units at reasonable times (except in an emergency, when the inspection may be at any time); (3) neither the City nor GLO shall incur any liability to Borrower, Owner or any tenants as a result of such inspections; (4) the City does not guarantee the Work of the Contractor or any Subcontractor and the City shall not be liable in the event of the Contractor's or any Subcontractors' default, or for any damages caused by the Contractor, any Subcontractors, or their employees or agents.

**6.6.5** Unless otherwise agreed or limited by the Director, Borrower shall cause Owner to, and Owner shall provide the Director with copies of any and all reports (of any nature) provided to or prepared by (or for) the Senior Lender.

**6.7** *Reserved.*

**6.8** *Designated Units; Compliance With Affordability Requirements.*

**6.8.1** The Director has determined that the number of "Designated Units" for the Project covered by this Agreement shall consist of sixty-three (63), being at least fifty-one percent (51.0%) of the 123 total residential units in the Project, the location of which may float during the Affordability Period.

6.8.2 Reserved.

6.8.3 With respect to the Designated Units, Borrower shall cause Owner to, and Owner shall comply with the following rent and income requirements determined in accordance with the Restrictive Covenants (collectively, the "Affordability Requirements"):

- (a) Each of the Designated Units shall be rented or be available for rent only to the City's LMI Persons, being those households whose gross income does not exceed eighty percent (80%) of the Area Median Income ("AMI"), as determined by HUD.
- (b) Designated Units shall be rent restricted based upon the following criteria:
  - (1) ten percent (10%) or six (6) of the Designated Units shall be restricted to households at rents that do not exceed thirty percent (30%) of AMI.
  - (2) twenty percent (20%) or thirteen (13) of the Designated Units shall be restricted to households at rents that do not exceed fifty percent (50%) of AMI.
  - (3) forty percent (40%) or twenty-five (25) of the Designated Units shall be restricted to households at rents that do not exceed sixty percent (60%) of AMI.
  - (4) thirty percent (30%) or nineteen (19) of the Designated Units shall be restricted to households at rents that do not exceed eighty percent (80%) of AMI.
- (c) The rental amount for each Designated Unit shall not exceed the applicable maximum rental limitations published annually by HUD for the low-income housing tax credit program, adjusted for

household and unit size and applicable to the City, as such rental limitation is further described at 26 U.S.C. §§ 42(g)(2)(A) and (B).

**6.8.4** The location of the Designated Units shall “float” within the Project. No later than ninety (90) days prior to the initiation of rental activities at the Project, Borrower shall cause Owner to, and Owner shall contact the Director to establish a procedure for identifying the initial Designated Units to be occupied by qualified tenants and a procedure for identifying the floating Designated Units on a periodic basis thereafter. Floating Designated Units shall conform with the requirements of this Section and the Restrictive Covenants.

**6.8.5** Reserved.

**6.8.6** If the income of the tenant family occupying a Designated Unit increases above the threshold eligible AMI level as provided for in this Agreement and in the Restrictive Covenants, then the next available non-Designated Unit at the Project must be set aside for an eligible family, and that new unit then becomes a Designated Unit.

**6.9** Annual Reevaluation of Rents. For purposes of monitoring compliance with the Affordability Requirements, Borrower shall cause Owner to, and Owner shall, prior to the occupancy of any tenant in a Designated Unit and thereafter annually, submit to the Director for his approval, the rents proposed to be charged by Owner for the coming year for Designated Units and the monthly allowances proposed by Owner for the coming year for utilities and services to be paid by the tenant. In connection with Owner’s annual submission of proposed rents, Borrower shall cause Owner to, and Owner shall reexamine the income of each tenant family living in a Designated Unit. Borrower shall cause Owner to, and Owner shall calculate the maximum monthly rent in accordance with the Affordability Requirements, and such maximum monthly rent shall be reviewed and approved by the Director prior to the date that such rent becomes effective (“Approved Rents”). Any increase in the Approved Rents for Designated Units is subject to the

provisions of the leases, in any event, and Borrower shall cause Owner to, and Owner shall provide tenants not less than thirty (30) days prior written notice before implementing any increase in Approved Rents.

**6.10 Compliance with Property Standards.** Borrower shall cause Owner to, and Owner shall, throughout the Affordability Period, maintain the Project in good condition and repair, ordinary wear and tear excepted, in accordance with the Minimum Property Standards. City shall have the right to inspect the Project from time to time to ensure compliance with such requirements and may require Owner to make any necessary repairs to comply with such requirements in a reasonable period of time; provided, however, any repairs to correct a dangerous condition or imminent hazard shall be commenced immediately upon written notice of such dangerous condition or imminent hazard and prosecuted diligently to completion.

**6.11 Tenant Lease Requirements.** Prior to the date that Owner enters into any new or renewal leases for Designated Units, the Director shall approve a form lease that shall be used for occupancy of the Designated Units. Owner shall not make any modifications to such form lease without the Director's prior written approval. Borrower shall cause Owner to, and Owner shall enter into leases in such approved form with each tenant of a Designated Unit. The term of each lease of a Designated Unit shall not be less than one year unless Owner and the tenant mutually agree otherwise.

**6.12 Reserved.**

**6.13 Tenant Selection Policy; Marketing.** Borrower shall cause Owner to, and Owner shall comply at all times with the approved Tenant Selection Policy and shall not amend the Tenant Selection Policy without the prior written approval of the Director.

**6.13.1 Reserved.**

**6.13.2** Borrower shall cause Owner not to, and Owner shall not refuse to lease a Designated Unit to a prospective tenant because of the status of the prospective tenant as a holder of a certificate of family participation, rental voucher, or comparable tenant-based assistance document under any federal or state assistance program (unless such rental is in conflict with other applicable federal or state requirements).

**6.14 Use of Project.** During the term of the Affordability Period, the Designated Units shall be used solely for the purpose of providing housing for the City's LMI Persons in accordance with the provisions of this Agreement, and for no other purpose. Owner shall list the Project on the Houston Housing Authority's ("HHA") landlords list and shall notify HHA that the Designated Units are available for affordable housing.

**6.15 Maintenance of Records; Financial and Operating Reports; Monitoring.**

**6.15.1** Borrower shall cause Owner to, and Owner shall follow the recordkeeping requirements set forth in this Agreement or required by the City or the Director, including to establish and maintain such records as may be necessary to facilitate review and audit by City representatives (including without limitation the Director and City Controller) (collectively, the "City Representatives") or GLO or HUD of the City Loan and any documentation required in connection with the CDBG Regulations under 24 C.F.R. § 570.492 and 24 C.F.R. § 570.493. The City Representatives, GLO and/or HUD or any of their authorized representatives shall have the right to audit Borrower's and Owner's books and record and compliance with this Agreement upon reasonable notice to Borrower or Owner, as applicable. If such books and records are located outside of Harris County, Texas, Borrower and Owner agree to make them available in Harris County, Texas.

**6.15.2** Borrower and Owner shall provide to the Director: (a) quarterly balance sheets and operating statements for the Project not later than the 30<sup>th</sup> day of the month following the calendar quarter to which the statements relate; (b) monthly rent rolls for the Project not later than the 15<sup>th</sup> day of the following month which contain at a minimum the following information (or other information as the Director may from time to time require) which correctly reflects, as of the first of each month, for each Designated Unit: the unit number, the number of bedrooms, the tenant name, the effective lease date, the monthly rent and the unit status (i.e., AMI); (c) financial statements (balance sheet and operating statements) of Owner and Borrower, in a form acceptable to the Director, within 120 days (for unaudited statements) and six months (for audited statements) following the close of Owner's and Borrower's respective fiscal years; and (d) prior to the termination of the Construction Completion Guaranty, annual financial statement (balance sheet and income/operating statement) within 120 days (for unaudited statements) and six months (for audited statements), if any, following the close of Guarantors' fiscal year. The annual financial statements of Owner and Borrower shall be audited by an independent certified public accountant upon the request of the Director. If the Director or City Controller requires, Borrower shall and shall cause Owner to, and Owner shall provide such reports at different intervals.

**6.15.3** Using the Monitoring Forms or other forms from time to time established for use by the Director for monitoring purposes of the Loan Proceeds or to document Owner's compliance with the requirements of this Agreement, Borrower shall cause Owner to and Owner shall provide the Director with all monthly, quarterly or annual compliance reports as the Director requests.

**6.15.4** The City shall have ownership of all information, including reports and data, prepared or assembled by Borrower or Owner for purposes of meeting CDBG-DR17 Program

requirements and the contractual requirements of this Agreement; provided, however, Borrower and Owner may provide copies of such information to third parties.

**6.15.5** Borrower shall cause Owner to and Owner shall, upon the request of the Director, make available to the City at the location of the Project (or at another location in Houston, Texas) all records, reports and other information and data maintained by Borrower or Owner relating to the Project, and shall cooperate with the City in connection with the City's review of such records and monitoring of the Project.

**6.15.6** Borrower and Owner shall maintain all records and other information relating to the Project for a period of not less than five (5) years following the expiration of the Affordability Period.

**6.15.7** Borrower shall pay or cause Owner to pay an annual monitoring compliance fee to the City in the amount of \$30.00 per Designated Unit.

**6.16** **Notice of Claims or Suits.** Borrower shall cause Owner to and Owner shall, give the Director prompt written notice of any causes of action, suits, or other proceedings filed or any claims made against the Project, Borrower, Owner, or Guarantor, or, to the extent that it would have a material adverse effect on the Project, and Borrower and/or Owner have notice thereof, any other persons involved in the implementation or administration of the transactions contemplated by this Agreement.

**6.17** **Minority, Women and Small Business Enterprises.** For purposes of this Paragraph 6.17, the term "Owner" shall mean and include, collectively, Owner, its Construction Project Manager(s) and its general contractor(s). In order to monitor Owner's good faith efforts to adhere to the City's MWSBE's programs, Borrower shall cause Owner to and Owner shall maintain or cause its contractors to maintain records and submit periodic reports of its good faith efforts to the

Director in the form and at the times prescribed by the City's designated OBO official and the **APPENDIX 9** requirements.

**6.18 Transactions with Affiliates.** Except as otherwise provided in this Agreement and/or in any of the other Loan Documents, during the Term of this Agreement or any of the Loan Documents, neither Borrower nor Owner shall enter into any transaction in connection with this Agreement with any director, officer, employee, partner, or affiliate of either Borrower or Owner without the prior written approval of the Director. If the Land for the Project was acquired by Borrower or Owner from any director, officer, employee, partner, or affiliate of Borrower or Owner, the sales price for the Land may not have been any greater than most recent assessed value for ad valorem tax purposes, or the value set out in an independent appraisal report.

**6.19 Taxes and Insurance.** Borrower shall cause Owner to and Owner shall pay all applicable taxes for the Project before delinquency and all insurance premiums for the Project at least 15 days before the due date to prevent any lapse in coverage. Borrower shall cause Owner and Owner at its option shall either: (1) fund an escrow account with Senior Lender for the payment of taxes and insurance premiums; or (2) provide the Director with written evidence acceptable to the Director that taxes and insurance premiums are paid prior to the date that such taxes and insurance premiums are due. To the extent that Owner escrows funds with Senior Lender, Owner shall provide the City with evidence of the adequacy of such escrows. Further, to the extent that Owner fails to escrow funds with the Senior Lender, the Director reserves the right to require Owner to escrow funds for taxes and insurance premiums with the City.

**6.20 HUD Section 3 Requirements.** If applicable, Borrower shall cause Owner to and Owner shall comply at all times with Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) as set forth and supplemented in the City's Housing and Community

Development Department's Section 3 Plan and associated documents. Borrower shall cause Owner to report Section 3 compliance in accordance with 24 C.F.R. Part 135 and 83 Fed. Reg. 5844. Section 3 requirements are applicable to Borrower and Owner if the assistance provided for in this Agreement exceeds \$200,000.00, and to contractors and subcontractors for contracts or subcontracts that exceed \$100,000.00.

**6.21 Public Relations and Signage.** All news releases and other public relations efforts, including advertising (except for advertisements solely for the purpose of obtaining tenants for the Project) and signage, must be approved in advance by the Director, and must properly refer to the City's Loan by the City and the City's Housing and Community Development Department.

**6.22 Expertise.** Upon request by the City, the City shall have the right to approve Owner's intention to retain any person or firm for the purpose of constructing, leasing and managing the Project and Borrower shall cause Owner to, and Owner shall provide evidence of the expertise and competence of such persons and firms that Owner intends to engage for the purpose of constructing, leasing and managing the Project. The initial property manager is Mark-Dana Management of Texas, LLC, a Texas limited liability company and sub-manager is FDI Management Group, LLC, a Texas limited liability company, which are approved by the Director.

**6.23 Compliance with Applicable Law.**

**6.23.1** Borrower shall cause Owner to, and Owner shall acquire, repair/reconstruct, lease, maintain and operate the Project, and conduct all activities under this Agreement in accordance with all applicable federal, state, and local laws, rules, regulations and ordinances including, without limitation, the those included in the Appendices and specifically set forth in this Agreement, as they may be from time to time amended (collectively, the "Applicable Law").

**6.23.2** Borrower and Owner will conduct all activities under this Agreement and the Loan Documents in accordance with Applicable Law.

**6.23.3** Borrower and Owner acknowledge and agree that they are required to comply with all Applicable Law with respect to lead-based paint (42 U.S.C. Sec. 4831(b)) and asbestos containing materials within the Project.

**6.23.4** Borrower shall cause Owner, and Owner shall cause the Project and the Work to comply with the requirements of the Americans with Disabilities Act of 1990 (42 U.S.C. § 12101 et seq.), the Architectural Barriers Act (42 U.S.C. §§ 4151-4157), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794 et seq.) ("Section 504"), and regulations and guidelines promulgated thereunder, as all of the same may be amended and supplemented from time to time, the Texas Architectural Barriers Act, Tex. Gov't. Code Ann. § 469.001 et seq. (1994) and the regulations and guidelines promulgated thereunder, and Chapter 10, subsection 60 of the Texas Administrative Code and the regulations and guidelines promulgated thereunder ("Chapter 10") as all of the same may be amended and supplemented from time to time (collectively, "Accessibility Requirements"). Five percent (5%) of the total number of units at the Project (i.e. six (6) units), disbursed throughout the Project, shall be designated accessible in accordance with Section 504 and Chapter 10 using the 2010 ADA Standards for Accessible Design, promulgated by the United States Department of Justice, found at 28 C.F.R. § 35.151 (2013) and 36 C.F.R. In addition, two percent (2%) of the units at the Project (i.e. two (2) units) shall meet the standards to accommodate the hearing and visually impaired in accordance with Applicable Laws (as defined herein).

6.23.5 If applicable, Borrower shall cause Owner, and Owner shall comply with CDBG Regulations at 24 C.F.R. Part 570, the Uniform Relocation Assistance and Real Property Policies Act of 1970 (“URA”), as amended, at 49 C.F.R. § 24, and Section 104(d) of the Housing and Community Development Act of 1974, as amended, at 24 C.F.R. § 42. Borrower shall cause Owner, and Owner shall also comply with the tenant protection requirements set forth in the Protecting Tenants at Foreclosure Act of 2009, as amended and extended, (“PTAF”), as well as with any local codes or ordinances with respect to tenants’ rights or tenant protection. If required by Applicable Law, Borrower shall cause Owner, and Owner shall also comply with the Multifamily Relocation Requirements (“Multifamily Relocation Requirements”) in the Appendices and shall submit to the Director copies of all documentation required by the Multifamily Relocation Requirements or relating to URA, which may include, without limitation, (i) a certification or affidavit, unless waived by the Director, affirming Owner has performed all appropriate due diligence in order to confirm compliance with the tenant protection requirements set forth herein, (ii) a Notice to Real Property Owner/Seller, (iii) Tenant Status Reports, (iv) all Notices with Tenant Acknowledgements as required by the URA and (v) other related forms described in the Multifamily Requirements. If required by Applicable Law, Borrower shall cause Owner, and Owner shall also submit to Director copies of all tenant notices and the Seller’s Occupancy Certification required under PTAF with respect to the tenant protection requirements, to substantiate that such notices, if required by Applicable Law, were provided either by the foreclosing lender or by Borrower or Owner, as applicable.

6.24 **Replacement Reserve and Operating Reserve.** In accordance with the Senior Loan Documents, but not later than the first (1<sup>st</sup>) anniversary following Project Completion, Borrower shall cause Owner to, and Owner shall establish with Senior Lender, or to the extent not funded

with the Senior Lender, a financial institution acceptable to the Director and Senior Lender in their sole and absolute discretion, and fund as an Operating Expense a “replacement reserve escrow account” (“Replacement Reserve Account”) for the replacement of furniture, fixtures, and equipment used in connection with those units at the Project for which the Work has been completed and for repair of capitalized improvements, in an amount not less than the greater of (i) \$300.00 per unit annually, increased by 3% annually, or (ii) the reserve required by the Senior Lender per Unit per annum. If the Senior Lender requires a Replacement Reserve Account meeting these requirements, no additional reserve shall be required by the City. The reserve shall be deposited in equal monthly installments on an amortized basis. (For example, if the Project had 100 Units, the monthly payment would be calculated as follows:  $100 \text{ Units} \times \$300 \div 12 = \$2,500$  monthly escrow payment). In the event that the Senior Lender does not require a Replacement Reserve Account pursuant to the immediately preceding sentence, the City shall have the right to cause Owner to fund such Replacement Reserve Account, in an annual amount not less than \$300.00 per unit, increased by 3% annually, in accordance with the terms of this Section 6.24. Unless a Default exists beyond all applicable notice and cure periods, Owner shall be entitled to utilize amounts in the Replacement Reserve Account as necessary, provided that Owner shall replenish the amount withdrawn by continuing to fund deposits to the Replacement Reserve Account in accordance with the preceding sentence. Any replacement reserve amounts required under the Senior Loan Documents may be applied toward satisfaction of the Replacement Reserve Account requirements in this Agreement. If the Replacement Reserve is not required by the Senior Lender, the Director may require that the Replacement Reserve Account and all amounts held therein shall be collaterally assigned to the City pursuant to a pledge and account control agreement in form and substance acceptable to the Director in his or her sole and absolute discretion. If the

Replacement Reserve is required by the Senior Lender, the City shall have a second lien priority interest in the Replacement Reserve Account and the funds contained therein. On an annual basis, Borrower shall cause Owner to, and Owner shall provide the Director with an accounting of the Replacement Reserve Account. If not required by the Senior Lender or Owner's Partnership Agreement, the Director may require Owner to establish an Operating Reserve for the Project at Project Completion on terms and conditions as approved by the Director.

**6.25 Insurance Provisions in the Deed of Trust.** Borrower shall cause Owner to, and Owner shall comply with all insurance requirements set out in the Senior Mortgage, the Deed of Trust securing the City Loan and this Agreement.

**6.26 Reserved.**

**6.27 Consulting and Developer's Fees.** During the Term, without the prior written approval of the Director, no consulting or developer's fees shall be paid by Borrower or Owner, directly or indirectly out of the proceeds of the City's Loan or out of the revenue of the Project (except as provided in the Approved Final Construction Budget or the Approved Final Operating Budget or as permitted in Section One, Paragraph C of this Agreement).

**6.28 Distributions Covenant.** If the Project exceeds a debt service ratio of 1.5 to 1 on an annual (calendar year) basis, the available cash for distribution for such calendar year shall be limited to the cash available between breakeven (1:1 debt service ratio) and a 1.5 to 1 debt service ratio on the Senior Loan. Notwithstanding anything to the contrary contained in this Agreement, any distribution in excess of such amount shall entitle the Director to declare a Default hereunder without prior notice and opportunity to cure. For example: If the debt service on the Project was \$100,000 per year and the available cash before payment of debts was \$200,000, the Project would have a debt service ratio of 2:1. \$100,000 of the cash would be used to pay debt service, \$50,000

(only) would be available for distribution and the remaining \$50,000 would be reserved by Owner and promptly invested in the capital improvement of the Project, invested in additional services for residents of the Designated Units, or deposited in the Replacement Reserve Account. Cash flow in excess of a 1.5 to 1 debt service ratio shall not be available for distribution and shall be invested in the Project, invested in additional services for residents of the Designated Units, or deposited in the Replacement Reserve Account as provided above. Borrower and Owner covenant to notify the City in writing at least ten (10) days in advance of any distribution of Project income to Borrower's or Owner's partners, shareholders or members as applicable.

**6.29 Modification Fees.** In the event that a modification of this Agreement or any change in any City Loan terms is required after Closing which requires the Director's or City Council's approval, Borrower shall be responsible for all costs in connection therewith together a fee of no less than \$25,000.00 with the amount of the fee to be determined at the time of request.

## **SECTION SEVEN** **CONDOMINIUM REGIME**

**7.1 Formation of the Condominium Regime.** The Owner shall submit the condominium documents related to the establishment of the Condominium Regime in form and substance acceptable to the City Attorney and the Director for their review and prior approval, which approval may be given or withheld in their sole and absolute discretion (collectively, the "Approved Condominium Documents"). Owner will submit to the City all budgets, assessments and special assessments promptly after the adoption thereof by the board of directors of the Condominium Regime (which budgets shall in any event be consistent with the planned development of the Project as provided for in this Agreement).

**7.2 Compliance with Restrictive Covenants and Applicable Law.** The Approved Condominium Documents must comply with the requirements set forth in this Agreement, the

Restrictive Covenants and all Applicable Law, including without limitation, the Affordability Requirements set forth in Section 6.8. Borrower and Owner, as applicable, shall provide all documentation reasonably requested by the Director confirming such compliance.

**7.3 Transfer of Owner's Interest.** Except as expressly permitted by the terms of this Agreement, if Owner shall sell, convey, encumber, assign or transfer all or part of their respective interest in the Project, the Condominium Regime or any interest therein without the prior written consent of the Director, the City or the Director may declare a Default and without demand, presentment, protest, notice of protest, notice of intent to accelerate, notice of acceleration or other notice, or any other action, all of which are hereby waived by Owner, declare the Note and other obligations to be immediately due and payable.

**7.4 Voting Rights.** Subject to the terms of this Agreement, the Senior Loan Documents and the Intercreditor Agreement, Owner hereby assigns to the City all of Owner's voting rights under the Approved Condominium Documents and irrevocably appoints the City as its attorney and proxy to cast its votes at all times permitted or required pursuant thereto (including, without limitation, with respect to the use of insurance proceeds) at any time after the occurrence and during the continuance of a Default. Owner agrees that it will cause copies of all notices of meetings and other notices required or permitted under the Approved Condominium Documents to be sent to the City promptly after receipt thereof by Owner and so as to provide the City with reasonable notice of the time, place and subject of any such meeting.

**7.5 Covenants Regarding the Condominium Regime.**

**7.5.1** Owner will own, operate and maintain the Condominium Units in accordance with the terms of Loan Documents including without limitation the Restrictive Covenants and operate the Condominium Units solely as a rental housing.

7.5.2 Owner will not vote to allow the Approved Condominium Documents to be modified or amended without the prior written approval of the Director, which approval may be given or withheld in Director's sole and absolute discretion. Borrower and Owner shall enter into any modifications to the Loan Documents and/or the Approved Condominium Documents which the Director or City may reasonably require in connection with the modification of the Approved Condominium Documents, without limitation, assignments of the Approved Condominium Documents and other security documents, and Borrower and Owner shall be solely responsible for City's reasonable costs and expenses incurred in connection with approving, documenting or performing diligence on the Approved Condominium Documents and the Condominium Regime.

7.5.3 Owner will pay when due all assessments for common charges, expenses and other amounts due to the Condominium Association.

7.5.4 Owner will immediately deliver to City a copy of any notice received by Owner from the Condominium Association asserting that Owner is in breach of any payment obligation or in default under the Approved Condominium Documents.

7.5.5 Upon the declaration of a Default by the Director and the failure by Borrower or Owner or Senior Lender or Tax Credit Investor to cure same within a time period specified herein (if any), the Director may in his or her sole discretion, require Owner to cause any trustee or director of the Condominium Association to resign or otherwise be removed effective as of the date of such appointment.

7.5.6 Subject to the terms of this Agreement, the Senior Loan Documents and the Intercreditor Agreement, in the event of any casualty to the Condominium Regime, Owner shall comply with the requirements set forth in Section V(F) of the Deed of Trust.

7.5.7 Owner shall cause the Condominium Association to comply with all insurance set requirements out in the Deed of Trust.

7.6 **Remedies**. If Owner fails to comply with the provisions set forth in this Section Seven, the Director may, in addition to any remedies available to City or Director at law or in equity, have the option to proceed with all remedies set forth in Section 10.5 of this Agreement. Nothing contained in this Agreement is intended to or will be construed to constitute City as the Declarant under the Approved Condominium Documents or as an owner of the Condominium Regime.

**SECTION EIGHT**  
**RESERVED**

**SECTION NINE**  
**DISBURSEMENT PROCEDURES**

9.1 **Disbursement Limitations**. The proceeds of the City Loan shall be disbursed only for eligible and approved costs of the Work, relocation costs or acquisition costs that (i) are included in the Approved Final Project Budget, (ii) have been approved by the Director, (iii) if for Work, are for Work that has been completed and which Work has been approved by the Director, and (iv) if for materials, are for materials purchased and stored on site and approved by the Director.

9.2 **Retainage**. Disbursement for the Work or other expenses under the Approved Final Construction Budget shall be subject to a ten percent (10.0%) retainage under Section 53.101, et seq. of the Texas Property Code (as it may be amended from time to time), but notwithstanding the foregoing, in no case shall retainage be released prior to thirty (30) days following completion of the Work as certified by the Architect or other person acceptable to the City. At the time of the release of the retainage, the Project is or will be as a result of the release of retainage free of all

liens relating to the Project, other than liens that are bonded around. At the time of the release of the retainage, Borrower shall cause Owner and Owner shall provide the City with a down-date endorsement (T-3), final lien waivers and/or such other documentation as may be required by the Director.

**9.3 Reallocation of Loan Proceeds.** Any Loan Proceeds that are allocated for the Project but that are not expended for eligible costs under the Approved Final Project Budget pursuant to the terms of this Agreement shall be returned to the City for reallocation.

**9.4 Reallocation of Savings and Contingencies.** Borrower or Owner may, with the Director's approval, (i) reallocate savings from one category of the Approved Final Construction Budget or from the contingency category of the Approved Final Construction Budget to another category of the Approved Final Construction Budget for the Project or (ii) reallocate savings for change orders beyond the scope of the Approved Plans, Specifications, and Drawings.

**9.5 Drawdown Procedure.** Borrower shall not request a disbursement of the Loan Proceeds except in accordance with the Approved Construction Schedule and Approved Final Project Budget and in accordance with the provisions of this Paragraph 9.5. When a disbursement of Loan Proceeds is requested, Owner shall provide to Borrower for delivery to the Director (but in no event more often than once a month and for an amount of not less than \$5,000) an application for the disbursement (in a form required by the Director) (the "Disbursement Request") together with supporting documentation required by the Director (which shall include but not be limited to invoices and draw requests submitted by Contractor, interim lien waivers using forms provided by the GLO attached hereto as **APPENDIX 13**, as they may be amended from time to time or any replacement form approved by the Director and the City Attorney, and monthly construction progress reports on a unit by unit basis for verification by a third party inspector or a representative

of the City) and evidence of required permits. In addition to the other information required by the Director, the initial disbursement request shall include a copy of all required permits necessary to commence construction. If the Director objects to an item (or portion thereof) included in any Disbursement Request or if all required information has not been submitted, then the Director shall notify Owner within 10 business days of receipt of the applicable Disbursement Request of the Director's objection and shall thereupon be relieved of any obligation to make a disbursement for that item (or portion thereof) until such time as Owner cures the objection(s) to the satisfaction of the Director. If the Disbursement Request is otherwise complete (as determined by the Director) and provided no Default exists or event that with the passage of time or giving of notice would constitute a Default has occurred and is continuing beyond all applicable notice and cure periods, the City shall, within 30 calendar days following approval of Owner's request, fund the requested disbursement from the City Loan less any amounts for items to which the Director has raised an objection and that have not been cured and less any retainage; provided, however, that the City shall not be required to make a disbursement (other than the last disbursement) in an amount less than \$5,000 nor shall the City be required to make more than one disbursement per month. With each draw, the Owner shall provide a down-date endorsement (T-3) to the City Loan Title Policy together with partial lien releases from the Contractor and subcontractors for the Work performed through the date of the draw request.

**SECTION TEN**  
**DEFAULT AND REMEDIES**

**10.1 Default.** The Director may declare a default ("Default") under this Agreement or any one or more of the Loan Documents upon the occurrence of any one or more of the following circumstances (and in all events, subject to the rights of Tax Credit Investor under Section 10.3 hereof):

**10.1.1 Failure to Pay.**

(a) If Borrower fails to pay, when due, any portion of the indebtedness evidenced by the Note and/or this Agreement and/or secured by the Collateral Assignment (Owner Loan) and such failure continues for ten (10) days after written notice thereof from the Director to Borrower.

**B. POLICY REQUIREMENTS**

1. **Form of Policies:** The insurance may be in one or more policies of insurance, the form of which is subject to reasonable approval by the Director. It is agreed, however, that nothing the Director does or fails to do with regard to the insurance policies shall relieve Owner from its duties to provide the required coverage hereunder and Director's actions or inactions will never be construed as waiving City rights hereunder.

2. **Issuers of Policies:** The issuer of any policy must have a Certificate of Authority from the State Department of Insurance to conduct insurance business in Texas or a rating of at least B+ and a financial size of Class VI or better according to the most current Edition Key Rating Guide, Property Casualty United States. Each issuer must be responsible and reputable and must be subject to approval by the Director in his/her sole discretion as to conformance with these requirements.

3. **Insured Parties:** Each policy, except those for Workers' Compensation and Professional Liability, must name the City (and its officers, agents and employees) as additional insured parties on the original policy and all renewals or replacements during the term of this Agreement. The City's status as an additional insured under the Owner's insurance does not extend to instances of sole negligence of the City unmixed with any fault of the Owner or general contractor.

6. **Subrogation:** Each policy must contain an endorsement to the effect that the issuer waives any claim or right in the nature of subrogation to recover against the City, its officers, agents or employees.

7. **Endorsement of Primary Insurance:** Each policy must contain an endorsement that such policy is primary insurance to any other insurance available to the Additional Insured with respect to claims arising hereunder.

8. **Liability for Premium:** The Owner shall be solely responsible for payment of all insurance premium requirements hereunder and the City shall not be obligated to pay any premiums.

C. **PROOF OF INSURANCE.** Owner shall provide proof of insurance as indicated below.

1. Prior to commencing any Work under this Agreement, Owner shall furnish the Director with Certificates of Insurance, along with an affidavit from the Owner confirming that the Certificate accurately reflects the insurance coverage that will be available during the term of the Agreement. If requested in writing by the Director, the Owner shall furnish the City with certified copies of Owner's actual insurance policies. Failure of Owner to provide certified copies, as requested, may be deemed, in the Director's and/or City Attorney's discretion, to constitute a breach of this Agreement.

2. Notwithstanding the proof of insurance requirements set forth above, it is the intention of the parties hereto that Owner, continuously and without interruption, maintain in force the required insurance coverages set forth above. Failure of the Owner to comply with this requirement shall constitute a default of Owner under this Agreement. Owner agrees that the City shall never be argued to have waived or be estopped to assert its rights to terminate this Agreement because of any acts of omissions by the City regarding its review of insurance documents provided by the Owner, its general contractor, or any agents, employees or assigns.

## II. **ADDITIONAL INSURANCE REQUIREMENTS:**

A. **WORKMAN'S COMPENSATION.** Owner agrees to comply with the Worker's Compensation insurance requirements set forth below.

9. The Owner shall contractually require each person with whom it contracts to provide services on a Project to:

- (i) provide coverage, based on proper reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all of its employees providing services on the Project, for the duration of the Project;
- (ii) provide to the Owner, prior to that person beginning Work on the Project, a certificate of coverage showing that coverage is being provided for all employees of the person providing services on the Project, for the duration of the Project;

- (v) retain all required certificates of coverage on file for the duration of the Project and for one (1) year thereafter;
- (vi) notify the City in writing by certified mail or personal delivery, within ten (10) days after the person knew or should have known, of any change that materially affects the provisions of coverage of any person providing services on the Project; and
- (vii) contractually require each person with whom it contracts, to perform as required under this Subparagraph 5.1 A-G, with the certificates of coverage to be provided to the persons for whom they are providing services.

10. of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program. Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

2. **Withholding.** HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing Wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract in the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work, all or part of the wages required by the contract. HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and on account of the contractor or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

3. (1) **Payrolls and basic records.** Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been

communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs; the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs. (Approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017.)

(1) (a) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i) except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/esa/whd/forms/wh347instr.htm> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be for transmission to HUD or its designee, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this subparagraph for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission

to HUD or its designee. (Approved by the Office of Management and Budget under OMB Control Number 1215-0149.)

(b) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under 29 CFR 5.5 (a)(3)(i), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(i), and that such information is correct and complete.

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits of class equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(4) The weekly submission of a properly completed certification set forth on the reverse side of Official Form WH-347 shall satisfy the requirements for submission of the Statement of Compliance required by subparagraph A, 5 above.

(5) The fulfillment of any of the above conditions may exempt the contractor or subcontractor from the cost of annual prosecution under Section 8031 of Title 18 and Section 701 of Title 51 of the United States Code.

(6) The contractor or subcontractor shall make the records required under subparagraph A, 5, available for inspection, copying or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available HUD or its designee may after written notice to the contractor, suspend or cease to make such action as may be necessary to assure the suspension of any further payment of wages or benefits of kind. Furthermore failure to submit the required records upon request or to make such records available may be grounds for debarment pursuant to 29 CFR 540.

### Sec. 15-81. - Declaration of policy.

- (a) It is the policy of the city to stimulate the growth of local minority, women and small business enterprises by encouraging the full participation of these business enterprises in various phases of city contracting, as set forth in this article. The purposes and objectives of this article are:
- (1) To promote equal opportunity for participation amongst local minority, women and small business enterprises in all phases of city contracting;
  - (2) To increase the utilization of such local firms in providing certain goods and services;
  - (3) To provide opportunities to broaden and enhance local firms' ranges of capacities; and
  - (4) To increase opportunities for such local firms to serve as contractors, in addition to acting as subcontractors to others, where applicable, in an effort to remedy discriminatory practices and eliminate statistical disparities in city contracting.

(Ord. No. 2013-428, § 10(Exh. A), 5-8-2013, eff. 7-1-2013)

Sec. 15-83. - Program elements.

- (a) Based upon a review of annual awards and purchases by affected city departments, the office of business opportunity shall each year submit a progress report to the city council. The report shall include two percentage figures that are intended to as closely as possible represent the ratio of the prior year's measured utilization and availability of local MWSBEs to do business in:

- (1) The supply of goods and nonpersonal or nonprofessional services; and
- (2) The performance of personal or professional services;

to the prior year's total local business community utilization and availability to do business in each of the two named fields of city contracting.

In addition, the report shall include percentage figures that are intended to as closely as possible represent the ratio of the prior year's measured utilization and availability of local MWSBEs to do business in construction to the prior year's total local business community utilization and availability to do business in city construction contracting. The report may also include figures and other evidence of factors prescribed in Part 26, Title 49 of the Code of Federal Regulations in the year the report is made that may affect the aforementioned ratio of utilization and availability.

- (b) Based upon the measured utilization and availability and any other relevant factors prescribed in Part 26, Title 49 of the Code of Federal Regulations and identified in the report submitted pursuant to subsection (a) above, city council shall from time to time set annual city-wide percentage goals for city contracting with MWSBEs in each of the two named categories described in subsection (a)(1) and (2) above and for contracting with MWSBEs in the construction category. The adjustment, if any, in the percentage goals shall be made during the first quarter of the fiscal year.
- (c) It is the responsibility of each city department to determine which contracts initiated by it are goal-oriented contracts and which are regulated contracts. If the determination is made that a contract is a goal-oriented contract or a regulated contract, the initiating department shall review the contract and shall determine, by reference to the MWSBE register, the number of certified MWSBEs in each of the two named categories described in subsection (a)(1) and (2), above, and for construction, the number of certified MWSBEs in the construction category. The initiating department director or his or her designee shall determine whether the contract is one to which MWSBE provisions should be applied.
  - (1) These provisions are not required to be applied in the following circumstances:

- a. A public or administrative emergency exists which requires the goods or services to be provided with unusual immediacy;
- b. The service or goods requested are of such a specialized, technical or unique nature as to require the city department to be able to select its contractor without application of MWSBE provisions (such as contracts for expert witnesses, certain financial advisors or technical consultants);
- c. If application of MWSBE provisions would impose an unwarranted economic burden or risk on the city or unduly delay acquisition of the goods or services, or would otherwise not be in the best interest of the city; or
- d. If the possible MWSBE participation level based on MWSBE availability would produce negligible MWSBE participation.

If one of the above-listed conditions is determined to exist, the department director shall certify that determination in writing prior to the award of the contract, specifying the conditions which lead to the determination, and submit the determination to the OBO director for review and approval.

- (2) If the contract does not fall within one of the above-listed exceptions, based upon its overall review, the initiating department shall assign an appropriate MWSBE participation level, if any, for the contract (whether goal-oriented or regulated) considering the local availability of certified MWSBEs in the contract field.

The intention of this article is to provide administrative flexibility in the application of MWSBE provisions of this Code and in the percentage participation level on a contract-by-contract basis so as not to limit access to city contracting by nonminority-owned, nonwomen-owned or established business enterprises to a greater degree than necessary to meet the city-wide annual goal and the policies and objectives of this article.

- (d) The bidding documents and the contract documents for goal-oriented contracts for which a MWSBE participation level has been established shall contain a provision detailing the purposes and objectives of the city's MWSBE ordinance and shall incorporate by reference this article and the then-current motion or ordinance establishing MWSBE annual goals. Regulated contracts which are determined to have significant subcontracting potential for which a MWSBE participation level has been established shall contain contractual provisions (and proposal provisions if submitted for proposals or for bids) requiring the contractor to meet or exceed the determined MWSBE participation level for that contract, or to establish that it has made good-faith efforts to do so, and that notwithstanding such efforts, was unable to meet or exceed the determined participation levels. The OBO director shall establish procedures defining good-faith efforts. These procedures will be reviewed and approved by the mayor and the city attorney.

(Ord. No. 2013-428, § 10(Exh. A), 5-8-2013, eff. 7-1-2013)

- (b) The office of business opportunity has responsibility for:
  - (1) Establishing procedures for the implementation of this article, and reviewing and approving procedures established by city departments, such procedures to be narrowly designed to attain the purposes and objectives specified herein without unduly limiting nonminority-owned or nonwoman-owned or established business enterprises. Such procedures shall be reviewed and approved by the mayor and by the city attorney prior to implementation;
  - (2) Certifying businesses as minority, small or women business enterprises and maintaining and distributing to affected city departments a current register, updated monthly, of such business (including a separate listing of such businesses whose applications for certification are pending) specifying the categories of city contracting represented by the certified MWSBEs;

- (3) Developing educational programs for and otherwise assisting (without offering favoritism in relation to the competitive bidding system) MWSBEs to compete effectively for city contracts;
- (4) Making recommendations to the mayor, city council and city departments to further the policies and objectives of this article, including but not limited to assisting city departments in setting contract-specific MWSBE goals;
- (5) Reviewing documentation from potential contractors and from contractors concerning good-faith efforts made to meet or exceed the participation level for contracts. The final recommendation to city council for award or for acceptance of work shall be the city department's, although the office of business opportunity may take exception;
- (6) Compiling a report of the progress of city departments, by department, in attaining the city-wide goals set by city council. This report shall be based upon MWSBE contractor and subcontractor information, to be specified by the office of business opportunity. Upon completion, the report is to be submitted quarterly to city council members, the mayor and all affected city department directors for their information;
- (7) Receiving and reviewing complaints and suggestions concerning the MWSBE program from contractors, MWSBEs and city departments; and
- (8) Without limiting the authority of the office of business opportunity to establish procedures that are consistent with the terms of this article, the office of business opportunity is specifically directed to promulgate and implement procedures as follows:
  - a. Grievance procedures for any person aggrieved by any decision of the office of business opportunity under this article. The procedures shall include notice and a hearing before an impartial hearing officer who shall be appointed by the mayor;
  - b. Mediation procedures for the resolution of disputes between contractors or bidders and MWSBE participants or potential participants with respect to any aspect of compliance with this article, including, without limitation, any assertion that a contractor, subcontractor, or MWSBE has failed to make good faith efforts to comply with this article;
  - c. Procedures to implement and enforce any sanctions provided under this article;
  - d. Procedures to ensure performance of work by MWSBEs, which procedures shall include: (i) a requirement that no more than 50 percent of their work may be subcontracted, without a specific waiver from the office of business opportunity for cause; (ii) a requirement that the minority person, small business or woman owner of a MWSBE have the necessary experience, expertise, credentials and regulatory authority to conduct the type of business for which the business is certified; (iii) a requirement that bidders and contractors make good faith efforts to meet or exceed contract MWSBE goals; and (iv) a requirement that MWSBEs accurately represent all material information required for certification and truly perform a commercially useful function;
  - e. Procedures for counting participation by MWSBEs as prime contractors, subcontractors, suppliers and joint venturers on city contracts, which procedures shall ensure that all work performed by MWSBEs is included in the computation of the progress made toward meeting the annual city-wide goals;
  - f. Procedures to ensure that this article is limited in its application to the certification of locally based MWSBEs;
  - g. Procedures to coordinate the operation of this article with other local MWSBE programs, which may include reliance upon certification procedures of other entities that are determined to be reliable and equivalent to this article;
  - h. Procedures to ensure access to necessary records of prime contractors and subcontractors on city contracts; and
  - i. Procedures for handling theft of services (wage theft) complaints of employees of city contractors and subcontractors.

- (c) MWSBE certification shall be valid for a period of three years from the date of certification; provided, however, all applicants certified as MWSBEs shall be subject to review on an annual basis pursuant to procedures established by the OBO director to ensure compliance with all applicable provisions of this article.
- (d) Applications for renewal of MWSBE certification shall be evaluated under the same criteria and subject to the same manner of review as original applications.
- (e) All procedures established under this section shall be reviewed and approved by the city attorney prior to implementation. A copy of all procedures hereunder shall be maintained in the office of business opportunity for inspection, and copies may be purchased at the fees prescribed by law.

(Ord. No. 2013-428, § 10(Exh. A), 5-8-2013, eff. 7-1-2013)

- (b) Following the review described in this section, each certified MWSBE or MWSBE applicant shall be re-evaluated under this section on an annual basis based upon the size standards and methods of calculation

identified by the SBA and procedures established by the OBO director to ensure compliance with all applicable provisions of this article.

- (c) All MWSBEs and MWSBE applicants shall, upon written request of the OBO director, provide to the office of business opportunity copies of any and all documents, including without limitation financial statements and tax records, requested by the director in connection with the review authorized in subsection (a) of this section, not later than 20 business days following the date of mailing of the request. Failure to timely and completely comply with any such request will authorize the imposition of sanctions under section 15-86 of this Code, or denial of certification in the case of a MWSBE applicant.
- (d) Following the review authorized by subsection (a) of this section, the office of business opportunity shall classify each MWSBE or MWSBE applicant whose size meets or exceeds the size standard identified by the SBA for that class of enterprise as an established business enterprise. The classification shall be effective as of the date of mailing of the notice provided in section 15-88 of this Code.

(Ord. No. 2013-428, § 10(Exh. A), 5-8-2013, eff. 7-1-2013)

Sec. 15-88. - Notice, appeal and waiver.

- (a) Immediately upon classification of a certified MWSBE or MWSBE applicant as an established business enterprise pursuant to section 15-87 of this Code, the office of business opportunity shall notify the business so classified of the action by United States certified mail, return receipt requested, addressed to the last known address of the business and deemed given when placed in a United States mail depository.
- (b) Each notice shall inform the affected MWSBE or MWSBE applicant of the following matters: (1) That the MWSBE or MWSBE applicant has been classified as an established business enterprise;
- (2) That the classification is effective as of the date of mailing of the notice;
- (3) That the MWSBE or MWSBE applicant may appeal the classification or seek a waiver of the classification pursuant to the procedures established under this section;
- (4) That the provisions of section 15-89 of this chapter shall become enforceable with respect to any certified MWSBE one year following the notice of classification, unless the decision is reversed or a waiver is granted and the classification is withdrawn prior to the expiration of the one-year period; and
- (5) That any MWSBE applicant deemed ineligible for certification based upon its classification as an established business enterprise shall remain ineligible for certification unless and until any withdrawal of the classification as an established business enterprise is granted pursuant to an appeal or a request for waiver conducted under this section.
- (c) In order to appeal a classification as an established business enterprise, a MWSBE or MWSBE applicant must submit to the OBO director a written notice of appeal no later than 60 days following the date of mailing of the notice of classification. The sole basis for an appeal shall be that the office of business opportunity has incorrectly calculated the size of the business according to SBA standards based upon incorrect information or error in computation. The notice of appeal shall be accompanied by any documentation necessary to demonstrate the asserted error. If the OBO director finds that an error or errors were made in calculating the size of the business and that any such error resulted in an incorrect classification as an established business enterprise, the classification shall be withdrawn and the business promptly notified of the withdrawal. If the OBO director finds that no error was made, or that any error would not materially alter the classification, he shall notify the business that the classification is not altered, by certified mail, return receipt requested. The business may within ten days of the date of mailing of the notice submit to the OBO director a written request for a hearing, which hearing shall be conducted under the procedures set forth in subsections (e) through (g) of this section.
- (d) In order to seek a waiver of a classification as an established business enterprise, a MWSBE or MWSBE applicant must submit to the OBO director a written request for a hearing no later than 60 days following the date of mailing of the notice of classification. The written request shall include documentary evidence, including but not limited to financial statements and tax records, relevant to the following criteria:

- (1) Profitability of the enterprise;
  - (2) Sales of the enterprise, including a demonstration that 55 percent or more of the enterprise's sales, within the period utilized by the office of business opportunity in its classification determination, are not related to city contracts;
  - (3) Ability of the MWSBE or MWSBE applicant to obtain bonding, if the enterprise acts as a prime contractor or in a category in which obtaining bonding is required; and
  - (4) Positive comparison of the enterprise's business and financial profile with those of non-MWSBE firms in the same business category based on an objective industry standard.
- (e) The OBO director shall notify the affected MWSBE or MWSBE applicant of the place and time of a hearing before the OBO director or his designee to consider an appeal requested under subsection (c) of this section, or a request for waiver of the classification under subsection (d) of this section, or both, as applicable, by United States certified mail, return receipt requested. The hearing shall be set not later than 30 days following receipt of the request, provided that the OBO director or his designee may in his discretion extend such date by a reasonable period for good and sufficient cause shown. Hearings for businesses that have both appealed under subsection (c) of this section and requested a waiver under subsection (d) of this section may be consolidated in a single hearing at the discretion of the OBO director or his designee.
- (f) The OBO director shall promulgate written procedures for the conduct of hearings. The OBO director or his designee shall hear each appeal or request for waiver and shall consider only the criteria set forth under subsections (c) and (d)(1) through (d)(4) of this section, as applicable, in determining whether to withdraw the classification of the affected business as an established business enterprise. The OBO director shall develop objective standards for evaluating each factor set forth under subsections (d)(1) through (d)(4) based upon recognized industry or governmental practices or standards. The burden shall be on the business to demonstrate by clear, convincing and cogent evidence either that a material error in classification was made or that the granting of a waiver is justified by at least two of the criteria set forth in subsections (d)(1) through (d)(4) of this section.
- (g) Notwithstanding any provision of this Code or of the rules or regulations of the office of business opportunity to the contrary, including any provision for mediation of a decision of the OBO director, the decision of the OBO director or his designee regarding appeal or waiver shall be final.

(Ord. No. 2013-428, § 10(Exh. A), 5-8-2013, eff. 7-1-2013)

Sec. 15-89. - Effect of classification; re-application.

- (a) Upon the expiration of one year following the notice of classification as an established business enterprise referenced in section 15-88(a) of this Code, and in the absence of any withdrawal of such classification by the OBO director, each certified MWSBE so classified shall be ineligible for future participation in any city contract as a MWSBE and its certification shall be withdrawn. No application for re-certification shall be granted absent the prior determination of the OBO director that the applicant does not meet or exceed the SBA size standards referenced in section 15-87(a) of this Code. Certified businesses whose evaluation results in classification as an established business enterprise shall timely file any re-certification application due prior to expiration of the one year extension of program eligibility referenced in this section, but the application shall not be granted unless and until the classification is withdrawn or waived.
- (b) Notwithstanding any provision of this Code or the rules or regulations of the office of business opportunity to the contrary, including any provision for mediation of a decision of the OBO director, any initial applicant for MWSBE certification who meets the criteria for an established business enterprise at the time of its application and is so classified shall be denied certification on that basis alone and shall have no recourse for the denial except through challenging the classification in the manner set forth in section 15-88 of this chapter. Any and all other matters pertaining to the eligibility of the applicant shall be abated and shall only be reinstated if the classification as an established business enterprise is withdrawn.
- (c) The office of business opportunity may continue to assist established business enterprises following ineligibility as follows:

- (1) Such businesses, if formerly certified by the city, may continue to be listed in any listing of MWSBE firms in a separate category of established MWSBE firms for the information of other private or public entities; and
  - (2) Such businesses, if formerly certified by the city, may receive information, counseling and referrals to other agencies supporting business enterprises from the office of business opportunity after their classification as established business enterprises.
- (d) No sooner than one year following the date of program ineligibility provided in subsection (a) of this section or the denial of certification provided in subsection (b) of this section, any established business enterprise may apply for reinstatement as a fully eligible, certified MWSBE or reinstatement of an application for certification abated under subsection (b) of this section, as applicable, upon demonstrating the existence of one or more of the following conditions:
- (1) That the subsequent history from the date of initial classification as an established business enterprise demonstrates that a size calculation as of the date of application for reinstatement would place the business below the SBA size standards for that category of business;
  - (2) That the established business enterprise has successfully obtained an SBA size determination from a federal agency authorized to make such a determination, or has prevailed in an SBA size protest under 13 CFR § 121.1001, et seq., as amended, including any judicial review thereof, establishing that the business does not meet or exceed the applicable SBA size standard;
  - (3) That the SBA size standards have been revised in such a manner that the subject business no longer meets or exceeds the size standard for its category based upon the most recent three-year average for receipts or 12 month average for employees, as applicable; or
  - (4) That the criteria listed in section 15-88(d) of this Code demonstrate the need to grant a waiver and withdraw the classification of the business as an established business enterprise.
- (e) Applications for reinstatement shall be on a form prescribed by the OBO director and shall be accompanied by relevant documentary evidence supporting the ground or grounds for reinstatement asserted, as requested by the OBO director.
- (f) Within 30 days following receipt of a completed application for reinstatement, the OBO director shall grant the application or deny the application and set the matter for hearing within 30 days of the date of mailing notice of such denial.
- (g) The burden on the business applying for reinstatement shall be to demonstrate the existence of one or more of the conditions set forth in subsections d(1) through d(4) of this section by clear, convincing and cogent evidence, to be evaluated by the director under hearing procedures consistent with the nature of the application and, to the extent applicable, with the provisions of subsections (c), (d), (e) and (f) of section 15-88 of this Code. In addition, a business seeking reinstatement under subsection (b)(4) of this section that has previously sought a waiver of classification as an established business enterprise pursuant to section 15-88(d) of this chapter must present evidence of a material and substantial change in circumstances not shown at the preceding hearing, and the OBO director or his designee shall disregard evidence that is repetitious or cumulative of the prior hearing on the matter.
- (h) The decision of the OBO director or his designee following a hearing on reinstatement shall be final, and any applicant denied reinstatement is to be notified in writing of the decision within ten days following the hearing. No business denied reinstatement may subsequently apply for reinstatement until the expiration of one year from the date of the denial.

- a. In accordance with the Code of Ordinances and the OBO Good Faith Efforts Policy (Attachment A), the Department shall approve an Apparent Low Bidder's MWSBE Participation Plan, Document 00470 (the "Bidder's Plan" or "Plan"), within three business days of the Bid Opening only if the Department representative determines that Bidder's Plan meets the advertised Contract Goal and is administratively complete.

#### F. ELIGIBILITY OF MWSBE FIRMS FOR SUBCONTRACTING

- 1. To ensure that the City's Business Enterprise Program benefits only those firms that are owned and controlled by a minority person(s), a woman (women), a person(s) with a disability, or a small business enterprise, the Office of Business Opportunity will certify the eligibility of MWSBE and PDBE Contractors, Subcontractors, and Suppliers. Contact the OBO Certification Division at 832-393-0600 for information regarding certification.
- 2. Firms must be certified by OBO at the time of bid in order to be counted towards meeting MWSBE goals. OBO maintains a Certified Minority, Women and Small Business Enterprises and Persons with Disabilities Business Enterprises Directory on the City's website. This Directory also lists federally-designated Disadvantaged Business Enterprises (DBEs).

#### G. DETERMINATION OF MWSBE PARTICIPATION

MWSBE participation shall be counted toward meeting the Contract Goals in

response to the following:

1. Contractor may count toward its Contract Goals only those MWSBE Subcontractors/ Suppliers performing a Commercially Useful Function.
  - a. **COMMERCIALLY USEFUL FUNCTION** means a discrete task or group of tasks, the responsibility for performance of which shall be discharged by the MWSBE firm by using its own forces or by actively supervising on-site the execution of the tasks by another entity for whose work the MWSBE firm is responsible. In determining whether a certified firm is performing a commercially useful function, factors including but not limited to the following shall be considered: (1) whether the firm has the skill and expertise to perform the work for which it is being utilized and possesses all necessary licenses; (2) whether the firm is in the business of performing, managing, or supervising the work for which it has been certified and is being utilized; and (3) whether it is performing a real and actual service that is a distinct and verifiable element of the work called for in a contract. Without limiting the generality of the foregoing, a MWSBE will not be considered to be performing a commercially useful function, if it subcontracts more than 50 percent of a contract being counted toward the applicable Contract Goals, unless such subcontracting in excess of 50 percent has been expressly approved by OBO either pre-bid or post award.
  - b. OBO shall approve a Plan Deviation Request if the Contractor demonstrates that the industry standard for the type of work involved is to subcontract over 50 percent of the work.
2. Once a firm is certified as a MWSBE firm, the total dollar value of the subcontract awarded to the MWSBE firm is counted toward the Contract Goals, counting only the work in which the MWSBE has performed a Commercially Useful Function. The use of one MWSBE certified firm to meet multiple goals (e.g. MBE, WBE, SBE goals) on a contract is prohibited, unless expressly approved by OBO. Safety and Participation goals do not count as a single goal concerning MWSBE/DBE requirements.
3. The dollar value of the work performed by a certified Prime Contractor may not be counted toward the MWSBE goal unless the certified Prime Contractor is a part of a joint venture. When the Contractor or Subcontractor is in a joint venture with one or more MWSBE firms, OBO shall determine the percent of participation resulting from such joint venture to be counted toward the Contract Goals. The City may count towards the Contractor's MWSBE contract goal that portion of the total value of the contract amount paid to an MWSBE joint venturer equal

to the distinct, clearly defined portion of the contract work performed by the MWSBE.

4. A MWSBE Supplier's participation will be counted towards the MWSBE goals if all of the following criteria are met. The MWSBE Supplier must:
  - (a) negotiate price;
  - (b) determine quality and quantity;
  - (c) order the materials;
  - (d) show that the invoice is in the certified firm's name;
  - (e) pay for the material itself;
  - (f) control delivery; and
  - (g) be certified to provide the supplies in the appropriate NAICS code.

If the listed criteria above are not met, only the entire amount of fees or commissions charged for assistance in the procurement of the supplies and materials, or fees or transportation charges for the delivery of supplies or materials required on a job site will be counted towards the MWSBE goal. To be counted, proof must be provided of the fees paid and the fees must be reasonable and not excessive as compared with fees customarily allowed for similar services. MWSBE Supplier participation may account for no more than 50% of the MWSBE participation plan.

5. The OBO Policy and Procedures Manual, as amended from time to time, shall apply to the Contract for other determinations regarding counting MWSBE participation not explicitly provided for in the Contract.

#### H. CONTRACTOR COMPLIANCE

To ensure compliance with MWSBE requirements, OBO and the Department will monitor Contractor's efforts regarding MWSBE Subcontractors/Suppliers during the performance of this Contract. This may be accomplished through the following: job site visits; reviewing of records and reports; and interviews of randomly selected personnel.

#### I. RECORDS AND REPORTS

1. In accordance with II.A of this Document, the Contractor shall submit an initial report outlining MWSBE participation 40 days after the Notice to Proceed date, and on or before the 15th day of each month thereafter until all MWSBE subcontracting or material supply activity is completed. Each report shall cover the preceding month's activity. The Contractor shall use the MWSBE Contract Compliance and Monitoring System (B2G Now) to meet this requirement.
2. Contractor shall maintain the following records for review upon request by OBO or the Department:

- a. Copies of executed Subcontractor agreements and purchase orders;
  - b. Documentation of payments and other transactions with MWSBE Subcontractors/ Suppliers; and
  - c. Appropriate explanations of any changes or replacements of MWSBE Subcontractors/Suppliers. All replacement MWSBE Subcontractors/Suppliers must be certified by OBO.
  - d. Any other records required by OBO or Contracting Department.
3. If a Participation Plan Percentage is not being met, the monthly report shall include a narrative description of the progress being made in MWSBE participation. If sufficient MWSBE Subcontractors or Suppliers to meet the Participation Plan Percentage are being utilized, they should be identified by name and the dollar amount paid to date for work performed or materials furnished by each MWSBE during the monthly period. Reports are required when no activity has occurred in a monthly period.
  4. Contractor shall retain all such records for a period of four years following completion of the Work and shall be available at reasonable times and places for inspection by authorized representatives of the City including the City Controller.

#### IV. SANCTIONS:

##### A. SUSPENSION PERIOD AND WAIVER

Pursuant to Section 15-86 of the Code of Ordinances, OBO is authorized to suspend any Contractor who has failed to make Good Faith Efforts for a period of up to, but not to exceed, five years.

##### B. GUIDELINES FOR IMPOSITION OF SANCTIONS

###### 1. General:

- a. OBO shall not impose any sanction except upon evidence of specific conduct on the part of a MWSBE or Contractor that is inconsistent with, or in direct contravention of, specific applicable requirements for Good Faith Efforts.
- b. Imposition and enforcement of suspensions shall be consistent with applicable state law.

###### 2. Severity of Sanctions:

- a. In determining the length of any suspension, OBO shall consider the following factors:
  - (1) Whether the failure to comply with applicable requirements involved intentional conduct or, alternatively,

may be reasonably concluded to have resulted from a misunderstanding on the part of the Contractor or MWSBE of the duties imposed on them by Article V of Chapter 15 of the Code of Ordinances and these procedures;

- (2) The number of specific incidences of failure by Contractor or MWSBE to comply;
  - (3) Whether the Contractor or MWSBE has been previously suspended;
  - (4) Whether the Contractor or MWSBE has failed or refused to provide OBO with any information requested by OBO's Director or required to be submitted to OBO's Director pursuant to law or these procedures;
  - (5) Whether the Contractor or MWSBE has materially misrepresented any applicable facts in any filing or communication to OBO; and
  - (6) Whether any subsequent restructuring of the subject business or other action has been undertaken to cure the deficiencies in meeting applicable requirements.
- b. Suspensions may be for any length of time not to exceed five years. Suspensions in excess of one year shall be reserved for cases involving intentional or fraudulent misrepresentation or concealment of material facts, multiple acts in contravention of applicable requirements, cases where the Contractor or MWSBE has been previously suspended, or other similarly egregious conduct.

#### C. APPEALS

A decision to implement a suspension may be taken after notice and an opportunity for an informal conciliation conference with OBO and a hearing by the Contract Compliance Commission. Commission members shall not have participated in the actions or investigations giving rise to the suspension hearing.

#### D. NOTICE

1. Prior to imposing any suspension, OBO shall deliver written notice to the Contractor or MWSBE setting forth the grounds for the proposed suspension and setting a date, time, and place to appear for an informal conciliation conference with OBO, in addition to information regarding the appearance before the Contract Compliance Commission for a hearing on the matter.
2. Any notice required or permitted to be given hereunder to any Contractor or MWSBE may be given either by personal delivery or by certified United States mail, postage prepaid, return receipt requested, addressed to their

most recent address as specified in the records of the Office of Business Opportunity or in the Contract if no address is on file with the Office of Business Opportunity.

**E. HEARING PROCEDURES**

Proceedings before the Contract Compliance Commission shall be conducted in accordance with Section 15-23 of the Code of Ordinances. If the Commission, in a written decision, finds that a suspension is supported by the evidence presented, the Commission shall submit its recommendation to the Mayor and City Council.

ATTACHMENT A

**City of Houston**  
**Office of Business Opportunity**  
**Good Faith Efforts Policy**

**General Policy.**

Good Faith Efforts are steps taken to achieve an Contract Goal or other requirements which, by their scope, intensity and usefulness demonstrates the bidder's responsiveness to fulfill the business opportunity objective prior to the award of a contract, as well as the contractor's responsibility to put forth measures to meet or exceed the Contract Goal throughout the duration of the contract.

Good Faith Efforts are required to be made and demonstrated by an apparent successful bidder on goal oriented contracts or proposer on a regulated contract prior to award of a contract. Good Faith Efforts are required on professional services and construction contracts and on procurement of goods and non-professional service contracts with goals. If a bidder, when submitting a participation plan at the time of bid or proposal submission, anticipates it cannot or will not meet the Contract Goal prior to the award, the bidder must demonstrate to Office of Business Opportunity ("OBO") it has made Good Faith Efforts to meet the Contract Goal, to be eligible for the contract award.

Good Faith Efforts shall be evaluated on a case-by-case basis in making a determination whether a bidder or contractor is in compliance with this policy. The efforts employed by a bidder or contractor should be those that one could reasonably expect a bidder or contractor to take if the bidder were actively and aggressively attempting to obtain MWSBE participation sufficient to meet the Contract Goal. Efforts taken that are mere formalities or other perfunctory acts shall not be considered Good Faith Efforts to meet Contract Goals.

The factors provided herein are representative of the types of actions OBO will consider in determining whether the bidder or contractor made Good Faith Efforts to obtain MWSBE participation to meet the Contract Goal. The factors prescribed below are not intended to be a mandatory checklist, nor is it intended to be exhaustive or exclusive. OBO may consider other factors or types of efforts that may be relevant in appropriate cases.

If a contractor fails to submit Good Faith Efforts documentation as provided in this Policy, it waives the right to appeal OBO decisions related to this Policy. OBO will review all the efforts made by the contractor, including the quality and quantity of those efforts.

**Pre-Award.**

A bidder must submit a participation plan (Document 00470) to OBO at the time the bidder

00808-10  
012-23-2015

submits the bid. If the participation by certified MWSBE subcontractors documented on the participation plan ("participation") is less than the Contract Goal, a bidder should submit a Record of Good Faith Efforts (Document 00471) with the bid. A bidder should also submit a request for a deviation (Document 00472) if the bidder, having used Good Faith Efforts, reasonably believes that it cannot meet the Contract Goal or a commercially useful deviation.

In making a determination that the bidder has made a good faith effort to meet the Contract Goals, OBO shall consider specific documentation<sup>1</sup> concerning the steps taken to obtain MWSBE participation, with a consideration of, by way of illustration and not limitation, whether the bidder demonstrated a genuine effort to comply with the following factors.

1. Attended any pre-bid or pre-proposal meetings scheduled by the City Department;
2. Followed up with MWSBEs that attended the pre-bid or pre-proposal meetings to discuss subcontracting and supplier opportunities and contacted MWSBEs listed in the City's online directory;
3. Conducted outreach with minority and women focused organizations and associations far in advance of solicitation due date (no less than 10 business days);
4. Identified and designated portions of the work to be performed by MWSBEs to increase the likelihood of meeting the Contract Goals (including where appropriate breaking down the contract into reasonably sized subcontracts to ensure participation);
5. Advertised subcontracting opportunities in news media focused towards minority and women persons far in advance of solicitation due date;
6. Provided MWSBEs with a point of contact that was knowledgeable about the project and possessed decision-making authority to answer questions from interested MWSBEs;
7. Provided a reasonable number of MWSBEs certified with timely written notices via email, mail, and/or fax and/or with documented contact regarding the subcontracting/supplier opportunities. A "reasonable number of MWSBEs" shall be based on the number of MWSBEs available in the directory;
8. Solicited the MWSBEs within a reasonable amount of time (no less than seven business days) before bid submission, as well as followed up with the MWSBEs solicited to determine if they were interested in submitting a bid or proposal or participating on a team.

---

<sup>1</sup> A list of common supporting documentation that may allow Contractors to support their good faith efforts can be found on the Office of Business Opportunity website at [www.houstontx.gov/obo](http://www.houstontx.gov/obo).

9. Provided interested MWSBEs certified to perform the solicited work with prompt access to the plans, specifications, scope of work and requirements of the contract;
10. Negotiated in good faith with interested MWSBEs, and not rejecting MWSBEs as unqualified without sound reasons based on a thorough investigation of their capabilities;
11. Entered into a formal contract, or signing enforceable letters of intent with MWSBEs;
12. Provided an explanation to any MWSBE whose bid or price quotation is rejected, unless another MWSBE is accepted for the same work, as follows:
  - a. Where price competitiveness is not the reason for rejection, a written rejection notice including the reason for rejection will be sent to the rejected MWSBE firm;
  - b. Where price competitiveness is the reason for rejection, a meeting must be held with the price-rejected MWSBE, if requested, to discuss the rejection;
13. Made efforts to assist interested MWSBEs in obtaining bonding, lines of credit, insurance required for the contract, and documenting MWSBE denied by bona fide surety agents;
14. Ensured that the conditions and requirements for subcontracts are commensurate with industry standards and would not cause an economic hardship on MWSBEs, such as unnecessary insurance or coupling bid bonds with retainage;
15. Incorporated efforts not attempted earlier or on previous bids that appear more likely to lead to attaining the Contract Goal. Past performance on similar contracts with similar scopes will also be taken in consideration when determining Good Faith Efforts. A bidder that continues to make same efforts without any significant change in the level of participation may not be making Good Faith Efforts.

**Post-Award.**

The contractor must sign the approved participation plan (Document 00470 or Document 00570) prior to starting work on the Project. A contractor should submit a request for deviation (Document 00572) from OBO if the contractor, having made Good Faith Efforts, reasonably believes that it will not achieve the Participation Plan Percentage documented in the approved participation plan. Unless OBO approves a deviation, a contractor must submit to OBO a Participation Summary (Document 00660) prior to City Council's consideration of any close-out, term extension, or change order. If participation is less than anticipated in the approved

participation plan, the contractor must submit a Record of Good Faith Efforts (Document 00571) along with the Participation Summary. A contractor that fails to submit a deviation request and Good Faith Efforts documentation waives the right to appeal OBO decisions related to this Policy.

If the contractor is awarded the contract and fails to achieve the established Participation Plan Percentage, the contractor must demonstrate to OBO its efforts to meet the Participation Plan Percentage and failure to do so based on circumstances that the contractor could not reasonably control. In determining whether the contractor made Good Faith Efforts to ensure full participation and achievement of the Participation Plan Percentage, OBO shall consider the following factors:

1. Whether the contractor designated an MWSBE liaison officer to administer the Contractor's MWSBE programs and to be responsible for maintenance of records of Good Faith Efforts.
2. Whether the contractor furnished prompt MWSBE Utilization Reports in a timely and accurate manner through the online Contract Monitoring System or via hard copy.
3. Whether the contractor responded to efforts to resolve disputes with MWSBEs, and genuinely attempted to resolve these issues.
4. Whether the contractor disclosed payment discrepancies timely and within the monthly reporting period;
5. Whether the contractor complied with the participation plan, unless the contractor received a deviation from the OBO Director and whether upon approval, the contractor made Good Faith Efforts to replace a removed MWSBE with another certified firm;
6. Whether the contractor furnished prompt written responses to written inquiries from the Director or any employee of OBO regarding the MWSBE's performance or information germane to the MWSBE's certification;
7. Whether the contractor ensured that at all times during the performance of any contract or subcontract the MWSBE firm is engaging in a commercially useful function as that term is defined in Chapter 15 of the City of Houston Code of Ordinances;
8. Whether the contractor provided the OBO information, or other material, that was factually accurate and free of material misrepresentation; and
9. Whether the contractor furnished prompt responses to requests for information, books and records needed to verify compliance from the department administering the Contract, the City Attorney and the City Controller;

10. Whether the contractor attended all meetings and mediation hearings as requested by the Director or his/her designee; and
11. How the contractor may be affected by change orders, with consideration given to the size of the change orders.

**Change Orders.**

The requirement to make Good Faith Efforts to achieve the approved Participation Plan Percentage is applicable to change orders. Contractors should make Good Faith Efforts to ensure that the Participation Plan Percentage remains substantially the same after the issuance of change orders. If a contractor cannot maintain substantially the same level of participation provided in the latest approved Participation Plan (Document 00470 or Document 00570) due to a change order, the contractor shall submit to the OBO Director and Contracting Department a Document 00571 (Post-Award Record of Good Faith Efforts) and Document 00572 (Post-Award Plan Deviation Request) in a timely manner that does not cause disruption to the project. In addition to other relevant factors, in evaluating whether Good Faith Efforts were made by the contractor to meet the Participation Plan Percentage despite change orders, the OBO Director shall consider the contractor's efforts to timely and efficiently deliver the project.

(a) of this section shall comply with the procedures and requirements of this part to the maximum extent consistent with, but not in derogation of, compliance with section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e(b)). (See 24 CFR part 905.)

(d) *Other HUD assistance and other Federal assistance.* Recipients, contractors and subcontractors that receive HUD assistance, not listed in paragraph (a) of this section, or other Federal assistance, are encouraged to provide, to the greatest extent feasible, training, employment, and contracting opportunities generated by the expenditure of this assistance to low- and very low-income persons, and business concerns owned by low- and very low-income persons, or which employ low- and very low-income persons.

"Section 3 covered contracts" also do not include contracts for the purchase of supplies and

materials. However, whenever a contract for materials includes the installation of the materials, the contract constitutes a section 3 covered contract. For example, a contract for the purchase and installation of a furnace would be a section 3 covered contract because the contract is for work (i.e., the installation of the furnace) and thus is covered by section 3.

*Section 3 covered project* means the construction, reconstruction, conversion or rehabilitation of housing (including reduction and abatement of lead-based paint hazards), other public construction which includes buildings or improvements (regardless of ownership) assisted with housing or community development assistance.

Section 3(b)(2) of the 1937 Act defines this term to mean families (including single persons) whose incomes do not exceed 80 per centum of the median income for the area, as determined by the Secretary, with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 80 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of prevailing levels of construction costs or unusually high or low-income families; or

(ii) *A very low-income person*, as this term is defined in section 3(b)(2) of the 1937 Act (42 U.S.C. 1437a(b)(2)). Section 3(b)(2) of the 1937 Act (42 U.S.C. 1437a(b)(2)) defines this term to mean families (including single persons) whose incomes do not exceed 50 per centum of the median family income for the area, as determined by the Secretary with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 50 per centum of the median for the area on the basis of the Secretary's findings that

## § 135.7

such variations are necessary because of unusually high or low family incomes.

- (3) A person seeking the training and employment preference provided by section 3 bears the responsibility of providing evidence (if requested) that the person is eligible for the preference.

*Section 8 assistance* means assistance provided under section 8 of the 1937 Act (42 U.S.C. 1437f) pursuant to 24 CFR part 882, subpart G.

*Service area* means the geographical area in which the persons benefitting from the section 3 covered project reside. *Subcontractor* means any entity (other than a person who is an employee of the contractor) which has a contract with a contractor to undertake a portion of the contractor's obligation for the performance of work generated by the expenditure of section 3 covered assistance, or arising in connection with a section 3 covered project.

*Very low-income person.* See the definition of "section 3 resident" in this section.

*Youthbuild programs.* See the definition of "HUD Youthbuild programs" in this section. [59 FR 33880, June 30, 1994, as amended at 61 FR 5206, Feb. 9, 1996]

## § 135.7 Delegation of authority.

Except as may be otherwise provided in this part, the functions and responsibilities of the Secretary under section 3, and described in this part, are delegated to the Assistant Secretary for Fair Housing and Equal Opportunity. The Assistant Secretary is further authorized to redelegate functions and responsibilities to other employees of HUD; *provided however*, that the authority to issue rules and regulations under this part, which authority is delegated to the Assistant Secretary, may

## 24 CFR Subtitle B, Ch. I (4-1-03 Edition)

not be redelegated by the Assistant Secretary.

## § 135.9 Requirements applicable to HUD NOFAs for section 3 covered programs.

(a) *Certification of compliance with part 135.* All notices of funding availability (NOFAs) issued by HUD that announce the availability of funding covered by section 3 shall include a provision in the NOFA that notifies applicants that section 3 and the regulations in part

135 are applicable to funding awards made under the NOFA. Additionally the NOFA shall require as an application submission requirement (which may be specified in the NOFA or application kit) a certification by the applicant that the applicant will comply with the regulations in part 135. (For PHAs, this requirement will be met where a PHA Resolution in Support of the Application is submitted.) With respect to application evaluation, HUD will accept an applicant's certification unless there is evidence substantially challenging the certification.

(b) *Statement of purpose in NOFAs.*

(1) For competitively awarded assistance in which the grants are for activities administered by an HA, and those activities are anticipated to generate significant training, employment or contracting opportunities, the NOFA must include a statement that one of the purposes of the assistance is to give to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, job training, employment, contracting and other economic opportunities to section 3 residents and section 3 business concerns.

(2) For competitively awarded assistance involving housing rehabilitation, construction or other public construction, where the amount awarded to the applicant may exceed \$200,000, the NOFA must include a statement that one of the purposes of the assistance is to give, to the greatest extent feasible, and consistent with existing Federal, State and local laws and regulations, job training, employment, contracting and other economic opportunities to section 3 residents and section 3 business concerns.

**Office of Asst. Secy., Equal Opportunity, HUD**

§135.11

*(c) Section 3 as NOFA evaluation criteria.*

Where not otherwise precluded by statute, in the evaluation of applications for the award of assistance, consideration shall be given to the extent to which an applicant has demonstrated that it will train and employ section 3 residents and contract with section 3 business concerns for economic opportunities generated in connection with the assisted project or activity. The evaluation criteria to be utilized, and the rating points to be assigned, will be specified in the NOFA.

**§ 135.11 Other laws governing training, employment, and contracting.**

Other laws and requirements that are applicable or may be applicable to the economic opportunities generated from the expenditure of section 3 covered assistance include, but are not necessarily limited to those listed in this section.

(a) *Procurement standards for States and local governments (24 CFR 85.36)*—(1) *General.* Nothing in this part 135 prescribes specific methods of procurement. However, neither section 3 nor the requirements of this part 135 supersede the general requirement of 24 CFR 85.36(c) that all procurement transactions be conducted in a competitive manner. Consistent with 24 CFR 85.36(c)(2), section 3 is a Federal statute that expressly encourages, to the maximum extent feasible, a geographic preference in the evaluation of bids or proposals.

(2) *Flexible Subsidy Program.* Multifamily project mortgagors in the Flexible Subsidy Program are not required to utilize the methods of procurement in 24 CFR 85.36(d), and are not permitted to utilize methods of procurement that would result in their award of a contract to a business concern that submits a bid higher than the lowest responsive bid. A multifamily project mortgagor, however, must ensure that, to the greatest extent feasible, the procurement practices it selects provide preference to section 3 business concerns.

(b) *Procurement standards for other recipients (OMB Circular No. A-110).* Nothing in this part prescribes specific methods of procurement for grants and other agreements with institutions of

higher education, hospitals, and other nonprofit organizations. Consistent with the requirements set forth in OMB Circular No. A-110, section 3 is a Federal statute that expressly encourages a geographic preference in the evaluation of bids or proposals.

(a) *Federal labor standards provisions.* Certain construction contracts are subject to compliance with the requirement to pay prevailing wages determined under Davis-Bacon Act (40 U.S.C. 276a—276a-7) and implementing U.S. Department of Labor regulations in 29 CFR part 5. Additionally, certain HUD-assisted rehabilitation and maintenance activities on public and Indian housing developments are subject to compliance with the requirement to pay prevailing wage rates, as determined or adopted by HUD, to laborers and mechanics employed in this work. Apprentices and trainees may be utilized on this work only to the extent permitted under either Department of Labor regulations at 29 CFR part 5 or for work subject to HUD-determined prevailing wage rates, HUD policies and guidelines. These requirements include adherence to the wage rates and ratios of apprentices or trainees to journeymen set out in “approved apprenticeship and training programs,” as described in paragraph (d) of this section.

(b) *Approved apprenticeship and trainee programs.* Certain apprenticeship and trainee programs have been approved by various Federal agencies. Approved apprenticeship and trainee programs include: an apprenticeship program approved by the Bureau of Apprenticeship and Training of the Department of Labor, or a State Apprenticeship Agency, or an on-the-job training program approved by the Bureau of Apprenticeship and Training, in accordance with the regulations at 29 CFR part 5; or a training program approved by HUD in accordance with HUD policies and guidelines, as applicable. Participation in an approved apprenticeship program does not, in and of itself, demonstrate compliance with the regulations of this part.

(c) *Compliance with Executive Order 11246.* Certain contractors covered by this part are subject to compliance with Executive Order 11246, as amended

§ 135.30

by Executive Order 12086, and the Department of Labor regulations issued pursuant thereto (41 CFR chapter 60) which provide that no person shall be discriminated against on the basis of race, color, religion, sex, or national origin in all phases of employment during the performance of Federal or Federally assisted construction contracts.

**Subpart B—Economic Opportunities for Section 3 Residents and Section 3 Business Concerns**

**§ 135.30 Numerical goals for meeting the greatest extent feasible requirement.**

(a) *General.* (1) Recipients and covered contractor may demonstrate compliance with the "greatest extent feasible" requirement of section 3 by meeting the numerical goals set forth in this section for providing training, employment, and contracting opportunities to section 3 residents and section 3 business concerns.

(2) The goals established in this section apply to the entire amount of section 3 covered assistance awarded to a recipient in any Federal Fiscal Year (FY), commencing with the first FY following the effective date of this rule.

(3) For recipients that do not engage in training, or hiring, but award contracts to contractors that will engage in training, hiring, and subcontracting, recipients must ensure that, to the greatest extent feasible, contractors will provide training, employment, and contracting opportunities to section 3 residents and section 3 business concerns.

(4) The numerical goals established in this section represent minimum numerical targets.

b. *Training and employment.* The numerical goals set forth in paragraph (b) of this section apply to new hires. The numerical goals reflect the aggregate hires. Efforts to employ section 3 residents, to the greatest extent feasible, should be made at all job levels.

(1) *Numerical goals for section 3 covered public and Indian housing programs.* Recipients of section 3 covered public and Indian housing assistance (as described in § 135.5) and their contractors and

**24 CFR Subtitle B, Ch. I (4-1-03 Edition)**

subcontractors may demonstrate compliance with this part by committing to employ section 3 residents as:

(i) 10 percent of the aggregate number of new hires for the one year period beginning in FY 1995;

(ii) 20 percent of the aggregate number of new hires for the one period beginning in FY 1996;

(iii) 30 percent of the aggregate number of new hires for one year period beginning in FY 1997 and continuing thereafter.

(2) *Numerical goals for other HUD programs*

*covered by section 3.* (i) Recipients of section 3 covered housing assistance provided under other HUD programs, and their contractors and subcontractors (unless the contract or sub-contract awards do not meet the threshold specified in § 135.3(a)(3)) may demonstrate compliance with this part by committing to employ section 3 residents as 10 percent of the aggregate number of new hires for each year over the duration of the section 3 project;

(ii) Where a managing general partner or management agent is affiliated, in a given metropolitan area, with recipients of section 3 covered housing assistance, for an aggregate of 500 or more units in any fiscal year, the managing partner or management agent may demonstrate compliance with this part by committing to employ section 3 residents as:

(A) 10 percent of the aggregate number of new hires for the one year period beginning in FY 1995;

(B) 20 percent of the aggregate number of new hires for the one year period beginning in FY 1996;

(C) 30 percent of the aggregate number of new hires for the one year period beginning in FY 1997, and continuing thereafter.

(3) Recipients of section 3 covered community development assistance, and their contractors and subcontractors (unless the contract or sub-contract awards do not meet the threshold specified in § 135.3(a)(3)) may demonstrate compliance with the requirements of this part by committing to employ section 3 residents as:

(i) 10 percent of the aggregate number of new hires for the one year period beginning in FY 1995;

## Office of Asst. Secy., Equal Opportunity, HUD

§ 135.32

(ii) 20 percent of the aggregate number of new hires for the one year period beginning in FY 1996; and  
 (iii) 30 percent of the aggregate number of new hires for the one year period beginning in FY 1997 and continuing thereafter.

(c) *Contracts.* Numerical goals set forth in paragraph (c) of this section apply to contracts awarded in connection with all section 3 covered projects and section 3 covered activities. Each recipient and contractor and subcontractor (unless the contract or sub-contract awards do not meet the threshold specified in § 135.3(a)(3)) may demonstrate compliance with the requirements of this part by committing to award to section 3 business concerns:

(1) At least 10 percent of the total dollar amount of all section 3 covered contracts for building trades work for maintenance, repair, modernization or development of public or Indian housing, or for building trades work arising in connection with housing rehabilitation, housing construction and other public construction; and

(2) At least three (3) percent of the total dollar amount of all other section 3 covered contracts.

(d) *Safe harbor and compliance determinations.*

(1) In the absence of evidence to the contrary, a recipient that meets the minimum numerical goals set forth in this section will be considered to have complied with the section 3 preference requirements.

(2) In evaluating compliance under subpart D of this part, a recipient that has not met the numerical goals set forth in this section has the burden of demonstrating why it was not feasible to meet the numerical goals set forth in this section. Such justification may include impediments encountered despite actions taken. A recipient or contractor also can indicate other economic opportunities, such as those listed in § 135.40, which were provided in its efforts to comply with section 3 and the requirements of this part.

**§ 135.32 Responsibilities of the recipient.**

Each recipient has the responsibility to comply with section 3 in its own operations, and ensure compliance in the

operations of its contractors and sub-contractors. This responsibility includes but may not be necessarily limited to:

(a) Implementing procedures designed to notify section 3 residents about training and employment opportunities generated by section 3 covered assistance and section 3 business concerns about contracting opportunities generated by section 3 covered assistance;

(d) Assisting and actively cooperating with the Assistant Secretary in obtaining the compliance of contractors and subcontractors with the requirements of this part, and refraining from entering into any contract with any contractor where the recipient has notice or knowledge that the contractor has been found in violation of the regulations in 24 CFR part 135.

(ii) Business concerns that are 51 percent or more owned by residents of other housing developments or developments managed by the HA that is expending the section 3 covered assistance, or whose full-time, permanent workforce includes 30 percent of these persons as employees (category 2 businesses); or

the contract that the business concern is responsible and has the ability to perform successfully under the terms and conditions of the proposed contract. (The ability to perform successfully under the terms and conditions of the proposed contract is required of all contractors and subcontractors subject to the procurement standards of 24 CFR 85.36 (see 24 CFR 85.36(b)(8)).) This

regulation requires consideration of, among other factors, the potential contractor's record in complying with public policy requirements. Section 3 compliance is a matter properly considered as part of this determination.

## § 135.38 Section 3 clause.

All section 3 covered contracts shall include the following clause (referred to as the section 3 clause):

A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR

§ 135.40

24 CFR Subtitle B, Ch. I (4-1-03 Edition)

part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

§ 135.40 Providing other economic opportunities.

(a) *General.* In accordance with the findings of the Congress, as stated in section 3, that other economic opportunities offer an effective means of empowering low-income persons, a recipient is encouraged to undertake efforts to provide to low-income persons economic opportunities other than training, employment, and contract awards, in connection with section 3 covered assistance.

(b) *Other training and employment related opportunities.* Other economic opportunities to train and employ section 3 residents include, but need not be limited to, use of "upward mobility", "bridge" and trainee positions to fill vacancies; hiring section 3 residents in

management and maintenance positions within other housing developments; and hiring section 3 residents in part-time positions.

(c) *Other business related economic opportunities.* (1) A recipient or contractor may provide economic opportunities to establish, stabilize or expand section 3 business concerns, including microenterprises. Such opportunities include, but are not limited to the formation of section 3 joint ventures, financial support for affiliating with franchise development, use of labor only contracts for building trades, purchase of supplies and materials from housing authority resident-owned businesses, purchase of materials and supplies from PHA resident-owned businesses and use of procedures under 24 CFR part 963 regarding HA contracts to HA resident-owned businesses. A recipient or contractor may employ these methods directly or may provide incentives to non-section 3 businesses to utilize such methods to provide other economic opportunities to low-income persons.

(2) A *section 3 joint venture* means an association of business concerns, one of which qualifies as a section 3 business concern, formed by written joint venture agreement to engage in and carry out a specific business venture for which purpose the business concerns combine their efforts, resources, and skills for joint profit, but not necessarily on a continuing or permanent basis for conducting business generally, and for which the section 3 business concern:

(i) Is responsible for a clearly defined portion of the work to be performed and holds management responsibilities in the joint venture; and

(ii) Performs at least 25 percent of the work and is contractually entitled to compensation proportionate to its work.

§135.74

part, and the procedures governing the Assistant Secretary's review of a recipient's or contractor's compliance with the regulations in this part.

(b) *Definitions.* For purposes of this subpart:

(1) *Complaint* means an allegation of noncompliance with regulations of this part made in the form described in § 135.76(d).

(2) *Complainant* means the party which files a complaint with the Assistant Secretary alleging that a recipient or contractor has failed or refused to comply with the regulations in this part.

(3) *Noncompliance with section 3* means failure by a recipient or contractor to comply with the requirements of this part.

(4) *Respondent* means the recipient or contractor against which a complaint of noncompliance has been filed. The term "recipient" shall have the meaning set forth in § 135.7, which includes PHA and IHA.

## § 135.72 Cooperation in achieving compliance.

(a) The Assistant Secretary recognizes that the success of ensuring that section 3 residents and section 3 business concerns have the opportunity to apply for jobs and to bid for contracts generated by covered HUD financial assistance depends upon the cooperation and assistance of HUD recipients and their contractors and subcontractors. All recipients shall cooperate fully and promptly with the Assistant Secretary in section 3 compliance reviews, in investigations of allegations of noncompliance made under § 135.76, and with the distribution and collection of data and information that the Assistant Secretary may require in connection with achieving the economic objectives of section 3.

(b) The recipient shall refrain from entering into a contract with any contractor after notification to the recipient by HUD that the contractor has been found in violation of the regulations in this part. The provisions of 24 CFR part 24 apply to the employment, engagement of services, awarding of contracts or funding of any contractors or subcontractors during any period of debarment, suspension or otherwise ineligible status.

## § 135.74 Section 3 compliance review procedures.

(a) *Compliance reviews by Assistant Secretary.* The Assistant Secretary shall periodically conduct section 3 compliance reviews of selected recipients and contractors to determine whether these recipients are in compliance with the regulations in this part.

(b) *Form of compliance review.* A section 3 compliance review shall consist of a comprehensive analysis and evaluation of the recipient's or contractor's compliance with the requirements and obligations imposed by the regulations of this part, including an analysis of the extent to which section 3 residents have been hired and section 3 business concerns have been awarded contracts as a result of the methods undertaken by the recipient to achieve the employment, contracting and other economic objectives of section 3.

(c) *Where compliance review reveals noncompliance with section 3 by recipient or contractor.* Where the section 3 compliance review reveals that a recipient or contractor has not complied with section 3, the Assistant Secretary shall notify the recipient or contractor of its specific deficiencies in compliance with the regulations of this part, and shall advise the recipient or contractor of the means by which these deficiencies may be corrected. HUD shall conduct a follow-up review with the recipient or contractor to ensure that action is being taken to correct the deficiencies.

(d) *Continuing noncompliance by recipient or contractor.* A continuing failure or refusal by the recipient or contractor to comply with the regulations in this part may result in the application of sanctions specified in the contract through which HUD assistance is provided, or the application of sanctions specified in the regulations governing the HUD program under which HUD financial assistance is provided. HUD will notify the recipient of any continuing failure or refusal by the contractor to comply with the regulations in this part for possible action under any procurement contract between the recipient and the contractor.

## § 135.76

## 24 CFR Subtitle B, Ch. I (4-1-03 Edition)

Debarment, suspension and limited denial of participation pursuant to HUD's regulations in 24 CFR part 24, where appropriate, may be applied to the recipient or the contractor.

(f) *Consideration of complaints during compliance review.* Complaints alleging noncompliance with section 3, as provided in § 135.76, may also be considered during any compliance review conducted to determine the recipient's conformance with regulations in this part.

(2) Any section 3 business concern on behalf of itself, or as a representative of other section 3 business concerns similarly situated, seeking contract opportunities generated from the expenditure of section 3 covered assistance from a recipient or contractor, or by an individual representative of section 3 business concerns.

(b) *Where to file a complaint.* A complaint must be filed with the Assistant Secretary for Fair Housing and Equal Opportunity, Department of Housing and Urban Development, Washington, DC, 20410.

(c) *Time of filing.* (1) A complaint must be received not later than 180 days from the date of the action or

omission upon which the complaint is based, unless the time for filing is extended by the Assistant Secretary for good cause shown.

(2) Where a complaint alleges noncompliance with section 3 and the regulations of this part that is continuing, as manifested in a number of incidents of noncompliance, the complaint will be timely if filed within 180 days of the last alleged occurrence of noncompliance.

(3) Where a complaint contains incomplete information, the Assistant Secretary shall request the needed information from the complainant. In the event this information is not furnished to the Assistant Secretary within sixty (60) days of the date of the request, the complaint may be closed.

(d) *Contents of complaint*—(1) *Written complaints.* Each complaint must be in writing, signed by the complainant, and include:

(i) The complainant's name and address;

(iii) A description of the acts or omissions by the respondent that is sufficient to inform the Assistant Secretary of the nature and date of the alleged noncompliance.

(iv) A complainant may provide information to be contained in a complaint by telephone to HUD or any HUD Field Office, and HUD will reduce the information provided by telephone to writing on the prescribed complaint form and send the form to the complainant for signature.

(2) *Amendment of complaint.* Complaints may be reasonably and fairly amended at any time. Such amendments may include, but are not limited to, amendments to cure technical defects or omissions, including failure to sign or affirm a complaint, to clarify or amplify the allegations in a complaint, or to join additional or substitute respondents. Except for the purposes of notifying respondents, amended complaints will be considered as having been made as of the original filing date.

(e) *Resolution of complaint by recipient.*

(1) Within ten (10) days of timely filing of a complaint that contains complete

§ 135.76

information (in accordance with paragraphs (c) and (d) of this section), the Assistant Secretary shall determine whether the complainant alleges an action or omission by a recipient or the recipient's contractor that if proven qualifies as noncompliance with section 3. If a determination is made that there is an allegation of noncompliance with section 3, the complaint shall be sent to the recipient for resolution.

(2) If the recipient believes that the complaint lacks merit, the recipient must notify the Assistant Secretary in writing of this recommendation with supporting reasons, within 30 days of the date of receipt of the complaint. The determination that a complaint lacks merit is reserved to the Assistant Secretary.

(3) If the recipient determines that there is merit to the complaint, the recipient will have sixty (60) days from the date of receipt of the complaint to resolve the matter with the complainant. At the expiration of the 60-day period, the recipient must notify the Assistant Secretary in writing whether a resolution of the complaint has been reached. If resolution has been reached, the notification must be signed by both the recipient and the complainant, and must summarize the terms of the resolution reached between the two parties.

(4) Any request for an extension of the 60-day period by the recipient must be submitted in writing to the Assistant Secretary, and must include a statement explaining the need for the extension.

(5) If the recipient is unable to resolve the complaint within the 60-day period (or more if extended by the Assistant Secretary), the complaint shall be referred to the Assistant Secretary for handling.

(f) *Informal resolution of complaint by Assistant Secretary*—(1) *Dismissal of complaint.* Upon receipt of the recipient's written recommendation that there is no merit to the complaint, or upon failure of the recipient and complainant to reach resolution, the Assistant Secretary shall review the complaint to determine whether it presents a valid allegation of noncompliance with section 3. The Assistant Secretary may conduct further investigation if deemed necessary. Where the com-

plaint fails to present a valid allegation of noncompliance with section 3, the Assistant Secretary will dismiss the complaint without further action. The Assistant Secretary shall notify the complainant of the dismissal of the complaint and the reasons for the dismissal.

(2) *Informal resolution.* Where the allegations in a complaint on their face, or as amplified by the statements of the complainant, present a valid allegation of noncompliance with section 3, the Assistant Secretary will attempt, through informal methods, to obtain a voluntary and just resolution of the complaint. Where attempts to resolve the complaint informally fail, the Assistant Secretary will impose a resolution on the recipient and complainant. Any resolution imposed by the Assistant Secretary will be in accordance with requirements and procedures concerning the imposition of sanctions or resolutions as set forth in the regulations governing the HUD program under which the section 3 covered assistance was provided.

(3) *Effective date of informal resolution.* The imposed resolution will become effective and binding at the expiration of 15 days following notification to recipient and complainant by certified mail of the imposed resolution, unless either party appeals the resolution before the expiration of the 15 days. Any appeal shall be in writing to the Secretary and shall include the basis for the appeal.

(g) *Sanctions.* Sanctions that may be imposed on recipients that fail to comply with the regulations of this part include debarment, suspension and limited denial of participation in HUD programs.

(h) *Investigation of complaint.* The Assistant Secretary reserves the right to investigate a complaint directly when, in the Assistant Secretary's discretion, the investigation would further the purposes of section 3 and this part.

(i) *Intimidatory or retaliatory acts prohibited.* No recipient or other person shall intimidate, threaten, coerce, or discriminate against any person or business because the person or business has made a complaint, testified, assisted or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of

## § 135.90

complainants shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing or judicial proceeding arising thereunder.

(j) *Judicial relief.* Nothing in this sub-part D precludes a section 3 resident or section 3 business concerning from exercising the right, which may otherwise be available, to seek redress directly through judicial procedures.

### Subpart E—Reporting and Recordkeeping

Each recipient which receives directly from HUD financial assistance that is subject to the requirements of this part shall submit to the Assistant Secretary an annual report in such form and with such information as the Assistant Secretary may request, for the purpose of determining the effectiveness of section 3. Where the program providing the section 3 covered assistance requires submission of an annual performance report, the section

If the program providing the section 3 covered assistance does not require an annual performance report, the section 3 report is to be submitted by January 10 of each year or within 10 days of project completion, whichever is earlier. (19) Supporting businesses which provide economic opportunities to low income persons by linking them to the support services available through the Small Business Administration (SBA), the Department of Commerce and comparable agencies at the State and local levels.

(20) Encouraging financial institutions, in carrying out their responsibilities under the Community Reinvestment Act, to provide no or low interest loans for providing working capital and other financial business needs.

(21) Actively supporting joint ventures with section 3 business concerns.

(22) Actively supporting the development or maintenance of business incubators which assist Section 3 business concerns.

### III. Examples of Procurement Procedures That Provide for Preference for Section 3 Business Concerns

This Section III provides specific procedures that may be followed by recipients and contractors (collectively, referred to as the "contracting party") for implementing the section 3 contracting preference for each of the competitive procurement methods authorized in 24 CFR 85.36(d).

(1) *Small Purchase Procedures.* For section 3 covered contracts aggregating no more than \$25,000, the methods set forth in this paragraph

### 24 CFR Subtitle B, Ch. I (4-1-03 Edition)

(1) or the more formal procedures set forth in paragraphs (2) and (3) of this Section III may be utilized.

(i) *Solicitation.* (A) Quotations may be solicited by telephone, letter or other informal procedure provided that the manner of solicitation provides for participation by a reasonable number of competitive sources. At the time of solicitation, the parties must be informed of:

—the section 3 covered contract to be awarded with sufficient specificity;

—the time within which quotations must be submitted; and

—the information that must be submitted with each quotation.

(B) If the method described in paragraph (i)(A) is utilized, there must be an attempt to obtain quotations from a minimum of three qualified sources in order to promote competition. Fewer than three quotations are acceptable when the contracting party has attempted, but has been unable, to obtain a sufficient number of competitive quotations. In unusual circumstances, the contracting party may accept the sole quotation received in response to a solicitation provided the price is reasonable. In all cases, the contracting party shall document the circumstances when it has been unable to obtain at least three quotations.

(ii) *Award.* (A) Where the section 3 covered contract is to be awarded based upon the lowest price, the contract shall be awarded to the qualified section 3 business concern with the lowest responsive quotation, if it is reasonable and no more than 10 percent higher than the quotation of the lowest responsive quotation from any qualified source. If no responsive quotation by a qualified section 3 business concern is within 10 percent of the lowest responsive quotation from any qualified source, the award shall be made to the source with the lowest quotation.

(B) Where the section 3 covered contract is to be awarded based on factors other than price, a request for quotations shall be issued by developing the particulars of the solicitation, including a rating system for the assignment of points to evaluate the merits of each quotation. The solicitation shall identify all factors to be considered, including price or cost. The rating system shall provide for a range of 15 to 25 percent of the total number of available rating points to be set aside for the provision of preference for section 3 business concerns. The purchase order shall be awarded to the responsible firm whose quotation is the most advantageous, considering price and all other factors specified in the rating system.

(2) *Procurement by sealed bids (Invitations for Bids).* Preference in the award of section 3 covered contracts that are awarded under a sealed bid (IFB) process may be provided as follows:

Office of Asst. Secy., Equal Opportunity, HUD

Pt. 146

(i) Bids shall be solicited from all businesses (section 3 business concerns, and non-section 3 business concerns). An award shall be made to the qualified section 3 business concern with the highest priority ranking and with the lowest responsive bid if that bid—

(A) is within the maximum total contract price established in the contracting party's budget for the specific project for which bids are being taken, and

(B) is not more than "X" higher than the total bid price of the lowest responsive bid from any responsible bidder. "X" is determined as follows:

	x=lesser
When the lowest responsive bid is less than \$100,000	10% of that bid or \$9,000.
When the lowest responsive bid is:	
At least \$100,000, but less than \$200,000	9% of that bid, or \$16,000.
At least \$200,000, but less than \$300,000	8% of that bid, or \$21,000.
At least \$300,000, but less than \$400,000	7% of that bid, or \$24,000.
At least \$400,000, but less than \$500,000	6% of that bid, or \$25,000.
At least \$500,000, but less than \$1 million	5% of that bid, or \$40,000.
At least \$1 million, but less than \$2 million	4% of that bid, or \$60,000.
At least \$2 million, but less than \$4 million	3% of that bid, or \$80,000.
At least \$4 million, but less than \$7 million	2% of that bid, or \$105,000.
\$7 million or more	1 1/2% of the lowest responsive bid, with no dollar limit.

(ii) If no responsive bid by a section 3 business concern meets the requirements of paragraph (2)(i) of this section, the contract shall be awarded to a responsible bidder with the lowest responsive bid.

(3) *Procurement under the competitive proposals method of procurement (Request for Proposals (RFP)).* (i) For contracts and sub- contracts awarded under the competitive proposals method of procurement (24 CFR 85.36(d)(3)), a Request for Proposals (RFP) shall identify all evaluation factors (and their relative importance) to be used to rate proposals.

(ii) One of the evaluation factors shall address both the preference for section 3 business concerns and the acceptability of the strategy for meeting the greatest extent feasible requirement (section 3 strategy), as disclosed in proposals submitted by all business concerns (section 3 and non-section 3 business concerns). This factor shall provide for a range of 15 to 25 percent of the total number of available points to be set aside for the evaluation of these two components.

(iii) The component of this evaluation factor designed to address the preference for section 3 business concerns must establish a preference for these business concerns in the order of priority ranking as described in 24 CFR 135.36.

(iv) With respect to the second component (the acceptability of the section 3 strategy), the RFP shall require the disclosure of the contractor's section 3 strategy to comply with the section 3 training and employment preference, or contracting preference, or both, if applicable. A determination of the contractor's responsibility will include the submission of an acceptable section 3 strategy. The contract award shall be made to the responsible firm (either section 3 or non-section 3 business concern) whose proposal is determined most advantageous, considering

price and all other factors specified in the RFP.

TITLE 10	COMMUNITY DEVELOPMENT
PART 1	TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS
CHAPTER 11	QUALIFIED ALLOCATION PLAN (QAP)
SUBCHAPTER D	UNDERWRITING AND LOAN POLICY
RULE §11.306	Property Condition Assessment Guidelines

---

(a) **General Provisions.** The objective of the Property Condition Assessment (PCA) for Rehabilitation Developments (excluding Reconstruction) and Adaptive Reuse Developments is to provide a self-contained report that provides an evaluation of the current conditions of the Development, identifies a scope of work and cost estimates for both immediate and long-term physical needs, evaluates the sufficiency of the Applicant's scope of work under 10 TAC §11.302(e)(4)(B)(i) for the rehabilitation or conversion of the building(s) from a non-residential use to multifamily residential use and provides an independent review of the Applicant's proposed costs based on the scope of work. The report should be in sufficient detail for the Underwriter to fully understand current conditions, scope of work and cost estimates. It is the responsibility of the Applicant to ensure that the scope of work and cost estimates submitted in the Application is provided to the PCA author. The PCA must include a copy of the Applicant's scope of work narrative and Development Cost Schedule. The report must also include the following statement, "all persons who have a property interest in this report hereby acknowledge that the Department may publish the full report on the Department's website, release the report in response to a request for public information and make other use of the report as authorized by law."

(b) The PCA must be conducted and reported in conformity with the American Society for Testing and Materials "Standard Guide for Property Condition Assessments. Baseline Property Condition Assessment Process (ASTM Standard Designation: E 2018)" except as provided for in subsections (f) and (g) of this section. Additional information is encouraged if deemed relevant by the PCA author.

(c) The PCA must include the Department's Property Condition Assessment Cost Schedule Supplement (PCA Supplement). The purpose of the PCA Supplement is to consolidate and show reconciliation of the scope of work and costs of the immediate physical needs identified by the PCA author with the Applicant's scope of work and costs provided in the Application. The consolidated scope of work and costs shown on the PCA Supplement will be used by the Underwriter in the analysis. The PCA Supplement also details the projected repairs and replacements through at least thirty (30) years.

(d) The PCA must include good quality color photographs of the subject Property (front, rear, and side elevations, on-site amenities, interior of the structure). Photographs should be properly labeled. Photographs of the neighborhood, street scenes, and comparables should be included. An aerial photograph is desirable but not mandatory.

(e) The PCA must also include discussion and analysis of:

(1) **Description of Current Conditions.** For both Rehabilitation and Adaptive Reuse, the PCA must contain a detailed description with good quality photographs of the current conditions of all major systems and components of the Development regardless of whether the system or component will be removed, repaired or replaced. For historic structures, the PCA must contain a description with photographs of each aspect of the building(s) that qualifies it as historic and must include a narrative explaining how the scope of work relates to maintaining the historic designation of the development. Replacement or relocation of systems and components must be described.

(2) **Description of Scope of Work.** The PCA must provide a narrative of the consolidated scope of work either as a stand-alone section of the report or included with the description of the current conditions for each major

system and components. Any New Construction must be described. Plans or drawings (that are in addition to any plans or drawings otherwise required by rule) and that relate to any part of the scope of work should be included, if available.

(3) Useful Life Estimates. For each system and component of the property the PCA must estimate its remaining useful life, citing the basis or the source from which such estimate is derived;

(4) Code Compliance. The PCA must review and document any known violations of any applicable federal, state, or local codes. In developing the cost estimates specified herein, it is the responsibility of the Applicant to ensure that the PCA adequately considers any and all applicable federal, state, and local laws and regulations which may govern any work performed to the subject Property. For Applications requesting Direct Loan funding from the Department, the PCA provider must include a comparison between the local building code and the International Existing Building Code of the International Code Council.;

(5) Program Rules. The PCA must assess the extent to which any systems or components must be modified, repaired, or replaced in order to comply with any specific requirements of the housing program under which the Development is proposed to be financed, the Department's Uniform Physical Condition Standards, and any scoring criteria including amenities for which the Applicant may claim points;

(6) Accessibility Requirements. The PCA report must include an analysis of compliance with the Department's accessibility requirements pursuant to Chapter 1, Subchapter B and Section 11.101 (b)(8) and include identify the specific items in the scope of work and costs needed to ensure that the Development will meet these requirements upon Rehabilitation (including conversion and Adaptive Reuse).

(7) Reconciliation of Scope of Work and Costs. The PCA report must include the Department's PCA Cost Schedule Supplement with the signature of the PCA provider; the costs presented on the PCA Cost Schedule Supplement are expected to be consistent with both the scope of work and immediate costs identified in the body of the PCA report, and with the Applicant's scope of work and costs as presented on the Applicant's development cost schedule; any significant variation between the costs listed on the PCA Cost Schedule Supplement and the costs listed in the body of the PCA report or on the Applicant's development cost schedule must be reconciled in a narrative analysis from the PCA provider; and

(8) Cost Estimates. The Development Cost Schedule and PCA Supplement must include all costs identified below:

(A) Immediately Necessary Repairs and Replacement. For all Rehabilitation developments, and Adaptive Reuse developments if applicable, immediately necessary repair and replacement should be identified for systems or components which are expected to have a remaining useful life of less than one (1) year, which are found to be in violation of any applicable codes, which must be modified, repaired or replaced in order to satisfy program rules, or which are otherwise in a state of deferred maintenance or pose health and safety hazards. The PCA must provide a separate estimate of the costs associated with the repair, replacement, or maintenance of each system or component which is identified as being an immediate need, citing the basis or the source from which such cost estimate is derived.

(B) Proposed Repair, Replacement, or New Construction. If the development plan calls for additional scope of work above and beyond the immediate repair and replacement items described in subparagraph (A) of this paragraph, the additional scope of work must be evaluated and either the nature or source of obsolescence to be cured or improvement to the operations of the Property discussed. The PCA must provide a separate estimate of the costs associated with the additional scope of work, citing the basis or the source from which such cost estimate is derived.

(C) Reconciliation of Costs. The combined costs described in subparagraphs (A) and (B) of this paragraph should be consistent with the costs presented on the Applicant's development cost schedule and the PCA Supplement.

(D) Expected Repair and Replacement Over Time. The term during which the PCA should estimate the cost of expected repair and replacement over time must equal the lesser of thirty (30) years or the longest term of any land use or regulatory restrictions which are, or will be, associated with the provision of housing on the Property. The PCA must estimate the periodic costs which are expected to arise for repairing or replacing each system or component of the property, based on the estimated remaining useful life of such system or component as described in paragraph (1) of this subsection adjusted for completion of repair and replacement immediately necessary and proposed as described in subparagraphs (A) and (B) of this paragraph. The PCA must include a separate table of the estimated long term costs which identifies in each line the individual component of the property being examined, and in each column the year during the term in which the costs are estimated to be incurred and no less than thirty (30) years. The estimated costs for future years should be given in both present dollar values and anticipated future dollar values assuming a reasonable inflation factor of not less than 2.5% per annum.

(f) Any costs not identified and discussed in the PCA as part of subsection (a)(6), (8)(A) and (8)(B) of this section will not be included in the underwritten Total Development Cost in the Report.

(g) If a copy of such standards or a sample report have been provided for the Department's review, if such standards are widely used, and if all other criteria and requirements described in this section are satisfied, the Department will also accept copies of reports commissioned or required by the primary lender for a proposed transaction, which have been prepared in accordance with:

- (1) Fannie Mae's criteria for Physical Needs Assessments;
- (2) Federal Housing Administration's criteria for Project Capital Needs Assessments;
- (3) Freddie Mac's guidelines for Engineering and Property Condition Reports;
- (4) USDA guidelines for Capital Needs Assessment.

(h) The Department may consider for acceptance reports prepared according to other standards which are not specifically named in subsection (g) of this section, if a copy of such standards or a sample report have been provided for the Department's review, if such standards are widely used, and if all other criteria and requirements described in this section are satisfied.

(i) The PCA shall be conducted by a Third Party at the expense of the Applicant, and addressed to Texas Department of Housing and Community Affairs as the client. Copies of reports provided to the Department which were commissioned by other financial institutions should address Texas Department of Housing and Community Affairs as a co-recipient of the report, or letters from both the provider and the recipient of the report should be submitted extending reliance on the report to Texas Department of Housing and Community Affairs.

(j) The PCA report must include a statement that the individual and/or company preparing the PCA report will not materially benefit from the Development in any other way than receiving a fee for performing the PCA. Because of the Department's heavy reliance on the independent cost information, the provider must not be a Related Party to or an Affiliate of any other Development Team member. The PCA report must contain a statement indicating the report preparer has read and understood the requirements of this section.

**APPENDIX 11  
MULTIFAMILY RELOCATION REQUIREMENTS, INCLUDING RELATED FORMS**

## **Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970**

### ***Regulation***

Per HUD, activities and projects assisted by CDBG-DR are subject to the Uniform Relocation Assistance (URA), a federal law which provides important protections and assistance for people affected by the acquisition, rehabilitation, or demolition of real property for federally funded projects.

The URA was enacted by Congress to ensure people whose real property is acquired, or who move as a direct result of projects receiving federal funds, are treated fairly and equitably and receive assistance in moving from the property they occupy.

Activities and projects assisted by CDBG-DR are subject to the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601 *et seq.*) ("URA") and section 104(d) of the HCD Act (42 U.S.C. 5304(d)) (Section 104(d)). The implementing regulations for the URA are at 49 CFR part 24. The regulations for Section 104(d) are at 24 CFR part 42, subpart C. Programs and projects must adhere to

- **49 CFR Part 24** is the government-wide regulation that implements the URA.
- **HUD Handbook 1378** provides HUD policy and guidance on implementing the URA and 49 CFR Part 24 for HUD funded programs and projects.
- Housing and Community Development (HCDD) Policies and Procedures.

### ***CDBG-DR Waiver(s)***

One-for-One Replacement Housing, Relocation, and Real Property Acquisition Requirements. Activities and projects undertaken with CDBG-DR funds are subject to the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601 *et seq.*) ("URA") and section 104(d) of the HCD Act (42 U.S.C. 5304(d)) (section 104(d)). The implementing regulations for the URA are at 49 CFR part 24. The regulations for section 104(d) are at 24 CFR part 42, subpart C. For the purpose of promoting the availability of decent, safe, and sanitary housing, HUD is waiving the following URA and section 104(d) requirements with respect to the use of CDBG-DR funds.

The relocation assistance requirements at Section 104(d)(2)(A) of the Housing and Community Development Act and 24 CFR 42.350 are waived to the extent that they differ from the requirements of the URA and implementing regulations at 49 CFR Part 24, as modified by the notice for activities related to disaster recovery. Without this waiver, disparities exist in relocation assistance associated with activities typically funded by HUD and FEMA (e.g., buyouts and relocation). Both FEMA and CDBG funds are subject to the requirements of the URA; however, CDBG funds are subject to Section 104(d), while FEMA funds are not. The URA provides that a displaced person is eligible to receive a rental assistance payment that covers a period of 42 months. By contrast, Section 104(d) allows a lower-income displaced person to choose between the URA rental assistance payment and a rental assistance payment calculated over a period of 60 months. This waiver of the Section 104(d) requirements assures uniform and equitable treatment by setting the URA and its implementing regulations as the sole standard for relocation assistance under the federal register notice.

The HCDD's Residential Anti-displacement and Relocation Assistance Plan (RARAP) will be adhere to when direct or indirect permanent displacement of tenants occur. The following steps are required by subrecipients and developers to minimize the direct and indirect displacement of persons from their homes: Plan construction activities to allow tenants to remain in their units as long as possible, by rehabilitating empty units or buildings first; where feasible, give priority to rehabilitation of housing, as opposed to demolition, to avoid displacement; adopt policies to identify and mitigate displacement resulting from intensive public investment in neighborhoods; adopt tax assessment policies, such as deferred tax payment plans, to reduce impact of increasing property tax assessments on lower income owner-occupants or tenants in revitalizing areas; or target only those properties deemed essential to the need or success of the project.

***Monitoring***

If Relocation is triggered, periodic monitoring reviews will be conducted to inspect tenant files.

***Record Keeping***

If Relocation is triggered, relocation tenant files must be made available for periodic monitoring reviews. Tenant files and other related records must be maintained for a 3-years after construction completion.

***Forms***

All HUD approved forms and templates are provided by HCDD's URA section.

In addition to these group meetings, the tenants will also receive written notices of the overall renovation plans and notice of the plans for their relocation. Tenants will be notified that they should not move on their own or contact a mover because they would risk being held responsible for these cost and/or forfeit relocation benefits.

Each tenant will be given a packet of information that is included in Section F of this plan and it includes items mandated via URA. Every attempt will be made to keep the tenants informed and to answer any questions that they may have.

##### 2. Moving Assistance

It will explain the plans for the property renovation and for them to anticipate numerous requests for transfers within a short period of time. The tenant will be responsible for scheduling the transfer of their utilities and are expected to notify the relocation specialist of the date and time the transfer is scheduled. If there are any problems with any transfers the property will have the utilities turned on in the

properties name and the tenant will be given 10 days to resolve the issues with the utility company.

#### D. TENANT RELOCATION BENEFITS

##### 2. Covered Cost

(Your property name) will pay for packing and moving costs that are scheduled by the relocation specialist. (Your property name) will also cover the cost of deposits or transfer fees for the utilities, any increase in rent of the off site temporary housing, if applicable; and telephone/cable at both the temporary unit and the return to the newly renovated unit. These costs will be paid directly to the providing agency and attached to the tenants unit and head of household. These costs will not be paid on behalf of anyone that moves prior to the coordination efforts of the Relocation Specialist or due to Eviction for Cause.

##### 3. Advisory Services

(Your property name) will contact and interview each person who is affected by the project to discuss his/her needs, preferences, concerns, and to answer questions. (Your property name) will use the Site Occupant Record (Exhibit 8 of HCDD Relocation Policy) to record interview of each household. #### E. RELOCATION SERVICES

##### 1. Transportation

##### 2. Communication

Each tenant will be given written information outlining the process and will be given group and individual access to the Relocation Specialist. The tenants that may require special assistance due to a disability will be identified and will be provided assistance in a non-discriminatory manner.

3. Delinquent Utility Bills

If the tenants do not have the financial resources to pay delinquent utility bills that would hinder services being transferred to their temporary unit, the property will have the services temporarily placed under the property name. The tenant would have 10 business days after move-in, to resolve the issue with the respective utility company.

(date)

Dear \_\_\_\_\_:

\_\_\_\_\_, (City, County, State, Public Housing Authority (PHA), other) \_\_\_\_\_, is interested in rehabilitating the property you currently occupy at \_\_\_\_\_ (address) \_\_\_\_\_ for a proposed project which may receive funding assistance from the U.S. Department of Housing and Urban Development (HUD) under the \_\_\_\_\_ program.

The purpose of this notice is to inform you that you will not be displaced in connection with the proposed project.

If the project application is approved and federal financial assistance provided, you may be required to move temporarily so that the rehabilitation can be completed. If you must move temporarily, suitable housing will be made available to you and you will be reimbursed for all reasonable out of pocket expenses, including moving costs and any increase in housing costs. You will need to continue to pay your rent and comply with all other lease terms and conditions.

Upon completion of the rehabilitation, you will be able to lease and occupy your present apartment or another suitable, decent, safe and sanitary apartment in the same building/complex under reasonable terms and conditions. \*

If federal financial assistance is provided for the proposed project, you will be protected by a federal law known as the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA). One of the URA protections for persons temporarily relocated is that such relocations shall not extend beyond one year. If the temporary relocation lasts more than one year, you will be contacted and offered all permanent relocation assistance as a displaced person under the URA. This assistance would be in addition to any assistance you may receive in connection with temporary relocation and will not be reduced by the amount of any temporary relocation assistance previously provided. You will also have the right to appeal the agency's determination, if you feel that your application for assistance was not properly considered.

(NOTE: Pursuant to Public Law 105-117, aliens not lawfully present in the United States are not eligible for relocation assistance, unless such ineligibility would result in exceptional hardship to a qualifying spouse, parent, or child. All persons seeking relocation assistance will be required to certify that they are a United States citizen or national, or an alien lawfully present in the United States.)

Exhibit 10

We urge you not to move at this time. If you choose to move, you will not be provided relocation assistance.

Please remember:

- This is not a notice to vacate the premises.
- This is not a notice of relocation eligibility.

You will be contacted soon so that we can provide you with more information about the proposed project. If the project is approved, we will make every effort to accommodate your needs. In the meantime, if you have any questions about our plans, please contact:

(date)

Dear \_\_\_\_\_:

\_\_\_\_\_ (City, County, State, Public Housing Authority (PHA), other) is interested in \_\_\_\_\_ (acquiring, rehabilitating, demolishing) the property you currently occupy at \_\_\_\_\_ (address) for a proposed project which may receive funding assistance from the U.S. Department of Housing and Urban Development (HUD) under the \_\_\_\_\_ program.

The purpose of this notice is to inform you that you may be displaced as a result of the proposed project. This notice also serves to inform you of your potential rights as a displaced person under a federal law known as the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA). You may be eligible for relocation assistance and payments under the URA, if the proposed project receives HUD funding and if you are displaced as a result of acquisition, rehabilitation or demolition for the project.

- This is not a notice to vacate the premises.
- This is not a notice of relocation eligibility.

If you are determined to be eligible for relocation assistance in the future, you may be eligible for: 1) Relocation advisory services including help to you find another place to live; 2) At least 90 days advance written notice of the date you will be required to move; 3) Payment for your moving expenses; and 4) Replacement housing payments to enable you to rent, or if you prefer to purchase, a comparable replacement home. You will also have the right to appeal the agency's determination, if you feel that your application for assistance was not properly considered. The enclosed HUD brochure, "Relocation Assistance To Tenants Displaced From Their Homes" provides an explanation of this assistance and other helpful information.

(NOTE: Pursuant to Public Law 105-117, aliens not lawfully present in the United States are not eligible for relocation assistance, unless such ineligibility would result in exceptional hardship to a qualifying spouse, parent, or child. All persons seeking relocation assistance will be required to certify that they are a United States citizen or national, or an alien lawfully present in the United States.)

Please be advised that you should continue to pay your rent and meet any other obligations as specified in your lease agreement. Failure to do so may be cause for eviction. If you choose to move or if you are evicted prior to receiving a formal notice of

Exhibit 11

relocation eligibility you will not be eligible to receive relocation assistance. It is important for you to contact us before making any moving plans.

Again, this is not a notice to vacate the premises and does not establish your eligibility for relocation payments or assistance at this time. If you are determined to be displaced and are required to vacate the premises in the future, you will be informed in writing. In the event the proposed project does not proceed or if you are determined not to be displaced, you will also be notified in writing.

If you have any questions about this notice or the proposed project, please contact

NOTES

1. The case file must indicate the manner in which this notice was delivered (e.g., personally served or certified mail, return receipt requested) and the date of delivery. (See Paragraph 2-3 1 of Handbook 1378.)
2. This is a guideform. It should be revised to reflect the circumstances.
3. Optional paragraphs for displaced residents of public housing projects (may be modified based on the PHA's resident return policy):

"Even though you will be provided all of the assistance the URA requires for a permanent move, the Authority believes that every resident displaced from the site should have the right to reapply for occupancy once this project is complete. For this reason, after project completion, every resident who receives assistance as a "displaced person" will be contacted and offered an opportunity to reapply for occupancy in the newly-revitalized community. Furthermore, because you will be a former occupant who was "displaced" from the site, you will also receive a priority preference to return.

In the event the number of those who request to return and qualify for housing exceeds the number of units available, rating and ranking criteria will be used to identify those who will be offered a unit at the site until all available units are filled. If you do return, the Authority may help defray the costs of the return move. If you have Replacement Housing Payments not yet spent or obligated, you may be asked to forfeit these payments as a condition for returning to public housing, since this assistance will no longer be necessary to meet your housing needs. Such assistance, if not forfeited, must be considered as income and may affect your eligibility and rent."

2. If you must move temporarily so that the rehabilitation can be completed, you will be reimbursed for all of your extra expenses, including the cost of moving to and from temporary housing and any increased interim housing costs. The temporary unit will be decent, safe and sanitary, and all other conditions of the temporary move will be reasonable.

URA RELOCATION ASSISTANCE

(date)

Dear \_\_\_\_\_:

On \_\_\_\_\_ (date), the \_\_\_\_\_ (City, County, State, Public Housing Authority (PHA), other), notified you of proposed plans to \_\_\_\_\_ (acquire, rehabilitate, or demolish) \_\_\_\_\_ the property you currently occupy at \_\_\_\_\_ (address) \_\_\_\_\_ for a project which could receive funding assistance from the U.S. Department of Housing and Urban Development (HUD) under the \_\_\_\_\_ program. On \_\_\_\_\_ (date), the project was approved and will receive federal funding.

It has been determined that you will be displaced by the project. Since you are being displaced in connection with this federally funded project, you will be eligible for relocation assistance and payments under the Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA).

- This is your Notice of Eligibility for relocation assistance
- The effective date of your eligibility is \_\_\_\_\_. (Insert date of Initiation of Negotiations, see 49 CFR 24.1(a)(15) or applicable HUD program regulations)

(NOTE: Pursuant to Public Law 105-117, aliens not lawfully present in the United States are not eligible for relocation assistance, unless such ineligibility would result in exceptional hardship to a qualifying spouse, parent, or child. All persons seeking relocation assistance will be required to certify that they are a United States citizen or national, or an alien lawfully present in the United States.)

To carry out the project, it will be necessary for you to move. However, you do not need to move now. You will be provided written notice of the date by which you will be required to move. This date will be no less than 90 days from the date comparable replacement housing has been made available to you.

Enclosed is a brochure entitled, "Relocation Assistance to Tenants Displaced From Their Homes." Please read the brochure carefully. It explains your rights and provides additional information on eligibility for relocation payments and what you must do in order to receive these payments.

The relocation assistance to which you are entitled includes:

Relocation Advisory Services. Including counseling and other assistance to help you find another home and prepare to move.

Payment for Moving Expenses. You may choose: (1) a payment for your actual reasonable moving and related expenses, or (2) a fixed moving payment in the amount of \$\_\_\_\_\_ based on the URA Fixed Residential Moving Cost Schedule, or (3) a combination of both.

Replacement Housing Payment. You may be eligible for a replacement housing payment to rent or buy a replacement home. The payment is based on several factors including: (1) the monthly rent and cost of utility services for a comparable replacement dwelling, (2) the monthly rent and cost of utility services for your present home, and (3) for low-income persons, 30 percent of your average monthly gross household income. This payment is calculated on the difference in the old and new housing costs for a one-month period and multiplied by 42.

Listed below are three comparable replacement dwellings that you may wish to consider for your replacement home. If you would like, we can arrange transportation for you to inspect these and other replacement dwellings.

	Address	Rent & Utility Costs	Contact Info
1.	_____	_____	_____
2.	_____	_____	_____
3.	_____	_____	_____

We believe that the dwelling located at \_\_\_\_\_ (address) is the most representative of your present home. The monthly rent and the estimated average monthly cost of utilities for this dwelling is \$\_\_\_\_\_ and it will be used to calculate your maximum replacement housing payment. Please contact us immediately if you believe this dwelling is not comparable to your current home. We can explain our basis for selecting this dwelling as most representative of your current home and discuss your concerns.

Based on the information you have provided about your income and the rent and utilities you now pay, you may be eligible for a maximum replacement housing payment of approximately \$\_\_\_\_\_ (42 x \$\_\_\_\_\_), if you rent the dwelling identified above as the most comparable to your current home or rent another dwelling of equal cost.

Replacement housing payments are not adjusted to reflect future rent increases or changes in income. This is the maximum amount that you would be eligible to receive. If you rent a decent, safe and sanitary home where the monthly rent and average estimated utility costs are less than the comparable dwelling, your replacement housing payment will be based on the actual cost of the dwelling. We will not base your payment on any dwelling that is not a comparable replacement home. All replacement housing payments must be paid in installments. Your payment will be paid in # installments.

Should you choose to purchase (rather than rent) a decent, safe and sanitary replacement home, you would be eligible for a downpayment assistance payment which is equal to your maximum replacement housing payment, \$ \_\_\_\_\_\*. Let us know if you are interested in purchasing a replacement home and we will help you locate such housing.

Please note that all replacement housing must be inspected in order to ensure it is decent, safe and sanitary before any replacement housing payments are made.

If you have any questions about this letter and your eligibility for relocation assistance and payments, please contact \_\_\_\_\_ (name), \_\_\_\_\_ (title) at \_\_\_\_\_ (phone), \_\_\_\_\_ (address) before you make any moving plans. He/she will assist you with your move to a new home and help ensure that you preserve your eligibility for all relocation payments to which you may be entitled.

**Remember, do not move or commit to the purchase or lease of a replacement home before we have a chance to further discuss your eligibility for relocation assistance.**  
This letter is important to you and should be retained.

Sincerely,

\_\_\_\_\_

2. This is a guideform. It should be revised to reflect the circumstances.
3. Optional paragraphs for displaced residents of public housing projects (may be modified based on the PHA's resident return policy):

Exhibit 13

"Even though you will be provided all of the assistance the URA requires for a permanent move, the Authority believes that every resident displaced from the site should have the right to reapply for occupancy once this project is complete. For this reason, after project completion, every resident who receives assistance as a "displaced person" will be contacted and offered an opportunity to reapply for occupancy in the newly-revitalized community. Furthermore, because you will be a former occupant who was "displaced" from the site, you will also receive a priority preference to return.

In the event the number of those who request to return and qualify for housing exceeds the number of units available, rating and ranking criteria will be used to identify those who will be offered a unit at the site until all available units are filled. If you do return, the Authority may help defray the costs of the return move. If you have Replacement Housing Payments not yet spent or obligated, you may be asked to forfeit these payments as a condition for returning to public housing, since this assistance will no longer be necessary to meet your housing needs. Such assistance, if not forfeited, must be considered as income and may affect your eligibility and rent."

## INTRODUCTION

This document is intended to provide the Minimum Property Standards (MPS) for new construction, reconstruction, rehabilitation, and maintenance of multifamily housing facilities that receive federal assistance through the City of Houston Housing & Community Development Department as required by 24CFR §200.925. The primary objective of the Minimum Property Standards is to establish the criteria for the life, health and safety of the residents at the property.

Pursuant to 24CFR §92.251, housing that is constructed or rehabilitated with HOME or CDBG funds must meet all applicable local codes, ordinances, and rehabilitation standards, at the time of project completion. In the absence of a local code addressing new construction, reconstruction, or rehabilitation, HOME-assisted new construction or rehabilitation must meet, as applicable, International Building Code (IBC) or its appropriate sub code, and/or the Minimum Property Standards (MPS) in 24CFR §200.925 and §200.926. Housing must meet the accessibility requirements at 24CFR Part 8, which implements Section 504 of the Rehabilitation Act of 1973 (29U.S.C. §794) and covered multifamily dwellings, as defined at 24CFR §100.201, and must also meet the design and construction requirements at 24CFR §100.205, which implement the Fair Housing Act (42U.S.C. §3601-§3619).

The MPS supplement local building codes by requiring properties to meet minimum standards of workmanship, durability and performance of various components of the multifamily property during the period of affordability. These components would include doors, windows, gates, stairwells, wall coverings, kitchen cabinets, carpeting, etc. of the property that would be maintained in good and safe working condition that ensures the life, health and safety of the residents at the property.

To achieve this objective, the Housing & Community Development Department conducts an annual inspection of the property in accordance with the 24CFR §92.251(a) and all local codes, construction standards, and city ordinances. Findings identified during the inspection are required to be resolved by the property owner and management. All repairs, materials, and installations must meet the aforementioned standards of quality and workmanship.

City of Houston, Texas, Ordinance No. 2009-1043

**AN ORDINANCE AMENDING CHAPTER 10 OF THE CODE OF ORDINANCES, HOUSTON, TEXAS, RELATING TO THE HABITABILITY OF MULTI-FAMILY RENTAL BUILDINGS; CONTAINING FINDINGS AND OTHER PROVISIONS RELATING TO THE FOREGOING SUBJECT; PROVIDING FOR SEVERABILITY; CONTAINING A SAVINGS CLAUSE; AND DECLARING AN EMERGENCY.**

\* \* \* \* \*

**WHEREAS**, the 81<sup>st</sup> Texas Legislature (Regular Session) passed House Bill 1819 ("HB 1819"), which bill became law on June 19, 2009; and

**WHEREAS**, HB 1819 added Section 214.219 ("Section 214.219") to the Texas Local Government Code; and

**WHEREAS**, Section 214.219 requires a municipality with a population of 1.7 million or more to "adopt an ordinance to establish minimum habitability standards for multi-family rental buildings, including requiring maintenance of proper operating conditions" and to "establish a program for the inspection of multi-family rental buildings to determine if the buildings meet the minimum required habitability standards"; and

**WHEREAS**, HB 1819 requires a municipality subject to Section 214.219 to enact the said ordinance and to establish the said program not later than December 31, 2010; and

**WHEREAS**, the City is a municipality subject to Section 214.219; and

**WHEREAS**, the City Council finds that Article V and Divisions 3 and 4 of Article IX of Chapter 10 of the Code of Ordinances, City of Houston, Texas (the "Code of Ordinances") constitute habitability standards for multi-family rental buildings, which standards should be supplemented and strengthened as provided herein; **NOW, THEREFORE,**

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HOUSTON, TEXAS:**

**Section 1.** That the findings contained in the preamble of this Ordinance are determined to be true and correct and are adopted as a part of this Ordinance.

**Section 2.** That Chapter 10 of the Code of Ordinances, Houston, Texas, is amended by adding a new Article IV that reads as follows:

## "ARTICLE IV. HOUSTON MULTI-FAMILY HABITABILITY CODE

### Sec. 10-151. Title; purpose; conflict with other municipal laws.

This article is, and may be cited as, the 'Houston Multi-Family Habitability Code.' One purpose of this Habitability Code is to comply with Section 214.219 of the Texas Local Government Code. The provisions of this Habitability Code are cumulative of all other laws and regulations of the city, as well as all applicable state and federal laws and regulations. In the event of a conflict between this Habitability Code and another law or regulation of the city, the provisions of this Habitability Code shall control.

### Sec. 10-152. Definitions.

In addition to definitions appearing elsewhere in this article, the following words and phrases when used in this article shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

*Building official* means the building official and all persons designated in writing by the building official to act on his or her behalf to construe and to enforce this article.

*Habitability* refers to the character of a multi-family rental building free of any condition constituting a material risk to the physical safety or health of the building's ordinary tenants. A multi-family rental building substantially free of such conditions is *habitable*.

*Multi-family rental building* or *MFRB* means a building that has three or more units. Only for the purposes of the Inspection Program established by this article, *multi-family rental building* or *MFRB* includes all MFRBs and all accessory buildings (such as a boiler room, laundry room, club house, or garage) on the same tract.

*Owner* means the current owner (or, collectively, the current owners) of the real property on which a multi-family rental building is located. For the purposes of this article, records available for public view at an official website maintained by the appraisal district in which the MFRB is located are presumed to be accurate with regard to the ownership of real property, but the presumption of ownership may be rebutted by documents properly recorded in the real property records of the county in which the MFRB is located.

*Tract* means the parcel or parcels of real property on which a

multi-family rental building is located.

*Unit* means one or more rooms rented for use as a permanent residence under a lease to one or more tenants, except that none of the following shall constitute a *unit*:

- (a) A room or rooms rented primarily for the purpose of receiving services regulated by a department or agency of the federal government or of the State of Texas (including, but not limited to, the Texas Department of State Health Services);
- (b) A room or rooms owned or operated by a public or private college or university accredited by a recognized accrediting agency within the meaning of Section 61.003, Texas Education Code;
- (c) An 'apartment' in a 'condominium' within the meaning of Chapter 81, Texas Property Code; or
- (d) A 'unit' in a 'condominium' within the meaning of Chapter 82, Texas Property Code.

**Sec. 10-153. Construction of this Habitability Code.**

This article shall not be construed to alter the terms of any lease or other agreement between an owner and a tenant relating to an MFRB, except that no provision of any such lease or other agreement shall be construed to excuse compliance with this article or with any other law or regulation of the city. It is not the purpose of this article to prescribe legal rights or liabilities as between an owner and a tenant.

**Sec. 10-154. MFRB Registration.**

- (a) The building official shall promulgate a form for the registration of MFRBs, which form shall require disclosure of:
  - (1) The physical address of the MFRB;
  - (2) The account number(s) assigned to the tract by the appraisal district in which the MFRB is located;
  - (3) The number of buildings on the tract;
  - (4) The number of units in each building on the tract;

- (5) A brief description of the intended use of each building on the tract (residential building, boiler room, laundry room, club house, garage, etc.);
- (6) The Project Number(s) appearing on the face of either the Certificate of Occupancy or the Life Safety Compliance Certificate issued by the city for each building on the tract; and
- (7) The name, mailing address, physical address, telephone number, and e-mail address (if available) of at least one owner of the MFRB.

(b) The form promulgated by the building official shall provide a physical address and a mailing address for filing completed MFRB Registration Forms. In addition, the building official shall establish a means by which MFRB Registration Forms may be completed and filed electronically.

(c) An owner of an MFRB shall register the MFRB by completing and filing an MFRB Registration Form with the building official.

(d) An owner of an MFRB shall post a hard copy of the current, completed MFRB Registration Form in or on the MFRB.

(e) If an MFRB was not in existence on January 1, 2010, the owner of the MFRB shall register the MFRB by completing and filing the MFRB Registration Form with the building official no later than 30 days after the MFRB receives a Certificate of Occupancy.

(f) Registration of an MFRB as required by this section shall constitute:

- (1) Registration of the MFRB under section 28-283 of the Code of Ordinances; and
- (2) Compliance with sections 250.003 and 250.004 of the Texas Local Government Code.

(g) No later than 30 days after an owner of an MFRB knows or reasonably should know that a statement on the MFRB Registration Form was incomplete or inaccurate when filed, or has become incomplete or inaccurate since filed, the owner must complete and file an amended MFRB Registration Form.

**Sec. 10-155. Habitability standards.**

In addition to the habitability standards established by article V and by divisions 3 and 4 of article IX of chapter 10 of this Code:

- (1) An owner of an MFRB violates this article if the MFRB does not comply with:

  - e. Sections 92.153 through 92.162 of the Texas Property Code (which provisions pertain to security devices).
- (2) An owner of an MFRB at all times must post in or on the MFRB:
  - a. A valid Certificate of Occupancy or a valid Life Safety Compliance Certificate; and
  - b. A 'NOTICE TO ALL RESIDENTS' legibly typed or printed in a font 28 points or larger, in both English and Spanish, the substance of which Notice is as follows: 'IF ANY CONDITION of this building CREATES A HAZARD to human safety or health, REPORT THE CONDITION to the building's manager or owner. You also may report the condition to the City of Houston by calling the City's Service Helpline at 311.'
- (3) Any document required by this article to be posted in or on an MFRB must be posted either (a) as provided by the Building Code or (b) by posting an accurate copy of the document in a manner reasonably protected from weather and in a place conspicuous to ordinary tenants no more than five feet from each mailbox facility at which the United States Postal Service delivers mail to tenants or, if no such facility exists, in some

other place equally conspicuous to ordinary tenants of the MFRB.

**Sec. 10-156. Powers and duties of building official.**

(a) Except for applicable provisions of the Fire Code incorporated herein by reference, the building official has primary responsibility for the enforcement of this Habitability Code.

(b) With regard to MFRBs only, the terms 'director' and 'neighborhood protection official' as used in article V and in divisions 3 and 4 of article IX of chapter 10 of this Code refer to the building official.

(b) The building official shall promulgate a checklist (the 'Multi-Family Rental Building Checklist' or the 'MFRB Checklist') of criteria by which the building official shall determine the habitability of MFRBs.

(1) The MFRB Checklist shall have no force or effect until ninety days after copies of City of Houston Ordinance No. 2009-2009-1043 and the MFRB Checklist have been available for public view in the office of the city secretary and at a website maintained by the city.

(2) The building official may amend the MFRB Checklist; however, an amendment of the MFRB Checklist shall have no force or effect until ninety days after the MFRB Checklist has been available for public view in the office of the city secretary and at a website maintained by the city.

(c) No MFRB shall be inspected under the MFRB Inspection Program until at least forty-five days after the building official has mailed to

The City Secretary shall insert the number of this Ordinance

- (1) The first day of thirty consecutive days during which the building may be inspected under the MFRB Inspection Program;
  - (2) The physical address of the office of the city secretary and the internet address of the website at which copies of the MFRB Checklist are available for public view;
  - (3) The amount of the fee (the 'MFRB Inspection Fee') to be paid to the city prior to the first day of the said thirty consecutive days during which the building may be inspected; and

- (d) The building official shall mail by first-class mail duplicate originals of the letter required by subsection (c) of this section to the owner of the MFRB at the respective addresses:
- (1) Of the owner, according to MFRB Registration Form filed with the building official, or, if the MFRB has not been registered with the building official, according to records available for public view at an official website maintained by the appraisal district in which the MFRB is located; and
  - (2) Of the MFRB.
- (e) No inspection of an MFRB under the MFRB Inspection Program shall be delayed solely because the owner did not receive or did not understand a letter prepared and sent as required by subsections (c) and (d) of this section.
- (f) Notwithstanding anything to the contrary in this article, no employee of the city inspecting an MFRB under the MFRB Inspection Program shall enter a unit without the written permission of a person who has a legal right to occupy the unit.

**Sec. 10-158. Fees.**

For the inspection of an MFRB under the MFRB Inspection Program the owner shall pay to the city the MFRB Inspection Fee, which fee shall be in the amount of either \$4.00 per unit or \$100.00 (total), whichever amount is greater, plus an administrative fee in the amount of \$10.00.

**Sec. 10-159. Remedies.**

An owner who violates, or whose MFRB is in violation of, any provision of this article shall be guilty of a misdemeanor punishable upon conviction by a fine of not less than \$500 nor more than \$2,000. Each violation, and each day that a violation continues, shall constitute and be punishable as a separate offense."

**Section 3.** That nothing in this Ordinance shall delay or otherwise hamper a timely inspection of a multi-family rental building ("MFRB") by the City in response and relating to credible complaints by tenants or other members of the public, such inspections ("reactive inspections"), although not part of the Multi-Family Residential Building Inspection Program ("MFRB Inspection Program") established by this Ordinance, being essential to the public welfare.

**Section 4.** That, except as otherwise provided by this Ordinance, an owner of an MFRB shall register the MFRB by filing a completed registration form (the "the MFRB Registration Form") with the building official no later than January 31, 2010.

**Section 5.** That the building official shall use appropriate public and non-public databases to compile a list (the "MFRB List") of the City's MFRBs in numerical order, according to the following priorities:

First, MFRBs not registered with the building official as required by this Ordinance;

Second, MFRBs whose owners have not obtained Certificates of Occupancy or Life Safety Compliance Certificates as required by the Building Code;

Third, MFRBs that were subjects of one or more citations issued during 2009 for violations of the Building Code; and

Fourth, all other MFRBs.

Within the four groups described immediately above, MFRBs shall be ordered in a manner reasonably consistent with their respective dates of construction, older MFRBs first. For the purposes of this Ordinance, the date of an MFRB's construction is the most recent of (a) the date of construction according to the registration required by this Ordinance, unless the building official reasonably concludes that such information is not reliable; or (b) the date of construction according to an official website maintained by the appraisal district in which the MFRB is located; or (c) the date on which the building official issued a Certificate of Occupancy or a Life Safety Compliance Certificate for the MFRB.

**Section 6.** That the MFRB List shall be available for public view in the office of the City Secretary and at a website maintained by the City at least forty-five days before the building official conducts an inspection pursuant to the MFRB Inspection Program. The office of the City Secretary and said website both shall provide a mailing address for the submission of additional buildings that members of the public believe should be included on the MFRB List. Any building so added to the MFRB List shall be assigned the next consecutive number. In addition:

- (1) A newly constructed or rehabilitated multi-family rental building shall be added to the MFRB List four years after the date on which a Certificate of Occupancy is issued for the building;
- (2) For the purposes of subsection (1) immediately above, a Life Safety Compliance Certificate is not a substitute for a Certificate of Occupancy;
- (3) The building official may add a building to, or delete a building from, the MFRB List as long as the addition or deletion is consistent with the purposes and requirements of this Ordinance; and
- (4) If the building official deletes a building from the MFRB List, the number to which the building had been assigned shall be marked "Deleted," and the building official shall make a reasonable effort to avoid reassigning numbers to buildings on the MFRB List.

**Section 7.** That the building official's enforcement of the MFRB Inspection Program shall include inspections conducted in the order the buildings appear on the MFRB List, except that, with regard to buildings to whose owners the building official properly has sent letters stating that the buildings will be inspected during the same thirty-day period, the building official may inspect the said buildings in any order during the said period.

**Section 8.** That, as soon as reasonably possible, the building official shall schedule for a reactive inspection any building added to the MFRB List after February 15, 2010, for which neither a Certificate of Occupancy nor a Life Safety Compliance Certificate has been issued.

**Section 9.** That, when all buildings on the MFRB List have been inspected under the MFRB Inspection Program, the building official shall reinspect the buildings in the order the buildings appear on the MFRB List, repeating the inspection cycle *ad infinitum*, except that the building official shall omit from the then-current reinspection cycle any building that during the preceding four years:

- (1) Has been inspected at least once pursuant to the MFRB Inspection Program;
- (2) Has not been the subject of a "notice of violation" within the meaning of the Building Code; and
- (3) Has not been the subject of a citation alleging a violation of the Building Code or of Division 3 or Division 4 of Article IX of Chapter 10 of the Code of Ordinances.

**Section 10.** That, if any provision, section, subsection, sentence, clause, or phrase of this Ordinance, or the application of same to any person or set of circumstances, is for any reason held to be unconstitutional, void, or invalid, the validity of the remaining portions of this Ordinance or their application to other persons or sets of circumstances shall not

be affected thereby, it being the intent of the City Council in adopting this Ordinance that no portion hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness, or invalidity of any other portion hereof, and all provisions of this Ordinance are declared to be severable for that purpose.

**Section 11.** That there exists a public emergency requiring that this Ordinance be passed finally on the date of its introduction as requested in writing by the Mayor; therefore, this Ordinance shall be passed finally on such date and shall take effect at 12:01 a.m. on the ninetieth day next following the date of its passage and approval by the Mayor.

## Appendix 15 City Workforce Protection Measures

The City is committed to ensuring that the construction it finances protects workers on these projects by making sure they are safe, are compensated in accordance with applicable law and have access to pathways for sustainable careers in the construction industry. Contractors who work on developments financed under this NOFA will be required to implement certain policies designed to ensure every worker on the project is safe, receives appropriate pay, and has a path toward building a career in construction. All contractors of any tier that perform work on the development, unless otherwise specified, will be required to comply with the following workforce protection program and employment measures.

The City acknowledges many of these provisions may require additional costs. The department will consider award requests sufficient to cover additional costs associated with the new requirements. However, the City will still require the limitation of CDBG-DR awards to no greater than 50% of total development costs. The City reserves the right to revise the requirements of the workforce protection measures on an as-needed basis before and after issuance of CDBG-DR awards.

### **Pay or Play**

In an effort to create a level playing field for competing contractors, the Pay or Play program (POP) mandates City Contractors to offer their employees a minimum level of health benefits or contribute a prescribed amount towards "Contractors Responsibility Fund" to defray the costs of providing health care to uninsured people in the Houston and Harris County area.

This program applies to contracts for services in which the total expenditure by the City, including contingencies, amendments, supplemental terms and/or change orders equals or exceeds \$100,000. This program also applies to subcontracts for services in which the total value of the subcontract, including contingencies, amendments, supplemental terms and/or change orders equal or exceeds \$200,000.

**All project contractors (of any tier) must comply with the City's Pay or Play policies with regard to every Section 3 worker and apprentice-level worker that they employ for work on the project.** Prior to the commencement of a covered contract, the contractor will declare its intent to comply with the Program and will submit a plan for compliance. Contractors will report to the City regarding the identity of covered subcontracts and covered employees working under subcontracts in the form and manner prescribed by the Administrator (060).

### **Pay**

If the contractor elects to comply by paying, the contractor will pay to the City \$1 for each regular hour of work performed by covered employees, including covered employees of covered subcontractors. All payments will be deposited into the City shall be deposited in the Contractor Responsibility Fund.

### **Play**

Developer must provide the Director of HCDD or his or her designee with evidence of worker's compensation coverage at the time of loan closing.

Awardees will be subject to these terms which will be included within the loan agreement.

In addition, any individual performing project work, regardless of job designation or employment status, will receive a minimum hourly wage of no less than the higher of (1) \$15.00 per hour or (2) the Federal prevailing wage.

If the applicant elects to include their statement on safety training, they will be required to certify within the HCDD contract they will employ contractors with adequate OSHA training. HCDD will require the construction contract with the general contractor include this provision as an addendum. HCDD will test compliance during onsite visits and payment applications.

If the applicant elects to include their statement on an hourly base wage rate, they will be required to certify within the HCDD contract they will comply with the Hourly base rate requirement of \$15.00 per hour for each worker. HCDD will require the construction contract with the general contractor include the Hourly Base Rate of \$15.00 requirement along with the applicable DBRA wage scale as an addendum. HCDD will test compliance during construction.

Awardees will be subject to these terms which will be included within the loan agreement.

### **Employment Training and Apprenticeships**

HCDD expects project contractors to commit to the development of their craft workforce and invest in skills training linked to construction career paths. A minimum of 10% of all labor hours on each project must be performed by individuals enrolled in apprenticeship or craft training programs that are certified by the U.S. Department of Labor.

Owners will be required to certify within the HCDD contract they will employ contractors that adhere to the employment and apprenticeship policy. HCDD will require the construction contract with the general contractor include acknowledgement that 10% of all labor hours will be performed by apprentices enrolled in apprenticeship or craft training programs that are certified by the Department of Labor. HCDD will test compliance during construction. Awardees will be subject to these terms which will be included within the loan agreement.

### **Section 3**

Awardees will be subject to these terms which will be included within the loan agreement.

### **Employment Classification**

HCDD expects its awardees to hire responsible contractors who can reliably verify the proper employment classification of all individuals they engage to perform work on covered projects and provide verified reporting of wages owed and paid to employees and monthly certified payroll data to the City.

All Section 3 workers and apprentice-level workers must be directly employed by a project contractor. In addition, all self-employed workers will be subject to the same compensation standards and protections as other employees/contractors outlined in this policy.

Awardees will be subject to these terms which will be included within the loan agreement.

### **Davis Bacon and Related Acts (DBRA)/Labor Standards Provisions**

All City financed developments require compliance with the Davis-Bacon Labor Standards no matter the use of HCDD's funds. Davis-Bacon and Related Acts require that prevailing wage rates be paid to all construction laborers regardless of job designation or employment status.

Attn: David M. Koogler

*Re: Scott Street Lofts  
Houston, TX*

Dear Mr. Koogler:

Thank you for providing us the opportunity to submit a proposal on Scott Street Lofts (the "Project"). This letter serves as our mutual understanding of the business terms regarding the acquisition of an ownership interests in Scott Street Lofts, LP, a Texas Limited Partnership (the "Partnership"). RBC Community Investments, LLC, its successors and assigns ("RBC") will acquire a 99.99% interest, and RBC Community Investments Manager II, Inc. ("RBC Manager") will acquire a .001% interest (collectively, the "Interest") in the Partnership.

1. **Project and Parties Involved.**

- (a) The Project, located in the city of Houston, County of Harris, State of Texas will consist of 4 new buildings having 123 apartment units for rent to seniors ages 55 and older. Within the Project, 98 units will be occupied in compliance with the low-income housing tax credit ("LIHTC") requirements of Section 42 of the Internal Revenue Code under the income average set-aside (with 23 at 80%). Additionally, 25 units will be unrestricted market rate units.
- (b) The parties involved with the Project are as follows:
  - (i) **General Partner.** The General Partner is Scott Street Lofts Advisors, LLC, a single purpose, taxable entity which is owned 55% by the Mark-Dana Corporation, 40% owned by Urban Partnerships CDC and 5% by Cavender Development, LLC.
  - (ii) **Developer.** The Developer is Mark-Dana Corporation.
  - (iii) **Guarantors.** Subject to RBC's review and approval of financial statements, the Guarantors are the General Partner and Mark-Dana Corporation, on a joint and several basis.

2. **Investment Amount.** The Interest in the Partnership will be acquired for a total capital contribution of \$6,569,982. This capital contribution is based on the Project receiving the tax credits described in Paragraph 3 and represents \$0.955 per tax credit dollar. This pricing assumes both the Developer and the General Partner use cash basis accounting for tax purposes. Further, the pricing assumes depreciable basis of \$27,042,348 consisting of 100% of residential depreciation of \$25,012,848 being taken over 30.0 years, 100% of depreciation on site improvements of \$1,230,000 being taken over 15 years, and 100% of depreciation on personal property of \$799,500 being taken over 5 years with the Project being placed in service in October, 2021 through December, 2021. The capital contribution, subject to adjustments set forth in Paragraph 5 below, will be payable to the Partnership in installments as set forth on **Exhibit A.**

3. **LIHTC.** The project has or will receive a tax-exempt bond allocation in the approximate amount of \$16,730,809 which will entitle it to federal low income housing tax credits in the approximate amount of \$688,025 annually, using a credit factor of 3.21% (estimated) which rate will be locked at closing. The total LIHTC anticipated to be delivered to the Partnership is \$6,880,250. The LIHTC will be available to the Partnership beginning in January, 2022. It is expected that RBC will be allocated a total LIHTC amount of \$6,879,560 (the "Projected LIHTC") during the credit period in the following amounts: \$631,793 in 2022, \$687,956 annually in each of the years 2023 through 2031, and \$56,163 in 2032. Any decision to delay the commencement date of the LIHTC period beyond 2022 is subject to RBC's consent.
4. **Funding Sources.** We assume the Project will receive funding on the terms and conditions listed on **Exhibit B**. Any change in those funding sources or their terms and conditions are subject to RBC's consent.
5. **Adjustments.**
- (a) **Downward Capital Adjustment.** The amount of LIHTC to be allocated to RBC during the credit period ("Certified LIHTC") will be determined promptly following receipt of cost certification from the accountant and Form 8609. If the Certified LIHTC is less than Projected LIHTC, RBC's capital contributions will be reduced by an amount (the "Downward Capital Adjustment") equal to the product of (i) \$0.955 multiplied by (ii) the difference between Projected LIHTC and Certified LIHTC.
  - (b) **Late Delivery Adjustment.** The amount of LIHTC allocated to RBC for 2022 will be determined at the time the Project is fully leased. If the amount of the LIHTC allocated to RBC for calendar year 2022 is less than the amounts shown in Paragraph 3, RBC's capital contribution shall be reduced by an amount (the "Late Delivery Adjustment") equal to the difference between the amount shown in Paragraph 3 (adjusted for any Downward Capital Adjustment) and the amount of the LIHTC allocated to RBC for calendar year 2022, multiplied by 40%.
  - (c) **Payment by General Partner.** If the Downward Capital Adjustment and the Late Delivery Adjustment exceed the total of all unfunded capital contributions, then the General Partner will make a payment to the Partnership equal to the amount of such excess, and the Partnership will immediately distribute such amount to RBC as a return of its capital contribution. Except to the extent otherwise stated herein, this payment will not give rise to any right as a loan or capital contribution or result in any increase in the General Partner's capital account.
  - (d) **Early Delivery Adjustment.** The amount of LIHTC allocated to RBC for 2022 will be determined at the time the Project is fully leased. If the amount of the LIHTC allocated to RBC for calendar year 2022 is more than the amounts shown in Paragraph 3, RBC's capital contribution shall be increased by an amount (the "Early Delivery Adjustment") equal to the difference between the amount shown in Paragraph 3 (adjusted for any Downward Capital Adjustment) and the amount of the LIHTC allocated to RBC for calendar year 2022, multiplied by 40%. This additional capital contribution will be paid by RBC at the time of its final capital contribution and will be applied first to any deferred developer fee, if any, with any remaining amounts released to Net Cash Flow. The aggregate of the Early Delivery Adjustment and the Upward Adjustor will not exceed 5% of the total capital contribution.
  - (e) **Upward Capital Adjustment.** If the Certified LIHTC is more than the Projected LIHTC, RBC will pay an additional capital contribution (the "Upward Capital Adjustment") equal to the product of (i) \$0.955 multiplied by (ii) the difference between the Certified LIHTC and the Projected LIHTC. This additional capital contribution will be paid by RBC at the time of its final capital contribution and will be applied first to any deferred developer fee, if any, with any remaining amounts released to Net Cash Flow. The aggregate of the Early Delivery Adjustment and Upward Capital Adjustment

will not exceed 5% of the total capital contribution. If the Certified LIHTC exceeds 105% of the Projected LIHTC and such additional credits are not purchased by RBC, the credits will be allocated to the General Partner.

6. **General Partner Obligations.** In addition to Paragraph 5(c) above, the General Partner is responsible for items 6(a) through 6(f) below. Any amounts advanced by the General Partner for the obligations set forth below will not be considered as loans or capital contributions reimbursable or repayable by the Partnership unless otherwise stated herein.

- (a) **Construction Completion.** The General Partner is responsible for construction completion in accordance with approved plans and specifications and will pay for any construction costs, costs to achieve permanent loan closing, repayment of all construction financing and costs necessary to fund reserves required to be funded at or before permanent loan closing.
- (b) **Operating Deficits.**
  - (i) **Pre-Stabilization.** The General Partner will fund operating deficits until the date (the "Stabilization Date") which is the first day of the month following a 3-month period (such 3-month period may commence no earlier than three months prior to permanent loan closing) in which the Project has maintained an average 1.15 debt service coverage ratio; and
  - (ii) **Post-Stabilization.** Commencing with the Stabilization Date and continuing until the Release Date (defined below), the General Partner will fund operating deficits of up to \$872,650. Any funds paid by the General Partner under this Paragraph 6(b)(ii) shall be treated as an unsecured loan to the Partnership with interest at the rate of 8% per annum, to be repaid out of cash flow, refinancing, sale and liquidation proceeds as provided in Paragraph 9 hereof.

The "Release Date" is the later of:

- (A) the fifth anniversary of the Stabilization Date,
- (B) the date the Project has achieved an average debt service coverage ratio of 1.15 for the 12-month period immediately prior to the Release Date, and
- (C) the date the Project has achieved a 1.15 debt service coverage ratio for each of the 3 months immediately prior to the Release Date.

Notwithstanding the foregoing, if, as of the Release Date, the balance of the Operating Reserve described in Section 7(a) is less than \$290,884, this obligation shall continue until the balance in the Operating Reserve is equal to or greater than \$290,884.

- (c) **LIHTC Shortfall or Recapture Event.** To the extent not already addressed by the Downward Capital Adjustment or the Late Delivery Adjustment, if the actual amount of LIHTC for any year is less than Projected LIHTC (unless due to a change of law), the General Partner will make payments to RBC of an amount equal to the shortfall or recapture amount, plus related costs and expenses incurred by RBC.

The General Partner and Guarantors will not be obligated if the reduction or recapture in the amount of LIHTC is the result of (a) a change in the tax laws or Treasury pronouncements or changes in interpretations of existing tax laws or pronouncements, (b) the disposition of the Limited Partners interest, (c) an act of god, fire, flood, and/or natural disaster (unless the failure of the General Partner to satisfy the insurance requirements in the Project Entity Document contributes to the shortfall or recapture, (d) foreclosure on the project that is not due to the negligence of, or breach of the agreement governing the Partnership by, the General Partner and that occurs after the Guarantors

have fully funded their maximum obligation under the Operating deficit Guarantee or after the period during which the General Partner is obligated to provide operating deficit loans.

- (d) Repurchase. The General Partner will repurchase RBC's interest upon the occurrence of certain events described in the Project Entity Agreement.
- (e) Environmental Indemnity. The General Partner will indemnify RBC against any losses due to environmental condition at the Project.
- (f) Developer Fee. The General Partner will guarantee payment of any developer fee remaining unpaid at the end of the LIHTC compliance period.
- (g) Guarantors. The Guarantors will guarantee Sections 5(a) through 5(c), and Sections 6(a) through 6(f) of the General Partner's obligations.
- (h) Additional Deferral of Developer Fee: Provided this section 6(h) does not trigger any capital account issues for RBC, any payment otherwise required by the General Partner for the obligations in section 6(a) and 6(b)(i) may be reduced by increasing the deferred portion of the developer fee up to \$500,000.
- (i) Loan Treatment: The payment required by the General Partner for the obligations in sections 5(c), 6(a) and 6(b)(i) shall be treated as an unsecured loan to the Partnership with interest at the rate of 0% per annum, to be repaid out of net cash flow, refinancing, sale and liquidation proceeds as provided in Paragraph 9(b) and Paragraph 9(c) hereof. The cumulative amount of the loan will be capped at \$500,000, any amounts in excess of \$500,000 will not be considered as loans or Capital Contributions reimbursable or repayable by the Partnership.
- (j) Guarantor may also advance funds as needed during construction if proceeds of financing and/or capital contributions are not yet available to pay such costs. Such advances ("Guarantor Bridge Loan") will be repaid with interest at 6.0% once such sources of funds become available.

7. Reserves.

- (a) Operating Reserves. An operating reserve in the amount of \$290,884 will be established and maintained by the Partnership concurrent with RBC's third capital contribution. Prior to the Release Date, the balance of the Operating Reserve shall not be reduced to less than \$100,000. Withdrawals from the operating reserve will be subject to RBC's consent. Expenditures from operating reserves will be replenished from available cash flow as described in Paragraph 9(b) below.
- (b) Replacement Reserves. The Partnership will maintain a replacement reserve, and make contributions on an annual basis equal to the greater of (i) \$250 per unit increasing 3% per annum or (ii) the amount required by the permanent lender (currently expected to be \$300 per unit). Annual contributions will commence with achievement of the Stabilization Date.

8. Fees and Compensation. The following fees will be paid by the Partnership for services rendered in organizing, developing and managing the Partnership and the Project.

- (a) Developer Fee. The Developer will earn a developer fee of \$3,417,117 projected to be paid as follows:

- (i) \$1,000,000 (34.80% of cash-paid developer fee) concurrent with RBC's 1st capital contribution;
- (ii) \$808,219 (28.13% of cash-paid developer fee) concurrent with RBC's 2nd capital contribution;
- (iii) \$890,000 (30.98% of cash-paid developer fee) concurrent with RBC's 3rd capital contribution;
- (iv) \$175,000 (6.09% of cash-paid developer fee) concurrent with RBC's final capital contribution; and
- (v) \$543,898 is deferred and paid from net cash flow.

The deferred portion of the developer fee shall accrue interest at 8% per annum commencing as of the date of RBC's final capital contribution. If the deferred portion of the developer fee as of the closing is higher than currently projected, RBC and the Developer will mutually agree on the adjustments to the cash-paid developer fee installments. Payment of the deferred fee will be subordinate to all other Partnership must pay debt as well as operating expense and reserve requirements.

- (b) Incentive Management Fee. An incentive management fee will be payable to the General Partner on an annual basis in an amount equal to 90% of net cash flow as set forth on Paragraph 9(b) below.
- (c) Property Management Fee. The property management fee is underwritten at 5% of gross rental revenues. The management agent and the terms of the property management agreement are subject to the prior approval of RBC. If the management agent is an affiliate of any Guarantor, up to 60% of its fee will be subordinated to payment of operating costs and required debt service and reserve payments. It is anticipated that Mark-Dana Management, LLC will serve as the initial management agent.
- (d) Asset Management Fee. The Partnership will pay RBC Manager an annual asset management fee of \$3,500 which will increase by 10% every five years. The asset management fee will be paid annually commencing with the first anniversary of the closing date.

9. **Tax Benefits and Distributions.**

- (a) Tax Benefits. Tax profits, tax losses, and tax credits will be allocated 99.99% to RBC, .001% to RBC Manager and .009% to the General Partner.
- (b) Net Cash Flow Distributions. Distributions of net cash flow (cash receipts less cash expenditures, payment of debt service, property management fee and asset management fee), will be made as follows:

The General Partner shall not be held to RBC's projections.

- (a) Termination Date. Once executed by both the General Partner and the Guarantors and countersigned by RBC, this letter shall be a binding agreement and will remain in effect until the 60<sup>th</sup> day (the "Termination Date") after the date it is signed by the General Partner. In recognition of the time which will be expended and the expenses which will be incurred by RBC in connection with the transaction contemplated hereby, the General Partner agrees that, after the General Partner receives a firm commitment subject only to RBC's final due diligence with respect to the project and, until the Termination Date, neither it nor any of its officers, employees, agents, or affiliates will solicit, entertain or negotiate with respect to any inquiries or proposals relating to the acquisition of an interest in the Partnership or the equity syndication of the Partnership or the Project without the prior written approval of RBC. In the event the General Partner enters into an arrangement with a party other than RBC prior to the Termination Date, RBC will be entitled to pursue all remedies available to it. If RBC elects not to acquire the Interest based on the failure of any of the closing contingencies, the General Partner and RBC will be mutually released from the terms and conditions contained in this letter.
- (b) Confidentiality. The General Partner agrees to keep the terms and conditions contained in this letter confidential and not to disclose the terms to any third party (other than TDHCA, attorneys, lenders and accountants of the Partnership) without the express prior written approval of RBC.

14. **Withdrawal of Letter of Intent.** Unless executed by the General Partner and Guarantors prior to February 28, 2020 ("Withdrawal Date"), this Letter of Intent shall be considered withdrawn by RBC and void. Each party shall be responsible for their own costs and expenses incurred to that date. RBC may extend the Withdrawal Date in writing delivered to the General Partner.

- (a) **Reporting Obligations.** The General Partner will cause to be furnished to RBC on a prompt basis customary monthly, quarterly and annual financial statements and rent rolls for the Partnership, together with audited financial statements and tax returns and monthly construction reports.
  - (b) **Countersigning Requirements.** Before this letter will be countersigned, the items set forth in **Exhibit C** must be delivered to RBC.
  - (c) **Exit Provisions.** The Project Entity Agreement will contain the exit provisions set forth in **Exhibit D** hereto.
  - (d) **Transfer of Limited Partner Interest.** The Limited Partner may not transfer its interests without consent of the General Partner, not to be unreasonably withheld, and provided the transfer is to an entity that is not managed by RBC or an affiliate of RBC.
  - (e) **Income Averaging.** RBC is assuming that the 23 80% AMI units will be eligible for LIHTC credits based upon income averaging. This assumption is subject to RBC's tax counsel review and contingent upon further IRS and state agency regulations and/or published guidance. At least 10 units will be restricted to 30% AMI or lower to satisfy the income averaging election for the minimum set-aside and the weighted (by unit) average AMI is 58.4%. This assumption and related elections remain subject to RBC's counsel review. The Average Income Test shall be applied employing such calculations, elections and other considerations as may be determined by the Investor Member in its sole discretion upon guidance from the IRS and the State Agency. RBC is assuming the unrestricted market rate units will be legally separated into a residential condo.

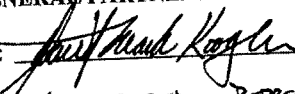

If the foregoing is in accordance with your understanding of the terms and conditions, please indicate your acceptance on the enclosed copy and return it to the undersigned. ## EXHIBIT D EXIT PROVISIONS

**Option:** Starting on the first day after the expiration of the 15 year compliance period and expiring 36 months after expiration of the 15 year compliance period, General Partner ("Purchase Option Party") will have the right to purchase the Partnership's fee interest in the Property and the Improvements from the Partnership, or to purchase Investor Limited Partner's and Special Limited Partner's Interest in the Partnership, subject to all then existing liens and encumbrances to title, by paying the Partnership or the Investor Limited Partner and Special Limited Partner, as applicable, a purchase price equal to the amounts set forth below:

If the purchase is of the Partnership's fee interest in the Property and the Improvements, the greater of:

100% of the then fair market value of the Partnership's fee interest in the Property and the Improvements (subject to the then existing rent and other restrictions on the Project), reduced by customary costs of sale, including customary sales commissions. In calculating the fair market value the appraiser may take into account (1) the existence of continued income and rent restrictions on the Property, or (2) the existence of the right of first refusal requirements, or

all then outstanding amounts under all of the Partnership's Loans plus the amount of all federal, state and local taxes which Investor Limited Partner and Special Limited Partner would be obligated to pay arising out of such sale, and

If the purchase is of the Investor Limited Partner's and Special Limited Partner's Interests in the Partnership, the greater of

100% of the then fair market value of the Investor Limited Partner's and Special Limited Partner's Interests in the Partnership, based upon the fair market value the appraiser may take into account (1) the existence of continued income and rent restrictions on the Property, (2) the existence of the right of first refusal requirements, (3) the level of control rights inherent in the limited partner's interest, or

The amount of any income tax which Investor Limited Partner and Special Limited Partner would be obligated to pay arising out of such sale;

BUT, in no event shall the purchase price be less than an amount equal to the cash which would be payable and/or distributable to the Investor Limited Partner and Special Limited Partner assuming for all purposes such distributions are made in accordance with Sections 9(c) (but without regard to the partners' capital account balances) if the Project were sold to a third party for "fair market value." For purposes of this Purchase Agreement, the fair market value of the Project shall be determined by an appraiser as set forth above.

**Sale:** Two years after the end of the compliance period and **subject to the Right of First Refusal and the Purchase Option**, and after receipt from the Limited Partner of a request for a Continued Compliance Sale, the General Partner shall use its best efforts to find a third party purchaser for the Project and to cause the Partnership to consummate a sale of the Project subject to the Extended Use Agreement and on terms Consented to by the Limited Partner. If such efforts are not successful on terms reasonably satisfactory to the Limited Partner within six (6) months, the Limited Partner shall have the right, **subject to the Right of First Refusal and the Purchase Option** thereafter to locate a purchaser for the Project. If the Limited Partner locates such a purchaser, **the General Partner shall be given a right of first refusal to purchase the Project on the same**

**terms and conditions as would be applicable to such purchaser.** If such right of first refusal is not exercised by the General Partner within 30 days, then the General Partner shall be obligated to Consent to the sale to such purchaser so long as the purchase price and other terms offered by such purchaser are at least as favorable to the Partnership as the best offer, if any, located by the General Partner.

**Refinance:** During the period commencing after the end of the Compliance Period, the General Partner shall also have the option to refinance the first mortgage (at no less than a 1.15 debt service coverage based on a fixed rate) with the Consent of the Special Limited Partner which will not be unreasonably withheld.

RE: Scott Street Lofts, Houston, TX

Dear Mr. Koogler,

Zions Bancorporation, N.A dba Amegy Bank ("Lender") is interested in providing construction financing for the Property, as described below. Based on our discussions and the information you have presented to us, I am pleased to present the following "Term Sheet" as a preliminary outline of financing for your consideration. In this regard, I present the following proposed terms for your consideration:

### General Information

**Borrower:** Scott Street Lofts, LP, a "to be formed" single asset entity (the "Borrower").

**Property:** A 123-unit affordable and market rate senior (55+) multifamily rental housing project to be constructed on land located at 1320 Scott Street, Houston, Harris County, Texas 77003 (the "Property").

**Purpose:** To provide a "Mortgage Loan" for construction financing of a multifamily rental housing property and related facilities and improvements.

**Security:** A valid, first lien encumbering the Property along with an assignment of the plans, specs, equity contributions, leases, rents, architect/engineering contracts, construction contracts, licenses, permits, and other agreements.

**Guarantor:** Mark-Dana Corporation to provide 100% repayment and completion guarantees of the Mortgage Loan. Upon lien free completion, the completion guaranty will be released.

### Mortgage Loan Terms

**Construction Amount:** Lesser of 1) \$17,840,000; and 2) maximum 80% LTV based on a new appraisal satisfactory to Lender. Appraisal value to include value of tax credit equity.

**Equity Investment:** \$6,569,982 or such other amount acceptable by Lender to be funded based on a schedule and conditions acceptable to Lender; by a tax credit investor who is acceptable to Lender. Borrower will be required to contribute additional equity equal to the shortage prior to Lender advancing additional loan proceeds.

Prior to the payoff of the Mortgage Loan, equity installments will be used to fund development costs and/or pay down the Mortgage Loan.

**Other Anticipated Sources of Funds:**

Borrower has applied for a CDBG-Disaster Recovery cash flow loan (the "City Loan"), in the amount of \$15,730,809., from the City of Houston through its Housing and Community Development Department. As a condition to Lender's closing of the Mortgage Loan, the City Loan shall have closed on terms acceptable to Lender. The City Loan shall be subordinate to the Mortgage Loan as to payment and lien position in a manner satisfactory to Lender.

**Term:**

30-month term with monthly interest only payments. One six-month extension will be available subject to satisfaction of certain conditions as required by Lender and the payment of a .25% extension fee.

**Balancing Requirements:**

If at any time during the Mortgage Loan term, Lender determines that the sum of the portion of the Mortgage Loan not yet advanced, the equity to be funded for construction, and the unfunded portion of the City Loan, is insufficient to complete the remaining construction work due to an increase in the total project cost, Borrower will be required to provide additional sources satisfactory to Lender for that insufficiency.

**Note Rate:**

Construction Period: 30-day LIBOR+ 2.25% adjusted monthly, subject to a 30-day LIBOR floor of 1%.

**Construction Completion:**

Project construction must be completed within 18 months of closing (or such earlier time as may be required in connection with the City Loan).

**Construction Contract:**

Koogler Construction of Texas, LLC will be the Contractor for the project. The construction contract must be for a fixed cost consistent with the budget approved by Lender. Any lien rights of the Contractor shall be subordinate to liens of the Lender. No bonding or letter of credit will be required by Lender, unless bonding is required by the City Loan, which in that event, Lender shall be named as an additional insured on a Dual Oblige Rider.

**Mortgage Loan Advances:**

Construction draws shall be submitted for consideration by Lender on a monthly basis. All advances will be subject to the terms of the loan agreement entered into by Borrower and Lender and other loan documents which use percentage of completion with a 10% retainage (except for materials) for determining each advance. Advances will flow through to the Bond Trustee who will then fund to the Borrower.

When the stage of construction is determined by Lender to be 90% complete, the retainage held will be reduced to 5%.

When the stage of construction is determined to be 50% complete, Borrower may request a release of retainage for subcontractors whose work is complete. Borrower must provide to Lender a list detailing each subcontractor, the original contract amount and the retainage amount to be released together with a conditional lien release. At the draw following the release of retainage, the Borrower must supply a final lien waiver from each of the released subcontractors.

**Developer Fees & Overhead:**

Developer fees and overhead may be paid based on a mutually agreed upon schedule between the Lender, investor and the City Loan documents.

**Inspections:**

An independent inspection firm will verify draw requests involving hard construction costs. The cost of the inspections will be paid for by the Borrower. Any testing reports that the Borrower receives during construction should be forwarded to Lender so these reports can be provided to Lender's inspecting engineer.

**Borrower Financial Covenants:**

No other unsecured or secured borrowings by Borrower, other than trade payables, and approved subordinate financing.

**Repayment:**

Payments of interest only basis during the construction period with principal and interest due in full at maturity.

**Subordination:**

Any third-party liens (including liens securing the City Loan) granted by the Borrower shall be subordinated to Lender's lien priority. All parties will be required to execute subordination agreement, satisfactory to Lender.

**Prepayment:**

The Mortgage Loan may be prepaid at any time without penalty.

**Funds and Accounts**

**Reserves:**

A Rent Up Reserve must be included in the development budget equal to \$50,000. These funds may be drawn during the lease-up phase up until loan maturity.

**Deposits and Fees**

**Expense Deposit:**

An Expense Deposit is not required. However, Borrower agrees to pay for any Lender ordered third party reports, such as the appraisal.

**Origination Fee:**

Borrower agrees to pay at closing to Lender non-refundable "Origination Fees" in an amount equal to .75% of the Construction Amount.

**Legal Fees:**

Borrower agrees to pay the legal fees and expenses of the Lender incurred in connection with the preparation and negotiation of the Mortgage Loan documents.

**Broker Fees:**

It is Lender's understanding that no mortgage broker is involved in this transaction. No broker's fees will be paid by Lender or from any fees due Lender.

THIS TERM SHEET REFLECTS LENDER'S PRELIMINARY INTEREST IN EXPLORING THE POSSIBILITY OF A MORTGAGE LOAN AND WILL NOT BE BINDING ON THE LENDER OR THE ADDRESSEE. The terms proposed herein are subject to revision at Lender's discretion. Should Lender enter into a Mortgage Loan with the borrower, documents may contain additional or different terms, covenants, and conditions. This term sheet may not be contradicted by evidence or any alleged oral agreement, may not be disclosed, and may not be relied upon for any purpose without Lender's prior written consent.

This term sheet is provided as an outline of terms only and is not to be considered a commitment by Lender to lend at a contract rate of interest. Any commitment by Lender is subject to further due diligence, including but not limited, to the following:

- The receipt, review and acceptance of an appraisal to be commissioned by Lender,
- The receipt, review and acceptance of an environmental report for the project,
- Verification of the approved City Loan,
- Evidence of permissive zoning, adequacy of parking, and flood zone determination,
- a review of the apartment market in Houston, Harris County, Texas,
- Acceptability of the financial condition, credit worthiness and references of the Borrower and each Guarantor with no material change in the information prior to closing,
- Review and final approval by the loan committee of Lender, and
- Approval of the Mortgage Loan structure and documents

**RE: Freddie Mac Unfunded Forward Tax-Exempt Loan**  
 Project: Scott Street Lofts (the "Property")  
 Location: Houston, TX

Dear Mr. Koogler:

JLL Capital Markets ("JLL") is pleased to provide you with this proposal for an unfunded Forward Commitment for a permanent non-recourse Tax Exempt Loan for the Property. It is our understanding that the Property is expected to receive an award of tax-exempt bonds and 4% low income housing tax credits. Subject to final review and approval by Freddie Mac, the terms of the proposed loan will be as follows:

**Permanent Loan**

Borrower:

A To-Be-Determined Single Asset Entity acceptable to Freddie Mac and JLL.

Proposed Loan Amount:

\$11,700,000 fixed rate Tax Exempt Loan (the "Loan")

Net Operating Income/Valuation:

The Loan amount is based on a preliminary underwritten as-completed/as-stabilized Net Operating Income ("NOI") of \$660,000 which excludes Section 8 voucher overhang income unless the overhang is associated with a long term Section 8 contract, and is based on annual replacement reserves in the amount of \$300 per unit per year, a contractual management fee 5.00% of EGI per unit per month, a minimum final as-completed/as-stabilized appraised valuation of \$13,000,000. To the extent that any of these Loan sizing parameters change the Loan amount could change.

Loan Term:

17-years

Amortization:

40-years

Loan to Value Limitation:

Not to exceed 90% of as-completed/as-stabilized value utilizing a market capitalization rate, as determined by Freddie Mac's underwriting guidelines.

Minimum Loan DSCR:

1.15x DSCR which will be derived by an amortizing debt service constant calculated at the final locked rate, as noted below.

Current Estimated Loan Rate:

The current estimated all-in note rate on the Loan as of the date herein would be approximately **3.29%** built-up as follows:

10-year treasury:	1.22% (UST Floor)
Freddie Mac Spread:	2.07%
<b>All-in Rate:</b>	<b>3.29%</b>

*Rate excludes Issuer and Trustee Fees. Issuer and Trustee Fees will be included as an operating expense in the calculation of the final underwritten NOI.*

Prepayment: Upon Conversion, the Loan will be under lockout for 10 years, followed by standard fee yield maintenance until six (6) months prior to maturity. Thereafter, the loan is prepayable at 1% for months six (6) to three (3), and open at par the last 90 days of the loan term.

Forward Commitment Period: 30 months. Any extensions require Freddie Mac approval and Freddie Mac will require an extension fee of 65 bps for a six-month extension payable upon granting of the extension.

Conditions for Loan Funding/Conversion: The Forward Commitment will have conditions relating to satisfactory completion of improvements, occupancy of 90% for at least 90 consecutive days, apartment leases for initial terms of not less than six months and underwritten in place NOI adequate to achieve a debt service coverage of 1.15x at the final locked permanent interest rate amortizing constant. The forward commitment will allow for a 10% tolerance in loan amount reduction without penalty at Conversion should the NOI at the time of conversion be less than what was projected at the time of construction loan closing.

At the time of Loan Conversion, if the final underwritten NOI exceeds the preliminary underwritten NOI at construction loan closing, the Borrower will have the ability to increase the Loan amount at a blended rate between the actual rate locked at construction loan closing and the prevailing rate at the time of Conversion. Any increase in the Loan amount would require an updated appraisal to support the additional loan proceeds and would be limited to the lesser of a 1.15 DSCR or 90% LTV and would require enough private activity volume cap such that 100% of the final Loan amount would be tax exempt.

Subordinate Financing: Subordinate financing will be permitted and must be subordinated to the first mortgage using a standard Freddie Mac Subordination Agreement which includes a standstill provision whereby the subordinate lender cannot foreclose without the consent of Freddie Mac.

Notwithstanding the foregoing, any secondary financing is subject to prior written approval by Freddie Mac. Freddie Mac requires that payments on any Subordinate financing must be made out of not more than 75% of available cash flow and that the term of any Subordinate Loan must be at least 17 years plus 180 days from Conversion.

Additionally, Subordinate Financing which has interest accrual features can only accrue on a simple basis as interest compounding is not allowed. Subordinate financing which has a "hard pay" requirement cannot exceed an amount which would generate a combined DSCR of 1.10x or a combined LTV of 95% (when combining the DSCR and LTV of the first mortgage and Subordinate financing).

Replacement Reserves:

To be determined prior to rate lock based on JLL's Plan & Cost Review (estimated to be \$300/unit per year). In no event will the Replacement Reserve amount be less than what is required by the Limited Partnership Agreement, JLL's Plan & Cost Review, or the Regulatory Agreement.

Insurance Requirements:

The terms and conditions outlined herein assume that the Borrower will be able to comply with the insurance requirements of Freddie Mac and provide insurance coverage accordingly. The Borrower will be required to provide a written insurance quote for permanent coverage as a component of JLL's underwriting and permanent Loan sizing.

Permanent Loan Security:

The Permanent Loan will be evidenced by a promissory note executed by Borrower and secured by a first leasehold deed of trust, mortgage or deed to secure debt, as applicable, covering the land, improvements, fixtures, related personal property, and all leases of the Property.

Recourse:

Non-recourse Loan except for standard Freddie Mac non-recourse carve-outs to be executed by the Mark-Dana Corporation (the "Guarantor(s)").

Final approval of the Guarantor(s) is subject to review and approval by Freddie Mac in its sole discretion. Based on JLL's review, the Guarantor's financial condition is enough and will not require on going liquidity or net worth covenants.

JLL acknowledges that the tax credit syndicator is not required to execute the non-recourse carveouts.

Assumption:

The Loan is assumable or transferable at the sole discretion of Freddie Mac with payment of 1% transfer fee and a non-refundable \$15,000 transfer processing fee.

Real Estate Tax /  
Insurance Escrow:

The Borrower shall make monthly deposits into escrow accounts established for annual real estate taxes (if any) and insurance costs to insure adequate accrual of funds to pay tax and insurance obligations one month prior to their respective due dates provided that all taxes, special assessments, and insurance premiums must be paid current prior to closing.

Exclusive Right:

JLL is hereby granted the exclusive right to procure a written Loan commitment for the Property for a period of sixty (60) days from the date of execution of this financing proposal by the Borrower. Borrower shall not apply for or accept such a Loan from any other lender during such period. By signing this financing proposal, borrower acknowledges that JLL will be registering the proposed transaction with Freddie Mac. Borrower acknowledges further that, subject to agreement between JLL and Borrower on the terms of the Commitment, it has made a choice of JLL for a Freddie Mac Loan for this transaction.

Special Conditions:

- 1) Freddie Mac must review and approve the final Appraisal, Phase I environmental site assessment, and plan & cost engineering review.
- 2) Freddie Mac approval of all requested waivers which will happen in approximately 1 and ½ weeks from acceptance of this loan proposal.
- 3) JLL must receive an acceptable Title Commitment and any title encumbrances such as Regulatory Agreements or Deed Restrictions must be in a form(s) that are acceptable to JLL and Freddie Mac in their sole discretion
- 4) Pricing valid thru the pricing expiration date of March 2, 2020. This term sheet must be executed and returned prior to the pricing expiration date in order to register pricing with Freddie Mac. Pricing is subject to a Treasury Floor of 1.22%. If the 10-year UST is below the Treasury Floor, then the quoted spread will be increased by the difference between the actual 10-year UST and the Treasury Floor.

**Other Fees and Deposits**

**Fees paid and returned upon acceptance of this term sheet:**

- Due Diligence Costs: \$22,500, applied to the Appraisal, Phase I Environmental Site Assessment, Property Condition Report, Plan & Cost Review, and underwriting/loan processing/site inspection costs. Any costs for due diligence in excess of the collected deposit are the responsibility of the Borrower and will be collected at initial Loan closing and any cost savings will be credited to the Borrower at closing. Third party reports will be shared with RBC and Amegy Bank.
- JLL Legal Fee Deposit: \$5,000, required to be paid at acceptance of a loan application because counsel will need to be involved in conference calls and preparing legal documents, etc. The legal fee deposit will be applied toward and credited against the total legal fees due at closing.
- Freddie Mac Application Fee: Greater of \$3,000 or 0.10% of the permanent loan amount paid upon acceptance of this loan proposal.

**Fees paid at closing of the Forward Commitment:**

- Permanent Loan Commitment Fee: 1.00% of the final loan amount payable at closing.
- Freddie Mac Refundable Rate Lock Deposit: 2.0% of the Loan amount. 1% of the deposit to be posted in cash or a letter of credit and the other 1% to be posted in the form of a promissory note which will be secured by a subordinate mortgage on the Property. The Rate Lock Deposit is returned to the Borrower at conversion of the Permanent Loan.
- Freddie Mac Standby Fee: 0.15% of the Loan amount per year of the Forward Commitment period. Based on a 30-month Forward Commitment, the standby fee due at closing would be 0.375% of the Loan amount.

Scott Street Lofts  
February 29, 2020

Construction Monitoring Fee: \$25,000, estimated, payable at closing to cover costs associated with construction monitoring site visits and reports. Any costs in excess of the above estimate will be the responsibility of the Borrower and paid upon request by JLL. Third party inspections and reports will be shared with RBC and Amegy Bank as a means of reducing time and costs.

Conversion Fee: The Borrower will be responsible for JLL's costs to convert the Loan including but not limited to site inspection, reasonable underwriting costs, and legal fees incurred by Lender incurred to complete the Loan Conversion process.

JLL and Freddie Mac Legal Counsel: \$65,000 plus costs, estimated, at initial closing. The foregoing estimate for legal costs assumes that the JLL and Freddie Mac form loan documents are accepted without substantial negotiation and that JLL's due diligence will not reveal conditions warranting additional legal work. Legal fees will be payable regardless of whether the Loan closes and upon acceptance of this commitment the Borrower acknowledges that its obligation to pay all reasonable legal fees incurred by JLL and Freddie Mac counsel is unconditional.

The above are the general terms and conditions of the proposed transaction. The Borrower and JLL hereby agree and acknowledge that proceeding with a closing of the proposed transaction is subject in all respects to Freddie Mac committee approval after thorough review of the proposed financing and all applicable documentation. Freddie Mac will issue its pre-screen approval in approximately 1 and ½ weeks from acceptance of this loan proposal. The above referenced summary of terms do not in any way constitute a commitment to provide financing on the part of JLL or Freddie Mac.

If the terms and conditions outlined here are acceptable to please indicate your acceptance in the area provide below and return it to me along with a check or a wire in the amount of \$39,200 for the Freddie Mac application fee, the due diligence fee, and the legal fee deposit. The Freddie Mac application fee will be payable upon submission of final underwriting to Freddie Mac.

Please do not hesitate to contact me should you have any questions. We very much look forward to working with you on this transaction.

Sincerely,

*Timothy R. Leonhard*

#### **ARTICLE IV**

##### **ADMINISTRATION**

Section 4.1 Tenant Lease Requirements. The Owner shall enter into a lease agreement (in the form approved by the Director) with each new or renewal tenant ("Tenant") of the Project's Designated Units. The term of each lease shall not be less than one (1) year unless the Owner and the Tenant mutually agree otherwise. No lease of any Designated Unit may contain any of the following provisions:

- a. An agreement by the Tenant to be sued, to admit guilt or to a judgment in favor of the Owner in a lawsuit brought in connection with the lease;
- b. An agreement by the Tenant that the Owner may take, hold, or sell personal property of household members without notice to the Tenant and a court decision on the rights of the parties. This provision does not apply to an agreement by the Tenant concerning disposition of personal property remaining in a housing unit in

the Project after the Tenant has moved out of a unit. The Owner may dispose of this personal property in accordance with applicable state law;

- c. An agreement by the Tenant not to hold the Owner or the Owner's agents legally responsible for any action or failure to act, whether intentional or negligent;
- d. An agreement of the Tenant that the Owner may institute a lawsuit without notice to the Tenant;

- f. An agreement by the Tenant to waive any right to a trial by jury;
- g. An agreement by the Tenant to waive the Tenant's right to appeal, or to otherwise challenge in court, a court decision in connection with the lease; or
- h. An agreement by the Tenant to pay attorney's fees or other legal costs even if the Tenant wins in a court proceeding by the Owner against the Tenant. The Tenant, however, may be obligated to pay costs if the Tenant loses.

Section 4.2 Limitations on Termination of Leases. Owner shall not terminate any tenancy or refuse to renew the lease of any Tenant in the Project except for one of the following reasons: (a) violation of the terms and conditions of the lease; (b) violation of applicable federal, state or local law; (c) if the Project is a transitional housing facility, for completion of the transitional housing tenancy period established by mutual agreement of the Owner and the City; or (d) other good cause. Any termination or refusal to renew must be preceded by the Owner providing the affected Tenant with not less than thirty (30) days prior written notice specifying the grounds for such termination or refusal to renew.

Section 4.3 [Reserved]

Section 4.4 Annual Reevaluation of Rents. For purposes of monitoring compliance with the affordability requirements of Section 3.1 above, Owner shall, prior to the occupancy of any Tenant in a Designated Unit and thereafter annually, submit to the City for approval, the rents proposed by the Owner for the coming year as well as the monthly allowances proposed by the Owner for the coming year for utilities and services to be paid by the Tenant. In connection with the Owner's annual submittal of proposed rents, the Owner shall re-examine the income of each Tenant household living in a Designated Unit. The maximum monthly rent must be recalculated by the Owner in accordance with the requirements of Section 3.1 above and reviewed and approved by the City. Any increase in rents for Designated Units is subject to the provisions of the leases in any event, and the Owner must provide Tenants not less than thirty (30) days prior written notice before implementing any increase in rents.

Section 4.5 Maintenance of Project. Owner must maintain the Project in compliance with (i) the City's Minimum Property Standards as defined in the City Loan Agreement and (ii) all applicable, local codes, rehabilitation standards, ordinances and zoning ordinances (including without limitation, the City's Building, Housing and Fire Codes).

Section 4.6 Maintenance of Documents. All tenant lists, applications, leases, waiting lists, income examinations and reexaminations relating to the Property shall at all times be kept separate and identifiable from any other business of Owner which is unrelated to the Property, and shall be maintained in a reasonable condition for proper audit and subject to examination and photocopying during business hours by representatives of the City, GLO or other federal agency.

Section 4.7 Compliance Review. The City or its designee will monitor Owner's compliance with the requirements of this Declaration. In conducting its compliance review the City will rely primarily on information obtained from Owner's records and reports, findings from on-site monitoring and audit reports.

Section 4.8 Releases. Upon the expiration of the Affordability Period as provided in Section 1.1(a) hereof, Owner shall request that the City execute such documents as may be required to evidence release of the Property from the covenants and restrictions set forth in this Declaration.

## ARTICLE V

No litigation or proceedings are pending or, to the best of Owner's knowledge, threatened against Owner which if adversely determined could individually or in the aggregate have an adverse effect on title to or the use and enjoyment or value of the Property, or any portion thereof, or which could in any way interfere with the consummation of this Declaration.

d. No Bankruptcy. There is not pending or, to Owner's best knowledge, threatened against Owner any case or proceeding or other action in bankruptcy, whether voluntary or otherwise, any assignment for the benefit of creditors, or any petition seeking reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief for Owner under any federal, state or other statute, law or regulation relating to bankruptcy, insolvency or relief for debtors.

Section 5.2 **INDEMNIFICATION.** OWNER AGREES TO INDEMNIFY AND HOLD HARMLESS THE CITY, GLO AND HUD FROM AND AGAINST ALL LIABILITIES, LOSSES, CLAIMS, DAMAGES, JUDGMENTS, COSTS AND EXPENSES (INCLUDING, WITHOUT LIMITATION, REASONABLE ATTORNEYS' FEES) INCURRED BY THE CITY, GLO OR HUD AS A RESULT OF ANY MATERIAL INACCURACY IN ANY OF THE REPRESENTATIONS AND WARRANTIES CONTAINED IN SECTION 5.1.

Several sales may be made hereunder without exhausting the right of sale for any unmatured part of the Indebtedness, it being the purpose hereof to provide for a foreclosure and sale of the Property, in whole or in part, for any matured portion of the Indebtedness without exhausting the power of foreclosure and the power to sell the Property, in whole or in part, for any other part of the Indebtedness subsequently maturing.

IV.

**SUBSTITUTE TRUSTEE**

In case of the resignation of the Trustee, or the inability (through death or otherwise), refusal or failure of the Trustee to act, or at the option of Beneficiary or the holder(s) of the Indebtedness for any other reason (which reason need not be stated), a substitute trustee ("**Substitute Trustee**") may be named, constituted and appointed by Beneficiary or the holder(s) of the Indebtedness, without other formality than an appointment and designation in writing; the appointment and designation shall be full evidence of the right and authority to make the same and of all facts therein recited; and this conveyance shall vest in the Substitute Trustee the title, power and duties herein conferred on the Trustee originally named herein and the conveyance of the Substitute Trustee to the purchaser(s) at any sale shall be equally valid and effective. The right to appoint a Substitute Trustee shall exist as often and whenever from any of said causes, the Trustee, original or Substitute, resigns, or cannot, will not, or does not act, or Beneficiary or the holder(s) of a majority of the Indebtedness desire to appoint a new Trustee. V.

**REPRESENTATIONS, WARRANTIES, COVENANTS AND AGREEMENTS OF GRANTOR**

For the purpose of better securing to Beneficiary the payment of the Indebtedness, Grantor represents, warrants and covenants to Beneficiary as follows:

A. Title, Authority, and Performance under Leases. At the time of the execution and delivery of this Deed of Trust, Grantor is the sole and lawful owner of the Land in fee simple, and Grantor has the authority to execute this Deed of Trust. The Property is free from all encumbrances and charges whatsoever except for the liens securing the Senior Note, the Other Financings and the Permitted

Encumbrances. No assignments or pledges are currently in effect with respect to any leases of or rentals or income from the Property except for assignments and/or pledges to Beneficiary and those expressly stated in **EXHIBIT B** and those securing the Senior Note and the Other Financings and until the Indebtedness is fully paid, at which time this Deed of Trust will be released. Grantor shall not make any additional assignment or pledge thereof without Beneficiary's prior written consent.

B. Tax and Insurance Escrow. Unless Grantor is already required to maintain an escrow account with the Senior Lender upon written request by Beneficiary, Grantor agrees to deposit with Beneficiary on a monthly basis, or at other intervals as specified, a sum that shall be sufficient to pay taxes, assessments, charges, and insurance premiums as they become due, all as reasonably estimated by Beneficiary, which sum shall be held by Beneficiary (or by a banking institution selected by Beneficiary whose funds are insured by a federal agency or instrumentality) in trust to pay taxes, assessments, charges and premiums, but which shall not bear interest and may be commingled with other funds. If at any time the funds so held by (or on behalf of) Beneficiary are insufficient to pay any tax, assessment, charge or insurance premium, Grantor shall, upon receipt of notice, deposit with Beneficiary (or such banking institution), all additional funds as are necessary to remove the deficiency. If the Indebtedness is for any reason declared immediately due and payable, funds held by (or on behalf of) Beneficiary for payment of taxes, assessments, charges or premiums as herein provided may, at Beneficiary's election, be applied on the Indebtedness in any manner as Beneficiary so elects. In the event that Grantor is escrowing with Senior Lender (as defined below) a sum for payment of taxes, assessments, charges and insurance premiums, and such amount is sufficient to fully discharge such taxes, assessments, charges and insurance premiums, Beneficiary agrees not to require an additional escrow deposit under this paragraph. In the event that Beneficiary does not require the escrow deposits described in the paragraph, Grantor shall provide Beneficiary with written evidence that (i) all applicable taxes and assessments have been paid at least thirty (30) days prior to delinquency and (ii) all insurance premiums have been paid thirty (30) days before the renewal date of the applicable policies. Grantor shall duly pay and discharge, or cause to be paid and discharged, all taxes, assessments, charges, and insurance premiums before they become past due.

C. Insurance. Grantor shall, prior to or concurrently with the execution of this Deed of Trust, deliver to Beneficiary all of the following insurance policies together with evidence of such other insurance coverage as required pursuant to the Loan Agreement, accompanied by paid premium receipts evidencing payment in full of the required premiums for at least the first full year of coverage:

- (i) fire insurance with extended coverage and standard Beneficiary and replacement cost endorsement for the full insurable value of the insurable portion of the Property, but in no event for an amount less than the amount of the Note (90% shall be acceptable co-insurance rates for fire insurance); and
- (ii) public liability insurance in the amount of \$1,000,000.00 per occurrence and \$2,000,000.00 in the aggregate for a twelve (12) month policy period. Each renewal policy shall be delivered to Beneficiary not less than thirty (30) days before the termination of the prior policy and with each policy there shall be delivered to Beneficiary a receipt showing payment of the premium therefor.

Upon request, Grantor shall also carry additional insurance or additional reasonable amounts of insurance covering Grantor or the Property as Beneficiary shall reasonably require, insuring against such other insurable hazards which at the time are commonly insured against for property similar to the Property located in the region where the Property is located.

If the Property or any part thereof has been or at any time during the term of this Deed of Trust or any extension or renewal thereof is designated as a flood-prone or flood-risk area pursuant to the Flood Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, as each have been or may be amended, or any successor law, Grantor shall obtain flood insurance in such total amounts as Beneficiary may from time to time require and shall otherwise comply with the requirements of the National Flood Insurance Program as set forth in the Flood Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, or any successor law.

All insurance required under this Deed of Trust and the Loan Agreement shall be fully paid for, non-assessable, and such policies shall contain such provisions, endorsements, and expiration dates as Beneficiary shall reasonably require. Such policies shall be issued by insurance companies authorized and licensed to transact business in the State of Texas with ratings acceptable to Beneficiary in its sole and absolute discretion and shall name Beneficiary as an additional insured.

D. Operations. Grantor will abstain from and not permit the commission of waste in or about the Property, will maintain the Property in good operating condition and repair at all times, ordinary wear and tear and insured casualty excepted, will not remove or demolish the buildings or other improvements now or hereafter constituting a part of the Property, or alter the design or structural character of any buildings or improvements unless Beneficiary shall first consent thereto in writing, which consent shall be granted or denied in Beneficiary's reasonable discretion, and will comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting the Property or the use thereof, which consent shall not be unreasonably withheld, delayed or conditioned. Grantor will not seek or acquiesce in a zoning reclassification of all or any portion of the Property or grant or consent to any easement, dedication, plat, or restriction (or allow any easement to become enforceable by prescription), or any amendment or modification thereof, covering all or any portion of the Property, without Beneficiary's prior written consent. Grantor will not, without the prior written consent of Beneficiary, permit any drilling or exploration for or extraction, removal, or production of, any Minerals from the surface or subsurface of the Land regardless of the depth thereof or the method of mining or extraction thereof.

E. Obligations Under Other Loan Documents. Grantor hereby agrees to comply with and perform all of its obligations under the other Loan Documents and agrees to be bound by the representations, warranties and covenants made by Grantor contained in the Loan Documents. All of representations, warranties and covenants contained in the other Loan Documents are hereby fully incorporated herein.

F. Casualty and Condemnation Proceeds. Subject to the terms of the Loan Agreement, the Senior Loan Documents (as defined in the City Loan Agreement), and the Intercreditor Agreement (as defined below), in the event of any fire or other casualty to the Property or eminent domain proceedings resulting in condemnation of the Property or any part thereof, Grantor shall have the right to rebuild the Property, and to use all available insurance or condemnation proceeds therefor, provided that (a) such proceeds are sufficient to keep the Indebtedness in balance and rebuild the affected portion of the Property in a manner that provides adequate security to Beneficiary for repayment of the Indebtedness or if such proceeds are insufficient then Grantor shall have funded any deficiency, (b) Beneficiary shall have the right to approve plans and specifications for any major rebuilding and the right to approve disbursements of insurance or condemnation proceeds for rebuilding under a construction escrow or similar arrangement, and (c) no Default then exists under the Loan Documents that will not be cured by rebuilding the affected portion of the Property. If the casualty or condemnation affects only part of the Property and total rebuilding is infeasible, then proceeds may be used for partial rebuilding and partial repayment of the Indebtedness in a manner that provides adequate security to Beneficiary for repayment of the remaining balance of the Indebtedness.

G. Failure to Pay. All taxes and any assessments that are due and payable as of the date of this Deed of Trust affecting the Property shall be paid and discharged in full prior to execution and delivery of this Deed of Trust, or as they subsequently become due and payable and prior to delinquency. If Grantor fails to pay any tax, assessment, charge or insurance premium associated with the Property in accordance with the terms of this Deed of Trust, Beneficiary may, at its option, pay the same, or if Grantor fails to perform any of Grantor's covenants or agreements set forth in this Deed of Trust in accordance with the terms hereof, Beneficiary may, at its option, correct or cause to be corrected the same and pay any sums in connection therewith as Beneficiary shall determine to be necessary or advisable, and all taxes, assessments, charges, insurance premiums and sums paid by Beneficiary in connection with such matters (collectively, whether one or more, an "Assessment") shall be immediately repayable by Grantor to Beneficiary, together with interest on each amount at the default rate provided in the Note from the date the sum is paid by Beneficiary, until the same is refunded to Beneficiary and all such amounts and interest thereon, shall be secured hereby as part of the Indebtedness. Notwithstanding the foregoing, Grantor shall

have the right to object and protest to ad valorem taxes on the Property in good faith and with due diligence provided that (i) no Default exists and is continuing beyond all applicable notice and cure periods under this Deed of Trust or any of the other Loan Documents, (ii) Grantor gives Beneficiary prior written notice of its intent to contest an Assessment; (iii) Grantor demonstrates to Beneficiary's reasonable satisfaction that (A) the Property will not be sold to satisfy the Assessment prior to the final determination of the legal proceedings, (B) Grantor has taken such actions as are required or permitted to accomplish a stay of any such sale, and (C) Grantor has either (1) furnished a bond or surety (satisfactory to Beneficiary in form and amount) sufficient to prevent a sale of the Property or (2) at Beneficiary's option, deposited one hundred fifty percent (150%) of the full amount necessary to pay any unpaid portion of any Assessment with Beneficiary; and (iv) such proceeding shall be permitted under any other instrument to which Grantor or the Property is subject (whether superior or inferior to this Deed of Trust).

H. Title Litigation. Subject to title insurance coverage, in case of any litigation involving the title to any part of the Property, or the validity of this Deed of Trust, Beneficiary may be represented in the litigation through attorneys of its own selection and Grantor shall, upon demand, promptly reimburse Beneficiary for all court costs and reasonable attorneys' fees incurred by Beneficiary in defending and/or protecting its rights in any litigation.

I. Default. Subject to applicable notice and cure provisions and the other terms of this Deed of Trust and the other Loan Documents, if a Default (as defined in the Loan Agreement) occurs, the whole of the Indebtedness, at the option of Beneficiary, shall become immediately due and payable, without further notice or demand.

J. Tenancy at Sufferance. Following any sale of the Property, or any part thereof, under the provisions of this Deed of Trust, and to the extent permissible under applicable law, Grantor shall be obligated to immediately vacate the premises and prior to such vacation shall be a tenant at sufferance of the purchaser of the Property sold and shall be subject to eviction in an action of forcible detainer; provided, the provisions of this Subparagraph J shall be subject to any agreements made in writing by Beneficiary with reference to any existing and/or future leases; provided, further, to the extent permitted under applicable law, the purchaser at any foreclosure sale shall have the option to affirm any then existing leases or tenancies or otherwise to succeed to the rights of Grantor thereunder.

K. Subrogation. To the extent that any of the Indebtedness represents funds utilized to satisfy any outstanding Indebtedness or obligations secured by liens, rights, or claims against the Property or any part thereof, Beneficiary shall be subrogated to any and all liens, rights, superior titles and equities owned or claimed by the holder of any outstanding indebtedness or obligation so satisfied, however remote, regardless of whether the liens, rights, superior titles and equities are assigned to Beneficiary or released by the holder(s) thereof.

L. Homestead Disclaimer. Grantor represents and covenants that the Property forms no part of any property owned, used, or claimed by Grantor as a business or residential homestead, or as exempt from forced sale under the laws of the State of Texas and disclaims and renounces all and every such claim thereto.

M. Additional Transfers and Encumbrances. Subject to the terms and conditions of the Loan Agreement and the City Loan Agreement, Beneficiary shall have the right to declare the Indebtedness secured hereby immediately due and payable in the event the Grantor sells, transfers, assigns, or conveys its interest, whether voluntarily or involuntarily, in the Property, or any part thereof, without the prior written consent of Beneficiary, such consent not to be unreasonably withheld, delayed or conditioned or in the event any junior or subordinate mortgage, lien, deed of trust, or other encumbrance is placed upon the Property without the prior written consent of Beneficiary, provided the foregoing shall not prohibit the removal of worn or obsolete Personalty that is replaced with new items of the same or similar quality. If Beneficiary consents to the sale, transfer, assignment, or conveyance of Grantor's interest in the Property, or any part thereof, and waives in writing its right to accelerate the Indebtedness secured hereby as provided in this Subparagraph M, Beneficiary may require that the transferee assume all the obligations of Grantor under this Deed of Trust, the Loan Agreement and the Note in a form reasonably acceptable to

Beneficiary and its legal counsel. For purposes of this Subparagraph M, "transfer" of the Property includes any direct or indirect transfer of any beneficial ownership in Grantor (except as allowed by the City Loan Agreement) or the general partner or managing member of Grantor except to the extent that such transfer is permitted under the Loan Agreement (or under the City Loan Agreement) after satisfaction of all requirements for such transfer including the consent of the City of Houston (the "City"), if required for such transfer.

Notwithstanding anything to the contrary contained in this Deed of Trust or the other Loan Documents, the removal and/or replacement of Grantor's general partner for cause in accordance with Grantor's partnership agreement shall not require the consent of the Beneficiary or the Trustee, shall not constitute a default or Default under this Deed of Trust or the Loan Documents or accelerate or give the Beneficiary the right to accelerate the maturity of the Loan. The consent of the Beneficiary and the City shall be required for the appointment of a new general partner, but if the Grantor's Tax Credit Investor (as defined in the Loan Agreement) exercises its right to remove the Grantor's general partner in accordance with the Grantor's partnership agreement, Beneficiary will not unreasonably withhold its consent to the substitute general partner; provided however, the consent of neither the Trustee nor the Beneficiary shall be required if the substitute general partner is an affiliate of such Tax Credit Investor. The substitute general partner shall assume all of the rights and obligations of the removed general partner of Grantor hereunder.

N. No Reliance on Beneficiary. Grantor is experienced in the ownership and operation of properties similar to the Property, and Beneficiary is relying solely upon Grantor's expertise and business plan in connection with the construction of the Improvements and ownership and operation of the Property. Grantor is not relying on Beneficiary's expertise or business acumen in connection with the Property or in connection with the construction of the Improvements.

O. No Litigation. Except as disclosed in writing to Beneficiary, there are no (i) causes of action, suits, or legal proceedings, at law or in equity, before any Governmental Authority (as defined in the Loan Agreement) or arbitrator pending or threatened against or affecting Grantor, any guarantor, or involving the Property, (ii) outstanding or unpaid judgments against the Grantor or the Property, or (iii) defaults by Grantor with respect to any order, writ, injunction, decree, or demand of any Governmental Authority or arbitrator.

P. Payment for Labor and Materials. Grantor will timely pay all bills for labor, materials, and specifically fabricated materials incurred in connection with the Property (which shall be deemed an Assessment on the Property) and never permit to exist in respect of the Property or any part thereof any unbonded lien or security interest, even though inferior to the liens and security interests hereof, for any such bill, and in any event never permit to be created or exist in respect of the Property or any part thereof any other or additional lien or security interest on a parity with, superior, or inferior to any of the liens or security interests hereof, except for the Permitted Encumbrances and the liens securing the Senior Note. In the event that Grantor becomes aware that such lien has been recorded against the Property, Grantor shall have such lien released within thirty (30) days. If Grantor fails to pay or bond around any bills for labor, materials, and specifically fabricated materials incurred in connection with the Property, Beneficiary shall have the rights set forth in Section V.G for Grantor's failure to pay any Assessment, as well as the other rights and remedies provided under this Deed of Trust.

Q. Tax on Deed of Trust. At any time any law shall be enacted imposing or authorizing the imposition of any tax upon this Deed of Trust, or upon any rights, titles, liens, or security interests created hereby, or upon the Indebtedness or any part thereof, Grantor will pay when due all such taxes, provided that if such law as enacted makes it unlawful for Grantor to pay such tax, Grantor shall not pay nor be obligated to pay such tax. Nevertheless, if a law is enacted making it unlawful for Grantor to pay such taxes, then Grantor must prepay the Indebtedness in full within sixty (60) days after demand therefor by Beneficiary.

R. ERISA. If and to the extent that Grantor is obligated under any plan governed by or subject to the Employee Retirement Income Security Act, as amended ("**ERISA**"), Grantor shall fully discharge and satisfy all of its obligations and funding requirements under such plan, ERISA and the Internal Revenue Code, as amended ("**IRC**"). Furthermore, Grantor shall comply in all material respects with any and all

applicable provisions of ERISA and the IRC and will not incur or permit to exist any unfunded liabilities to the Pension Benefit Guaranty Corporation or to such plan under ERISA or the IRC.

S. Disclosures. If at any time Grantor shall become aware of the existence or occurrence of any financial or economic conditions or natural disasters which are likely to have a material adverse effect on the Property or Grantor's financial condition, Grantor shall promptly notify Beneficiary of the existence or occurrence thereof and of Grantor's opinion as to what effect such may have on the Property or Grantor. Grantor shall also give prompt notice to Beneficiary of (i) any change to Grantor's principals or key employees that will materially and adversely affect Grantor's ability to carry out its obligations under this Deed of Trust and the other Loan Documents, including the serious illness or death of any principal or key employee of Grantor, (ii) any litigation or dispute, threatened or pending against or affecting Grantor, the Property or any guarantor which could have a material adverse effect on the Property or the financial condition or business of any of the aforementioned parties, (iii) any Default, (iv) any default by Grantor, or any acceleration of any indebtedness owed by Grantor under any loan document to which Grantor is a party, and (v) any change in the character of Grantor's business as it existed on the date hereof.

The captions contained in this Deed of Trust are for convenience only and shall not be taken into account in determining the meaning of any provision of this Deed of Trust.

VII.

#### ASSIGNMENT OF LEASES

As further security for the payment of the Indebtedness, and subject to the rights of senior lienholders, including without limitation, Senior Lender, Grantor hereby assigns to Beneficiary, its successors and assigns, all leases, whether now in existence or hereafter created, covering all or any portion of the Property together with all rents to become due under each such lease, subject, however, to any prior assignment in connection with senior indebtedness. For so long as no Default exists, Grantor may collect the rents, but not more than one (1) month in advance, in the ordinary course of business, unless otherwise provided by the express terms of the leases and approved by Beneficiary. In the event of any Default and at any and all times during the continuance thereof, in addition to all other rights and remedies of Beneficiary, Beneficiary shall have the exclusive right and power (but not the obligation) to enter upon and take possession of the Property or any part thereof, to rent or re-rent the same, either in the name of Beneficiary or Grantor, to receive all rents, revenues, profits, or other income from the Property and to apply all amounts received first, to the costs and expenses incurred by Beneficiary in protecting and operating the Property and next, to the payment of the Indebtedness in any manner and in any order of priority as Beneficiary shall determine. This action by Beneficiary shall not operate as a waiver of the Default, or as an affirmation of any lease or of the rights of any tenant of title to that part of the Property covered by the lease or held by the tenant, should the Property, or any part thereof, be acquired by Beneficiary or other purchaser at a foreclosure sale. The right of Beneficiary to receive all rents, revenues, profits, or other income from the Property during the continuance of any Default shall be applicable whether Beneficiary has entered upon or taken possession of the Property, or has otherwise attempted to exercise its rights hereunder and if any rents, revenues, profits, or other income are paid to or received by Grantor, Grantor shall immediately pay the same to Beneficiary, without the necessity of any request or demand therefor. Grantor agrees at any time and from time to time until the Indebtedness is paid in full (or deemed paid in full) to execute and to deliver any additional assignments of leases and/or rents, security agreements and other instruments as Beneficiary shall from time to time reasonably require. The substance, form, execution and delivery of additional assignments of leases and/or rents, security agreements and other instruments shall be reasonably satisfactory to Beneficiary.

VIII.

**PERSONALTY**

This Deed of Trust covers and includes, without limitation, Grantor's interest in the Personality hereinabove described.

IX.

**USE OF PERSONALTY**

Grantor represents that all Personality is property for business use and is not consumer goods. Grantor further covenants that there are and shall be no conditional sales contracts that cover any of the Personality.

X.

**SECURITY INTEREST IN PERSONALTY**

Without limiting any of the provisions of this Deed of Trust, Grantor, as referred to in this paragraph as "**Debtor**," expressly does the following:

A. **Grant.** Debtor hereby grants unto Beneficiary and its successors and assigns, described herein as Secured Party, and referred to in this Section X as "**Secured Party**", a security interest in Debtor's interest in the Personality (subject to the Permitted Encumbrances and the security interests and rights granted to Senior Lender and holders of the Other Financing).

B. **UCC Remedies.** Debtor agrees, in addition to any other remedies granted in this Deed of Trust to Secured Party or the Trustee, that Secured Party may, during the existence of any Default continuing beyond all applicable notice and cure periods, proceed under Chapter 9 of the Texas Uniform Commercial Code (the "**UCC**") as to all or any part of the Personality and shall have and may exercise with respect to the Personality all the rights, remedies and powers of a Secured Party under the UCC, including, without limitation, the right and power to sell at public or private sale or sales, or otherwise to dispose of, to lease, or to utilize the Personality and any part or parts thereof, in any manner authorized or permitted under the UCC after default by a debtor and to apply the proceeds thereof toward payment of any costs, expenses and reasonable attorneys' fees and legal expenses thereby incurred by Secured Party and toward the payment of Debtor's obligations, including the Note and all other Indebtedness described in this Deed of Trust in any order or manner as Secured Party may elect. Among the rights of Secured Party during the existence of a Default beyond all applicable notice and cure periods, and without limitation, Secured Party shall have the right to take possession of the Personality and to enter upon any premises where same may be situated for this purpose without being deemed guilty of trespass and without liability for damages thereby occasioned and to take any action deemed necessary or appropriate or desirable by Secured Party, at its option and in its discretion, to repair, refurbish or otherwise prepare the Personality for sale, lease, or other use or disposition as herein authorized. Debtor agrees that if any notice of sale required under the UCC is mailed, postage prepaid, to Debtor at the address shown herein at least ten (10) days before the time of the sale or disposition, the notice shall be deemed reasonable and shall fully satisfy any requirement for giving of the notice.

If a Default exists and is continuing beyond all applicable notice and cure periods, and to the extent it may lawfully do so and without limiting any rights and/or privileges herein granted to Secured Party, Debtor agrees that Secured Party and/or the above Trustee and any Substitute Trustee, may dispose of any or all of the Personality at the same time and place and after giving the same notice provided for in this Deed of Trust in connection with a nonjudicial foreclosure sale under the terms and conditions set forth in this Deed of Trust. In this connection, Debtor agrees that the sale may be conducted by the Trustee or the Substitute Trustee; that the sale of the Land and Improvements described in this Deed of Trust and the Personality or any part thereof, may be sold separately and/or together; and that if the Land and

Improvements described herein and the Personalty or any part thereof, are sold together, the Secured Party will not be obligated to allocate the consideration received as between the Land and Improvements and the Personalty.

C. Possession. Debtor hereby grants to Secured Party the right, at its option upon a Default continuing beyond all applicable notice and cure periods to transfer at any time to itself or to its nominee the Personalty, or any part thereof and to receive the monies, income, proceeds or benefits attributable or accruing thereto and to hold the same as security for Debtor's obligations or to apply it on the principal and interest or other amounts owing on any of Debtor's obligations, whether or not then due, in any order or manner as Secured Party may elect. All rights with respect to marshalling of assets of Debtor, including with respect to the Personalty, or to a sale in inverse order of alienation, are hereby waived.

D. Authority. Debtor hereby covenants, stipulates and agrees that all recitals in any instrument of assignment or any other instrument executed by Secured Party incident to the sale, transfer, assignment, lease or other disposition or utilization of the Personalty or any part thereof hereunder shall be prima facie evidence of the matters stated therein and all prerequisites of the sale or other action taken by Secured Party or of any fact, condition or thing incident thereto shall be rebuttably presumed to have been performed or to have occurred.

E. Assembly and Expenses. Debtor hereby covenants and agrees that Secured Party, upon a Default continuing beyond applicable notice and cure periods, may require Debtor to assemble the Personalty and to make it available to Secured Party at a place to be designated by Secured Party that is reasonably convenient to both parties. All expenses of retaking, holding, preparing for sale, lease, or other use or disposition, selling, leasing or otherwise using or disposing of the Personalty and the like that are incurred or paid by Secured Party as authorized or permitted hereunder, including also all reasonable attorneys' fees, legal expenses and costs, shall be added to the Indebtedness and Debtor shall be liable therefor.

F. Financing Statement. A carbon, photographic, or other reproduction of this Deed of Trust may be filed as a Financing Statement under the UCC between Debtor and Secured Party whose addresses are set forth below. Except for the security interest granted hereby in the Personalty, the security interests and rights in the Personalty granted to Senior Lender, the security interest granted to the Subordinate Lender or otherwise expressly stated in **EXHIBIT B** hereto, Debtor is owner and holder of the Personalty free of any adverse claim, security interest or encumbrance, and Debtor will defend the Personalty against all claims and demands of any person at any time claiming the same or any interest therein. Debtor has not heretofore signed any financing statement and no financing statement signed by Debtor is now on file in any public office except those statements, true and correct copies of which have been delivered to the Secured Party or in connection with the Senior Note (as defined below). So long as any amount remains unpaid on any Indebtedness described in this Deed of Trust, Debtor will not execute and there will not be filed in any public office any financing statement or statements affecting the Personalty other than financing statements in favor of the Senior Lender or Secured Party hereunder, unless the prior written specific consent and approval of Secured Party shall have first been obtained. Debtor authorizes Secured Party to file, in jurisdiction where this authorization will be given effect, a financing statement signed only by Secured Party covering the Personalty and at the request of Secured Party, Debtor will join Secured Party in executing one or more financing statements, pursuant to the UCC in form satisfactory to Secured Party and will pay the cost of filing the same or filing or recording this Deed of Trust as a financing statement, in all public offices at any time and from time to time whenever filing or recording of any financing statement or of this Deed of Trust is deemed by Secured Party to be necessary or desirable.

XIII.

**ENVIRONMENTAL MATTERS**

A. Compliance with Laws. Grantor hereby represents, warrants, covenants and agrees to and with Beneficiary that:

- (i) Grantor will not and will not permit any tenant or occupant of the Property to, generate, store, handle or otherwise deal with hazardous or toxic substances in, on, about or under the Property; and
- (ii) Grantor has not at any time engaged in or permitted, nor, to the best of Grantor's knowledge after reasonable and prudent inquiry, which has consisted of the Phase I report previously delivered to Beneficiary, has any current or former tenant, occupant or owner of the Property, or any portion thereof, engaged in or permitted any generation, storage, handling, dumping, discharge, disposal, spillage or leakage of any hazardous or toxic substances, at, on, or about the Property that would violate applicable environmental regulations, or any portion thereof, except as disclosed on the Phase I report previously delivered to Beneficiary.

Notwithstanding the foregoing, Grantor shall be permitted to have such chemicals, materials and supplies on the Property which are normally used in connection with the prudent operation, use, maintenance and ownership of a multi-family unit apartment complex and which are used in compliance with environmental laws.

B. Indemnification. **GRANTOR HEREBY AGREES TO INDEMNIFY, PROTECT, DEFEND (WITH COUNSEL REASONABLY APPROVED BY BENEFICIARY) AND TO HOLD BENEFICIARY, ITS AGENTS, MEMBERS, OFFICERS, REPRESENTATIVES AND ITS EMPLOYEES FREE AND HARMLESS FROM AND AGAINST ANY AND ALL CLAIMS, ACTIONS, ADMINISTRATIVE PROCEEDINGS, JUDGMENTS, DAMAGES, PUNITIVE DAMAGES, PENALTIES, FINES, COSTS, LIABILITIES (INCLUDING SUMS PAID IN SETTLEMENT OF CLAIMS), INTEREST OR LOSSES, INCLUDING REASONABLE ATTORNEYS', CONSULTANTS' AND EXPERTS' FEES AND EXPENSES, OF ANY KIND OR NATURE (COLLECTIVELY, THE "COSTS") THAT ARISE DIRECTLY OR INDIRECTLY, FROM OR IN CONNECTION WITH THE PRESENCE, SUSPECTED PRESENCE, RELEASE OR SUSPECTED RELEASE (A "RELEASE") OF ANY HAZARDOUS OR TOXIC SUBSTANCE, FROM, ON, ABOUT, UNDER OR WITHIN THE PROPERTY, OR ANY PORTION THEREOF WHICH OCCURS DURING OR PRIOR TO SUCH TIME AS GRANTOR OWNS THE PROPERTY. NOTWITHSTANDING THE FOREGOING TO THE CONTRARY, GRANTOR'S LIABILITY HEREUNDER, SUBJECT TO THE DE MINIMIS PROVISIONS OF ARTICLE XIII(A)(ii) ABOVE, SHALL NOT INCLUDE ANY LOSS ARISING OUT OF THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF BENEFICIARY OR ANY EMPLOYEE, AGENT OR REPRESENTATIVE OF BENEFICIARY OR RELEASE OF HAZARDOUS OR TOXIC SUBSTANCES BY BENEFICIARY OR ANY EMPLOYEE,**

**AGENT OR REPRESENTATIVE OF BENEFICIARY AFTER BENEFICIARY HAS TAKEN POSSESSION OF THE PROPERTY.**

C. Remediation. If any investigation or monitoring of site conditions, or any cleanup, containment, restoration, removal or other remedial work (collectively, the "remedial work") is required under any applicable federal, state or local law or regulation, by any judicial order, or by any governmental entity, or in order to comply with any agreements affecting the Property because of, or in connection with any release of hazardous or toxic substances, Grantor shall perform, or cause to be performed, the remedial work in compliance with such law, regulation, order or agreement. All remedial work shall be performed by one or more contractors selected by Grantor and approved in advance, in writing, by Beneficiary and under the supervision of a consulting engineer selected by Grantor and approved in advance, in writing, by Beneficiary. All costs of any remedial work shall be paid by Grantor, including, without limitation, the reasonable charges of contractor(s) and/or the consulting engineer and Beneficiary's reasonable attorneys' fees and costs incurred in connection with the monitoring or review of any remedial work. If Grantor shall fail to timely commence or cause to be timely commenced, or fail to diligently prosecute to completion, any remedial work, then Beneficiary may, but shall not be required to, cause such remedial work to be performed and all costs and expenses thereof, or incurred in connection therewith, shall be "**Costs**" within the meaning of Subparagraph B above. All costs shall be due and payable upon demand therefor by Beneficiary, together with interest thereon at the Default Rate provided in the Note from the date such costs are paid by Beneficiary, until the same are refunded to Beneficiary and all such costs and the interest thereon shall be secured hereby.

D. Survival. Notwithstanding anything to the contrary contained herein, or in the Note or Loan Agreement, the obligations of Grantor under this Paragraph XIII shall survive any assumption of the indebtedness by a successor to Grantor (whether or not the assumption has been approved or disapproved, or whether or not Grantor was released from liability on the indebtedness), foreclosure of this Deed of Trust (or transfer of the Property in lieu of foreclosure) and release or termination of this Deed of Trust.

XIV.

**MISCELLANEOUS**

A. No Waiver. No delay by Beneficiary in exercising any right, option or remedy hereunder, or otherwise afforded by law, shall operate as a waiver thereof or preclude the exercise thereof during the continuance of any Default.

B. Cumulative Remedy. All rights and remedies of Beneficiary under this Deed of Trust and any and all other instruments evidencing or securing the indebtedness, are cumulative and concurrent and may be exercised singularly, successively, or concurrently.

C. No Release. The granting to Grantor or to any other person or party of any extension(s) of time for payment of all or any part of the indebtedness or the performance of any covenant or agreement contained herein, or the taking of other or additional security for the payment of the whole or any part of the indebtedness, or the releasing of any part of the security at any time held in connection with the indebtedness, shall not in any way release Grantor or any other person or party obligated for the payment of the indebtedness, or release or impair this Deed of Trust or any other security held in connection with the indebtedness, except to the extent of the person, party or property expressly released in writing by Beneficiary.

D. Severability. If any provision in this Deed of Trust is invalid or unenforceable in whole or in part, this Deed of Trust shall in all other respects remain in full force and effect.

E. Successors and Assigns. All of the provisions hereof shall apply to, inure to the benefit of, and be binding upon Beneficiary and Grantor and their respective successors and assigns (provided the

foregoing shall not be construed as consent to any transfer by Grantor of the Property that is not permitted under the Loan Documents).

F. Further Assurances and Corrections. From time to time, at the request of Beneficiary, Grantor will (i) promptly correct any defect, error, or omission which may be discovered in the contents of this Deed of Trust or in any other Loan Document or in the execution or acknowledgment thereof; (ii) execute, acknowledge, deliver, record and/or file such further instruments (including, without limitation, further deeds of trust, security agreements, financing statements, continuation statements and assignments of rents or leases) and perform such further acts and provide such further assurances as may be necessary, desirable, or proper, in Beneficiary's reasonable opinion, to carry out more effectively the purposes of this Deed of Trust and the Loan Documents and to subject to the liens and security interests hereof and thereof any property intended by the terms hereof or thereof to be covered hereby or thereby, including without limitation, any renewals, additions, substitutions, replacements, or appurtenances to the Property; (iii) execute, acknowledge, deliver, procure, file, and/or record any document or instrument (including without limitation, any financing statement) deemed advisable by Beneficiary to protect the liens and the security interests herein granted against the rights or interests of third persons; and (iv) pay all costs connected with any of the foregoing.

G. Choice of Law. This Deed of Trust shall be performable and enforced in Harris County, Texas, and shall be construed in accordance with the laws of the State of Texas from time to time in effect except to the extent preempted by the United States federal law. Venue shall be appropriate in Harris County, as applicable.

H. Usury. In no event shall any provision of this Deed of Trust, the Note, the Loan Agreement or any other instrument evidencing or securing the Indebtedness ever obligate Grantor to pay interest on the Note secured hereby at a rate greater than that permitted by law, or obligate Grantor to pay any taxes, assessments, charges, insurance premiums, or other amounts to the extent that the payments constitute interest under applicable law and when added to the interest payable on the Note secured hereby, would be held to constitute the payment by Grantor of interest at a rate greater than that permitted by law; and this provision shall control over any provision to the contrary.

It is expressly stipulated and agreed to be the intent of Grantor and Beneficiary at all times to comply strictly with the applicable Texas law governing the maximum rate or amount of interest payable on the Note or the Indebtedness or applicable United States federal law to the extent that it permits Beneficiary to contract for, charge, take, reserve or receive a greater amount of interest than under Texas law ("Highest Lawful Rate"). If the applicable law is ever judicially interpreted so as to render usurious any amount (i) contracted for, charged, taken, reserved or received pursuant to the Note, any of the other Loan Documents or any other communication or writing by or between Grantor and Beneficiary related to the transaction or transactions that are the subject matter of the Loan Documents, (ii) contracted for, charged or received by reason of Beneficiary's exercise of the option to accelerate the maturity of the Note and/or the Indebtedness, or (iii) Grantor will have paid or Beneficiary will have received by reason of any voluntary prepayment by Grantor of the Note and/or the Indebtedness, then it is Grantor's and Beneficiary's express intent that all amounts charged in excess of the Highest Lawful Rate shall be automatically cancelled, ab initio, and all amounts in excess of the Highest Lawful Rate theretofore collected by Beneficiary shall be credited on the principal balance of the Note and/or the Indebtedness (or, if the Note and all Indebtedness have been or would thereby be paid in full, refunded to Grantor), and the provisions of the Note and the other Loan Documents immediately be deemed reformed and the amounts thereafter collectible hereunder and thereunder reduced, without the necessity of the execution of any new document, so as to comply with the applicable law, but so as to permit the recovery of the fullest amount otherwise called for hereunder and thereunder. Grantor hereby agrees that as a condition precedent to any claim seeking usury penalties against Beneficiary, Grantor will provide written notice to Beneficiary, advising Beneficiary in reasonable detail of the nature and amount of the violation, and Beneficiary shall have sixty (60) days after receipt of such notice in which to correct such usury violation, if any, by either refunding such excess interest to Grantor, or crediting such excess interest against the Note and/or the Indebtedness then owing by Grantor to Beneficiary. All sums contracted for, charged or received by Beneficiary for the use, forbearance or detention of any debt evidenced by the Note and/or the Indebtedness shall, to the extent permitted by

applicable law, be amortized or spread, using the actuarial method, throughout the stated term of the Note and/or the Indebtedness (including any and all renewal and extension periods) until payment in full so that the rate or amount of interest on account of the Note and/or the Indebtedness does not exceed the Highest Lawful Rate from time to time in effect and applicable to the Note and/or the Indebtedness for so long as debt is outstanding. In no event shall the provisions of Chapter 346 of the Texas Finance Code (which regulates certain revolving credit loan accounts and revolving triparty accounts) apply to the Note and/or the Indebtedness. Notwithstanding anything to the contrary contained herein or in any of the other Loan Documents, it is not the intention of Beneficiary to accelerate the maturity of any interest that has not accrued at the time of such acceleration or to collect unearned interest at the time of such acceleration.

I. Covenants Run with the Land. All obligations contained in this Deed of Trust and the other Loan Documents are intended by Grantor, Beneficiary and Trustee to be, and shall be construed as, covenants running with the Property until the lien of this Deed of Trust has been fully released by Beneficiary.

J. JURY WAIVER. GRANTOR AND BENEFICIARY ACKNOWLEDGE THAT THE RIGHT TO TRIAL BY JURY IS A CONSTITUTIONAL ONE, BUT THAT IT MAY BE WAIVED, EACH PARTY, AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF THEIR CHOICE, KNOWINGLY AND VOLUNTARILY, AND FOR THEIR MUTUAL BENEFIT, WAIVES ANY RIGHT TO TRIAL BY JURY IN THE EVENT OF LITIGATION REGARDING THE PERFORMANCE OR ENFORCEMENT OF, OR IN ANY WAY RELATED TO, THIS NOTE, THE INDEBTEDNESS OR THIS DEED OF TRUST.

K. Entire Agreement. THIS DEED OF TRUST, TOGETHER WITH THE NOTE AND LOAN AGREEMENT, THE OTHER LOAN DOCUMENTS, AND THE RESTRICTIVE COVENANTS CONSTITUTE A WRITTEN LOAN AGREEMENT AS DEFINED IN SECTION 26.02 OF THE TEXAS BUSINESS AND COMMERCE CODE. THIS WRITTEN LOAN AGREEMENT CONSTITUTES THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

L. Subordination. It is the intent of Beneficiary and Grantor that the indebtedness evidenced by the Note shall be subordinate in right of payment to the prior payment in full of the indebtedness evidenced by the Senior Note (as defined in the City Loan Agreement) to be issued by Grantor and payable to Senior Lender (as defined in the City Loan Agreement), or order, to the extent and in the manner provided in the certain the Intercreditor Agreement (defined in the Loan Agreement) of even date herewith and upon closing the Permanent Senior Loan, the Freddie Mac Subordination Agreement (as defined in the Loan Agreement). This Deed of Trust and all of the other Loan Documents (excluding the Restrictive Covenants) are and shall be subject and subordinate in all respects to the liens, terms, covenants and conditions of the Senior Mortgage (as defined in the City Loan Agreement) to the extent set forth in the Intercreditor Agreement and Freddie Mac Subordination Agreement, respectively (collectively, "Senior Loan Subordination"). The rights and remedies of the Beneficiary and each subsequent holder of the Note and this Deed of Trust are subject to the restrictions and limitations set forth in the Senior Loan Subordination. Each subsequent holder of this Deed of Trust shall be deemed, by virtue of such holder's acquisition of the Note, to have agreed to perform and observe all of the terms, covenants and conditions to be performed or observed by Beneficiary under the Senior Loan Subordination.

M. Extended Low Income Housing Commitment. Pursuant to the terms of that Collateral Assignment of Note and Liens dated of even date herewith executed by Beneficiary for the benefit of the City (the "Collateral Assignment"), the City agreed that the liens securing the City Loan and evidenced by this Deed of Trust and collaterally assigned to the City pursuant to the Collateral Assignment shall be subordinate to any extended low income housing commitment (as such term is defined in Section 42(h)(6)(B) of the Internal Revenue Code)( the "Extended Use Agreement") recorded against the Land; provided that such Extended Use Agreement, by terms, must terminate upon foreclosure under this Deed of Trust or upon a transfer of the Land by instrument in lieu of foreclosure, in accordance with Section

42(h)(6)(E) of the Internal Revenue Code. The City's Restrictive Covenants shall not be subordinate to any extended low income housing commitment as such term is defined in the Extended Use Agreement.

**NOTE**

\$14,500,000.00

\_\_\_\_\_, 2020

**I. PROMISE TO REPAY.**

**FOR VALUE RECEIVED, SCOTT STREET LOFTS, LP**, a Texas limited partnership ("Maker"), hereby agrees and promises to pay to the order of **LONE STAR HOUSING AND COMMUNITY DEVELOPMENT CORPORATION**, a Texas nonprofit corporation ("Payee"), at 26302 Oak Ridge Drive, Suite 100, Spring, Texas 77380, or at any other place as the holder hereof may from time to time in writing designate, on the times hereinafter provided, in coin or currency, which at the time of payment shall constitute legal tender of the United States of America, the principal sum of **FOURTEEN MILLION FIVE HUNDRED THOUSAND AND NO/100 DOLLARS (\$14,500,000.00)** or so much thereof as may be advanced, together with interest thereon at the rate of one percent (1.0%) per annum as further delineated below.

The loan ("Loan") evidenced by this Note is subject to the terms and conditions of that one certain Loan Agreement (Borrower/Owner) ("Owner Loan Agreement") between Maker and Payee of even date herewith which incorporates the terms and conditions of a Loan Agreement between the City of Houston ("City"), Maker and Payee dated of even date herewith ("City Loan Agreement"). All capitalized terms used but not defined in this Note have the same meanings as assigned to such terms in the Owner Loan Agreement.

**II. TERM.**

The term of the Loan shall commence on the date of this Note (the "Closing Date") and shall mature on the last day of the Affordability Period, as defined in the City Loan Agreement (the "Maturity Date"). This Note is secured by and entitled to the benefits of a Deed of Trust, Security Agreement and Financing Statement of even date herewith ("Deed of Trust") executed by Maker to Tom McCasland, Trustee, for the benefit of the Payee, covering fee ownership interest in the Property (as defined in the Deed of Trust).

**III. PAYMENTS.**

No payment of principal or interest shall accrue or be payable under this Note during the Approved Construction Period except in the event of (i) Default (as hereinafter defined) during the Term of this Note or (ii) a sale or refinancing of the Property during the Term of the Note that is not permitted under the Loan Documents. Upon the expiration of the Affordability Period (as defined in the Loan Agreement), if no Default has occurred which remains uncured, the unpaid principal balance of the Note together with accrued interest thereon shall be due and payable on the Maturity Date. The Maturity Date is the date of the expiration of the Affordability Period. Upon an event of Default, subject to any applicable notice and cure period, the Payee may declare the outstanding deferred principal balance to be immediately due and payable as set forth in Section IV below.

Following the expiration of the Approved Construction Period until the Maturity Date, simple interest shall accrue at the rate of one percent (1.0%) per annum on the outstanding principal balance and Maker shall pay an annual installment equal to the lesser of (i) one percent (1%) simple interest annually on the outstanding balance of the Loan, plus accrued unpaid interest, if any, or (ii) fifty percent (50%) of Net Cash Flow. The annual interest payment or non-payment of such interest shall be accompanied by evidence acceptable to the Director documenting available Net Cash Flow or lack of available New Cash Flow.

For purposes of this provision Net Cash Flow is defined as follows:

Net Cash Flow shall mean all income and revenues actually received by Maker from the lease of the Project Units and other improvements, and all other income and revenues actually received by Maker in connection with the Project, excluding and deducting therefrom all (1) Operating Expenses, including without limitation any debt service payments for the Senior Loan; (2) security, pet or cleaning deposits, if any; (3) payments

from the Replacement Reserve or from Operating Reserves; (4) payments or reimbursements from insurers or other third parties and used or to be used for restoration, repair or remodeling of any of the Project Units or other improvements; (5) capital contributions, grants, proceeds of any permitted sale, transfer, exchange, refinancing or other disposition or encumbrance of all or a portion of the Project; (6) condemnation proceeds and awards in place of them; (7) tax reduction or abatement proceeds; (8) loan proceeds; (9) deposits made to operating reserves and to the replacement operating reserves; (10) payments of the deferred developer fee and (11) any tax credit adjustments, asset management fees due to either the Tax Credit Investor or a limited partner and loans from the limited partner of Maker (to the extent the repayment of any such loan (a) is not secured by the Project, and (b) is made for the purposes of covering assumed tax liability, tax credit shortfalls, and operating deficits under the approved operating budget for the applicable year and not for the purposes of facilitating distributions to the partners of Maker).

#### **IV. DEFAULT; ACCELERATION.**

If a Default exists and is continuing beyond all applicable notice and cure periods, the entire debt represented by this Note, consisting of the outstanding principal balance and all accrued interest thereon, shall, at the option of the holder hereof, become immediately due and payable, and except as otherwise provided herein or in any of the other Loan Documents, without notice, presentment for payment, demand, notice of nonpayment, notice of intention to accelerate, acceleration, or other notices of any type which are specifically waived, time being of the essence hereof. Payee's rights under this paragraph shall be in addition to any other rights or remedies it may have under the Owner Loan Agreement and the other loan documents evidencing, governing and/or securing the Loan ("Loan Documents"), at law or in equity, to enforce Maker's obligations under the Loan Documents. At Payee's option during the continuance of any Default, interest shall accrue on the outstanding balance of this Note at a rate equal to the lower of ten percent (10%) per annum or the highest annual rate permitted by applicable law ("Default Rate"). For purposes of this Note, the term "Default" shall mean a default in payment of the Note or under the terms of this Note, the Deed of Trust, the Owner Loan Agreement, the City Loan Agreement or any other Loan Document that continues past the expiration of all applicable notice and cure periods. Should the terms of this paragraph IV conflict with the Intercreditor Agreement, the Intercreditor Agreement shall control in all respects.

#### **V. PREPAYMENT/MODIFICATION.**

**THIS NOTE MAY NOT BE PREPAID OR MODIFIED WITHOUT THE PRIOR WRITTEN CONSENT OF THE PAYEE, WHICH CONSENT MAY BE WITHHELD OR GRANTED IN THE SOLE DISCRETION OF THE PAYEE.**

#### **VI. APPLICATION OF PAYMENTS.**

Each payment made on this Note shall be credited first to accrued, unpaid interest and the remainder to principal.

#### **VII. WAIVER.**

Maker hereby waives presentment for payment, protest and demand, notice of protest, demand and dishonor, and non-payment of this Note, and except as otherwise specified in this Note and/or any of the other Loan Documents, waives notice of default, notice of acceleration, and notice of intent to accelerate, and hereby consents that the holder hereof may extend the time of payment or otherwise modify the terms of payment of any part or the whole of the debt evidenced by this Note, at the request of any other person liable hereon, and such consent shall not alter nor diminish the liability of any person. The failure to exercise any remedy available to Payee shall not be deemed to be a waiver of any rights or remedies of Payee under this Note or under any of the other Loan Documents, or at law or in equity. No extension of the time for the payment of this Note or any installment due hereunder, made by agreement

with any person now or hereafter liable for the payment of this Note, shall operate to release, discharge, modify, change or affect the original liability of Maker under this Note, either in whole or in part, unless Payee specifically, unequivocally and expressly agrees otherwise in writing. This Note may not be changed orally, but only by an agreement in writing signed by the party against whom enforcement of any waiver, change or modification is sought.

#### **VIII. COSTS OF COLLECTION; ATTORNEYS' FEES.**

Maker agrees to pay all costs of collection, including without limitation reasonable attorneys' fees, if the principal of this Note or any payment on the principal or interest hereon is not paid at the respective maturity and to pay all reasonable costs including without limitation, attorneys' fees and court costs, if it becomes necessary to protect the security hereof, whether suit be brought or not, during the existence of a Default hereunder by Maker.

#### **IX. USURY LIMITATIONS.**

No provision of the Owner Loan Agreement, this Note, or any instrument securing payment of or relating to the indebtedness, shall require the payment or permit the collection of interest in excess of the maximum rate allowed by applicable law ("Maximum Rate"). If any excess of interest in such respect is herein or in any other instrument provided for, or shall be adjudicated to be so provided for herein or in any other instrument, the provisions of this paragraph shall govern and neither Maker nor any guarantor or endorser of this Note nor their respective heirs, personal representatives, successors, or assigns shall be obligated to pay such interest to the extent it is in excess of the Maximum Rate. Any fees or other sums that under applicable law are deemed to constitute interest shall be or other sums so deemed interest shall be amortized, prorated, allocated and spread in equal parts over the full stated term of the loan evidenced hereby.

If the maturity of this Note is accelerated for any reason before the Maturity Date stated, or in the event of any prepayment by Maker, or in any other event, earned interest may never exceed the Maximum Rate, computed from the date of disbursement of the loan evidenced hereby until payment, and any unearned interest otherwise payable hereunder that is in excess of the Maximum Rate shall be cancelled automatically as of the date of the acceleration, prepayment, or other event, and if previously paid, shall at the option of the holder of this Note be either refunded to Maker or credited on the principal of this Note, provided that, if the holder elects to credit the unearned interest on the principal of this Note, and such unearned interest exceeds the principal balance, the excess shall be refunded to Maker. Any interest computation under this Note and the Owner Loan Agreement shall be at not more than the Maximum Rate upon the portion of the face amount hereof representing principal that remains unpaid from time to time, it being the intention of the parties hereto to conform strictly to the laws applicable to the loan evidenced by this Note and the Owner Loan Agreement, and should it be held that interest payable under this Note and the Owner Loan Agreement is in excess of the Maximum Rate, the interest chargeable hereunder shall be reduced to the maximum amount permitted by law.

#### **X. LATE PAYMENTS**

If a payment is not received within ten (10) days of the due date, a late payment fee of five percent (5%) of the payment amount will be charged.

#### **XI. GOVERNING LAW**

#### **XII. SUCCESSORS**

This Note shall be binding upon the parties hereto and their respective successors and assigns.

### **XIII. JURY WAIVER**

**MAKER AND PAYEE ACKNOWLEDGE THAT THE RIGHT TO TRIAL BY JURY IS A CONSTITUTIONAL ONE, BUT THAT IT MAY BE WAIVED, EACH PARTY, AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF THEIR CHOICE, KNOWINGLY AND VOLUNTARILY, AND FOR THEIR MUTUAL BENEFIT, WAIVES ANY RIGHT TO TRIAL BY JURY IN THE EVENT OF LITIGATION REGARDING THE PERFORMANCE OR ENFORCEMENT OF, OR IN ANY WAY RELATED TO, THIS NOTE OR THE INDEBTEDNESS.**

### **XIV. ENTIRE AGREEMENT**

**THIS WRITTEN LOAN AGREEMENT (AS DEFINED BY SECTION 26.02 OF THE TEXAS BUSINESS AND COMMERCE CODE) AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.**

### **XV. BANKRUPTCY PREFERENCES**

If at any time any payment received by Payee hereunder shall be deemed by a court of competent jurisdiction to have been a voidable preference or fraudulent conveyance under any Debtor Relief Law (as defined below), then the obligation to make such payment shall survive any cancellation or satisfaction of this Note or return thereof to Payee and shall not be discharged or satisfied with any prior payment thereof or cancellation of this Note, but shall remain a valid and binding obligation enforceable in accordance with the terms and provisions hereof, and such payment shall be immediately due and payable upon demand. For purposes of this Note, "**Debtor Relief Law**" shall mean Title 11 of the United States Code, as now or hereafter in effect, or any other applicable law, domestic or foreign, as now or hereafter in effect, relating to bankruptcy, insolvency, liquidation, receivership, reorganization, arrangement or composition, extension or adjustment of debts or similar laws affecting the rights of creditors.

### **XVI. LIMITS ON PERSONAL LIABILITY**

a. Notwithstanding anything to the contrary set forth herein, or in any of the Loan Documents, upon the commencement of the Affordability Period, Maker and its partners, directors, officers and owners (except Guarantor during the effective period of the Construction Completion Guaranty if Guarantor is a partner, director, an officer or owner) shall have no personal liability under this Note and the other Loan Documents for the repayment of the indebtedness or for the performance of any other obligations of Maker under the Loan Documents, except as set forth below, and Payee's only recourse for the satisfaction of the indebtedness payable under the Loan Documents and the performance of such obligations shall be Payee's exercise of its rights and remedies with respect to the Project, Property, and other collateral held by Payee as security for the indebtedness except as set forth below. This limitation on Maker's liability shall not limit or impair Payee's enforcement of its rights against the Maker for any indebtedness or obligations of Maker under Section XVI(b) of this Note.

b. Maker shall be personally liable to Payee for the repayment of a portion of the indebtedness payable under the Loan Documents equal to any loss or damage suffered by Payee as a result of:

1. Failure of Maker to pay to Payee upon demand after a Default, all rents, revenues and profits from the operation of the Project to which Payee is entitled under the Deed of Trust and the amount of all security deposits collected by Maker from tenants then in residence, subject to the prior rights of any senior lender with a first lien deed of trust on the Project;
2. Failure of Maker to apply all insurance proceeds and condemnation proceeds as required by the Loan Documents, subject to the prior rights of any senior lender with a first lien deed of trust on the Project;

3. Failure of Maker to comply with the requirements in the Deed of Trust relating to the delivery of books and records, statements, schedules and reports;
4. Fraud or any written material misrepresentation by Maker or any officer, agent, director, partner, member or employee of Maker in connection with the application for the Loan, the Loan Documents, or any request by Payee;
5. Failure to apply rents, revenues and profits, first, to the payment of reasonable operating expenses (other than property management fees that are not currently payable) and then to debt service amounts due, except that Maker will not be personally liable (i) to the extent that Maker lacks the legal right to direct the disbursement of such sums because of a senior loan deed of trust encumbering the Project, or bankruptcy, receivership or similar judicial proceedings, or (ii) with respect to surplus cash distributed in any calendar year if Maker has paid all operating expenses and debt service amounts due for that calendar year;
6. Failure of Maker to pay all deductibles required under any of the insurance policies required to be maintained under the City Loan Agreement;
7. Failure of the Maker to complete the construction of the Project by the date required under the City Loan Agreement;
8. Failure of the Maker to qualify the Project as a "qualified low-income housing project" under Section 42(g) of the Code;
9. Failure of Maker to comply with or cause the Project to comply with the Restrictive Covenants executed in connection with the City Loan Agreement;
10. Waste or damage to the Project as a result of the intentional misconduct or gross negligence of Maker; or
11. Failure of Maker to comply with the provisions of the Deed of Trust prohibiting hazardous or toxic substances or regarding compliance with environmental laws.

§

KNOW ALL MEN BY THESE PRESENTS:

THAT LONE STAR HOUSING AND COMMUNITY DEVELOPMENT CORPORATION, a Texas nonprofit corporation ("**Assignor**"), has collaterally TRANSFERRED AND ASSIGNED and by these presents does hereby collaterally TRANSFER AND ASSIGN unto CITY OF HOUSTON ("**Assignee**") a security interest (the "**Security Interest**") in all right, title and interest of Assignor in and to (a) the Promissory Note listed on Exhibit A attached hereto (the "**Collateral Note**"), (b) that Deed of Trust, Security Agreement and Financing Statement dated of even date herewith executed by SCOTT STREET LOFTS, LP, a Texas limited partnership ("**Owner**"), for the benefit of Assignor (the "**Deed of Trust**", and all documents and instruments securing, governing or evidencing the loan evidenced by the Collateral Note (collectively, the "**Collateral Loan Documents**"), and (c) all of the liens and security interests granted to Assignor in the Collateral Loan Documents or otherwise securing the Collateral Note (collectively, the "**Collateral Liens**"); and, further, Assignor hereby collaterally TRANSFERS AND ASSIGNS unto Assignee a security interest in all of the rights, privileges, securities, equities, powers, benefits, claims, priorities, demands, titles, or interests now owned or held by Assignor in and to the Collateral Note, the Collateral Loan Documents, and the Collateral Liens.

This Collateral Assignment is made to secure performance of Assignor's obligations under and pursuant to that certain Loan Agreement (the "**Loan Agreement**") dated \_\_\_\_\_, 2020 between Assignor, Assignee and Owner, including, without limitation, all renewals, replacements, rearrangements, substitutions, restatements, and extensions now or hereafter executed in connection therewith.

Assignor represents and warrants to Assignee that (A) Assignor is the sole legal and equitable owner and holder of the Collateral Note and the indebtedness evidenced thereby, (B) Assignor has not assigned, mortgaged, pledged, hypothecated or otherwise transferred its right, title or interest in and to the Collateral Note, any indebtedness evidenced thereby, the Collateral Loan Documents or any of the Collateral Liens to any party other than Assignee, (C) the Collateral Note is in all respects current and in good standing and is not overdue or subject to any credits or offsets, (D) neither the maker of the Collateral Note, nor any surety or guarantor of the Collateral Note, has raised any counterclaim, defense, allowance, adjustments, dispute, objection, or complaint regarding their respective liability on any of the Collateral Note or under any Collateral Loan Document, (E) the Collateral Note and the Collateral Loan Documents have not been amended, altered, or modified since the date of the execution thereof, (F) no default, or event which with notice, lapse of time, or both would constitute a default, under the Collateral Note or the Collateral Loan Documents has occurred, and (G) Assignor has the full right and authority to sell, assign, pledge, mortgage, hypothecate, transfer and grant a security interest in the Collateral Note, the Collateral Loan Documents, and the Collateral Liens.

When a Default exists under and as defined in the Loan Agreement, Assignee shall, in addition to the rights and remedies provided for (i) in the Loan Agreement, (ii) in the Loan Documents (as defined in the Loan Agreement), (iii) in the Collateral Note, (iv) any of the Collateral Loan Documents, and (v) at law or in equity, have the right to sell the Collateral Note in any manner afforded to Assignee under the laws of

the State of Texas including the exercise of all rights of a secured creditor under the UCC as defined below. The proceeds of the sale shall be applied toward the payment of all sums due and unpaid pursuant to the Loan Agreement.

The requirement of notice to Assignor of the time and place of any public sale of the Collateral Note, or of the time after which any private sale or any other intended disposition thereof is to be made, shall be met if such notice is mailed, postage prepaid, to Assignor at the following address:

If mailed/delivered:

or such other address provided to Assignee by Assignor in writing, at least thirty (30) days before the date of any public sale or at least thirty (30) days before the time after which any private sale or disposition is to be made, unless a longer period of time is required pursuant to the Uniform Commercial Code as adopted in the State of Texas (the "UCC"), in which case, applicable provisions of the UCC shall control.

Assignor authorizes Assignee to give notice to the maker of the Collateral Note of the existence of this Collateral Assignment and to instruct such maker, when a Default exists under the Loan Agreement, or under this Collateral Assignment, to direct all payments due and payable under the Collateral Note to Assignee.

Assignor retains the right to collect and receive any and all sums becoming due upon the Collateral Note, unless and until a Default exists under the Loan Agreement. Assignor shall not agree to amend, alter, or modify the Collateral Note or the Collateral Loan Documents or accept prepayment of the Collateral Note without the prior written consent of the Assignee, which may be granted or denied in Assignee's sole discretion.

This Collateral Assignment shall in no manner impair or affect any of the other liens granted by Assignor to Assignee, and no security hereafter taken therefor shall in any manner impair or affect the security hereby given, it being agreed that all such present and future security shall be cumulative security and that Assignee may foreclose under any of such security, as Assignee may elect, without waiving the other.

This Collateral Assignment shall expire and be of no further effect once the Affordability Period (as defined in the Loan Agreement) requirements of the Loan Agreement have expired in the event Assignee has not previously executed a written release of this Collateral Assignment.

By accepting delivery of this Collateral Assignment, Assignee agrees that the Collateral Liens, including those evidenced by the Deed of Trust, are and shall be subordinate to any extended low income housing commitment (as such term is defined in Section 42(h)(6)(B) of the Internal Revenue Code, as amended (the "Extended Use Agreement") recorded against the Land (as defined in the Deed of Trust); provided that such Extended Use Agreement, by its terms, must terminate upon foreclosure under this Deed of Trust or upon a transfer of the Land by instrument in lieu of foreclosure, in accordance with Section

42(h)(6)(E) of the Internal Revenue Code. The Restrictive Covenants dated of even date hereof executed by Owner for the benefit of the City shall not be subordinate to any extended low income housing commitment as such term is defined in the Extended Use Agreement.

THIS COLLATERAL ASSIGNMENT CONSTITUTES THE ENTIRE AGREEMENT WITH RESPECT TO THE SUBJECT HEREOF AND SHALL SUPERSEDE ANY PRIOR AGREEMENT BETWEEN THE PARTIES, WHETHER WRITTEN OR ORAL, RELATING TO THE SUBJECT HEREOF. FURTHERMORE, IN THIS REGARD, THIS AGREEMENT AND THE OTHER WRITTEN LOAN DOCUMENTS REPRESENT, COLLECTIVELY, THE FINAL AGREEMENT AMONG THE PARTIES THERETO AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENT OF SUCH PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

Construction Completion Guaranty

## CONSTRUCTION COMPLETION GUARANTY

This Construction Completion Guaranty ("**Guaranty**") is made by the undersigned, **SCOTT STREET LOFTS ADVISORS, LLC**, a Texas limited liability company, and **MARK-DANA CORPORATION**, a Virginia corporation (whether one or more, collectively, jointly and severally, hereinafter referred to as "**Guarantor**"), in favor of **THE CITY OF HOUSTON, TEXAS**, a home-rule city organized under the laws of the State of Texas ("**City**"), and is a guarantee of certain obligations of **LONE STAR HOUSING AND COMMUNITY DEVELOPMENT CORPORATION**, a Texas nonprofit corporation ("**Borrower**"), and **SCOTT STREET LOFTS, LP**, a Texas limited partnership ("**Owner**"), (Borrower and Owner sometimes herein collectively referred to as "**Third Parties**").

### RECITALS:

**WHEREAS**, Third Parties have requested that the City enter into a certain Loan Agreement ("**Agreement**") of substantially even date herewith, by and between Borrower, Owner and the City, pursuant to which the City is being requested to lend to Borrower an amount not to exceed FOURTEEN MILLION FIVE HUNDRED THOUSAND AND NO/100 DOLLARS (\$14,500,000.00) ("**Loan**") to pay for eligible costs in connection with the acquisition and construction of a one hundred twenty-three (123) unit apartment complex (collectively, the "**Improvements**") upon certain real property owned by Owner and located in Harris County, Texas ("**Premises**") (the Premises and the Improvements are hereinafter referred collectively to from time to time as, the "**Project**");

**WHEREAS**, Borrower's obligations to the City are evidenced by a certain Note executed by Borrower ("**Note**") of even date herewith and are secured, in part, by a certain Collateral Assignment of Note and Liens executed by Borrower assigning Borrower's right, title and interest in and to a loan made by Borrower to Owner in the maximum principal amount of the Loan, together with a Deed of Trust, Security Agreement and Financing Statement ("**Deed of Trust**") covering the Project and all of the documents evidencing, securing, guaranteeing or governing the Loan, are sometimes referred to collectively as the "**Loan Documents**"; and

**WHEREAS**, the City is unwilling to enter into the Agreement and to make the Loan unless Guarantor delivers this Guaranty to the City.

**NOW, THEREFORE**, in consideration of the foregoing and in order to induce the City to enter into the Agreement and to make the Loan to Borrower subject to the terms and conditions of the Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and further acknowledging that the City intends to rely on the guaranty of Guarantor hereunder, Guarantor hereby agrees as follows:

1. **DEFINITIONS AND INTERPRETATIONS**. As used herein, the following capitalized terms shall have the following meanings:

"**Borrower**" shall mean Borrower and its successors and assigns.

"**Completion Date**" shall mean the date on which the Director sends written notice to Borrower that the Project Completion (as defined in the Agreement) has occurred in accordance with the Loan Documents and to the satisfaction of the Director and that the Guaranteed Obligations have been satisfied in full.

"**Guarantor**" shall mean and refer to each and all of the undersigned parties signing this Guaranty as Guarantor; and the liability of said parties for the performance of the covenants, duties and obligations of Guarantor hereunder shall be joint and several.

"**Owner**" shall mean Owner and its successors and assigns.

“**Third Parties**” shall mean Third Parties and their respective successors and assigns.

Capitalized words and phrases that are used herein and not defined herein shall have the meaning ascribed to them in the Loan Documents. Any defined term used in the plural shall refer to all members of the relevant class, and any defined term used in the singular shall refer to any of the members of the relevant class. Any defined term used herein that is a document, instrument, drawing, survey, map, plan, technical description or other writing, and any other reference herein to a writing, shall include the original of such writing and any and all amendments, supplements, modifications, renewals, extensions, restatements, reinstatements, rearrangements, enlargements, or replacements of or to the same from time to time.

2. **OBLIGATIONS GUARANTEED**. In consideration of the City entering into the Agreement and agreeing to make the Loan, and upon the terms and provisions hereof, Guarantor hereby irrevocably, jointly and severally, absolutely and unconditionally warrants and guarantees to the City the payment and performance of the following (the “**Guaranteed Obligations**”), when due, whether by their terms, by acceleration, or otherwise: (a) that Third Parties shall cause construction of the Project to be completed on or before (i) the Completion Date, which shall be twenty-four (24) months after the Closing of the Loan (as defined in the Agreement) (subject to extensions for Force Majeure) and construction shall be commenced within two (2) months after Closing, with time being of the essence for both deadlines; (b) that Third Parties shall cause the Project to be constructed and completed in accordance with the Loan Documents and all requirements of any governmental authority without deviation unless approved by the City, in writing, or specifically permitted by applicable provisions of the Agreement; (c) that Third Parties shall cause the Project to be constructed and completed free and clear of all liens other than those in favor of the Borrower (as collaterally assigned to City), Senior Lender, or as otherwise specifically permitted under the terms of the Deed of Trust; (d) that Owner shall strictly comply with the environmental covenants, representations and warranties contained in the Deed of Trust and (e) that Third Parties shall cause all costs of constructing the Project, including, but not limited to, all debt service and all operating deficits, to be paid when due, including without limitation, all costs in excess of those set forth in the Preliminary Project Budget (as defined in the Agreement) whether resulting from: (i) change orders; (ii) delays in obtaining any approvals from any governmental authority that are required for the construction, use, or occupancy of the Project (collectively, the “**Approvals**”); or (iii) otherwise. Guarantor further guarantees the payment and performance of the Guaranteed Obligations whether or not the same arise during or after the time that Owner is the owner of the Premises, whether subsequent owners of the Premises acquire the Premises by voluntary or involuntary means, by foreclosure or deed in lieu of foreclosure, or otherwise and notwithstanding that other persons or entities may be the subsequent owners of the Premises.

3. **CONSIDERATION**. Guarantor acknowledges that Guarantor has made this Guaranty to induce the City to make advances to Borrower of the Loan and that the City is making such advances to Borrower in reliance upon this Guaranty and would not make such advances without the appropriate execution and delivery of this Guaranty.

Guarantor represents and warrants to the City that Guarantor has a financial interest in Third Parties and will receive substantial economic benefit by reason of the City extending the Loan to Borrower, provided, however, that Guarantor's liability hereunder shall not be affected or impaired by such Guarantor's disposition or loss of its financial interest in Third Parties or by reason of the City's refusal in accordance with the terms of the Loan Documents to make Loan advances to Borrower.

4. **OBLIGATIONS OF GUARANTOR UPON DEFAULT**. If a Default exists that is a failure by any party to pay or to perform any part of the Guaranteed Obligations when due, Guarantor shall, within ten (10) business days after written demand of the City to Guarantor (a) cure such failure to pay and/or commence to perform diligently, continuously and in good faith the applicable part of the Guaranteed Obligations and complete same in the time frames required under the Loan Documents; (b) diligently procure completion of the Project at Guarantor's sole cost and expense and in the time frames required under the Loan Documents; (c) fully pay and

discharge all claims, including for labor performed and material and services furnished in connection with the construction of the Project, subject to the provisions of the Loan Documents, including the right thereunder to contest or bond such claims; and (d) pay the City (x) all reasonable attorneys' fees and other costs the City incurs in enforcing the performance or the payment of the Guaranteed Obligations, with interest at the Default Rate (as defined in the Note), and/or (y) any and all sums the City has advanced to satisfy portions of the Guaranteed Obligations pursuant to the Agreement. The City agrees that: (i) in the event that and so long as Guarantor is not in default of the terms, conditions, provisions, and obligations hereunder beyond applicable grace periods; (ii) in the event that and so long as Guarantor is timely paying or performing the Guaranteed Obligations as required herein based on the written request of the City and without the requirement of any legal proceeding to enforce the same; and (iii) after Guarantor commences and diligently and continuously continues, in good faith, to pay or perform a portion of the Guaranteed Obligations after written request of the City and Guarantor has provided the City with evidence satisfactory to the City that such Guaranteed Obligations are being timely performed, lien-free (or bonded around) and in strict accordance with the Loan Documents, there is no further Default by Third Parties under the Agreement or the other Loan Documents or failure by Guarantor in payment or performance of the Guaranteed Obligations hereunder, the City shall continue to advance any Loan funds then available pursuant to the provisions of the Agreement as if no Default had occurred and shall not institute foreclosure proceedings under the Deed of Trust or charge interest at the rate under the Note during the period after which Guarantor first pays or performs a portion of the Guaranteed Obligations (which portion is sufficient to the City to evidence that the Guaranteed Obligations will be timely completed in strict accordance with the Loan Documents) after written request of the City and prior to the date that one of the conditions described in items (i), (ii), and (iii) is no longer met. It is expressly understood and agreed that the City may institute such foreclosure proceedings and/or charge interest at the Default Rate under the Note, notwithstanding Guarantor's compliance and timely performance hereunder, should any Default exist that is not cured promptly after: (a) receipt by Guarantor of notice thereof, or (b) a demand by the City to Guarantor pursuant to this Section 4. **ANYTHING IN THIS GUARANTY TO THE CONTRARY NOTWITHSTANDING, GUARANTOR FURTHER AGREES TO INDEMNIFY AND HOLD HARMLESS THE CITY AGAINST ANY LOSS, DAMAGE, COST OR EXPENSE (INCLUDING WITHOUT LIMITATION, REASONABLE ATTORNEYS' FEES AND COSTS) THAT THE CITY MAY SUFFER OR INCUR BY REASON OF THE BREACH OR FAILURE OF GUARANTOR'S UNDERTAKINGS AND AGREEMENTS PURSUANT TO THIS GUARANTY.**

5. **TERMINATION.** The obligations of Guarantor hereunder shall terminate on the Completion Date as defined herein.

6. **CONTINUING GUARANTY.** This is a continuing Guaranty, and shall apply to and cover all of the Guaranteed Obligations and all renewals and extensions thereof until the termination date of Guarantor's obligations hereunder as established pursuant to Section 5 hereof

7. **INDEPENDENT OBLIGATION; BANKRUPTCY OF BORROWER OR OWNER.** The obligations of Guarantor hereunder are independent of the obligations of Third Parties, or any other person; and the City may enforce any of the City's rights hereunder independently of any other right or remedy that the City may at any time hold with respect to the Guaranteed Obligations or any security or other guaranty therefor. Without limiting the generality of the foregoing, the City may bring a separate action against Guarantor without first proceeding against Third Parties, any other guarantor or any other person, or any security held by the City, and regardless of whether Third Parties or any other guarantor or any other Person is joined in any such action. The City's rights hereunder shall not be exhausted by any action taken by the City

until all Guaranteed Obligations have been fully paid and performed or until the obligations of Guarantor hereunder terminate pursuant to Section 5 hereof.

The liability of Guarantor hereunder shall be reinstated and revived, and the rights of the City shall continue, with respect to any amount at any time paid on account of the Guaranteed Obligations that shall thereafter be required to be restored or returned by the City upon the bankruptcy, insolvency, or reorganization of Third Parties, any other guarantor or any other person liable for the Guaranteed Obligations, or otherwise, all as though such amount had not been paid. In any bankruptcy or other proceeding in which the filing of claims is required by law, Guarantor shall file all claims which Guarantor may have against Borrower and/or Owner relating to any indebtedness of Borrower and/or Owner to Guarantor and shall assign to the City all rights of Guarantor thereunder. If Guarantor does not file any such claim, the City, as attorney-in-fact for Guarantor, is hereby authorized to do so in the name of Guarantor or, in the City's sole discretion, to assign the claim to a nominee and to cause proof of claim to be filed in the name of the City's nominee. The foregoing power of attorney is coupled with an interest and cannot be revoked. The City or its nominee shall have the right, in its reasonable discretion, to accept or reject any plan proposed in such proceeding and to take any other action which a party filing a claim is entitled to do. In all such cases, whether in administration, bankruptcy or otherwise, the person or persons authorized to pay such claim shall pay to the City the amount payable on such claim and, to the full extent necessary for that purpose, Guarantor hereby assigns to the City all of Guarantor's rights to any such payments or distributions; provided, however, Guarantor's obligations hereunder shall not be satisfied except to the extent that the City receives cash by reason of any such payment or distribution. If the City receives anything hereunder other than cash, the same shall be held as collateral for amounts due under this Guaranty. If all or any portion of the Guaranteed Obligations are paid or performed, the obligations of Guarantor hereunder shall continue and shall remain in full force and effect in the event that all or any part of such payment or performance is avoided or recovered directly or indirectly from the City as a preference, fraudulent transfer or otherwise under the Bankruptcy Code or other similar laws, irrespective of (a) any notice of revocation given by Guarantor prior to such avoidance or recovery, or (b) full payment and performance of all of the indebtedness and obligations evidenced and secured by the Loan Documents.

8. **WAIVER.** Guarantor hereby waives: (a) any defense based upon any legal disability or other defense of Borrower, any other guarantor or other person, or by reason of the cessation or limitation of the liability of Borrower or Owner from any cause other than full payment and performance of those obligations of Borrower or Owner which are guaranteed hereunder; (b) any defense based upon any lack of authority of the officers, directors, partners, managers, members or agents acting or purporting to act on behalf of Borrower, Owner or any principal of Borrower or Owner or any defect in the formation of Borrower or Owner or any principal of Borrower or Owner; (c) any defense based upon the application by Borrower of the proceeds of the Loan for purposes other than the purposes represented by Borrower to the City or intended or understood by the City or Guarantor; (d) any and all rights and defenses arising out of an election of remedies by the City, even though that election of remedies has destroyed Guarantor's rights of subrogation or reimbursement against the principal; (e) any defense based upon the City's failure to disclose to Guarantor any information concerning Borrower's financial condition or any other circumstances bearing on Borrower's ability to pay and perform its obligations under the Note or any of the other Loan Documents or upon the failure of any other principals of Borrower to guaranty the Loan; (f) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in any other respects more burdensome than that of a principal; (g) any defense based upon the City's election, in any proceeding instituted under the Federal Bankruptcy Code, of the application of Section 1111(b)(2)

of the Federal Bankruptcy Code or any successor statute; (h) any defense based upon any borrowing or any grant of a security interest under Section 364 of the Federal Bankruptcy Code; (i) any right of subrogation, any right to enforce any remedy which the City may have against Borrower or Owner and any right to participate in, or benefit from, any security for the Note or the other Loan Documents now or hereafter held by the City; (j) presentment, demand, protest and notice of any kind including notice of acceptance of this Guaranty; (k) the benefit of any statute of limitations affecting the liability of Guarantor hereunder or the enforcement hereof; (l) any right to require the City to institute suit or exhaust remedies against Borrower or others liable for any of such indebtedness, to enforce the City's rights against any collateral which shall have been given to secure the Loan, to enforce the City's rights against any other guarantors of such indebtedness, to join Borrower or any others liable on such indebtedness in any action seeking to enforce this Guaranty, to resort to any other means of obtaining payment of such indebtedness; (m) notices of disbursement of Loan proceeds, acceptance hereof, proof of non-payment, default under any Loan Document, notices and demands of any kind (it being Guarantor's and the City's intent that Guarantor shall not be considered a "debtor" in accordance with Section 9.102 of the Texas Business and Commerce Code, as now existing or hereafter amended); (n) the invalidity, illegality or unenforceability of all or any portion of the indebtedness guaranteed hereby or any of the Loan Documents for any reason whatsoever, including that interest on such indebtedness violates applicable usury laws, that Borrower or others liable for all or a portion thereof have valid defenses, claims or offsets to all or a portion of such indebtedness, or that the Note or other Loan Documents have been forged or otherwise are irregular or not genuine or authentic (it being agreed that Guarantor shall remain liable under this Guaranty regardless of whether Borrower or any other person shall be found not liable for repayment of all or a portion of such indebtedness); (o) notice of any advances made or credit extended to Borrower on the faith of this Guaranty and of the execution and delivery by Third Parties of any documents evidencing, securing, or pertaining to the Guaranteed Obligations; (p) notice of, and the right to consent to, the City's assignment of the benefits of this Guaranty; and (q) any and all benefits that might otherwise be available to Guarantor under applicable law. Guarantor further waives any and all rights and defenses that Guarantor may have because Borrower's debt is secured by real property; this means, among other things, that: (1) the City may collect from Guarantor without first foreclosing on any real or personal property collateral pledged by Borrower or Owner; (2) if the City forecloses on any real property collateral pledged by Borrower or Owner, then (A) the amount of the debt may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price, and (B) the City may collect from Guarantor even if the City, by foreclosing on the real property collateral, has destroyed any right Guarantor may have to collect from Borrower or Owner. The foregoing sentence is an unconditional and irrevocable waiver of any rights and defenses Guarantor may have because Borrower's debt is secured by real property. These rights and defenses being waived by Guarantor include, but are not limited to, any rights or defenses based upon deficiency limitation, anti-deficiency, redemption or other similar rights. Without limiting the generality of the foregoing or any other provision hereof, Guarantor further expressly waives to the extent permitted by law any and all rights and defenses, including without limitation, any rights of subrogation, reimbursement, indemnification and contribution, and which might otherwise be available to Guarantor under Texas Property Code §§ 51.003, 51.004 and 51.005 or otherwise.

In addition, Guarantor agrees that the performance of any act or any payment which tolls any statute of limitations applicable to the Loan Documents shall similarly operate to toll the statute of limitations applicable to Guarantor's liability hereunder. Finally, Guarantor waives any rights and defenses it may have under Section 17.001 of the Texas Civil Practice & Remedies Code, Rule 31 of the Texas Rules of Civil Procedure, and Chapter 34 of the Texas Business & Commerce Code.

9. **GUARANTY UNIMPAIRED BY SUBSEQUENT EVENTS.** Except as otherwise provided herein, Guarantor hereby expressly waives the right to receive notice of, to consent to, or receive any additional consideration on account of any of the following, and Guarantor hereby agrees that its obligations under this Guaranty shall not be released, diminished, impaired, reduced, or otherwise affected by the occurrence of any of the following events (or the fact that any of such events have occurred):

- (a) The amendment, renewal, extension, restatement, or assignment of any part or all of the Guaranteed Obligations or any of the plans and specifications, the Loan Documents, or other documents evidencing, securing, or pertaining thereto, or any other forbearance or agreement by the City to accept a deferred payment or performance of any Guaranteed Obligations; and
- (b) The cancellation of any part of the Guaranteed Obligations or the release of Borrower, Guarantor, or any other Person from liability for all or any part of the Guaranteed Obligations; it being acknowledged and agreed by Guarantor that Guarantor may be required to pay or perform the Guaranteed Obligations in full without the assistance or support of any other party, and no Guarantor has been induced to enter into this Guaranty on the basis of any contemplation, belief, understanding, or agreement that any other party shall at all times be liable to pay or perform the Guaranteed Obligations or that the City shall look to other parties to pay or perform the Guaranteed Obligations.

10. **AUTHORITY TO MODIFY GUARANTEED OBLIGATIONS.** Guarantor authorizes the City at any time and from time to time without notice and without affecting the liability of Guarantor hereunder, to: (a) alter the terms of all or any part of the Guaranteed Obligations and any security and guaranties therefor, including without limitation modification of times for payment and rates of interest; (b) accept new or additional instruments, documents, agreements, security, or guaranties in connection with all or any part of the Guaranteed Obligations; (c) accept partial payments on the Guaranteed Obligations; (d) waive, release, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, compromise, liquidate, and enforce all or any part of the Guaranteed Obligations and any security or guaranties therefor, and apply any such security and direct the order or manner of sale thereof (and bid and purchase at any such sale), as the City, in the City's sole discretion, may determine; (e) release Borrower or Owner, any Guarantor, and/or any other Person from any personal liability with respect to all or any part of the Guaranteed Obligations; and (f) assign this Guaranty in whole or in part to a person or entity that becomes the holder or owner of the Note.

11. **SUBORDINATION.** Guarantor subordinates all present and future indebtedness owing by Borrower and Owner or, during the existence of a Default, by any other guarantor of the Loan, to Guarantor to the obligations at any time owing by Borrower and Owner to the City under the Note and the other Loan Documents. Guarantor collaterally assigns all such indebtedness to the City as security for this Guaranty, the Note and the other Loan Documents. Guarantor agrees to make no claim for such indebtedness until all obligations of Borrower or Owner under the Note and the other Loan Documents have been fully discharged. Guarantor further agrees not to assign all or any part of such indebtedness unless the City is given prior notice and such assignment is expressly made subject to the terms of this Guaranty. If the City so requests, (a) all instruments evidencing such indebtedness shall be duly endorsed and delivered to the City, (b) all security for such indebtedness shall be duly assigned and delivered to the City, (c) such indebtedness shall be enforced, collected and held by Guarantor as trustee for the City and shall

be paid over to the City on account of the Loan but without reducing or affecting in any manner the liability of Guarantor under the other provisions of this Guaranty, and (d) Guarantor shall execute, file and record such documents and instruments and take such other action as the City deems necessary or appropriate to perfect, preserve and enforce the City's rights in and to such indebtedness and any security therefor. If Guarantor fails to take such action, the City, as attorney-in-fact for Guarantor, is hereby authorized to do so in the name of Guarantor. The foregoing power of attorney is coupled with an interest and cannot be revoked.

12. **MISCELLANEOUS PROVISIONS.**

- (a) **Costs of Enforcement.** If the City incurs any reasonable attorney's fees or costs in enforcing or defending any provisions of this Guaranty and is the prevailing party with respect to the same or incurs any costs in collecting any amounts due hereunder, with or without the hiring of an attorney or the filing of any legal action or proceeding, Guarantor shall pay to the City, promptly upon demand, all such costs and the amount of all reasonable attorneys' fees incurred. Guarantor also agrees to pay interest at the Default Rate on the amount of any other payment it is required to make hereunder that it fails to make when due.
- (b) **Binding Effect.** This Guaranty and all the terms, provisions, and conditions hereof shall be binding upon Guarantor and Guarantor's heirs, legal representatives, successors, and assigns, and this Guaranty shall inure to the benefit of the City and its successors and assigns and all subsequent holders of the Guaranteed Obligations.
- (c) **Governing Law.** This Guaranty shall be governed by, and construed in accordance with, the laws of the State of Texas.
- (d) **No Waiver.** Any failure by the City to insist, or any election by the City not to insist, upon strict performance by Guarantor of any of the terms, provisions, or conditions of this Guaranty shall not be deemed to be a waiver of the same or of any other terms, provisions, or conditions thereof; and the City shall have the right at any time or times thereafter to insist upon strict performance by Guarantor of any and all of such terms, provisions, and conditions.
- (e) **Counterparts.** This Guaranty may be executed by the parties hereto separately in any number of counterparts, each of which shall be an original and all of which collectively shall constitute one and the same agreement.
- (f) **Nature of Guaranty.** The obligations, covenants, agreements and duties of each Guarantor under this Guaranty Agreement shall be joint and several with and each other Guarantor, shall be irrevocable, absolute and unconditional, shall remain in full force and effect until the Completion Date, and shall in no way be affected or impaired by reason of the happening from time to time of any other event.
- (g) **No Remedy Exclusive.** No remedy conferred upon or reserved to the City herein is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Guaranty or any instrument executed by any Guarantor to secure this Guaranty or in connection herewith, or now or hereafter existing at law or in equity.

- (h) **Jury Waiver.** GUARANTOR ACKNOWLEDGES THAT THE RIGHT TO TRIAL BY JURY IS A CONSTITUTIONAL ONE, BUT THAT IT MAY BE WAIVED, GUARANTOR, AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF ITS CHOICE, KNOWINGLY AND VOLUNTARILY, AND FOR ITS BENEFIT, WAIVES ANY RIGHT TO TRIAL BY JURY IN THE EVENT OF LITIGATION REGARDING THE PERFORMANCE OR ENFORCEMENT OF, OR IN ANY WAY RELATED TO, THIS GUARANTY OR THE GUARANTEED OBLIGATIONS.
- (j) **Notice.** All Notices sent under this Guaranty shall be delivered in the manner set forth in the Agreement for delivery of notice.

This Guaranty shall be binding upon the successors and assigns of the undersigned. The parties agree that each party may sign and deliver this Guaranty electronically or by electronic means and that an electronic signature will be as good, binding, and effective as an original or manual signature.

**WHEREAS, THE CITY OF HOUSTON** ("City") has made a loan to **LONE STAR HOUSING AND COMMUNITY DEVELOPMENT CORPORATION**, a Texas non-profit corporation, in the principal amount of [FOURTEEN MILLION FIVE HUNDRED THOUSAND AND NO/100 DOLLARS (\$14,500,000.00)], which loan is subordinate to the Senior Loan ("Subordinate Loan") for the purpose of financing a portion of the costs to acquire and/or construct the improvements to the Property, as evidenced by a certain promissory note, executed by Borrower, of even date herewith, and secured by a certain Collateral Assignment of Note and Liens executed by Borrower collaterally assigning to City, Borrower's right, title and interest in and to a loan made by Borrower to Owner in the maximum principal amount of the Subordinate Loan, together with a Deed of Trust, Security Agreement and Financing Statement, covering the Property, and which has been or will be recorded in the Official Public Records of Real Property of Harris County, Texas (such deed of trust together with all documents evidencing, securing, guaranteeing or otherwise pertaining to the Subordinate Loan, collectively, the "Subordinate Lien Loan Documents");

**WHEREAS**, the Property is encumbered (or will be encumbered) by that certain Restrictive Covenants executed (or to be executed) by Owner for the benefit of the City (together with all renewals, modifications, consolidations, replacements and extensions thereof, collectively, the "LURA").

**WHEREAS**, the Property is also encumbered (or will be encumbered) by that certain Regulatory Agreement and Land Use Restriction Agreement among TDHCA, Wilmington Trust, National Association ("Wilmington Trust") and the Borrower (the "Regulatory Agreement").

**NOW, THEREFORE**, for and in consideration of the City's extension of credit to Borrower evidenced by the Subordinate Loan, of the mutual promises, covenants and agreements contained herein, and in satisfaction of certain requirements set forth in that certain Loan Agreement between the City,

Borrower and Owner, effective as of \_\_\_\_\_, 2020 (the "Loan Agreement"), Senior Lender, Wilmington Trust, TDHCA and the City, as applicable, agree, covenant, represent and warrant as follows:

- I. The documents evidencing, securing, guaranteeing or otherwise pertaining to the Senior Loan, including, without limitation, any express or implied vendor's lien retained in connection with the transfer of the Property to Owner or other equitable lien (collectively, the "Senior Lien Loan Documents" and the liens created thereby, the "Senior Liens") are now and shall at all times during the "Affordability Period" (as defined in the LURA) be subject, subordinate and inferior to the lien, operation and effect of the LURA, SAVE AND EXCEPT the repayment of any part of the Subordinate Loan that is triggered by the default of any provision of the LURA, with the same effect as if the LURA had been executed, delivered and recorded prior to the execution, delivery and recordation of the Senior Lien Loan Documents, regardless of the order of recordation of the Senior Lien Loan Documents and the LURA.
- II. So long as the Affordability Period has not expired, the LURA shall at all times be an exception and encumbrance to title of the Property delivered to Senior Lender pursuant to the Senior DOT. The Affordability Period may not be extended without the prior written consent of the Senior Lender, which consent shall not be unreasonably withheld.
- III. Notwithstanding anything contained in this Declaration, the Subordinate Lien Loan Documents, that certain Intercreditor Agreement dated of even date herewith by and between the City, Borrower, Owner, and Senior Lender (the "Intercreditor Agreement") or the Senior Lien Loan Documents to the contrary, (i) in no event shall the LURA be deemed a "Subordinate Lien Loan Document", (ii) during the Affordability Period, the LURA shall at all times be prior and superior to the Senior Liens and any and all other provisions of the Senior Lien Loan Documents, SAVE AND EXCEPT the repayment of any part of the Subordinate Loan that is triggered by the default of any provision of the LURA, and (iii) in the event that there is a conflict in the terms and provisions of (a) this Declaration, (b) the Senior Lien Loan Documents, (c) the Subordinate Lien Loan Documents and/or (d) the Intercreditor Agreement, the terms and provisions of this Declaration shall control. Notwithstanding the foregoing during the term of the Permanent Senior Loan, if there is any conflict

or inconsistency between the terms of the Freddie Mac Subordination Agreement and the terms of this Declaration, then the terms of the Freddie Mac Subordination Agreement will control.

- IV. Notwithstanding anything to the contrary contained herein, the Subordinate Loan Documents, the Regulatory Agreement or the Senior Loan Documents, so long as the Affordability Period has not expired, the Regulatory Agreement and the LURA shall be in equal priority.
- IV. All notices, demands, certificates, or other communications hereunder shall be in writing and shall be deemed sufficiently given or served for all purposes when delivered personally, when sent by certified or registered mail, postage prepaid, return receipt requested or by private courier service, in each case, with the proper address as indicated below; provided that any such notices, demands, certificates, or other communications shall be deemed effective only upon receipt. (a) Each of Borrower and Owner has all necessary power and authority to execute, deliver, and perform its obligations under this Agreement.

(b) All action on the part of Borrower and Owner that is required for the authorization, execution, delivery, and performance of this Agreement has been duly and effectively taken.

(c) This Agreement has been duly executed and delivered by Borrower and Owner and constitutes the legal, valid, and binding obligation of Borrower and Owner, enforceable against Borrower and Owner in accordance with the terms hereof, except as such enforceability (i) may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, and other laws affecting the enforcement of creditors' rights and remedies generally, and (ii) is subject to general principles of equity.

(d) As of the date hereof, no Default or Event of Default (as such terms are used in the Senior Lien Loan Documents), or any facts or circumstances which with the passage of time or giving of notice or both could result in the occurrence of a Default or an Event of Default (as such terms are used in the Senior Lien Loan Documents), exist under the Senior Lien Loan Documents, the Subordinate Lien Loan Documents or the LURA.

Article III. Agreements by Borrower and Owner. Borrower and Owner agree that Senior Lender and the City may share information that each may acquire with respect to Borrower, Owner, or the Property and consent to the transfer of such information, whether financial or otherwise, between them, without having to obtain Borrower's and/or Owner's consent. The Subordinate Lien Loan Documents are now and shall at all times be subject, subordinate and inferior to the lien, operation, and effect of the Senior Lien Documents.

Article IV. Agreements by Senior Lender. Senior Lender agrees that so long as the Subordinate Loans are outstanding:

Section 4.01 The City, the Owner, and/or and Borrower may from time-to-time enter into modifications, renewals, extensions, and replacements of the Subordinate Loans and the Subordinate Lien Loan Documents without the further consent of Senior Lender so long as such agreements recite that they are, and shall be at all times, subject to the terms of this Agreement and so long as those agreements do not increase the amount of the periodic installments due under the Subordinate Loans, increase the interest rate, or shorten the maturity date. Unless and until all of the Senior Loan is fully paid and satisfied and the obligations of Senior Lender to make any further loans or advances to the Owner under the Senior Lien Loan Documents have ceased and terminated, the City will not (and will not permit Borrower or Owner to) without the consent of Senior Lender, take any additional collateral for the Subordinate Loans; provided, however, the preceding shall not alter or limit the rights of the City under Section 4.06.

Section 4.02 Senior Lender shall not make any further advances to Borrower which are secured by the Senior DOT, except as provided for in the Senior Lien Loan Documents relating to securing advances made by the TDHCA under the Governmental Loan for the construction, development, operation and/or protection, preservation, and maintenance of the Property, including repairs, taxes, insurance, and legal fees and other expenses of collection or defense of Senior Lender's lien or the security therefor.

Section 4.03 Any provision in the Senior DOT that purports to secure "other indebtedness" that is unrelated to the Senior Lien Note, the Senior Lien Loan Documents, and the Property shall be ineffective as against the City, and the Subordinate DOT and other Subordinate Lien Loan Documents shall have priority over any such "other indebtedness."

Section 4.04 Senior Lender shall not amend the Senior Lien Loan Documents without the City's prior written consent (which consent shall not be unreasonably withheld) if such amendment will have the effect of (i) increasing the principal amount of the Senior Loan or any amounts payable by Borrower to Senior Lender except as otherwise provided under Section 4.02, (ii) increasing the rate of interest or changing the method of calculation of interest thereon, (iii) except as a result of extension of the construction term maturity as provided in Senior Lien Loan Documents, amending the amortization or term thereof, (iv) except as specifically contemplated by the terms of the Senior Loan Documents, increasing or decreasing the monthly payments or escrows for taxes, insurance, and other reserves, or (v) except for reallocations permitted by the terms of the Senior Loan Documents, amending the construction budget, plans, or construction contracts relating to construction of the improvements on the Property. Subject to

this Section 4.04, Senior Lender may otherwise amend the Senior Lien Loan Documents without the City's prior written consent.

Section 4.05 In the event of any casualty or condemnation resulting in insurance or condemnation proceeds being paid to Senior Lender for application to the payment of obligations secured by the Senior DOT, unless the proceeds are used for repair or restoration in accordance with the Senior Lien Loan Documents, then Senior Lender will remit all proceeds in excess of the portion thereof applied to the repayment of the Senior Loan to the City, to be distributed in accordance with the provisions of the Subordinate Lien Loan Documents

Section 4.06 If a default shall occur under or with respect to a Subordinate Loan, and is continuing, the City and/or the Borrower (as applicable) each agrees that, unless and until City and/or Borrower has given the Senior Lender at least 60 days' prior written notice they will not (i) commence foreclosure proceedings with respect to the Property or any other collateral described in the Subordinate Lien Loan Documents or the Subordinate Lien Loan Documents; (ii) bring suit for collection of the Subordinate Loans (or either of them), but nothing herein shall preclude filing of a proof of claim in the case of a bankruptcy filing; (iii) attempt to collect rents; or (iv) appoint or seek the appointment of a receiver or exercising any other possessory rights or remedies thereunder; provided further, however, the City and/or Borrower (as applicable) shall be entitled to exercise and enforce all other rights and remedies available to the City under the Subordinate Lien Loan Documents and/or under applicable laws. Notwithstanding the foregoing Borrower's rights hereunder shall be limited by Article XVII of the Note between Borrower and Owner.

Section 4.07 Subject to the foregoing in Section 4.05, Section 4.06 and Section 5.02 below, the exercise by the City and/or the Borrower of any of their rights in and to any and all collateral for the Subordinate Loans, including, without limitation, any Remedies Exercise (defined below), shall not constitute a default under the Senior Lien Loan Documents. A "Remedies Exercise" shall mean (i) a foreclosure sale of the Property to the City and/or the Borrower, or any of their affiliates, or a third party, (ii) a conveyance to the City and/or the Borrower, or any of their affiliates pursuant to a deed-in-lieu of foreclosure, or (iii) a sale of the Property by the City and/or the Borrower, or any of their affiliates, if the City and/or the Borrower, or any of their affiliates is the purchaser at a foreclosure sale or obtains the Property through a deed-in-lieu of foreclosure.

Section 4.08 Any Remedies Exercise in the Property shall be subject to the Senior Lien Loan Documents. Any purchaser of any part of the Property pursuant to a Remedies Exercise shall take such portion of the Property subject to the Senior Lien Loan Documents without objection by Senior Lender and without payment of any assumption fee.

Article V. Defaults, Notice, and Cure Rights. The parties agree that:

Section 5.01 The occurrence of a Default or an Event of Default (as such terms are used in the Senior Lien Loan Documents) under the Senior Lien Loan Documents shall constitute a Default or an Event of Default (as such terms are used in the Subordinate Lien Loan Documents) under the Subordinate Lien Loan Documents.

Section 5.02 The occurrence of a Default or an Event of Default (as such terms are used in the Subordinate Lien Loan Documents) under the Subordinate Lien Loan Documents shall not, in and of itself, constitute a Default or an Event of Default (as such terms are used in the Senior Lien Loan Documents) under the Senior Lien Loan Documents.

Section 5.03 Senior Lender shall provide the City with copies of all written notices which are sent to Owner relating to defaults or exercise of remedies by Senior Lender under the Senior Lien Loan Documents (including notices of default and notices of intention to exercise remedies under the Senior Lien Loan Documents), simultaneously with the sending of such notices to Owner.

Section 5.04 The City shall have the right, but not the obligation, to cure any monetary default by Owner under the Senior Lien Loan Documents at any time on or before the later to occur of (i) the thirtieth (30th) day following receipt by the City of written notice of a monetary default under the Senior Lien Loan Documents or (ii) five (5) calendar days following the expiration of any grace, notice, or cure period available to Owner for any monetary default under the Senior Lien Loan Documents ("Monetary Cure Period"). The City shall have the right, but not the obligation, to cure any non-monetary default by Owner under the Senior Lien Loan Documents at any time on or before the later to occur of (i) the sixtieth (60th) day following receipt by the City of written notice of a non-monetary default under the Senior Lien Loan documents or (ii) five (5) calendar days following the expiration of any grace, notice, or cure period available to Owner for any non-monetary default under the Senior Lien Loan Documents ("Non-Monetary Cure Period").

Section 5.05 Senior Lender shall not accelerate the Senior Loan, or exercise any remedies under the Senior Lien Loan Documents, unless the City fails to cure such defaults prior to the expiration of the Monetary Cure Period or the Non-Monetary Cure Period, as the case may be, and if any portion of the Senior Loan has previously been or is thereafter accelerated, then Senior Lender shall reinstate the Senior Loan in accordance with its original terms, upon the cure of the defaults under the Senior Lien Documents within the Monetary Cure Period or the Non-Monetary Cure Period, as the case may be.

Section 5.06 The City and the Borrower (as applicable) shall provide Senior Lender with copies of any notices of intention to exercise any remedies under the Subordinate Lien Loan Documents, simultaneously with the sending of such notices to Borrower.

Section 5.07 The City shall have the right, but not the obligation, in lieu of curing any default under the Senior Lien Loan Documents, to purchase the Senior Loan, by paying the outstanding principal amount thereof, plus all accrued and unpaid interest thereon, together with reasonable expenses incurred by the Senior Lien Lender in connection therewith (including reasonable attorneys' fees), in exchange for assignments, on forms approved by the Senior Lender, of the Senior Lien Loan Documents (including, without limitation, to the extent permitted by applicable law or regulation, the original title insurance policies for the Senior DOT and the original Senior Lien Note, all endorsed to the City or its designee), without recourse or warranty and pursuant to which the City shall release the Senior Lender from all claims and other liabilities of the City relating to the Senior Loan as required by the Senior Lender.

Article VI. Escrow Accounts. Pursuant to the Senior Lien Loan Documents, Senior Lender may require Owner to escrow amounts for the payment of taxes and insurance with respect to the Property ("Escrow Accounts"). If Senior Lender requires such Escrow Accounts, then Senior Lender agrees to use such amounts to pay such taxes and insurance as they become due and will not apply such amounts to the Senior Loan except after foreclosure of the Senior Loan. If the Senior Lender does not require Owner to maintain Escrow Accounts, the City may require (but shall not be obligated to do so) Owner and/or Borrower to maintain Escrow Accounts and to pledge such Escrow Accounts to the City.

Article VII. Conditions Precedent; Effective Date. This Agreement shall not become effective until the date (such date being the "Effective Date") when all of the following conditions precedent have been satisfied or waived:

- (a) This Agreement shall have been duly executed by each of the parties hereto; and

(b) Borrower and Owner each have executed all of the Subordinate Lien Loan Documents in addition to the Subordinate Loan Agreements.

Article VIII. Controlling Agreements: LURA. In the event of any conflict between the terms and conditions of this Agreement and the terms and provisions of the Senior Lien Loan Documents or the Subordinate Lien Loan Documents, then the terms and provisions of this Agreement shall control. Notwithstanding anything contained in this Agreement or the Senior Lien Loan Documents to the contrary, (i) in no event shall the LURA be deemed a Subordinate Lien Loan Document, (ii) the LURA shall at all times be prior and superior to the lien securing the Senior Loan and any and all other provisions of the Senior Lien Loan Documents and (iii) in the event that there is a conflict in the terms and provisions of (x) this Agreement, (y) the Senior Lien Loan Documents, or (z) that certain Declaration of Subordination of Senior Lender, executed by Senior Lender and TDHCA for the benefit of the City, of even date herewith ("Declaration of Subordination"), the terms and provisions of the Declaration of Subordination shall control. Notwithstanding anything contained in this Agreement (i) in no event shall the LURA be deemed a Subordinate Lien Loan Document.

Article IX. No Third-Party Beneficiary. Nothing in this Agreement, express or implied, is intended or shall be construed to confer upon, or to give to, any party other than the parties hereto and their respective successors and assigns, any right, remedy or claim under or by reason of this Agreement or any covenant, condition, or stipulation thereto; and the covenants, stipulations, and agreements contained in this Agreement are and shall be for the sole and exclusive benefit of the parties hereto and their respective successors and assigns.

Article X. City Council Approval.

Section 10.01 This Agreement shall not be effective until the Subordinate City Loan Agreement has been approved by the City of Houston City Council ("City Council") and is signed by the Mayor of the City of Houston ("Mayor") and countersigned by the Controller of the City ("Controller") and the remaining Subordinate Lien Loan Documents are signed by the Director of the Housing and Community Development Department of the City. Notwithstanding anything in this Agreement to the contrary, the cure of the Defaults or Events of Default under the Senior Lien Loan Documents and/or the purchase of Senior Lien Note by the City are all subject to City Council approval.

Section 10.02 Notwithstanding anything contained herein to the contrary, this Agreement does not, nor shall it be construed to, foreclose or waive the application of all lawful requirements under the applicable laws of the State of Texas for the approval or issuance of future agreements, permits or licenses by the City.

Section 10.03 Any provision of this Agreement which contemplates (i) the payment of money by the City, which payment would require the appropriation of funds over and above any sums appropriated prior to the Effective Date of this Agreement in connection with this Agreement (and the transactions contemplated herein), or (ii) any other future action, decision, agreement, waiver or approval which by its nature must be approved by the City Council, including without limitation, the issuance of permits or licenses, shall be subject to the approval of any subsequent City Councils to which such matter is presented and to the appropriation by such City Council of the required funds, in the exercise of its legislative discretion.

Section 11.06 Survival. This Agreement shall remain in full force and effect until payment in full of the Senior Loan; provided, however, the term of this Agreement shall expire upon repayment of the Construction Senior Loan in accordance with the terms and provisions of the Senior Loan Documents and upon the recordation in the Harris County, Texas real estate records of the Freddie Mac Subordination Agreement.

Section 11.08 Severability. In case any one or more of the provisions contained in this Agreement shall be invalid, illegal, or unenforceable in any respect, the validity, legality, and enforceability of the remaining provisions contained herein shall not in any way be affected and/or impaired thereby.

Section 11.09 Funding. Senior Lender (subject to the terms and conditions of the Senior Lien Loan Documents), City (subject to the terms and conditions of the Subordinate Lien Loan Documents), Borrower and Owner, agree that the advances and funding for the acquisition of the Property and the construction of the apartment complex shall occur as follows:

- (1) Senior Lender shall first advance interest carry on the Senior Loan, origination or similar loan fees associated with the Senior Loan, and attorneys' fee associated with the Senior Loan to the extent covered by the Senior Loan;
- (2) The City will fund acquisition costs from the City Loan less ten percent (10%) retainage, which will be held until Project Completion, as defined in the Subordinate City Loan Agreement. The Parties acknowledge that the City's loan is funded on a reimbursement basis based on approved construction draws. City reimbursements will be transferred by the City to an account

controlled by the Senior Lender, located at the Senior Lender, and held in the name of Owner (the "Construction Account").

(3) To the extent payment is due and for hard and soft costs covered under the Final Construction Budget and approved by the Senior Lender's inspectors in the monthly draw requests, Senior Lender shall, on behalf of the City, fund the draw using first, any funds held in the Construction Account (net of the City's ten percent (10%) required retainage) and second, shall fund the balance of the Senior Lender approved draw from proceeds of the Senior Loan (net of any Senior Loan required retainage) to secure a funding in like amount made under the Governmental Loan.

(4) After the City Loan is fully advanced (net of required 10% retainage), Senior Lender will advance under its loan for monthly draw requests until the Senior Loan is fully advanced (net of required retainage).

The purpose of this Section is to designate funding order and not to create funding obligations between Senior Lender and City. Notwithstanding anything contained in this Section to the contrary, to the extent needed to satisfy the Fifty Percent Test (under and as defined in the Senior Lien Loan Documents), Senior Loan proceeds used to secure a funding in like amount under the Governmental Loan may be used prior to the use of the City Loan. **“Subordinate Mortgage Default”** means any act, failure to act, event, condition, or occurrence which allows (but for any contrary provision of this Agreement) Subordinate Lender to take an Enforcement Action.

**“Subordinate Note”** means the promissory note or other evidence of the Subordinate Indebtedness and any replacement of the Subordinate Note.

**“Surplus Cash”** means, with respect to any period, any revenues of Borrower remaining after paying, or setting aside funds for paying, all the following:

- (i) All sums due or currently required to be paid under the Senior Loan Documents, including any reserves and Imposition Reserve Deposits.

- (ii) All reasonable operating expenses of the Mortgaged Property, including real estate taxes, insurance premiums, utilities, building maintenance, painting and repairs, management fees, payroll, administrative expenses, legal expenses and audit expenses (excluding any developer fees payable with respect to the Mortgaged Property).

**2. Subordinate Lender's Representations and Warranties.**

- (a) Subordinate Lender represents and warrants that each of the following is true as of the date of this Agreement:
  - (i) Subordinate Lender is now the owner and holder of the Subordinate Loan Documents.
  - (ii) No Subordinate Mortgage Default has occurred and is continuing.
  - (iii) The current unpaid principal balance of the Subordinate Indebtedness is \$[\_\_\_\_\_].
  - (iv) No scheduled payments under the Subordinate Note have been prepaid.
- (b) Without the prior written consent of Senior Lender, Subordinate Lender will not do any of the following:
  - (i) Pledge, assign, transfer, convey, or sell any interest in the Subordinate Indebtedness or any of the Subordinate Loan Documents.
  - (ii) Take any action which has the effect of increasing the Subordinate Indebtedness, except to cure a Senior Mortgage Default as contemplated under Section 5(a) of this Agreement.
  - (iii) Accept any prepayment of the Subordinate Indebtedness.

**3. Terms of Subordination.**

- (a) Agreement to Subordinate. The Subordinate Indebtedness is and will at all times continue to be subject and subordinate in right of payment to the prior payment in full of the Senior Indebtedness. Each of the Subordinate Loan Documents is, and will at all times remain, subject and subordinate in all respects to the liens, terms, covenants, conditions, operations, and effects of each of the Senior Loan Documents.

- (b) Subordination of Subrogation Rights. If Subordinate Lender, by indemnification, subrogation or otherwise, acquires any Lien on any of the Mortgaged Property, then that Lien will be fully subject and subordinate to the receipt by Senior Lender of payment in full of the Senior Indebtedness, and to the Senior Loan Documents, to the same extent as the Subordinate Indebtedness and the Subordinate Loan Documents are subordinate pursuant to this Agreement.
- (c) Payments Before Senior Loan Default; Soft Subordinate Debt. Until the occurrence of a Senior Mortgage Default, Subordinate Lender will be entitled to retain for its own account all payments of the principal of and interest on the Subordinate Indebtedness pursuant to the Subordinate Loan Documents; provided that Subordinate Lender expressly agrees that it will not accept any such payment that is made more than 10 days in advance of its due date and provided further that Subordinate Lender will not accept any payment in an amount that exceeds 75% of then available Surplus Cash.
- (d) Payments After Senior Loan Default or Bankruptcy.
- (i) Immediately upon Subordinate Lender's receipt of Notice or actual knowledge of a Senior Mortgage Default, Subordinate Lender will not accept any payments of the Subordinate Indebtedness, and the provisions of Section 3(d) of this Agreement will apply.
- (ii) If Subordinate Lender receives any of the following, whether voluntarily or by action of law, after a Senior Mortgage Default of which Subordinate Lender has actual knowledge (or is deemed to have actual knowledge as provided in Section 4(c)) or has been given Notice, such will be received and held in trust for Senior Lender:
- (A) Any payment, property, or asset of any kind or in any form in connection with the Subordinate Indebtedness.
- (B) Any proceeds from any Enforcement Action.
- (C) Any payment, property, or asset in or in connection with any Bankruptcy Proceeding.
- (iii) Subordinate Lender will promptly remit, in kind and properly endorsed as necessary, all such payments, properties, and assets described in Section 3(d)(ii) to Senior Lender. Senior Lender will apply any payment, asset, or property so received from Subordinate Lender to the Senior Indebtedness in such order, amount (with respect to any asset or property other than immediately available funds), and manner as Senior Lender determines in its sole and absolute discretion.

- (e) Bankruptcy. Without the prior written consent of Senior Lender, Subordinate Lender will not commence, or join with any other creditor in commencing, any Bankruptcy Proceeding. In the event of a Bankruptcy Proceeding, Subordinate Lender will not vote affirmatively in favor of any plan of reorganization or liquidation unless Senior Lender has also voted affirmatively in favor of such plan.
- (f) Priority of Regulatory Agreement. Senior Lender and Subordinate Lender hereby agree that, notwithstanding anything to the contrary set forth elsewhere herein, the Subordinate Lender will be entitled to seek specific performance to enforce covenants and agreements of the Borrower relating to maintenance, tenant lease provisions, income, rent or affordability restrictions contained in the Regulatory Agreement and, following a foreclosure under the Senior Mortgage, or the acceptance by Senior Lender of a deed to the Mortgaged Property in lieu of such a foreclosure (each, a "**Foreclosure Action**"), the Regulatory Agreement shall survive and the successor owner of the Mortgaged Property shall acquire the Mortgaged Property subject to all of the terms and conditions of the Regulatory Agreement, except as otherwise expressly provided below:
1. No successor owner shall be obligated under the Regulatory Agreement to make any payment under, or to otherwise comply with, any of the other Subordinate Loan Documents;
  2. The Foreclosure Action and the transfer of the Mortgaged Property pursuant to the Foreclosure Action will not violate the limitations on transfers in the Regulatory Agreement or require the approval of the Subordinate Lender. Neither the successor owner initially acquiring title to the Mortgaged Property as a result of a Foreclosure Action, nor its immediate successor in interest, shall be subject to any of the limitations upon creation of indebtedness nor creation of any lien securing indebtedness set forth in the Regulatory Agreement; provided that any subsequent mortgagee or lienholder with respect to such indebtedness shall agree that in the event of foreclosure or deed in lieu of foreclosure, the transferee under such foreclosure agrees that it will take subject to the Regulatory Agreement; and provided further that all other subsequent encumbrances shall be subject to Subordinate Lender's approval under the Regulatory Agreement. Any sale, assignment or transfer of the Mortgaged Property following a transfer pursuant to a Foreclosure Action shall be subject to Subordinate Lender's rights under the Regulatory Agreement to approve such transfer, except that Subordinate Lender agrees that its decision to approve any such sale, assignment or other transfer will be based solely upon whether the proposed transferee is qualified to manage and operate affordable housing projects similar to the Mortgaged Property, and the Subordinate Lender will not unreasonably withhold, delay or condition its consent to any such proposed transfer;
  3. No successor owner would be obligated to pay, or otherwise have any liability for or in connection with, any claim by Subordinate Lender for

liquidated damages, for indemnification or for damages in connection with any breach of any term or provision of the Regulatory Agreement first occurring prior to the date upon which such successor owner acquired title to the Mortgaged Property;

4. No successor owner shall be required to cure any default under the Regulatory Agreement first occurring prior to the date upon which such successor owner acquired title to the Mortgaged Property, except that each successor owner shall be required to cure continuing defaults under the Regulatory Agreement related to the Mortgaged Property; provided further, however, that each such successor owner shall have 120 days after the date upon which it acquires title to the Mortgaged Property to cure such continuing defaults, or, if any such continuing default is not reasonably susceptible to a cure by such owner within such period, to commence curing such default (and in such latter case, such owner shall thereafter continuously and diligently pursue the cure of such default to completion);
5. All reserve requirements imposed by the Regulatory Agreement shall, after any Foreclosure Action, be deemed satisfied so long as comparable reserves are established and held by the applicable successor owner's lenders; and
6. The Subordinate Lender, after a Foreclosure Action, shall not unreasonably withhold, delay or condition any consent or approval contemplated by the Regulatory Agreement.

**4. Default Under Subordinate Loan Documents.**

(a) Notice of Subordinate Loan Default and Cure Rights.

- (i) Subordinate Lender will deliver to Senior Lender and Funding Lender a copy of each Notice delivered by Subordinate Lender pursuant to the Subordinate Loan Documents within 5 Business Days of sending such Notice to Borrower. Neither giving nor failing to give a Notice to Senior Lender or Funding Lender pursuant to this Section 4(a) will affect the validity of any Notice given by Subordinate Lender to Borrower.
- (ii) For a period of 90 days following delivery to Senior Lender of an Enforcement Action Notice, Senior Lender will have the right, but not the obligation, to cure any Subordinate Mortgage Default. However, if such Subordinate Mortgage Default is a non-monetary default and is not capable of being cured within such 90-day period and Senior Lender has commenced and is diligently pursuing such cure to completion, Senior Lender will have such additional period of time as may be required to cure such Subordinate Mortgage Default or until such time, if ever, as Senior Lender takes either of the following actions:

- (A) Discontinues its pursuit of any cure.
  - (B) Delivers to Subordinate Lender Senior Lender's written consent to the Enforcement Action described in the Enforcement Action Notice.
- (iii) Senior Lender will not be subrogated to the rights of Subordinate Lender under the Subordinate Loan Documents as a result of Senior Lender having cured any Subordinate Mortgage Default.
  - (iv) Subordinate Lender acknowledges that all amounts advanced or expended by Senior Lender in accordance with the Senior Loan Documents or to cure a Subordinate Mortgage Default will be added to and become a part of the Senior Indebtedness and will be secured by the lien of the Senior Mortgage.
- (b) Subordinate Lender's Exercise of Remedies After Notice to Senior Lender.
- (i) In the event of a Subordinate Mortgage Default, Subordinate Lender will not commence any Enforcement Action until 90 days after Subordinate Lender has delivered to Senior Lender and Funding Lender an Enforcement Action Notice. During such 90-day period or such longer period as provided in Section 4(a), Subordinate Lender will be entitled to seek specific performance to enforce covenants and agreements of Borrower relating to income, rent, or affordability restrictions contained in the Regulatory Agreement, subject to Senior Lender's right to cure a Subordinate Mortgage Default set forth in Section 4(a).
  - (ii) Subordinate Lender may not commence any other Enforcement Action, including any foreclosure action under the Subordinate Loan Documents, until the earlier of:
    - (A) The expiration of such 90-day period or such longer period as provided in Section 4(a).
    - (B) The delivery by Senior Lender to Subordinate Lender of Senior Lender's written consent to such Enforcement Action by Subordinate Lender.
  - (iii) Subordinate Lender acknowledges that Senior Lender may grant or refuse consent to Subordinate Lender's Enforcement Action in Senior Lender's sole and absolute discretion. At the expiration of such 90-day period or such longer period as provided in Section 4(a) and, subject to Senior Lender's right to cure set forth in Section 4(a), Subordinate Lender may commence any Enforcement Action.

- (iv) Senior Lender may pursue all rights and remedies available to it under the Senior Loan Documents, at law, or in equity, regardless of any Enforcement Action Notice or Enforcement Action by Subordinate Lender. No action or failure to act on the part of Senior Lender in the event of a Subordinate Mortgage Default or commencement of an Enforcement Action will constitute a waiver on the part of Senior Lender of any provision of the Senior Loan Documents or this Agreement.
- (c) Cross Default. Subordinate Lender acknowledges that a Subordinate Mortgage Default constitutes a Senior Mortgage Default. Accordingly, upon the occurrence of a Subordinate Mortgage Default, Subordinate Lender will be deemed to have actual knowledge of a Senior Mortgage Default. If Subordinate Lender notifies Senior Lender and Funding Lender in writing that any Subordinate Loan Default of which Senior Lender has received Notice has been cured or waived, as determined by Subordinate Lender in its sole discretion, then provided that Senior Lender has not conducted a sale of the Mortgaged Property pursuant to its rights under the Senior Loan Documents, any Senior Loan Default under the Senior Loan Documents arising solely from such Subordinate Loan Default will be deemed cured, and the Senior Loan will be reinstated.

**5. Default Under Senior Loan Documents.**

(a) Notice of Senior Loan Default and Cure Rights.

- (i) Senior Lender or Funding Lender will deliver to Subordinate Lender a copy of any Notice sent by Senior Lender or Funding Lender to Borrower of a Senior Mortgage Default within 5 Business Days of sending such Notice to Borrower. Failure of Senior Lender or Funding Lender to send Notice to Subordinate Lender will not prevent the exercise of Senior Lender's rights and remedies under the Senior Loan Documents.
- (ii) Subordinate Lender will have the right, but not the obligation, to cure any monetary Senior Mortgage Default within 30 days following the date of such Notice. During such 30-day period Senior Lender will be entitled to continue to pursue its remedies under the Senior Loan Documents.
- (iii) Subordinate Lender may, within 90 days after the date of the Notice, cure a non-monetary Senior Mortgage Default if during such 90-day period, Subordinate Lender keeps current all payments required under the Senior Loan Documents. If such a non-monetary Senior Mortgage Default creates an unacceptable level of risk relative to the Mortgaged Property, or Senior Lender's secured position relative to the Mortgaged Property, as determined by Senior Lender in its sole discretion, then during such 90-day period Senior Lender may exercise all available rights and remedies to protect and preserve the Mortgaged Property and the Rents, revenues and other proceeds from the Mortgaged Property.

(iv) All amounts paid by Subordinate Lender to Senior Lender to cure a Senior Mortgage Default will be deemed to have been advanced by Subordinate Lender pursuant to, and will be secured by the lien of, the Subordinate Mortgage. Notwithstanding anything in this Section 5(a) to the contrary, Subordinate Lender's right to cure any Senior Mortgage Default will terminate immediately upon the occurrence of any Bankruptcy Proceeding.

(b) Release of Mortgaged Property.

(i) Subordinate Lender consents to and authorizes any future release by Senior Lender of all or any portion of the Mortgaged Property from the lien, operation, and effect of the Senior Loan Documents. Subordinate Lender waives to the fullest extent permitted by law, all equitable or other rights it may have in connection with the release of all or any portion of the Mortgaged Property, including any right to require Senior Lender to do any of the following:

- (A) To conduct a separate sale of any portion of the Mortgaged Property.
- (B) To exhaust its remedies against all or any portion of the Mortgaged Property or any combination of portions of the Mortgaged Property or any other collateral for the Senior Indebtedness.
- (C) To proceed against Borrower, any other party that may be liable for any of the Senior Indebtedness (including any general partner of Borrower if Borrower is a partnership), all or any portion of the Mortgaged Property or combination of portions of the Mortgaged Property or any other collateral, before proceeding against all or such portions or combination of portions of the Mortgaged Property as Senior Lender determines.

(ii) Subordinate Lender consents to and authorizes, at the option of Senior Lender, the sale, either separately or together, of all or any portion of the Mortgaged Property. Subordinate Lender acknowledges that without Notice to Subordinate Lender and without affecting any of the provisions of this Agreement, Senior Lender may do any of the following:

- (A) Extend the time for or waive any payment or performance under the Senior Loan Documents.
- (B) Modify or amend in any respect any provision of the Senior Loan Documents.
- (C) Modify, exchange, surrender, release, and otherwise deal with any additional collateral for the Senior Indebtedness.

6. **Conflicts.** If there is any conflict or inconsistency between the terms of the Subordinate Loan Documents and the terms of this Agreement, then the terms of this Agreement will control. Borrower acknowledges that the terms and provisions of this Agreement will not, and will not be deemed to do any of the following:

- (a) Extend Borrower's time to cure any Senior Loan Default or Subordinate Loan Default.
- (b) Give Borrower the right to receive notice of any Senior Loan Default or Subordinate Loan Default, other than that, if any, provided, respectively under the Senior Loan Documents of the Subordinate Loan Documents.
- (c) Create any other right or benefit for Borrower as against Senior Lender or Subordinate Lender.

7. **Rights and Obligations of Subordinate Lender Under the Subordinate Loan Documents and of Senior Lender under the Senior Loan Documents.**

(a) Insurance.

- (i) All requirements pertaining to insurance under the Subordinate Loan Documents (including requirements relating to amounts and types of coverages, deductibles and special endorsements) will be deemed satisfied if Borrower complies with the insurance requirements under the Senior Loan Documents and of Senior Lender and Funding Lender.
- (ii) All original policies of insurance required pursuant to the Senior Loan Documents will be held by Senior Lender or Funding Lender.
- (iii) Nothing in this Section 7(a) will preclude Subordinate Lender from requiring that it be named as a mortgagee and loss payee, as its interest may appear, under all policies of property damage insurance maintained by Borrower with respect to the Mortgaged Property, provided such action does not affect the priority of payment of Loss Proceeds, or that Subordinate Lender be named as an additional insured under all policies of liability insurance maintained by Borrower with respect to the Mortgaged Property.

(b) Condemnation or Casualty.

In the event of a Condemnation or a Casualty, the following provisions will apply:

- (i) The rights of Subordinate Lender (under the Subordinate Loan Documents or otherwise) to participate in any proceeding or action relating to a Condemnation or a Casualty, or to participate or join in any settlement of, or to adjust, any claims resulting from a Condemnation or a Casualty, will

be and remain subordinate in all respects to Senior Lender's rights under the Senior Loan Documents, and Subordinate Lender will be bound by any settlement or adjustment of a claim resulting from a Condemnation or a Casualty made by Senior Lender.

- (ii) All Loss Proceeds will be applied either to payment of the costs and expenses of Restoration or to payment on account of the Senior Indebtedness, as and in the manner determined by Senior Lender in its sole discretion; provided however, Senior Lender agrees to consult with Subordinate Lender in determining the application of Casualty proceeds. In the event of any disagreement between Senior Lender and Subordinate Lender over the application of Casualty proceeds, the decision of Senior Lender, in its sole discretion, will prevail.
  - (iii) If Senior Lender or Funding Lender holds Loss Proceeds, or monitors the disbursement of Loss Proceeds, Subordinate Lender will not do so. Nothing contained in this Agreement will be deemed to require Senior Lender to act for or on behalf of Subordinate Lender in connection with any Restoration or to hold or monitor any Loss Proceeds in trust for or otherwise on behalf of Subordinate Lender, and all or any Loss Proceeds may be commingled with any funds of Senior Lender.
  - (iv) If Senior Lender elects to apply Loss Proceeds to payment on account of the Senior Indebtedness, and if the application of such Loss Proceeds results in the payment in full of the entire Senior Indebtedness, any remaining Loss Proceeds held by Senior Lender will be paid to Subordinate Lender unless another party has asserted a claim to the remaining Loss Proceeds.
- (c) Modification of Subordinate Loan Documents. Subordinate Lender agrees that, until the principal of, interest on and all other amounts payable under the Senior Loan Documents have been paid in full, it will not, without the prior written consent of Senior Lender, increase the amount of the Subordinate Loan, increase the required payments due under the Subordinate Loan, decrease the term of the Subordinate Loan, increase the interest rate on the Subordinate Loan, or otherwise amend the Subordinate Loan terms in a manner that creates an adverse effect upon Senior Lender or Funding Lender under the Senior Loan Documents. If Subordinate Lender either (i) amends the Subordinate Loan Documents in the manner set forth above or (ii) assigns the Subordinate Loan without Senior Lender's consent then such amendment or assignment will be void ab initio and of no effect whatsoever.
- (d) Modification of Senior Loan Documents. Senior Lender may amend, waive, postpone, extend, renew, replace, reduce or otherwise modify any provisions of the Senior Loan Documents without the necessity of obtaining the consent of or providing Notice to Subordinate Lender, and without affecting any of the provisions of this Agreement. Notwithstanding the foregoing, Senior Lender may not modify any provision of the Senior Loan Documents that increases the Senior

Indebtedness, except for increases in the Senior Indebtedness that result from advances made by Senior Lender to protect the security or lien priority of Senior Lender under the Senior Loan Documents or to cure defaults under the Subordinate Loan Documents.

- (e) Commercial or Retail Leases. If requested, Subordinate Lender will enter into attornment and non-disturbance agreements with all tenants under commercial or retail Leases, if any, to whom Senior Lender has granted attornment and non-disturbance, on the same terms and conditions given by Senior Lender.
  - (f) Consent Rights. Whenever the Subordinate Loan Documents give Subordinate Lender approval or consent rights with respect to any matter, and a right of approval or consent for the same or substantially the same matter is also granted to Senior Lender or Funding Lender pursuant to the Senior Loan Documents or otherwise, Senior Lender's or Funding Lender's approval or consent or failure to approve or consent will be binding on Subordinate Lender. None of the other provisions of Section 7 are intended to be in any way in limitation of the provisions of this Section 7(f).
  - (g) Escrows. Except as provided in this Section 7(g), and regardless of any contrary provision in the Subordinate Loan Documents, Subordinate Lender will not collect any escrows for any cost or expense related to the Mortgaged Property or for any portion of the Subordinate Indebtedness. However, if Senior Lender or Funding Lender is not collecting escrow payments for one or more Impositions, Subordinate Lender may collect escrow payments for such Impositions; provided that all payments so collected by Subordinate Lender will be held in trust by Subordinate Lender to be applied only to the payment of such Impositions.
  - (h) Certification. Within 10 days after request by Senior Lender or Funding Lender, Subordinate Lender will furnish Senior Lender and Funding Lender with a statement, duly acknowledged and certified setting forth the then-current amount and terms of the Subordinate Indebtedness, confirming that there exists no default under the Subordinate Loan Documents (or describing any default that does exist), and certifying to such other information with respect to the Subordinate Indebtedness as Senior Lender may request.
8. **Refinancing.** Subordinate Lender agrees that its agreement to subordinate under this Agreement will extend to any new mortgage debt which is for the purpose of refinancing all or any part of the Senior Indebtedness (including reasonable and necessary costs associated with the closing and/or the refinancing, and any reasonable increase in proceeds for rehabilitation in the context of a preservation transaction). All terms and covenants of this Agreement will inure to the benefit of any holder of any such refinanced debt, and all references to the Senior Loan Documents and Senior Lender will mean, respectively, the refinance loan documents and the holder of such refinanced debt.

9. **Governmental Powers.** Nothing in this Agreement is intended, nor will it be construed, to in any way limit the exercise by Subordinate Lender of its governmental powers (including police, regulatory and taxing powers) with respect to Borrower or the Mortgaged Property to the same extent as if it were not a party to this Agreement or the transactions contemplated by this Agreement.

10. **Notices.**

(a) Any Notice required or permitted to be given pursuant to this Agreement will be in writing and will be deemed to have been duly and sufficiently given if (i) personally delivered with proof of delivery (any Notice so delivered will be deemed to have been received at the time so delivered), or (ii) sent by a national overnight courier service (such as FedEx) designating earliest available delivery (any Notice so delivered will be deemed to have been received on the next Business Day following receipt by the courier), or (iii) sent by United States registered or certified mail, return receipt requested, postage prepaid, at a post office regularly maintained by the United States Postal Service (any Notice so sent will be deemed to have been received on the date of delivery as confirmed by the return receipt), addressed to the respective parties as follows:

**11. Miscellaneous Provisions.**

- (a) Assignments/Successors. This Agreement will be binding upon and will inure to the benefit of the respective legal successors and permitted assigns of the parties to this Agreement. Except for Funding Lender, no other party will be entitled to any benefits under this Agreement, whether as a third-party beneficiary or otherwise. This Agreement may be assigned at any time by Senior Lender to any subsequent holder of the Senior Note.
- (b) No Partnership or Joint Venture. Nothing in this Agreement or in any of the Senior Loan Documents or Subordinate Loan Documents will be deemed to constitute Senior Lender or Funding Lender as a joint venturer or partner of Subordinate Lender.
- (c) Further Assurances. Upon Notice from Senior Lender or Funding Lender, Subordinate Lender will execute and deliver such additional instruments and documents, and will take such actions, as are required by Senior Lender or Funding Lender to further evidence or implement the provisions and intent of this Agreement.

- (d) Amendment. This Agreement may be amended, changed, modified, altered or terminated only by a written instrument signed by the parties to this Agreement or their successors or assigns.
- (e) Governing Law. This Agreement will be governed by the laws of the State in which the Land is located.
- (f) Severable Provisions. If any one or more of the provisions contained in this Agreement, or any application of any such provisions, is invalid, illegal, or unenforceable in any respect, the validity, legality, enforceability, and application of the remaining provisions contained in this Agreement will not in any way be affected or impaired.
- (g) Term. The term of this Agreement will commence on the date of this Agreement and will continue until the earliest to occur of the following events:
- (i) The payment of all the Senior Indebtedness; provided that this Agreement will be reinstated in the event any payment on account of the Senior Indebtedness (whether by or on behalf of Borrower, as proceeds of security or enforcement of any right of set-off or otherwise) is for any reason repaid or returned to Borrower or its insolvent estate, or avoided, set aside or required to be paid to Borrower, a trustee, receiver or other similar party under any bankruptcy, insolvency, receivership or similar law. In such event, any or all of the Senior Indebtedness originally intended to be satisfied will be deemed to be reinstated and outstanding to the extent of any repayment, return, or other action, as if such payment on account of the Senior Indebtedness had not been made.
  - (ii) The payment of all the Subordinate Indebtedness other than by reason of payments which Subordinate Lender is obligated to remit to Senior Lender pursuant to this Agreement.
  - (iii) The acquisition by Senior Lender or by a third-party purchaser of title to the Mortgaged Property pursuant to a foreclosure of, deed in lieu of foreclosure, or trustee's sale or other exercise of a power of sale or similar disposition under the Senior Mortgage.
  - (iv) With the prior written consent of Senior Lender, without limiting the provisions of Section 4(b)(iv), the acquisition by Subordinate Lender of title to the Mortgaged Property subject to the Senior Mortgage pursuant to a foreclosure, or a deed in lieu of foreclosure, of (or the exercise of a power of sale under) the Subordinate Mortgage.
- (h) Counterparts. This Agreement may be executed in two or more counterparts, each of which will be deemed an original but all of which together will constitute one and the same instrument.

- (i) Entire Agreement. This Agreement represents the entire understanding and agreement between the parties regarding the matters addressed in this Agreement, and will supersede and cancel any prior agreements regarding such matters.
- (j) Authority. Each person executing this Agreement on behalf of a party to this Agreement represents and warrants that such person is duly and validly authorized to do so on behalf of such party with full right and authority to execute this Agreement and to bind such party with respect to all of its obligations under this Agreement.
- (k) No Waiver. No failure or delay on the part of any party to this Agreement in exercising any right, power, or remedy under this Agreement will operate as a waiver of such right, power, or remedy, nor will any single or partial exercise of any such right, power or remedy preclude any other or further exercise of such right, power, or remedy or the exercise of any other right, power or remedy under this Agreement.
- (l) Remedies. Each party to this Agreement acknowledges that if any party fails to comply with its obligations under this Agreement, the other parties will have all rights available at law and in equity, including the right to obtain specific performance of the obligations of such defaulting party and injunctive relief.
- (m) Funding Lender's Rights to Control. Notwithstanding anything herein to the contrary, pursuant to Section 17(c) of the Senior Mortgage and Section 6.03 of the Funding Loan Agreement, all acts, consents, approvals and undertakings of Senior Lender hereunder shall be solely at the written direction of the Funding Lender. F. City has required, as a condition to making the Loan and as additional security for the obligations of Borrower under the Loan, (i) that Owner assign to City all of Owner's right, title and interest in and to the Management Agreement; (ii) that Owner, Manager and Sub-Manager subordinate, to the extent herein provided, their respective right, title and interest in and to the Management Agreement to the liens and security interests securing performance of the Loan; and (iii) that Owner, Manager and Sub-Manager agree to the terms, covenants and conditions contained herein.

NOW, THEREFORE, in consideration of the mutual promises contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. **Terms.** Terms defined in the Loan Agreement have the same meanings when used herein unless otherwise defined herein or the context hereof otherwise requires.
2. **Assignment.** Subject to the terms and conditions hereof, to further secure the performance of the obligations under the Loan Agreement and documents evidencing, governing or securing the Loan ("Loan Documents"), Owner hereby collaterally grants, transfers and assigns to City all of Owner's right, title and interest in, to and under the Management Agreement together with all right, power and authority of Owner to alter, modify or change the terms of the Management Agreement or to surrender, cancel or terminate the same, and Manager consents to such assignment pursuant to and in

accordance with the agreements set forth herein. So long as no Default exists under the Loan Agreement or any of the Loan Documents, Owner shall have the license to perform under and receive performance under the Management Agreement. Neither this Assignment nor any action taken by City under or pursuant to this Assignment shall be deemed to impose any obligation or liability upon City to Manager under or with respect to the Management Agreement or any covenants of Owner thereunder; except that from and after the date upon which City (a) agrees in writing to assume performance of Owner's obligations under the terms of the Management Agreement, or (b) acquires title to the Project by foreclosure or otherwise, Manager shall be entitled to the management fees and other sums provided in the Management Agreement which are due and payable after acquisition of the Project by City so long as Manager is performing its duties thereunder.

3. **Representations and Warranties.** Owner and Manager hereby represent and warrant to City that as of the date hereof (a) the only agreement affecting the management of the Project (as more particularly set forth in the Management Agreement) is the Management Agreement, (b) the Management Agreement constitutes the full agreement between Owner and Manager, and there are no amendments thereto, (c) the Management Agreement is in full force and effect, and (c) neither Owner nor Manager is in default under the Management Agreement, and no event has occurred which, with the giving of notice and/or the passage of time would constitute a default thereunder. Owner represents and warrants that but for this Assignment and the other Loan Documents and pursuant to the Senior Loan Documents (as defined by the Loan Agreement) if any, Owner has not transferred, assigned or encumbered, in whole or in part, the Management Agreement or any of Owner's rights or interests thereunder. Owner further represents that Owner has not performed any act or executed any instrument which might prevent or limit City from proceeding under any of the terms and conditions hereof.

4. **Covenants.**

(a) Owner, at its sole cost and expense, shall fully perform every obligation under the Management Agreement by Owner to be performed, and shall enforce or secure the performance of every obligation of the Management Agreement by Manager to be performed for or on behalf of Owner (unless in Owner's good faith, prudent business judgment, it would not be in the best interest of the Project to do so and such obligation is not material). Owner shall not waive or release Manager from Manager's obligations to be performed under the Management Agreement. Owner shall not enter into any agreement other than the Management Agreement for the management of the Project. Except pursuant to the Senior Loan Documents (if any), Owner will not transfer, assign or encumber, in whole or in part, the Management Agreement or any of Owner's rights or interests thereunder. Any violation of any of such covenants on the part of Owner without the prior written consent of City shall constitute a Default entitling City to exercise the remedies available to it hereunder and under the Loan Documents, subject however, to the expiration of all applicable notice and cure periods.

(b) Owner and Manager shall not modify or amend, in any material respect, or terminate, the Management Agreement without City's prior written consent; *provided*, however, that in the event City is given written notice of Owner's default and opportunity to cure in accordance with the first sentence of Section 5 below and such default is not cured by Owner or City within the applicable time period, Manager shall be permitted (subject to the third sentence of Section 7) to terminate the Management Agreement in accordance with the provisions thereof.

(c) Owner and Manager hereby agree that notwithstanding any provision to the contrary set forth herein or in the Management Agreement, Manager shall not receive any management fee in excess of five percent (5.0%) of gross annual income at any time.

(d) At Owner's sole cost and expense, Owner shall appear in and defend any action or proceeding connected with the Management Agreement and shall pay all necessary costs and expenses of City, including reasonable attorneys' fees, in any such action or proceeding in which City may appear.

5. **Default by Owner Under Management Agreement.** In the event of any material default by Owner under the Management Agreement, Manager shall give City written notice of such default, and City shall be permitted an opportunity (not less than forty-five (45) days from receipt of said notice) to cure such default by Owner, during which time Manager shall have no right to terminate the Management Agreement; *provided*, however, that City shall in no event be required to effect any such cure, and any cure by City shall not release Owner or Manager from any of its obligations under the Management Agreement. City shall have the right to appear in and defend any action or proceeding purporting to affect the Project or the rights and powers of City hereunder. Owner agrees to protect, defend, indemnify and hold City harmless from and against any and all losses, damages, claims, liabilities, costs, and expenses (including, but not limited to, reasonable attorneys' fees) incurred in connection with any such actions or measures taken by City or otherwise incurred in the exercise of any other rights or remedies of City under this Assignment. Owner agrees that all sums so expended by City in curing any default by Owner, or in appearing in or defending any action or proceeding, or in taking any other action permitted hereby, in each case together with interest thereon at the Default Rate (as defined in the Loan Agreement) shall payable by Owner upon demand and shall be added to any obligations owing by Borrower under the Loan Agreement and shall be secured by the Deed of Trust, Collateral Assignment and any other security held for the Loan.

6. **No Duty to Perform; Indemnity.** City shall not be obligated to perform or discharge, nor does it hereby undertake to perform or discharge, any obligation, duty or liability under the Management Agreement, or under or by reason of this Assignment, and Owner shall and does hereby indemnify and hold City harmless against and from any and all liability, loss or damage arising or occurring prior to foreclosure which City may or might incur under the Management Agreement or under or by reason of this Assignment and of and from any and all claims and demands whatsoever which may be asserted against it by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in the Management Agreement, except as a result of or in connection with the gross negligence or willful misconduct of City. Should City incur any such liability, loss or damage under the Management Agreement or under or by reason of this Assignment, or in the defense of any such claims or demands, except as a result of or in connection with the gross negligence or willful misconduct of City, the amount thereof, including costs, expenses and reasonable attorneys' fees, shall be secured by the Loan Documents, and Owner shall reimburse City therefor immediately upon demand, and upon the failure of Owner to do so, same shall constitute a Default and City may, upon thirty (30) days notice to Owner, if the amounts properly due and owing to City have not been paid, exercise the remedies available to it under the Loan Documents.

7. **Subordination.** Manager hereby subordinates any and all right, title and interest it may now or in the future have in the Management Agreement and/or to receive payment of any management or other fees set forth therein to the liens and security interests securing the obligations under the Loan Agreement; *provided*, however, that unless and until a Default exist, Owner shall be entitled to pay, and Manager shall be entitled to receive, the management fee in accordance with the terms of the Management Agreement. Further, Manager agrees that any and all liens, rights, and interest owned, claimed, or held by it, in and to the Project, are and shall be in all respects subordinate to the lien and security interest created by the Deed of Trust and Collateral Assignment. In the event of any sale of the Project pursuant to foreclosure of the Deed of Trust, or a deed in lieu of foreclosure, Manager agrees that it will not exercise any rights it may have to terminate the Management Agreement by reason of such sale. Notwithstanding the foregoing, Manager agrees that such foreclosure or deed in lieu of foreclosure shall operate to cut off, extinguish, and otherwise terminate all liens that Manager, and those claiming by, through, or under Manager, may now or hereafter have in and to the Project, and Manager agrees that City or any purchaser at a foreclosure sale under Deed of Trust lien may terminate the Management Agreement upon foreclosure or at any time thereafter.

8. **Default.** Upon the occurrence and continuation of a Default under and as defined in the Loan Agreement or other Loan Documents or the occurrence of a default on the part of Owner hereunder or under the Management Agreement Agreement that is continuing beyond the expiration of all applicable notice and cure periods, then, without regard for the adequacy of the security for the Loan, City shall have the right (but not the obligation) to: (a) take possession of the Project and exercise and enjoy all right, title

and interest of Owner under the Management Agreement; (b) whether or not possession of the Project is taken, to receive all funds, issues, and profits under the Management Agreement (other than management fee payable to and earned by Manager in accordance with the terms and provisions thereof) and apply the same, less costs and expenses of taking possession of the Project, operation and collection, including reasonable attorneys' fees, upon any obligations due under the Loan Documents whether or not then due and in such order as City may determine; (c) enforce or terminate (with or without cause) the Management Agreement; (d) require Owner to install substitute management acceptable to City; and (e) do any acts which City deems proper to protect the Project or City's security interest therein or lien thereon, and thereupon and without further notice to Owner, Owner shall not have any further rights under the Management Agreement which would conflict with, impair, or interfere with any rights of City hereunder. Neither City's entering upon and taking possession of the Project nor the exercise of any of the aforesaid remedies shall cure or waive any such default on the part of Owner or waive, modify or affect any notice of default under the Loan Agreement or invalidate any act done pursuant to such notice. Any exercise by City of the right to terminate the Management Agreement shall be without liability to City for payment of any fees, charges or otherwise, notwithstanding any provisions in the Management Agreement to the contrary. After any such termination, City shall have the right to replace Manager with a manager selected by City in its sole discretion. Upon any termination of the Management Agreement, whether or not pursuant to this section, Manager agrees to deliver copies of all records, files, financial statements, and any other documents pertaining to management, construction, design and operation of the Project which are in the possession or under the control of Manager to Owner excluding, however, documents pertaining solely to the operation systems or procedures owned by Manager.

9. **Notice by City.** A notice in writing by City to Manager advising Manager that a Default exists and requesting that all future performance under the Management Agreement be made to City (or its agent), shall be construed by Manager as conclusive authority to Manager that such performance is to be made to City (or its agent) and Manager shall be fully protected in making such performance to City; and Owner hereby irrevocably constitutes and appoints City the attorney-in-fact and agent of Owner for the purpose of endorsing the consent of Owner on any such notice. The foregoing power is coupled with an interest and shall survive the liquidation, bankruptcy or insolvency of Owner.

10. **Attornment by Manager.** Manager hereby agrees that in the event of notification to Manager by City that City has acquired possession of the Project or obtained the appointment of a receiver for same, Manager shall, at City's request, attorn to City as owner thereunder; *provided*, however, that in no event shall City be liable for, or be obligated to cure, any default of Owner occurring prior to the date of such notification.

11. **No Limitations.** Owner and Manager agree that (a) nothing in this Assignment shall be construed to limit or restrict in any way the rights and powers granted to City under any of the Loan Documents, and (b) an action to foreclose may be commenced, notwithstanding that Owner continues in possession of the Project, both real and personal, herein referred to, and continues to collect the rents, issues and profits thereof.

12. **No Waiver.** This Assignment can be extended, modified or amended only in writing executed by Manager and Owner and consented to by the City, and none of the rights or benefits of City can be waived permanently except in a written document executed by City. City's rights, powers, privileges and remedies under or in connection with this Assignment are cumulative and not exclusive and shall not be waived, precluded or limited by any failure or delay in the exercise thereof or by the parties exercise thereof or by any course of dealing between Manager and/or Owner and City. No notice to or demand on Manager or Owner in any case shall entitle Manager or Owner to any other or further notice or demand in similar or other circumstances or constitute a waiver of the right of City to any other or further action in any circumstances without notice or demand.

13. **Counterparts.** This Assignment and any amendments, waivers, consents or supplements hereto or in connection herewith may be executed, including by transmission of facsimile, in any number of counterparts and by different parties hereto in separate counterparts, each of which when

so executed and delivered shall be deemed an original, but all of such counterparts together shall constitute but one and the same instrument; signature pages may be detached from multiple separate counterparts and attached to a single counterpart so that all signature pages are physically attached to the same document. In the event this Assignment or any amendment, waiver, consent or supplement shall have been executed by transmission of facsimile, any party may request that the parties thereto execute original documents for record purposes, but no failure of any party to do so shall invalidate or in any other way affect the validity of such document. This Assignment shall become effective upon the execution of a counterpart hereof by each of the parties hereto and receipt by the parties of written or telephonic notification of such execution and authorization of delivery thereof.

14. **Descriptive Headings; Recitals.** The descriptive headings used in this Assignment are for convenience only and shall not be deemed to affect the meaning or construction of any provision hereof. The Recitals set forth at the beginning of this Assignment are hereby incorporated into the substantive provisions of this Assignment.

15. **Notices.** Any notice, report, demand or other instrument authorized or required to be given or furnished hereunder shall be given in conformity with the terms and conditions of the Loan Agreement and to the parties hereto at the addresses set forth above.

16. **Benefit of Agreement.** This Assignment shall be binding upon each party hereto and its successors and assigns, and shall inure to the benefit of Owner, City, Manager and Sub-Manager and their respective successors and/or assigns, except the rights and remedies of Owner, City, Manager and Sub-Manager under this Assignment shall not inure to the benefit of (a) any purchaser of the Project at a foreclosure sale, (b) any Person taking title to the Project by deed in lieu of foreclosure, or (c) any successor or assign of any Person described in clauses (a) and (b) above, except that Owner's, City's, Manager's and Sub-Manager's rights shall inure to the benefit of the parties described in clauses (a), (b) and (c) hereof if such parties are City (including, for these purposes, its successors and assigns as holder of the Loan Documents), and any participant's or any of City's (or such successors, assigns, beneficiaries or participant's) affiliates or nominees.

17. **Inconsistencies.** In the event of any inconsistency between the terms and conditions hereof and the terms of the Management Agreement, the terms and conditions set forth herein shall govern.

18. **Severability.** In the event that any of the covenants, agreements, terms or provisions contained herein shall be invalid, illegal or unenforceable in any respect, the validity of the remaining covenants, agreements, terms and provisions contained herein shall be in no way affected, prejudiced or disturbed thereby.

19. **Further Assurances.** At any time, and from time to time, upon City's request, Owner and Manager shall make, execute and deliver, or cause to be made, executed and delivered, to City and, where appropriate, shall cause to be recorded or filed, and from time to time thereafter to be re-recorded and refiled, at such time and in such offices and places as shall be deemed desirable by City, such documents and/or instruments as City may consider necessary or desirable in order to effectuate, or to continue and preserve, the obligations of Owner and Manager under this Assignment. Upon any failure by either Owner or Manager to do so, City may make, execute, record, file, re-record or refile any and all such documents and/or instruments for and in the name of either Owner or Manager, and Owner and Manager hereby irrevocably appoint (which appointment is coupled with an interest with full power of substitution) City the agent and attorney-in-fact of either Owner or Manager to do so; and Owner and Manager shall reimburse City, on demand, for all costs and expenses (including reasonable attorneys' fees and expenses) incurred by City in connection therewith.

20. **Choice of Law and Venue.** THIS ASSIGNMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS (BUT NOT THE RULES GOVERNING

CONFLICTS OF LAWS) OF THE STATE OF TEXAS AND SHALL BE PERFORMABLE IN HARRIS COUNTY, TEXAS.

21. WAIVER OF JURY TRIAL. THE PARTIES TO THIS ASSIGNMENT HEREBY, UNCONDITIONALLY AND VOLUNTARILY, WITH AND UPON THE ADVICE OF COUNSEL, WAIVE, RELINQUISH AND FOREVER FORGO THE RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING BASED UPON, OR ARISING OUT OF, OR IN ANY WAY RELATING TO THIS ASSIGNMENT.

### Article III. COVENANTS

Indemnitor unconditionally covenants that and agrees with Lender as follows:

(a) Indemnitor will not use, generate, manufacture, produce, store, release, discharge, treat, or dispose of on, under, from or about the Property or transport to or from the Property any Hazardous Substances or allow any other person or entity to do so. Notwithstanding the foregoing, Indemnitor shall be permitted to have such Hazardous Substances on the Property which are normally used in connection with the prudent operation, use, maintenance and ownership of a multi-family unit apartment complex and which are used in compliance with Environmental Laws (the "**Permitted Substances**").

(b) Indemnitor will keep and maintain the Property in compliance with, and shall not cause or permit the Property to be in violation of, any Environmental Law.

(c) Indemnitor will establish and maintain, at Indemnitor's sole expense, a system to assure and monitor continued compliance with Environmental Laws and the exclusion of Hazardous Substances from the Property, by any and all owners or operators, including tenants, of the Property, which system shall include annual reviews of such compliance by employees or agents of Indemnitor who are familiar with the requirements of the Environmental Laws and, at the request of Lender no more than once each year, a detailed review of such compliance of the environmental condition of the Property (the "**Environmental Report**") in scope satisfactory to Lender by an environmental consulting firm approved in advance by Lender; provided, however, that if any Environmental Report indicates any violation of any Environmental Laws or a need for remedial work ("**Remedial Work**"), such system shall include at the

request of Lender a detailed review of the status of such violation (a "**Supplemental Report**") by such environmental consultant. Indemnitor shall furnish an Environmental Report or such Supplemental Report to the Lender within sixty (60) days after Lender so requests, together with such additional information as Lender may reasonably request.

(d) Indemnitor will give prompt written notices to Lender of: (i) any proceeding or inquiry by any governmental or nongovernmental entity or person with respect to the presence of any Hazardous Substances on, under, from or about the Property, the migration thereof from or to other property, the disposal, storage, or treatment of any Hazardous Substances generated or used on, under or about the Property, (ii) all claims made or threatened by any third party against Indemnitor or the Property or any other owner or operator, including a tenant, of the Property relating to any loss or injury resulting from any Hazardous Substances, and (iii) Indemnitor's discovery of any occurrence or condition on any real property adjoining or in the vicinity of the Property that could cause the Property or any part thereof to be subject to any investigation or cleanup of the Property pursuant to any Environmental Laws.

(e) Indemnitor will permit Lender to join and participate in, as a party if it so elects, any legal proceedings or actions initiated with respect to the Property in connection with any Environmental Laws or Hazardous Substances, and Indemnitor shall pay all attorneys' fees incurred by Lender in connection therewith.

(f) In the event that any Remedial Work is reasonably necessary or desirable, Indemnitor shall commence and thereafter diligently prosecute to completion all such Remedial Work within thirty (30) days after written demand by Lender for performance thereof (or such shorter period of time as may be required under any Environmental Laws). All Remedial Work shall be performed by contractors approved in advance by Lender, and under the supervision of a consulting engineer approved by Lender. All costs and expenses of such Remedial Work shall be paid by Indemnitor including, without limitation, Lender's reasonable attorneys' fees and costs incurred in connection with monitoring or review of such Remedial Work. In the event Indemnitor shall fail to timely commence, or cause to be commenced, or fail to diligently prosecute to completion, such Remedial Work, Lender may, but shall not be required to, cause such Remedial Work to be performed, and all costs and expenses thereof, or incurred in connection therewith, shall become part of the indebtedness secured by the Deed of Trust ("**Indebtedness**") and shall be payable to Lender upon demand.

#### Article IV. DEFAULT

The term "Default", as used herein, shall mean the occurrence at any time and from time to time, of any one or more of the following:

(a) If either Indemnitor or Lender acquires knowledge or receives notice that Hazardous Substances or Hazardous Substances Contamination exists in, on, about or under any of the Property, and Indemnitor fails, within thirty (30) days after acquisition of such knowledge or of such notice, to commence and thereafter diligently prosecute to completion any necessary remedial actions in compliance with Environmental Laws.

(b) If any representation or warranty contained herein shall be false or misleading, or erroneous in any material respect.

#### Article V. REMEDIES

If a Default shall exist, Lender may, at Lender's sole election and by or through Trustee or otherwise, exercise any or all of the following:

(a) Declare all unpaid amounts under the Note and any other unpaid portion of the Indebtedness immediately due and payable, without further notice, presentment, protest, demand or action of any nature whatsoever (each of which is hereby expressly waived by Indemnitor), whereupon

the same shall become immediately due and payable.

(b) Exercise any and all other rights, remedies and recourses granted under the Loan Documents or as may be now or hereafter existing in equity or at law, by virtue of statute or otherwise, including actions for damages and specific performance.

#### Article VI. SITE ASSESSMENTS

If Lender shall ever have reason to believe that there are Hazardous Substances or Hazardous Substances Contamination affecting any of the Property, other than the Permitted Substances, Lender (by its officers, employees and agents) at any time and from time to time, either prior to or after the occurrence of an Event of Default, may contract for the services of persons (the "Site Reviewers") to perform environmental site assessments ("Site Assessments") on the Property for the purpose of determining whether there exists on the Property any environmental condition which could result in any liability, cost or expense to the owner, occupier or operator of such Property arising under any state, federal or local law, rule or regulation relating to Hazardous Substances. The Site Assessments may be performed at any time or times, upon reasonable notice, and under reasonable conditions established by Indemnitor which do not impede the performance of the Site Assessments. The Site Reviewers are hereby authorized to enter upon the Property for such purposes. The Site Reviewers are further authorized to perform both above and below the ground testing for environmental damage or the presence of any Hazardous Substances on the Property and such other tests on the Property as may be necessary to conduct the Site Assessments in the reasonable opinion of the Site Reviewers. Indemnitor will supply to the Site Reviewers such historical and operational information regarding the Property as may be reasonably requested by the Site Reviewers to facilitate the Site Assessments and will make available for meetings with the Site Reviewers appropriate personnel having knowledge of such matters. On request, Lender shall make the results of such Site Assessments fully available to Indemnitor, which (prior to a Default) may at its election participate under reasonable procedures in the direction of such Site Assessments and the description of tasks of the Site Reviewers. The cost of performing such Site Assessments shall be paid by Indemnitor upon demand of Lender and any such obligations shall be indebtedness secured by the Deed of Trust.

#### Article VII. INDEMNIFICATION

**REGARDLESS OF WHETHER ANY SITE ASSESSMENTS ARE CONDUCTED HEREUNDER, INDEMNITOR SHALL JOINTLY AND SEVERALLY PROTECT, INDEMNIFY, AND HOLD HARMLESS TRUSTEE AND LENDER, THEIR RESPECTIVE PARENTS, SUBSIDIARIES, DIRECTORS, OFFICERS, EMPLOYEES, REPRESENTATIVES, AGENTS, SUCCESSORS, AND ASSIGNS FROM AND AGAINST ANY AND ALL LOSS, DAMAGE, COSTS, EXPENSE, ACTION, CAUSES OF ACTION, OR LIABILITY (INCLUDING REASONABLE ATTORNEYS' FEES AND COSTS) DIRECTLY OR INDIRECTLY ARISING FROM OR ATTRIBUTABLE TO THE USE, GENERATION, MANUFACTURE, PRODUCTION, STORAGE, RELEASE, THREATENED RELEASE, DISCHARGE, DISPOSAL, OR PRESENCE OF ANY HAZARDOUS SUBSTANCES ON, UNDER, ABOUT OR FROM THE PROPERTY, WHETHER KNOWN OR UNKNOWN AT THE TIME OF THE EXECUTION HEREOF AND REGARDLESS OF WHETHER OR NOT CAUSED BY, OR WITHIN THE CONTROL OF INDEMNITOR, INCLUDING WITHOUT LIMITATION (I) DAMAGES FOR PERSONAL INJURY, OR INJURY TO PROPERTY OR NATURAL RESOURCES OCCURRING UPON OR OFF THE PROPERTY, FORESEEABLE OR UNFORESEEABLE, INCLUDING, WITHOUT LIMITATION, THE COST OF DEMOLITION AND REBUILDING OF ANY IMPROVEMENTS ON THE REAL PROPERTY, INTEREST AND PENALTIES; (II) THE COSTS OF ANY REQUIRED OR NECESSARY ENVIRONMENTAL INVESTIGATION OR MONITORING, ANY REPAIR, CLEANUP, OR DETOXIFICATION OF THE PROPERTY, AND THE PREPARATION AND IMPLEMENTATION OF ANY CLOSURE, REMEDIAL, OR OTHER REQUIRED PLANS INCLUDING FEES INCURRED FOR ATTORNEYS, CONSULTANTS, CONTRACTORS, EXPERTS AND LABORATORIES; AND (III) LIABILITY TO ANY THIRD PERSON OR ANY GOVERNMENTAL AUTHORITY TO INDEMNIFY SUCH PERSON OR GOVERNMENTAL AUTHORITY FOR COST EXPENDED IN CONNECTION WITH THE ITEMS REFERENCED IN SUBPARAGRAPH (II) IMMEDIATELY ABOVE. THIS COVENANT AND THE INDEMNITY CONTAINED HEREIN SHALL**

**SURVIVE THE RELEASE OF THE LIEN OF THE DEED OF TRUST, OR THE EXTINGUISHMENT OF THE LIEN OF THE DEED OF TRUST BY FORECLOSURE OR ACTION IN LIEU THEREOF AND SHALL CONTINUE IN EFFECT SO LONG AS A VALID CLAIM MAY BE LAWFULLY ASSERTED AGAINST LENDER.**

Article VIII.  
LENDER'S RIGHT TO REMOVE HAZARDOUS MATERIALS

Lender shall have the right but not the obligation, without in any way limiting Lender's other rights and remedies under the Loan Documents, to enter onto the Property or to take such other actions as it deems necessary or advisable to clean up, remove, resolve or minimize the impact of, or otherwise deal with, any Hazardous Substances or Hazardous Substances Contamination on the Property following receipt of any notice from any person or entity asserting the existence of any Hazardous Substances or Hazardous Substances Contamination pertaining to the Property or any part thereof which, if true, could result in an order, notice, suit, imposition of a lien on the Property or other action and/or which, in Lender's reasonable opinion, could jeopardize Lender's security under the Loan Documents; provided, however, Lender shall have no right to proceed with any of the rights granted to it in this paragraph until Lender has provided Indemnitor with written notice of Lender's intent to take any of the actions described in this paragraph and Indemnitor fails to commence within thirty (30) days following Indemnitor's receipt of such notice and diligently proceeds thereafter to complete all action necessary to clean-up, remove or resolve any of the foregoing. All reasonable costs and expenses paid or incurred by Lender in the exercise of any such rights shall be included in the indebtedness secured by the Loan Documents and shall be payable by Indemnitor upon demand.

Article IX. MISCELLANEOUS

This Environmental Indemnity Agreement are joint, several and unconditional and shall not be subject to any exculpation, non-recourse or other limitation of liability provisions in the Loan Documents, and Indemnitor acknowledges that its obligations under this Environmental Indemnity Agreement are not limited by such exculpation, non-recourse or similar limitation of liability provisions in the Loan Documents (if any).

Those costs, damages, liabilities, losses, claims, expenses (including attorneys' fees and disbursements) for which Lender is indemnified hereunder shall be reimbursable to Lender after being paid by Lender, and Indemnitor shall pay such costs, expenses, damages, liabilities, losses, claims, expenses (including attorneys' fees and disbursements) to Lender within ten (10) days after notice from Lender itemizing the amounts paid to the date of such notice. In addition to any remedy available for failure to periodically pay such amounts, such amounts shall thereafter bear interest at the Default Rate (as defined in the Note) of interest specified in the Loan Documents. Payment by Lender shall not be a condition precedent to the obligations of Indemnitor under this Environmental Indemnity Agreement.

Any notice, communication, request or other documents or demand permitted or required hereunder shall be in writing and given in accordance with the provisions of the Loan Documents.

THIS ENVIRONMENTAL INDEMNITY AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF TEXAS APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN TEXAS PROVIDED, HOWEVER, THAT EITHER FEDERAL LAW OR, TO THE EXTENT FEDERAL LAW DOES NOT APPLY, THE LAW OF THE SITUS OF THE PROPERTY SHALL BE APPLIED TO DETERMINE THE COMPLIANCE OF THE PROPERTY WITH ENVIRONMENTAL LAWS. PROVIDED FURTHER, THAT THE LAWS OF THE STATE IN WHICH THE PROPERTY IS LOCATED SHALL APPLY TO THE CREATION, PERFECTION, AND PRIORITY OF LIENS AND SECURITY INTERESTS AND TO ANY FORECLOSURE, TRUSTEE'S SALE, APPOINTMENT OF RECEIVER OR OTHER REMEDY WITH RESPECT TO THE PROPERTY. ANY PROCEDURES PROVIDED HEREIN FOR SUCH REMEDIES SHALL BE MODIFIED BY AND REPLACED WITH, WHERE INCONSISTENT WITH OR REQUIRED BY, ANY PROCEDURES OR REQUIREMENTS OF THE LAWS OF THE STATE IN WHICH THE PROPERTY IS LOCATED.

ANY LEGAL ACTION TO INTERPRET OR ENFORCE ANY TERM OR CONDITION OF THIS ENVIRONMENTAL INDEMNITY AGREEMENT SHALL BE BROUGHT AND MAINTAINED ONLY IN THE TEXAS STATE COURTS SITUATED IN THE CITY OF HOUSTON AND COUNTY OF HARRIS, TEXAS. BY EXECUTING THIS ENVIRONMENTAL INDEMNITY AGREEMENT, INDEMNITOR EXPRESSLY (A) CONSENTS AND SUBMITS TO THE PERSONAL JURISDICTION OF SUCH TEXAS AND FEDERAL COURTS, (B) WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY CLAIM OR DEFENSE THAT HARRIS COUNTY, TEXAS IS NOT A PROPER OR CONVENIENT VENUE OR FORUM, AND (C) CONSENTS TO THE SERVICE OF PROCESS IN ANY MANNER AUTHORIZED BY TEXAS LAW. ANY FINAL JUDGMENT ENTERED IN AN ACTION BROUGHT HEREUNDER SHALL BE CONCLUSIVE AND BINDING UPON THE PARTIES HERETO.

Indemnitor waives any acceptance of this Environmental Indemnity Agreement by Lender.

The failure of any party to enforce any right or remedy hereunder, or to promptly enforce any such right or remedy, shall not constitute a waiver thereof nor give rise to any estoppel against such party, nor excuse any of the parties from their obligations hereunder. Any waiver of such right or remedy must be in writing and signed by the party to be bound. This Environmental Indemnity Agreement is subject to enforcement at law and/or equity, including actions for damages and/or specific performance.

Time is of the essence in the performance of the terms, conditions and covenants herein contained.

This Environmental Indemnity Agreement shall be deemed to be continuing in nature and shall remain in full force and effect and shall survive any exercise of any remedy by Lender under the Loan Documents, including foreclosure of the liens of the Loan Documents (or deed in lieu thereof), even if, as part of such foreclosure or deed in lieu of foreclosure, the Loan amount is satisfied in full.

All terms not defined in this Environmental Indemnity Agreement shall have the same meanings as given them in the Loan Documents.

**PERFORMANCE BOND**

**THAT WE**, Koogler Construction of Texas, L.L.C., as Principal, (the "Primary Subcontractor"), and the other subscriber hereto, \_\_\_\_\_, as Surety, do hereby acknowledge ourselves to be held and firmly bound to the City of Houston (the "City"), a municipal corporation, and SCOTT STREET LOFTS, LP, a Texas limited partnership (individually, "Owner" and collectively with the City, the "Obligees"), in the penal sum of \$\_\_\_\_\_ for the payment of which sum, well and truly to be made to Obligees, their successors and assigns, Primary Subcontractor and Surety do bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally.

**THE CONDITIONS OF THIS OBLIGATION ARE SUCH THAT:**

**WHEREAS**, the Primary Subcontractor has entered into a certain primary subcontract to a written construction contract between Urban Partnerships Community Development Corporation, a Texas corporation ("Contractor"), with the Owner for the construction of a one hundred twenty-three (123) unit apartment complex located at 1320 Scott Street, Houston, Harris County, Texas (hereinafter, together called the, "Contract"), all of such work to be done as set out in full in said Contract (collectively, the "Contract Documents"), therein referred to and adopted by the City Council, all of which are made a part of this instrument as fully and completely as if set out in full herein.

**NOW THEREFORE**, if the said Primary Subcontractor shall faithfully and strictly perform the Contract in all its terms, provisions, and stipulations in accordance with its true meaning and effect, and in accordance with the Contract documents referred to therein and shall comply strictly with each and every provision of the Contract and with this Bond, then this obligation shall become null and void and shall have no further force and effect; otherwise the same is to remain in full force and effect. Should the Primary Subcontractor fail to faithfully and strictly perform the Contract in all its terms, including but not limited to the indemnifications thereunder, the Surety shall be liable for all damages, losses, expenses and liabilities that Obligees may suffer in consequence thereof, as more fully set forth herein.

It is further understood and agreed that the Surety does hereby relieve the Obligees or their representatives from the exercise of any diligence whatever in securing compliance on the part of the Primary Subcontractor with the terms of the Contract, and the Surety agrees that it shall be bound to take notice of and shall be held to have knowledge of all acts or omissions of the Primary Subcontractor in all matters pertaining to the Contract. The Surety understands and agrees that the provision in the Contract that Owner will retain certain amounts due the Primary Subcontractor until the expiration of 30 days from the acceptance of the Work is intended for the Obligees's benefit, and the Obligees will have the right to pay or withhold such retained amounts or any other amount owing under the Contract without changing or affecting the liability of the Surety hereon in any degree.

It is further expressly agreed by Surety that the Obligees or their representatives are at liberty at any time, without notice to the Surety, to make any change in the Contract documents and in the Work to be done thereunder, as provided in the Contract, and in the terms and conditions thereof, or to make any change in, addition to, or deduction from the Work to be done thereunder; and that such changes, if made, shall not in any way vitiate the obligation in this Bond and undertaking or release the Surety therefrom.

It is further expressly agreed and understood that the Primary Subcontractor and Surety will fully indemnify and save harmless the Obligees from any liability, loss, cost, expense, or damage arising out of Primary Subcontractor's performance of the Contract.

If the Obligees/s gives Surety notice of Primary Subcontractor's default, Surety shall, within 45 days, take one of the following actions:

1. Arrange for Primary Subcontractor, with consent of the Obligees, to perform and complete the Contract; or

2. Take over and assume completion of the Contract itself, through its agents or through independent contractors, and become entitled to the payment of the balance of the Contract Price.

If the Surety fails to take either of the actions set out above, it shall be deemed to have waived its right to perform and complete the Contract and receive payment of the balance of the Contract Price and the Obligees shall be entitled to enforce any remedies available at law, including but not limited to completing the Contract itself and recovering any cost in excess of the Original Contract Price from the Surety.

This Bond and all obligations created hereunder shall be performable in Harris County, Texas.

Notices required or permitted hereunder shall be in writing and shall be deemed delivered when actually received or, if earlier, on the third day following deposit in a United States Postal Service post office or receptacle, with proper postage affixed (certified mail, return receipt requested), addressed to the respective other party at the address prescribed in the Contract documents, or at such other address as the receiving party may hereafter prescribe by written notice to the sending party.

**IN WITNESS WHEREOF**, the said Primary Subcontractor and Surety have signed and sealed this instrument on the respective dates written below their signatures and have attached current Power of Attorney.

TO LOAN AGREEMENT**

Loan Agreement (Borrower/Owner)

**Loan Agreement**  
**(Borrower/Owner)**

This Loan Agreement ("**Agreement**") is made and entered into this the \_\_\_\_ day of \_\_\_\_\_, 2020 by and between **LONE STAR HOUSING AND COMMUNITY DEVELOPMENT CORPORATION**, a Texas nonprofit corporation ("**Lender**"), and **SCOTT STREET LOFTS, LP**, a Texas limited partnership ("**Borrower**"), for the purposes and consideration hereinafter set forth.

**WHEREAS**, Lender has agreed to make a loan ("**Borrower Loan**") to Borrower in the original principal sum of \$14,500,000.00 as evidenced by a note ("**Borrower Note**") of even date herewith and secured by a Deed of Trust against the property described therein and located on the Land, more particularly described in Exhibit A attached hereto (collectively, the "**Property**");

**WHEREAS**, Borrower and Lender desire to enter into this Agreement to set forth certain terms and conditions of the Borrower Loan to supplement the provisions of the other documents executed in connection with and evidencing or securing the Borrower Loan ("**Loan Documents**").

**NOW THEREFORE**, for and in consideration of the Borrower Loan and the mutual covenants contained herein, the parties agree as follows:

1. Terms of Borrower Loan. The terms of the Borrower Loan are as follows:

(a) Borrower Note. Borrower's obligation to repay Lender is evidenced by a promissory note of even date herewith, payable to Lender in the original principal amount of \$14,500,000.00.

(b) Purpose. The purpose of the loan is to finance a portion of the costs of acquisition and construction of a multifamily affordable housing project.

(c) Term. The term of the Loan shall commence on the date of Closing (as defined in the COH Loan Agreement (as defined below)) and shall mature on the Maturity Date (as defined in the Borrower Note).

(d) Interest. Following the expiration of the Approved Construction Period until the Maturity Date, the Loan shall bear simple interest at the rate of one percent (1.00%) per annum and be payable in accordance with the terms of the Borrower Note, except that in the event of a Default (as defined below) under the Borrower Loan or any of the Loan Documents, at Lender's option the Borrower Loan shall accrue interest at default rate interest in the amount equal to the lower of the highest lawful rate or ten percent (10.0%) per annum. Interest shall be payable as set out in Borrower's Note and COH Loan Agreement.

2. COH Loan and COH Loan Agreement. The Borrower, Lender and the City of Houston ("**City**") have entered into one certain Loan Agreement ("**COH Loan Agreement**") of even date herewith with respect to a \$14,500,000.00 loan ("**COH Loan**") from the City to Lender, the proceeds of which are funding the Borrower Loan. The Borrower Loan, this Agreement, the Borrower Note and all of the other Loan Documents (including, without limitation, the Deed of Trust securing the Borrower Loan) have been collaterally assigned to the City to secure the COH Loan. The covenants, obligations, requirements, representations and warranties of Borrower under the COH Loan Agreement, to the extent applicable to Borrower or the Property, or to the ability of the Parties to perform their obligations related to the Property and the COH Loan Agreement, are incorporated in to and made a part of this Agreement and shall additionally constitute covenants, obligations, requirements, representations and warranties of Borrower to Lender and the City, as a third party beneficiary of this Agreement and as a collateral assignee of the Loan Documents. Borrower, the Borrower Loan and the Property shall be subject to all terms and conditions of the COH Loan Agreement. Borrower specifically assumes and agrees to perform all of the covenants, obligations, and requirements to be performed by Borrower as "Owner" set forth in the COH Loan Agreement for the benefit of the City and confirms the

representations and warranties of Borrower as "Owner" thereunder for the benefit of the City and as a condition of the COH Loan and the Borrower Loan. In the event of a conflict between the terms and conditions of this Agreement and the COH Loan Agreement, the terms and conditions of the COH Loan Agreement shall control.

3. Funding.

(a) No Liability for Interruption of Funding. In the event that the City ceases funding the COH Loan to Lender in accordance with the COH Loan Agreement, Lender may cease funding the Borrower Loan to the Borrower without obligation to the Borrower and without being liable to the Borrower for any damages Borrower may incur as a result of such cessation in funding; provided, however, Lender agrees to deliver to Borrower reasonably satisfactory documentation evidencing City's decision to cease funding, and Lender agrees to use reasonable efforts to resolve any City concerns.

(b) Deemed Funding under COH Loan. Disbursements under the COH Loan will be by check or wire by the City made payable to Lender, to Borrower or the entity which has provided the services entitled to be funded under the COH Loan Agreement and this Agreement. The entire amount of any funding provided by the City to Lender under the COH Loan shall be used by Lender to fund the Borrower Loan and shall be deemed to be funding of the Borrower Loan.

4. Borrower's Representations and Warranties. Borrower hereby each represents, warrants and agrees for the benefit of the City and the Lender that as of the date hereof and continuing during the entire term of this Agreement, and for so long as the City shall have any commitment or obligation to make any disbursements of the COH Loan, and during the Affordability Period as follows:

(a) Ownership of Property. Borrower will hold on the Closing Date (as defined in the COH Loan Agreement) of the COH Loan and thereafter fee simple title in and to the Property and shall provide the Director of the City's Housing and Community Development Department ("**Director**") with a copy of the deed thereto. Borrower shall promptly disclose to the Director if Borrower acquired the Property from Lender; or any director, officer, employee, partner, company or individual of, related to or affiliated with Lender or Borrower.

(b) Information Submitted True and Correct. The information contained in or submitted in connection with Lender's application to the City for the COH Loan, as amended by further information provided and disclosed to the City, is true and correct.

(c) Taxes and Assessments. There are no delinquent taxes, assessments, or other impositions on the Property, or if there are any delinquent taxes, assessments, or other impositions on the Property, same will be paid prior to or simultaneously with Closing of the COH Loan. The Property has not been subject to any special (reduced) real estate appraisal, or abatement, exemption or deferral of ad valorem taxes (other than statutorily permitted challenges as to the amount) in the five (5) years preceding the date of Borrower's acquisition of title, unless Borrower has an effective agreement providing that another party is liable for all liability, accruing prior to Borrower's acquisition of the Property for ad valorem taxes owing as a result of an change or revocation of such special (reduced) real estate appraisal, or abatement, exemption or deferral of ad valorem taxes.

(d) Financial Capacity. The financial representations made by Lender to the City and by Borrower to Lender or the City) concerning Lender's and Borrower's financial condition are true and correct and, upon the Closing of the COH Loan and the Borrower Loan, Lender and Borrower have the financial capacity to carry out their respective obligations under this Agreement, the Loan Documents and the COH Loan Agreement. If any material negative change in either Lender's or Borrower's financial condition occurs, Lender and Borrower shall report such change to the City within five (5) business days.

(e) Authorization. All action on the part of Borrower necessary to authorize the transactions contemplated by this Agreement and the COH Loan Agreement has been taken, and upon execution of this Agreement and the COH Loan Agreement, this Agreement shall constitute the binding and enforceable obligation of Borrower which shall be enforceable by the Lender and City in accordance with their terms. In addition, all of the covenants, obligations, and requirements set forth herein to be assumed by Borrower and the representations and warranties made hereunder by Borrower shall constitute the binding and enforceable covenants, obligations and requirements and representations and warranties of Borrower which shall be enforceable by the Lender and City in accordance with their terms.

(f) Mechanics' and Materialmen's Liens. As of the Closing Date, there are no existing or threatened mechanics' and materialmen's liens against the Property, and the Borrower does not know of any reason such liens may be filed or threatened against the Project (as defined in the COH Loan Agreement). As of the date of disbursement of COH Loan funds, no work will have been performed on or materials incorporated into the Project by Borrower, Lender or Borrower's or Lender's contractors or subcontractors that could result in the imposition of a lien against the Project. No work shall commence on the Project prior to the disbursement of COH Loan funds.

(g) Approved Final Construction Budget Contents. The Approved Final Construction Budget (as defined in the COH Loan Agreement) specifies (a) a listing of all the then-known costs necessary to (i) complete the Work (as defined in the COH Loan Agreement) on the Project and (ii) reach a 92% occupancy level, and (b) the sources of funding which will be used to complete the Work and reach 92% occupancy;

(h) Expertise. Borrower has engaged competent persons and firms for the purpose of constructing, leasing and managing the Project.

(i) Legal Existence. Borrower is a limited partnership duly created, validly existing and in good standing under the laws of the State of Texas.

(j) Access. Access by vehicles to the Project for the full utilization of the Project for its intended purposes either (a) exists over paved roadways dedicated to the public and accepted by the appropriate governmental authority, or (b) the necessary rights-of-way for such roadways have been acquired by the appropriate governmental authority and all necessary steps have been taken by Borrower and/or such governmental authority to assure the construction and installation of such roadways.

(k) Use of Project. During the Affordability Period, that portion of the Project specified in Section 6.8 of the COH Loan Agreement hereof shall be used solely for the purpose of providing housing for low and moderate income residents in accordance with Section 6.8 thereof, and for no other purpose.

(l) No Religious Affiliation. Borrower is not a religious organization and no portion of the proceeds of the COH Loan will be used to construct or acquire housing to be owned, operated or used by a religious organization.

(m) Compliance with Federal, State, and Local Laws and Regulations. Borrower shall construct, lease and operate the Project in accordance with all applicable law including, without limitation, the Model Energy Code, the Americans with Disabilities Act of 1990 and the Architectural Barriers Act of 1968.

5. Default under this Agreement. The Lender may declare a default ("Default") under this Agreement or any one or more of the Loan Documents upon the occurrence of any one or more of the following circumstances:

(a) Monetary Default. If Borrower fails to pay when due any portion of the sums owing under the Borrower Note, this Agreement and/or any of the Loan Documents and such failure continues for ten (10) business days after written notice thereof from the Lender or any holder of the Borrower Loan;

(b) Non-Monetary Default. If Borrower fails, refuses or neglects to perform fully and timely any obligation or breaches and covenant, condition, representation or warranty under this Agreement or any other Loan Document and such failure continues for thirty (30) days following written notice from Lender to Borrower, or, if the failure is not susceptible to cure within said 30-day period, such greater period of time (not to exceed sixty (60) days) as is necessary to cure such failure provided Borrower commences to cure such failure within said 30-day period and diligently works to cure such failure, provided however, that in the event that any such cure periods would cause a material violation to occur under applicable law or cause a recapture of any tax credits the notice and cure period shall be reduced to a length of time that would not cause a material violation of applicable law or cause such a recapture;

(c) Default under COH Loan Agreement by Borrower. Notwithstanding the foregoing, a "Default" (as defined by the COH Loan Agreement) under the COH Loan Agreement by Borrower shall immediately constitute a Default by Borrower under this Agreement. Notwithstanding the provisions of Subparagraphs 5(a) and 5(b) above, in the event of a conflict between the available notice and cure periods under the COH Loan Agreement and this Agreement, the COH Loan Agreement shall control, and upon the occurrence of a Default under the COH Loan Agreement, no further notice and/or cure periods shall be available under this Agreement for such event and such event shall immediately be deemed a Default by Borrower under this Agreement.

6. Notice and Cure Rights. Notwithstanding anything to the contrary contained in the Loan Documents, Lender hereby agrees that any cure of any default or Default made or tendered by a Tax Credit Investor (as defined in the COH Loan Agreement) shall be deemed to be a cure by Borrower and shall be accepted or rejected on the same basis as if made or tendered by Borrower. Copies of all notices which are sent to Borrower or any other party under the terms of the Loan Documents shall also be sent to:

RBC Community Investments, LLC  
600 Superior Avenue  
Suite 2300  
Cleveland, Ohio 44114  
Attention: President and General Counsel

7. Lender's Remedies. If a Default exists under this Agreement, Lender shall be entitled to exercise all rights and remedies available under the Loan Documents, without further notice or opportunity to cure by Borrower except as may be required herein or by applicable law.

8. Amendments and Waivers. Borrower and Lender acknowledge and agree that the terms and provisions of this Agreement and the Loan Documents may not be amended and no waivers of any provisions of this Agreement or any Loan Document shall be effective without the prior written consent of the City as the collateral assignee of Lender. In addition, any prepayment of the Borrower Note shall require the prior written consent of the City as the collateral assignee of the Lender.

9. Limit to Indemnification. Notwithstanding anything to the contrary set forth in any of the Loan Documents, no indemnity obligation set forth in any Loan Document shall extend to or be enforceable against any limited partner of Borrower including any Tax Credit Investor in its capacity as a limited partner of Borrower (but not otherwise).

10. Amendments to Organizational Documents. Except as otherwise provided in the COH Loan Agreement and except for amendments in connection with transfers of interest in Borrower permitted in accordance with the terms of the COH Loan Agreement, Borrower shall not have the right to amend its organizational documents without Lender's and the City's prior written approval.

11. Removal of Borrower's General Partner (if any). Notwithstanding anything to the contrary contained in the Loan Documents but subject to the requirements of the COH Loan

Agreement, if Borrower is a limited partnership, the removal and/or replacement of Borrower's general partner for cause in accordance with the terms of Borrower's partnership agreement shall not require Lender's consent, constitute a default under the Loan Documents or accelerate the maturity of the Loan, but shall be subject to the terms and conditions of the COH Loan Agreement.

12. Transfer of Borrower's Partnership Interest. Subject to the terms of the COH Loan Agreement, but notwithstanding anything to the contrary contained in this Agreement and/or in any of the other Loan Documents, if Borrower is a limited partnership, Lender's consent shall not be required (and it shall be expressly permitted and not be deemed a Default under any of the Loan Documents), in connection with:

(a) The transfer and/or the assignment by the Tax Credit Investor (if any) of its interest in Borrower to an entity controlled or managed by an entity that is related to or under common control with the Tax Credit Investor;

(b) The transfer and/or assignment by any Tax Credit Investor of its interest in Borrower to Scott Street Lofts Advisors, LLC, a separate legal entity controlled by Scott Street Lofts Advisors, LLC or an affiliate in which Scott Street Lofts Advisors, LLC holds a controlling interest at the end of the Tax Credit Compliance Period (as defined in the COH Loan Agreement) applicable to Borrower, provided that as a condition of and prior to such transfer, the entity acquiring such interest execute any documentation required by the City; (ii) assumes in writing all obligations and covenants of the Tax Credit Investor in connection with Borrower; and (iii) the City's collateral position remains unimpaired as determined in the reasonable discretion of the City attorney;

(c) A change in the beneficial ownership of any Tax Credit Investor so long as such entity remains controlled by an affiliate thereof;

(d) The pledge and encumbrance of the interests of any Tax Credit Investor to or for the benefit of any financial institution that enables such Tax Credit Investor to make its capital contributions to Borrower;

(e) The initial issuance of partnership interests in Borrower equal to 99.99% of the profits, losses, credits, distributions and other interests in Borrower to the limited partners of Borrower;

(f) The transfer and/or the assignment of the Tax Credit Investor (if any) of its interest in Borrower as set forth in Section 10.1.16 of the COH Loan Agreement; and/or

(g) The exercise by Lender or an affiliate of Lender in which Lender owns a controlling interest of a right of first refusal to acquire the Limited Partners' interest in Borrower.

13. Insurance. Borrower shall, prior to or concurrently with the closing of the Borrower's Loan, deliver to Lender and City insurance policies evidencing the insurance coverages and requirements set forth in Section 6.25 and Appendix 2 of the COH Loan Agreement and which policies shall name Lender and the City as additional insureds thereunder. In the event of a conflict between the insurance requirements of the Deed of Trust and the COH Loan Agreement, the COH Loan Agreement will control.

14. Miscellaneous.

(a) This Agreement as supplemented by the Loan Documents contains the entire agreement between the parties hereto relating to the Loan and shall be amended only by an instrument in writing executed by the parties hereto.

(b) This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, personal representatives, successors and assigns, as the case may require.

(c) This Agreement shall be governed by the law of the State of Texas. Any dispute arising out of or in connection with this Agreement shall be resolved in the state courts located in Harris County, Texas.

(d) This Agreement may be executed in multiple counterparts, each of which shall constitute an original.

(e) This Agreement may be signed and delivered electronically or by electronic means and that electronic signature will be as good, binding, and effective as an original or manual signature.

(f) Notices under the Loan Documents shall be effective in the case of utilization of the U.S. Mail Service, upon the earlier of (i) three (3) days after deposit of such notice in the mail, return receipt requested or (ii) actual delivery. Notices sent by overnight courier services shall be effective one day after deposit with such service. All other notices shall be effective upon delivery. Notwithstanding the foregoing, any foreclosure notices shall be effective upon deposit with the U.S. Mail Service.

15. Limitation on Personal Liability. Borrower's liability under this Agreement shall be limited as described in Section XV of the Borrower Note.
